DIVERSITY

Equal Employment Opportunity Statement

Bridge Investment Group Holdings LLC (“Bridge” or the “Company”) provides equal employment opportunities to all employees and applicants for employment without regard to race (including hair texture, hair type, or protective hairstyles that are commonly or historically associated with race), creed, color, sex (including pregnancy or transgender status), sexual orientation, gender identity, gender expression, religion, age, national origin, ancestry, disability (mental or physical), military or veteran status, pregnancy, genetic profile, or any other protected status in accordance with applicable federal, state, or local laws (“Protected Categories”). The Company complies with applicable state and local laws governing nondiscrimination in employment in every location in which the Company has facilities. This policy applies to all terms and conditions of employment, including recruitment, hiring, discipline, placement, promotion, termination, layoff, recall, transfer, leaves of absence, benefits, compensation, training, and other terms and conditions of employment.

The Company expressly prohibits any form of unlawful employee harassment based on any Protected Category. Improper interference with the ability of Company employees to perform their expected job duties is absolutely not tolerated.

The Company will not discriminate against, retaliate against, discipline, discharge, or interfere with an employee who has inquired about, discussed, compared, or disclosed his or her wages or the wages of another employee; or who has brought charges, filed a complaint, or caused to be instituted an action based on disclosure of wage information made by an employee.

The Company does not discriminate on the basis of any protected category with respect to the payment of wages. It is the Company’s desire to pay all employees’ wages and salaries that are competitive with other employers in the marketplace in a way that will be motivational and equitable. The Company sets wages that are appropriate for the degree of responsibility and skill for each position.

Due to the nature of our business Bridge does not hire anyone below the age of eighteen (18). All employees are designated as either nonexempt or exempt under state and federal wage and hour laws. The following is intended to help employees understand employment classifications and employees’ employment status and benefit eligibility. These classifications do not guarantee employment for any specified period of time. The right to terminate the employment-at-will relationship at any time is retained by both the employee and the Company.

Diversity and Inclusion

Bridge is committed to fostering, cultivating, and strengthening a culture of diversity and inclusion.

Our employees our most valuable asset. The collective sum of the individual differences, life experiences, knowledge, inventiveness, innovation, self-expression, unique capabilities, and talent that our employees invest in their work represents a significant part of not only our culture, but our reputation and company’s commitment to excellence.

We embrace and encourage our employees’ differences in age, color, disability, ethnicity, family or marital status, gender identity or expression, language, national origin, political affiliation, race, religion, sexual orientation, military or veteran status, and other characteristics that make our employees unique.

Bridge diversity initiatives are applicable—but not limited—to our practices and policies on recruitment and selection; compensation and benefits; professional development and training; promotions; transfers;

social and recreational programs; layoffs; terminations; and the ongoing development of a work environment built on the premise of gender and diversity equality that encourages and enforces:

- Respectful communication and cooperation between all employees.
- Teamwork and employee participation, permitting the representation of all groups and employee perspectives.
- Work/life balance through flexible work schedules to accommodate employees' varying needs.
- Employer and employee contributions to the communities we serve to promote a greater understanding and respect for the diversity.

All employees of Bridge have a responsibility to treat others with dignity and respect at all times. All employees are expected to exhibit conduct that reflects inclusion during work, at work functions on or off the work site, and at all other company-sponsored and participative events. All employees are also required to participate in and complete annual diversity awareness training to enhance their knowledge to fulfill this responsibility.

Any employee found to have exhibited any inappropriate conduct or behavior against others may be subject to disciplinary action up to and including termination.

Employees who believe they have been subjected to any kind of discrimination that conflicts with the company's diversity policy and initiatives should seek assistance from a supervisor or an HR representative.

Anti-Harassment Policy and Complaint Procedure

The Company is committed to a work environment in which all individuals are treated with respect and dignity. Each individual has the right to work in a professional atmosphere that promotes equal employment opportunities and prohibits unlawful discriminatory practices, including harassment. Therefore, the Company expects that all relationships among persons in the office will be professional and free of bias, prejudice, and harassment.

It is the policy of the Company to ensure equal employment opportunity without discrimination or harassment on the basis of any Protected Category. The Company prohibits any such discrimination or harassment.

The Company encourages reporting of all perceived incidents of discrimination or harassment. It is the policy of the Company to promptly and thoroughly investigate such reports. The Company prohibits retaliation against any individual who reports discrimination or harassment or who participates in an investigation of such reports.

Violations of this policy will subject an employee to disciplinary action, up to and including immediate termination.

Definitions of Harassment

Sexual harassment constitutes discrimination and is illegal under federal, state, and local laws. For the purpose of this policy, sexual harassment is defined, as in the Equal Employment Opportunity Commission guidelines, as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when, for example:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment.

- Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual.
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Sexual harassment may include a range of subtle and not-so-subtle behaviors and may involve individuals of the same or different gender. Depending on the circumstances, these behaviors may include unwanted sexual advances or requests for sexual favors; sexual jokes and innuendos; verbal abuse of a sexual nature; commentary about an individual's body, sexual prowess, or sexual deficiencies; leering, whistling, or touching; insulting or obscene comments or gestures; display in the workplace of sexually suggestive objects or pictures; and other physical, verbal or visual conduct of a sexual nature.

Harassment on the basis of any other Protected Category is also illegal under federal, state, and local laws and strictly prohibited. Under this policy, harassment is verbal, written, or physical conduct that denigrates or shows hostility or aversion toward an individual or their relatives, friends or associates and that (a) has the purpose or effect of creating an intimidating, hostile or offensive work environment; (b) has the purpose or effect of unreasonably interfering with an individual's work performance; or (c) otherwise adversely affects an individual's employment opportunities because of their Protected Category or any other characteristic protected by law. Harassing conduct includes epithets, slurs or negative stereotyping; threatening, intimidating or hostile acts; denigrating jokes; and written or graphic material that denigrates or shows hostility or aversion toward an individual or group and that is placed on walls or elsewhere on the employer's premises or circulated in the workplace, on company time or using company equipment via e-mail, phone (including voice messages), text messages, tweets, blogs, social networking sites or other means.

Individuals and Conduct Covered

These policies apply to all applicants and employees, including supervisors and managers, whether related to conduct engaged in by fellow employees or someone not directly connected to the Company (e.g., an outside vendor, consultant, or customer). The Company prohibits managers, supervisors, and employees from harassing co-workers, as well as the Company's customers, vendors, suppliers, independent contractors, and others doing business with the Company. In addition, the Company prohibits its customers, vendors, suppliers, independent contractors, and others doing business with the Company from harassing our employees.

Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business trips, business meetings and business-related social events.

Complaint Process

Individuals who believe they have been the victims of conduct prohibited by this policy statement or who believe they have witnessed such conduct should discuss their concerns with their immediate supervisor (if appropriate) and with Human Resources (hrconfidential@bridgeig.com) right away. Employees may also discuss their concerns with any other supervisor or member of Human Resources.

When possible, the Company encourages individuals who believe they are being subjected to such conduct to promptly advise the offender that their behavior is unwelcome and request that it be discontinued. Often this action alone will resolve the problem. The Company recognizes, however, that an individual may prefer to pursue the matter through the Company complaint procedures.

The Company encourages the prompt reporting of complaints or concerns so that rapid and constructive action can be taken before relationships become irreparably strained. Therefore, although no fixed

reporting period has been established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment or discrimination.

Your notification of the problem is essential to us though. We cannot help resolve a harassment problem unless we know about it. Therefore, it is your responsibility to bring your concerns and/or problems to our attention so that we can take whatever steps are necessary to address the situation. The Company takes all complaints of unlawful harassment seriously and will not penalize you or retaliate against you in any way for reporting a harassment problem in good faith.

Any reported allegations of harassment, discrimination or retaliation will be investigated as promptly as possible, and corrective action will be taken where warranted. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. The Company prohibits employees from hindering internal investigations and the internal complaint procedure.

Confidentiality will be maintained throughout the investigatory process to the extent consistent with adequate investigation and appropriate corrective action.

Retaliation against an individual for reporting harassment or discrimination or for participating in an investigation of a claim of harassment or discrimination is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action up to and including termination. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.

Policy against Retaliation

The Company is committed to prohibiting retaliation against those who report, oppose, or participate in an investigation of alleged wrongdoing in the workplace. By way of example only, participating in an investigation of alleged wrongdoing in the workplace, includes, but is not limited to:

- Filing a complaint with a federal or state enforcement or administrative agency;
- Participating in or cooperating with a federal or state enforcement agency that is investigating the Company regarding alleged unlawful activity;
- Testifying as a party, witness, or accused regarding alleged unlawful activity;
- Associating with another employee who is engaged in any of these activities;
- Making or filing an internal complaint with the Company regarding alleged unlawful activity;
- Providing informal notice to the Company regarding alleged unlawful activity.

The Company strictly prohibits any adverse action/retaliation against an employee for participating in an investigation of any alleged wrongdoing in the workplace. If you feel that you are being retaliated against, you should immediately contact **the Human Resources Department**. In addition, if you observe retaliation by another employee, supervisor, manager, or non-employee, please report the incident immediately to **the Human Resources Department**.

Any employee determined to be responsible for violating this policy will be subject to appropriate disciplinary action, up to and including termination. Moreover, any employee, supervisor or manager who condones or ignores potential violations of this policy will be subject to appropriate disciplinary action, up to and including termination.

Misconduct constituting harassment, discrimination or retaliation will be dealt with promptly and appropriately and may be subject to disciplinary action up to and including termination. The level of disciplinary action will depend on the circumstances surrounding the misconduct.

If a party to a complaint does not agree with its resolution, that party may appeal to the Company's Head of Human Resources.

False and malicious complaints of harassment, discrimination or retaliation may be subject to appropriate disciplinary action up to and including termination after the completion of a thorough investigation.

Americans with Disabilities Act and the ADA Amendments Act

The Americans with Disabilities Act and the Americans with Disabilities Amendments Act are federal laws that prohibit employers with 15 or more employees from discriminating against applicants and individuals with disabilities. When necessary they provide reasonable accommodations to applicants and employees who are qualified for a job, with or without reasonable accommodations, so that they may perform the essential job duties of the position.

It is the policy of the Company to comply with all federal and state laws concerning the employment of persons with disabilities and to act in accordance with regulations and guidance issued by the Equal Employment Opportunity Commission. Furthermore, it is our company policy not to discriminate against qualified individuals with disabilities in regard to all aspects of our employment practices, including, but not limited to, recruiting, hiring, discipline, firing, promoting, transferring, compensation, benefits, training, leaves of absence, and other terms, conditions, and privileges of employment.

If you require an accommodation to perform the essential functions of your job, you must notify your supervisor and/or the Human Resources Department. Once the Company is aware of your need for an accommodation, we will engage in the interactive process to identify possible accommodations that might enable you to perform the essential functions of the job. The Company will reasonably accommodate qualified individuals with a disability so that they can perform the essential functions of a job unless doing so causes a direct threat to these individuals or others in the workplace and the threat cannot be eliminated by reasonable accommodation and/or if the accommodation creates an undue hardship to the Company. If you believe that you have been treated in a manner that does not comply with these policies, please notify the Human Resources Department immediately.

Pregnancy and Childbirth Accommodation

The Company will provide a reasonable accommodation to any employee who requires an accommodation for conditions related to pregnancy, childbirth, or a related condition to the extent required by law, provided the requested accommodation does not create an undue hardship for the company. Such accommodations may include, but are not limited to, more frequent or longer break periods; more frequent restroom, food and water breaks; acquisition or modification of equipment or seating; limitations on lifting; temporary transfer to a less strenuous or hazardous position if available, with return to the current position after pregnancy; job restructuring; light duty, if available, assistance with manual labor; or modified work schedules. If you require an accommodation to perform the essential functions of your job, you must notify Human Resources. Once we are aware of the need for an accommodation, we will engage in an interactive process to identify possible accommodations.

EMPLOYMENT

Employee Classification Categories

All employees are designated as either nonexempt or exempt under state and federal wage and hour laws. The following is intended to help employees understand employment classifications and employees' employment status and benefit eligibility. These classifications do not guarantee employment for any

specified period of time. The right to terminate the employment-at-will relationship at any time is retained by both the employee and the Company.

Nonexempt employees are generally employees who are paid hourly and entitled to overtime compensation under the FLSA and similar state wage and hour laws. They are NOT exempt from the law's requirements concerning minimum wage and overtime.

Exempt employees are generally managers, professionals, administrators that make decisions on a managerial level, or technical staff who ARE exempt from the minimum wage and overtime provisions of the FLSA and similar state wage and hour laws. Exempt employees hold jobs that meet the standards and criteria established under the FLSA by the U.S. Department of Labor and similar state legislation.

The Company has established the following categories for both nonexempt and exempt employees:

- **Regular full-time:** Employees who are not in a temporary status and who regularly work the Company's full-time schedule of at least 30 hours per week or 130 hours per month. Generally, these employees are eligible for the full benefits package, subject to the terms, conditions, and limitations of each benefits program.
- **Rehired regular full-time:** Employees who previously worked for the company. They must be an employee for more than 15 days in order to be considered a rehired employee. Generally, these employees are eligible for the full benefits package, subject to the terms, conditions, and limitations of each benefits program beginning of the start of the month following their rehire date.
- **Regular part-time:** Employees who are not in a temporary status and who are regularly scheduled to work but at least 20 hours each week. If a part-time employee works more than 40 hours per week, they will be paid for overtime worked, but does not become eligible for employee benefits unless their status is changed to regular full-time and unless certain benefits are required under state or local law. If status is changed to regular full-time, the employee will become eligible for benefits the first day of the month following the change in status. Benefits include but are not limited to health benefits, PTO, holiday pay and any other paid leaves. A 12-month measurement period is in effect to determine a transition from part-time to full-time status.

Temporary or Seasonal full-time or part-time: A temporary or seasonal full-time or part-time position is a short-term position designed to fill a temporary need. These positions are not intended to be a part of continuing operations. The amount of time the employee is needed should be estimated when hired, so that employees are not surprised when the work ends. The position is for a limited duration. The employment status of temporary employees will not be changed due to an extension. If status is changed from temporary to regular full-time, the employee will become eligible for benefits the first day of the month after they have met the 60-day requirement as a regular full-time employee, unless otherwise required by state or local law. Temporary or seasonal workers are not eligible for company benefits, unless specifically stated otherwise in a Company policy, they are deemed eligible according to plan documents, or if required under state or local laws. Temporary employees will not have access to company systems unless they have been properly vetted and approved by Human Resources.

Immigration Policy

General: No person may be employed by Bridge Investment Group without the requisite citizenship or immigration status authorizing the employment. If an individual is not a U.S. citizen, the individual must have immigration status which authorizes employment with the Company. Throughout all periods

of employment, it is the individual's responsibility to maintain a lawful status that authorizes the employment in question. In order to obtain or maintain such status, the Company may be requested or may desire to sponsor an individual (i.e., act as the petitioner) for a visa. This policy pertains to those visas for employees for which the Company is regularly requested to act as a sponsor (i.e., H-1B or permanent resident visas). Visa sponsorships are typically reserved for corporate employees.

Various laws and regulations enforced by various federal agencies govern the sponsorship and employment of foreign nationals. Because the process to sponsor a foreign national for employment at the Company is complex, **no employee or department shall authorize sponsorship by the Company of any visa, nor shall execute any documents relating thereto, without the approval of Human Resources, who works in collaboration with General Counsel and approved outside counsel.** Failure to obtain authorization for sponsorship as set forth herein may result in the revocation of sponsorship.

An agreement by the Company to sponsor a foreign national for a non-immigrant or permanent residency visa does not create, nor should be construed as creating, a binding contract of employment between the foreign national and the Company, nor does actual sponsorship by the Company of a visa guarantee employment or continued employment of the foreign national. Furthermore, the approval by the United States Citizenship and Immigration Services (USCIS) of a certain length of stay for a foreign national on a non-immigrant visa does not create a binding contract of employment between the Company and the foreign national for that length of stay. Foreign employees with non-immigrant visas and permanent residency shall be treated like any other employee of the Company: they are subject to the same policies and procedures and shall have the same benefits and responsibilities as any other Company employee in a similar position.

Procedure for Inquiry: Human Resources/the Company's internal Immigration Specialist will not handle inquiries about non-immigrant or permanent resident visa sponsorship directly from employees but will only accept inquiries from managers or heads of the department. Human Resources/the Company's internal Immigration Specialist shall be the contact with General Counsel and approved outside counsel unless exceptional circumstances require a manager or division leader to contact General Counsel directly. A department or division of the Company shall not retain, or otherwise directly consult with, outside counsel except as approved by Human Resources/the Company's internal Immigration Specialist and/or General Counsel.

Types of Visas:

1. Nonimmigrant (Temporary) Visas:

- a. There are different types of non-immigrant visas that can authorize employment at the Company. Which visa is appropriate for a foreign national depends on that person's circumstances and shall be determined by Human Resources/the Company's internal Immigration Specialist and outside counsel. These visas generally authorize employment only for the specific position for which the Company sponsors the foreign national and only for a temporary period of time.

2. Immigrant (Permanent) Visas:

- a. Generally, the Company may consider sponsoring a foreign national for permanent residence (i.e., a green card) when it intends to hire (or continue the employment of) a foreign national in a full-time position of indefinite duration. Obtaining permanent residence on behalf of an employee requires a substantial commitment of Company resources. Accordingly, the Company will sponsor a foreign national for permanent residency only when there is a reasonable expectation that the individual will be employed by the Company for a substantial period of time. The sponsorship by the Company of permanent residence for a foreign national is not an employee's right and there is no guarantee of sponsorship or that a permanent residency visa will be obtained. The Company's sponsorship of a permanent residency application shall in no way imply or obligate the Company to favorable action on future retention or promotion applications.
- b. The Company will not sponsor an employee for permanent residence unless that employee has been working at the Company on an appropriate non-immigrant working visa (i.e., J-1, H-1B, or O-1 visa) for at least one (1) year, is in good standing and not currently under any disciplinary action or performance improvement plan.

Expiration of Employment Authorization: Although each foreign individual employed at the Company is responsible for maintaining a valid status that authorizes their employment at the Company and for renewing such status in the event it expires, the Human Resources/the Company's internal Immigration Specialist shall also monitor, **as a courtesy**, the expiration dates of employment authorization of foreign employees, to ensure that each employee maintains valid employment authorization at all times.

Fees & Costs: The Company may decide to cover most Immigrant Visa sponsorship costs for sponsorship of a foreign national employee. In general, no fees are covered for dependent family members (spouse and children under the age of 21); however, foreign national employees and dependent family members may work with the Company's designated immigration law firm to process such applications, ensuring the most efficient and often the most cost-effective immigration processing. Please reach out to Human Resources/the Company's internal Immigration Specialist for further information.

The need for Premium Processing (expedited government processing) filings will be considered by the Company on a case-by-case basis to determine whether there is a business need. If a business need exists, the Company will cover such Premium Processing fees. If the Company decides that Premium Processing is not supported by a business need, foreign national employees may still request such a filing and pay out of pocket for such fee(s) where legally permitted.

The Immigration Visa process may be stopped after initiation due to business needs, employee performance, or other criteria as determined by the Company.

Background and Reference Checks

To ensure that individuals who join the Company are well qualified and have the strong potential to be productive and successful, and to further ensure that the Company maintains a safe and productive work environment, free from any form of violence, harassment, or misconduct, it is our policy to conduct pre-employment background checks on all applicants who accept an offer of employment. Background checks may include verification of any information on the applicant's resume or application form, as permitted by law.

All offers of employment are conditioned on receipt of a background check report that is acceptable to the Company. All background checks are conducted in conformity with the Federal Fair Credit Reporting Act, the Americans with Disabilities Act, state and federal privacy, and antidiscrimination laws, and all other applicable federal, state, and local laws. The Company uses best efforts to ensure reports are kept confidential and are only viewed by individuals involved in the hiring process.

If information obtained in a background check would lead the Company to deny employment, a copy of the report will be provided to the applicant, and the applicant will have the opportunity to dispute the report's accuracy. Background checks may include a criminal record check, where permitted under state law, although a criminal conviction does not automatically bar an applicant from employment.

Additional checks such as a driving record or credit report may be made on applicants for particular job categories if appropriate and job related.

Dependent on employee level or position, there may be a requirement to complete periodic background checks while employed with the Company.

Motor Vehicle Reports

Employees that are required to drive their own vehicle or rent a vehicle for company purposes must hold a valid state driver's license for the class of vehicle they are driving and will be required to have their driving records reviewed on a regular basis. The employee's driving record will be reviewed by management to determine whether the employee is authorized to drive on behalf of the Company. Employees will also be required to provide proof of personal vehicle insurance coverage periodically.

If an employee receives a traffic citation while operating or renting a company vehicle for company purposes, the employee will be responsible for paying any fine or penalty.

Immigration Compliance

As a condition of employment and in compliance with federal law, each new employee must complete an I-9 Form along with any applicable state forms, and present documents that establish identity and employment authorization and eligibility. Identity can be established by providing a current state-issued driver's license, a state-issued identification card, or similar document such as a school identification with photograph, voter's registration card, or military service record. An employment eligibility document is a Social Security card, a birth certificate, or an immigration document. You will not be allowed to continue employment until you provide proper documentation.

Internal Transfers/Promotions

Supervisors are responsible for making any changes to an employee's status that will affect either the employee's pay or their job title. The Company may initiate transfers of employees between departments and facilities to meet specified work requirements and reassignment of work requirements. Increases to the employee's pay are generally made by the recommendation of the employee's supervisor.

The Company offers employees promotions to higher-level positions when appropriate. Management prefers to promote from within and may first consider current employees with the necessary qualifications and skills to fill vacancies above entry level candidates. A promotion may be based on various factors, including but not limited to, quality and quantity of work, prior job performance, experience, educational background, attendance and punctuality, safety record, input from business partners, and the ability to work well with others. We reserve the right to look outside the organization if we feel that an employee with the best qualifications cannot be found within the organization and/or if outside recruitment is considered to be in the Company's best interest.

Direct Supervisor have a responsibility to make sure that any other changes in status are completed, within the Human Resource Information System (HRIS) in a timely manner.

Internal Application Policy

Employee

Policy

Any eligible and qualified employee may apply for a posted position by completing an "Employee Internal Job Application Request Form". However, applications will only be considered for the position if the employee:

- Has a signed acknowledgement form from their current supervisor.
- Has a minimum of 12 months continuous service in their present position or the acknowledgement of their current supervisor.
- Meet the minimum education, experience, skills and required qualifications for the open position.
- Is not subject to active performance management, including a performance improvement plan or last and final written warning.
- Has not recently received a "below expectations" performance rating.

Before submitting the internal job application request, employees must discuss with their supervisor their desire to apply for an internal position. Employees interested in applying for an open position can apply through the official Company applicant tracking system or contact the Company recruiter. Employees must complete the internal job application form before a formal interview is scheduled.

Transfer timing should be discussed and agreed upon between the current and new supervisors. Factors such as the urgency to fill the position, status of the employee's present workload and difficulty in filling the employee's present position are to be considered in determining a transfer date.

Open Position Exceptions

The Company will typically not post positions within a department to be filled by employees returning from a leave of absence, by employees whose position is being eliminated (due to reorganization or reduction in headcount), or based on other special circumstances, unless required under state or local laws.

Manager/Supervisor

Before signing the internal job application acknowledgement, the employee's current supervisor must discuss with the employee their desire to apply for an internal position. When the hiring manager receives the signed authorization, it is recommended that they reach out to the employee's current supervisor to review the employee's decision to apply. Supervisors shall not retaliate against an employee who requests consideration for a transfer. Hiring managers are required to notify the employee's current supervisor to inform them if an offer has been made and accepted. Both managers will discuss next steps and agreed on timeline for transfer to ensure all current and future departmental needs are considered when deciding the employee's official transfer and start date.

Supervisors should not actively recruit within the company and should work with the company recruiter for any potential internal applicants who have the qualifications and expressed an interest in applying for the open internal position.

Employees that are denied an opportunity to complete the internal application process through the supervisor approval process have the right to file an appeal through the company Human Resource Department.

Compensation

Hiring managers are expected to discuss and confirm the employee's current salary and rate of pay with the Human Resources Department prior to extending an offer. Hiring managers may grant a salary increase, within company pay guidelines, for a promotion (**a move to a job in a higher level**). In general, no salary increase should be provided for a lateral transfer (**a move to a similar job in the same level**) because there is no increase in the level of responsibility. When an employee transfers to a job in a lower job level, the manager should consult with the Human Resources Department. Typically, the employee's salary or hourly rate should be reduced because the level of responsibility has decreased.

Nepotism, Employment of Relatives, and Personal Relationships

Decisions about hiring, promoting, evaluating, awarding salary increases, and terminating employees are based on qualifications for the position, ability, and performance. Every attempt is made to avoid favoritism, the appearance of favoritism, and conflicts of interest in employment decisions.

To avoid accusations of favoritism, abuse of authority and sexual harassment, we prohibit supervisors from dating employees who report to them. This restriction may extend to every manager within two levels above an employee, regardless of team or department to facilitate moving or promoting employees.

Supervisors are strictly forbidden from dating their direct reports. If this occurs and relationship is not reported to Human Resources, the supervisor may face disciplinary action up to and including termination.

The Company reserves the right to take action when relationships or associations of our employees impact our mission. This policy is intended to ensure effective supervision, internal discipline, security, safety, and positive morale in the workplace. It also seeks to avoid the perception of favoritism, conflicts in loyalty, discrimination, the appearance of impropriety, and conflicts of interest.

If employees begin a dating relationship or become relatives, partners, or members of the same household they are required to inform management and Human Resources of the relationship within 14 days of that union. If an individual directly supervises another employee in which they are currently in a relationship or a family member all employment raises, promotions, and disciplinary action for that individual will be conducted by a different supervisor higher in the chain of command. The Company reserves the right to transfer individuals from situations where there is a conflict or the potential for conflict because of the relationship between employees, even if there is no direct-reporting relationship or authority involved.

Connected Hire Policy

Bridge is an equal opportunity employer and supports the prevention of unfair nepotism practices to ensure that fair hiring practices are utilized at all times. To ensure that our organization and hiring processes are free of any conflict of interest, we have adopted this policy to ensure that potential connected hires are handled equitably and transparently. It is acknowledged that this policy is an update of prior policies in place by the company with respect to this issue and therefore the company will “grandfather” existing relationships but put into place appropriate procedures to make sure the intent and purpose of this policy is adhered to even where prior conflicts exist.

Intent

The purpose of this policy is to:

- Legitimately prevent a conflict of interest or the appearance of a conflict of interest that arises through a connected hire. A connected hire is defined as the hiring or employment of friends and relatives; and/or the friends and relatives of investors, regulators, or officials to whom the Company has an obligation.
- Legitimately prevent the misuse of authority and influence or the appearance of such misuse.

Policy

The Company will not discriminate in its hiring practices on the basis that a person is a connected hire. To this end, connected hires are eligible for employment with the company provided that:

- The hiring process is open and equitable, and candidates are selected in accordance with the Company’s hiring related policies;
- The Company will accept applications from, and consider a connected hire if the candidate has all the requisite qualifications and is properly vetted through the talent acquisition vetting process;
- A family member or friend shall not be considered for employment if by doing so, it might create a direct or indirect managerial/subordinate relationship with the friend or family member, or if their employment could create a conflict of interest;
- The Company employees, regulators or government officials do not directly or indirectly influence the selection and hiring process in which their relative or friend is a candidate;
- Managers and supervisors exclude themselves from any hiring process where their relative or friend is a candidate;
- A direct or indirect supervisor/subordinate reporting relationship is not created between such employees; and/or
- Relatives and friends are not employed in positions where a real or potential conflict of interest exists. If a real or perceived conflict of interest arises due to marriage/cohabitation, or if two or more related employees work in a situation where there is a real or perceived conflict of interest:

The employees will notify their manager/supervisor or Human Resources.

The manager/supervisor and Human Resources will work together to assess the situation and determine whether there is a real or perceived conflict of interest. If there is a real or perceived conflict of interest, the Department Manager will be informed.

The Department Manager, in consultation with Human Resources and the manager/supervisor, will make reasonable efforts to investigate suitable options within the company for one of the related employees.

- A direct or indirect supervisor/subordinate reporting relationship which may currently exist will require approval and oversight from a more senior member of Executive management who will work with HR as it relates to matters of salary, bonus, and promotion and the connected staff member will need to abstain from any final decisions related thereto.

Separation of Employment

Separation of employment within an organization can occur for several different reasons. Upon termination it is the responsibility of the employee to make sure that the Payroll Department has their current mailing address.

- **Resignation:** Although we hope an individual's employment with us will be a mutually rewarding experience, we understand that varying circumstances cause employees to voluntarily resign employment. Resigning employees are encouraged to provide two weeks' notice, preferably in writing, to facilitate a smooth transition out of the organization. Management reserves the right to provide an employee with two weeks' pay in lieu of notice in situations where job or business needs warrant such action. If an employee provides less notice than requested, the employer may deem the individual to be ineligible for rehire depending on the circumstances regarding the notice given.
- **Retirement:** Employees who wish to retire are required to notify their supervisor and the Human Resources Department in writing at least one (1) month before the planned retirement date.
- **Job abandonment:** Employees who fail to report to work for two (2) consecutive workdays without either providing notice in advance of their absence by contacting their manager, or by providing subsequent satisfactory explanation for their absence, shall be considered to have abandoned the job without notice, effective at the end of their normal shift on the second day. The supervisor shall notify the Human Resources Department at the expiration of the second workday and initiate the paperwork to terminate the employee. Employees who are terminated due to job abandonment are ineligible for rehire.
- **Termination:** Employees of the Company are employed on an at-will basis in accordance with state law, and the Company retains the right to terminate an employee at any time.

Return of Company Property

The separating employee must return all company property at the time of separation. Company property may include uniforms, cell phones, keys, PCs, Company cash and identification cards. Failure to return some items may result in deductions from the final paycheck.

Paid Time Off (PTO)

Accrued, unused PTO leave will be paid in the last paycheck except in instances as outlined in the PTO policy, and unless prohibited by state or local law.

Health Insurance Termination

Health, dental and vision insurances terminate on the last day of the month of the termination date. All other voluntary insurances terminate on the last day of employment. Employees will be required to pay their share of insurance premiums through the end of the month on their final check. Information for

Consolidated Omnibus Budget Reconciliation (COBRA) continued health coverage will be mailed to the employee within 30 days of termination of insurances.

Rehire

Former employees who left the Company in good standing and were classified as eligible for rehire may be considered for reemployment. An application must be submitted through the Company's applicant tracking system and must meet all minimum qualifications and requirements of the position.

If a former employee with less than one year of prior service is rehired, the employee will be considered a new employee and will not be eligible for prior service recognition for seniority or benefits plan participation purposes.

If a former employee with more than one year of prior service is rehired, the employee's seniority will be bridged if the employee is rehired within 12 months of the employee's previous separation from the Company. Service recognition will include prior service recognition for accrued leave plans. Previous tenure over one year is counted towards leave accruals but not health insurance benefits.

An employee who is terminated for violating policy or who resigned in lieu of termination from employment due to a policy violation or abandoning their position will be ineligible for rehire.

Any employee rehired within fourteen (14) days of their previous termination date may not be required to complete the background check and/or drug screening requirements.

Management's Open-Door Policy

The Company is committed to having a collaborative environment with direct communication between employees and management. To open communications, employees are encouraged to first discuss any question, concern, or problem with their immediate supervisor. These are the individuals who are in the position to resolve most issues or questions effectively. If an employee takes a concern to their immediate supervisor but feels the problem has not been fully resolved, they are encouraged to proceed to the next level of management.

WORKPLACE SAFETY

Alcohol and Drug Policy

The Company has a longstanding commitment to provide a safe and productive work environment. Alcohol and illegal drug abuse pose a threat to the health and safety of employees and to the security of our equipment and facilities. For these reasons, the Company is committed to the elimination of illegal drug and/or alcohol use and abuse in the workplace.

This policy outlines the practice and procedure designed to correct instances of identified alcohol and/or illegal drug use in the workplace. This policy applies to all employees and all applicants for employment of the Company.

Employee Assistance and Drug-Free Awareness

Illegal drug use and alcohol misuse have a number of adverse health and safety consequences. Information about those consequences and sources of help for drug/alcohol problems is available through the Company Employee Assistance Program (EAP) to assist employees with drug and/or alcohol related problems. Contact information is available in the benefits section of this handbook.

Employees should report to work fit for duty and free of any adverse effects of illegal and/or legal drugs, including marijuana and/or medical marijuana, regardless of whether it is permitted under state law. Employees must consult with their doctors about the medications' effect on their fitness for duty and ability to work safely and promptly disclose any work restrictions to their supervisor. Employees should not, however, disclose underlying medical conditions unless directed to do so.

Employees are prohibited from the use or possession of alcohol, marijuana, or medical marijuana at any time in the workplace or during hours of employment.

No Smoking Policy

The Company maintains a smoke- and tobacco-free offices. No smoking or other use of tobacco products (including, but not limited to, cigarettes, e-cigarettes or vaping devices, pipes, cigars, snuff, or chewing tobacco) is permitted in any part of the building or in vehicles owned, leased, or rented by the Company. Employees may smoke outside in designated areas during breaks. When smoking or otherwise using tobacco or similar products outside, do not leave cigarette butts or other traces of litter or tobacco use on the ground or anywhere else. No additional breaks beyond those allowed under the Company's break policy may be taken for the purpose of using tobacco or similar products. Dispose of any litter properly in the receptacles provided for that purpose. Failure to comply with this policy may result in disciplinary action, up to and including termination.

Alcohol Consumption at Company Functions

The Company takes steps to limit the consumption of alcohol at Company functions. The possession, consumption, or use of alcoholic beverages at Company functions may occur only with prior approval from the executive in charge of the host group. After granting approval, that executive has ultimate responsibility for ensuring that employees adhere to the guidelines presented below.

Managers and employees are responsible for adherence to Company policy. Failure to do so may result in disciplinary action, up to and including termination. Excessive alcohol consumption may endanger the health and safety of employees and others around them in addition to tarnishing the Company's reputation. If an employee chooses to consume alcohol at a Company function, the employee must do so

in moderation. Inebriation at a Company function may result in disciplinary action, up to and including termination. The safety of employees is of the utmost importance to the Company. Employees who consume alcohol at Company functions must plan ahead for a safe commute after the function. This may include scheduled rides, a designated driver, or use of third-party ride-share or taxi services.

Company functions to which this policy applies may include but are not limited to: receptions for business guests, civic or business organizations; Company-sponsored parties; department picnics and outings; and year-end recognition events.

Employees are required to disclose that a medication they are taking may make them a risk of harm to themselves or others. However, employees do not need to identify the specific medication or explain why they are taking it. It is the employee's responsibility to determine from their physician whether a prescribed drug may impair job performance.

Any illegal drugs or drug paraphernalia will be turned over to an appropriate law enforcement agency and may result in criminal prosecution.

Required Testing

The Company retains the right to require the following tests:

- **Pre-employment:** Various Department applicants are required to pass a drug test before beginning work or receiving a conditional offer of employment, subject to state and local law. This is determined by the vertical or position the applicant applies for.
- **Reasonable suspicion:** Employees are subject to testing based on (but not limited to) observations by members of management of apparent workplace use, possession, or impairment. Human Resources must be consulted before sending an employee for testing. Management must use the Reasonable Suspicion Observation Checklist to document specific observations and behaviors that create a reasonable suspicion that an employee is under the influence of illegal drugs or alcohol.
- **Post-accident:** Employees are subject to testing when they cause or contribute to accidents that damage a company vehicle, machinery, equipment, or property and/or result in an injury to themselves or another if there is reasonable basis to assume that drug or alcohol use contributed to the accident. In any of these instances, the investigation and subsequent testing must take place within two (2) hours following the accident, if not sooner. Employees are to go to company-designated testing sites, unless prohibited by state or local laws.

- Inactions (sleeping, unconscious, no reaction to questions)

If a dilute result occurs, individuals will be given one additional opportunity to provide a valid specimen. The individual is required to have the second test performed within 24 hours of notification. The result of the second test will determine whether the individual is either eligible for employment or to continue their employment. An employee, who receives any of the following results will be terminated and is disqualified from consideration for employment for one year from the date of the test result:

- verified positive
- second negative dilute
- second sample outside the allowed temperature range
- cancelled – invalid result where the donor’s explanation is not accepted by the MRO (medical review officer)
- verified adulterated
- verified substituted
- Nothing in this policy shall be construed to discourage or discriminate against any employee solely for reporting a workplace injury or accident.

When reasonable suspicion testing is warranted, management and or HR will meet with the employee to explain the observations and the requirement to undergo a drug and/or alcohol test within two hours. Refusal by an employee will be treated as a positive drug test result. Testing may include urinalysis, oral swab, or other forms of testing consistent with state and/or local law.

Applicants who refuse to submit to a drug test, who have been found to have tampered with or altered a drug test, or tests positive for prohibited substances will not be hired. Employees who refuse to cooperate in required tests or who use, possess, buy, sell, manufacture, distribute or dispense any drug in violation of this policy will be disciplined up to and including termination. All employees who test positive in a confirmed substance test will be subject to discipline, up to and including termination.

Employees will be paid for time spent in alcohol/drug testing. Employees then will be suspended pending the results of the drug/alcohol test. After the results of the test are received, a date/time will be scheduled to discuss the results of the test. Should the results prove to be negative, the employee will receive back pay for the times/days of suspension.

Under no circumstances will the employee be allowed to drive themselves to the testing facility. A member of management must transport the employee or arrange for a cab and arrange for the employee to be transported home.

Consequences

Applicants who refuse to submit to a drug test, who have been found to have tampered with or altered a drug test, or who tests positive for prohibited substances will not be hired. Employees who refuse to cooperate in required tests or who use, possess, buy, sell, manufacture, distribute or dispense any drug in violation of this policy will be disciplined up to and including termination. Employees will be paid for time spent in alcohol/drug testing. Employees then will be suspended pending the results of the drug/alcohol test. After the results of the test are received, a date/time will be scheduled to discuss the results of the test. Should the results prove to be negative, the employee will receive back pay for the times/days of suspension.

The Company will use best efforts to protect information and records relating to positive test results, drug and alcohol dependencies, and legitimate medical explanations. They shall be kept confidential to the extent required by law and maintained in secure files separate from normal personnel files.

Workplace Bullying

All employees should always be treated with dignity and respect.

The purpose of this policy is to communicate to all employees, including supervisors and executives, that the Company will not tolerate bullying behavior. Employees found in violation of this policy will be disciplined up to and including termination.

Bullying may be intentional or unintentional. However, it must be noted that where an allegation of bullying is made, the intention of the alleged bully is irrelevant and will not be given consideration when determining discipline. As in sexual harassment, it is the effect of the behavior upon the individual that is important. The Company considers the following types of behavior examples of bullying:

Verbal Bullying: Slandering, ridiculing, or maligning a person or their family; persistent name calling that is hurtful, insulting or humiliating; using a person as the butt of jokes negative comments, abusive and offensive remarks.

Physical Bullying: Pushing, shoving, kicking, poking, tripping, assault, or threat of physical assault; damage to a person’s work area or property.

This includes discussions of the use of dangerous weapons, even in a joking manner. The Company resources may not be used to threaten, stalk, or harass anyone at the workplace or outside the workplace. The Company treats threats coming from an abusive personal relationship as it does other forms of violence.

Indirect or direct threats of violence, incidents of actual violence, and suspicious individuals or activities should be reported as soon as possible to a supervisor, Human Resources, or local law enforcement as necessary. When reporting a threat or incident of violence, the employee should be as specific and detailed as possible. Employees should not place themselves in peril, nor should they attempt to intercede during an incident. All threats should be taken seriously. Please bring all threats to leadership or Human Resources so it can but investigated appropriately. .

The Company will promptly and thoroughly investigate all reports of threats of violence or incidents of actual violence and of suspicious individuals or activities. The identity of the individual making a report will be protected as much as possible. The Company will not retaliate against employees making good-faith reports of violence, threats, or suspicious individuals or activities. In order to maintain workplace safety and the integrity of its investigation, the Company may suspend employees suspected of workplace violence or threats of violence, either with or without pay, pending investigation.

In furtherance of this commitment, the Company provides all employees who are likely to interact or come into contact with victims of human trafficking a training on human trafficking awareness.

If you encounter a suspicious situation that seems to involve human trafficking, you are to immediately report it to your manager or supervisor and call 911. You should follow all instructions given to you by the 911 operator. Under no circumstances are you permitted to confront the suspected trafficker alone. Should you have any questions about the human trafficking awareness training requirement or a related matter, please contact your supervisor and/or Human Resources.

Modern Slavery Policy

Our Introduction

In this policy document we use the term "modern slavery," which includes slavery, servitude, forced or compulsory labor, and human trafficking, all of which are abuses of a person's freedoms and rights.

This Modern Slavery Policy is made to ensure that as far as we can be aware, modern slavery does not take place in any part of our business or supply chains. The same policies and procedures, due diligence, risk assessment, monitoring, and training pertaining to modern slavery are implemented across Bridge Investment Group Holdings LLC (together with its subsidiaries and affiliates, "Bridge").

At Bridge we have a zero-tolerance approach to modern slavery and are fully committed to preventing slavery and human trafficking in our operation and supply chain. We have taken concrete steps to tackle modern slavery, as outlined in our policy.

Our Business & Commitments

Bridge is a leading alternative investment manager, diversified across specialized asset classes, with approximately \$47.7 billion of assets under management as of December 31, 2023. We remain committed to further integrating and operationalizing sustainability to improve decision-making and risk

management. We believe that when applied deliberately and thoughtfully, ESG initiatives strengthen our approach and outcomes as a company. We seek to drive value to our stakeholders, partners, residents, tenants, and communities by implementing sustainable solutions that create lasting impact.

Our commitment to sustainability spans our organization and strategies as well as focuses on analyzing, integrating, and reporting ESG metrics across a growing number of our portfolios and practices of our firm. Bridge is headquartered in Salt Lake City, and offices in New York City, East Rutherford,, San Mateo, Newport Beach, Orlando, Atlanta, Charlotte, Arlington, Stamford, and Dallas, as well as overseas locations in Korea and Luxembourg. We operate within the following strategies: residential rental, office, development, logistics properties, net lease, real estate-backed credit, solar and ventures.

Bridge is a signatory of the United Nations Principles for Responsible Investment (PRI), which contributes to developing a more sustainable global financial system. Bridge has committed to adopting the PRI where applicable across our work. In pursuit of our corporate responsibilities, Bridge will also support the achievement of the United Nations Sustainable Development Goals where applicable.

Each of our procurement principles in our Responsible Supplier Policy identifies the alignment to these goals.

Our Responsible Supplier Policy

We seek to establish a relationship of trust and integrity with all our suppliers, which is built upon mutually beneficial factors. Suppliers are responsible for understanding, and compliance with, the principles in Bridge's Responsible Supplier Policy.

Our primary procurement principles in our Responsible Supplier Policy reflect the procurement values of Bridge and pertain to our standards for our own conduct with direct suppliers of goods and services as well as our expectations of suppliers, their subcontractors, and their suppliers (collectively "suppliers"). Bridge's three primary procurement principles include Fair and Safe Business Practices, Environmental Stewardship, and Social Equity. The Responsible Supplier Policy also includes expectations regarding respect for all applicable laws, compliance with health, safety and environmental standards, as well as the expectation that employees are provided personal protection equipment needed for their work duties.

Bridge selects vendors most compatible with these procurement principles. In addition to these procurement principles, other economic considerations regarding price, availability, lead time, and supplier reputation are material to all supplier approval decisions and are analyzed in such supplier decisions. Adherence to these principles may be verified periodically in the form of a survey, inspection, or requested documentation. Supplier employees, managers, and/or executives may be required to provide information regarding compliance to the principles outlined above. Bridge may also verify compliance of Bridge employees, including property and asset managers, by requesting information via survey, inspection, or requested information. Bridge may also contract with a third party to review compliance, complete training, or assess the effectiveness of the policies and procedures outlined above. Any questionable or non-compliant behavior should be reported to a manager or supervisor, or Bridge's Procurement team. Issues can also be reported to 911.

As part of Bridge's Responsible Supplier Policy, Bridge asks that our representatives that solicit quotes from suppliers consult regional minority/women-owned business enterprise resources and seek quotes from minority owned and/or women owned businesses where possible. When soliciting bids from publicly traded companies, we ask suppliers to complete the Bridge RFP template regarding the ratio of minority/women executives and board members.

Supporting Policies

At Bridge, we employ the following policies or procedures for assisting in efforts to identify and prevent slavery and human trafficking in our operations:

Whistleblower Hotline: We encourage all employees, customers, and suppliers to report any violation of policies on our whistleblower hotline without fear of retaliation, including any violations of this Modern Slavery Policy. We provide a confidential Bridge Whistleblower Hotline to protect the identity of whistleblowers.

Code of Conduct: Our code of conduct encourages employees to do the right thing by clearly stating the actions and behavior expected of them when representing the business. We strive to maintain the highest standards of employee conduct and ethical behavior when operating abroad and managing our supply chain.

Third-Party Code of Conduct: We expect all companies and individuals with whom we do business (“third parties”) to operate to the same high ethical standards and in full compliance with all laws, rules, and regulations as we do. Our Third-Party Code of Conduct summarized our approach to working with third parties, and sets out the minimum standards we expect of them, as well as other areas of importance to us.

Due Diligence & Risk Assessment

We are not aware of any incidents of modern slavery in our supply chains. If cases of noncompliance are uncovered, Bridge will determine the appropriate course of action on a case-by-case basis. In cases where non-compliance cannot be resolved to Bridge’s satisfaction, we may terminate the arrangement with the vendor.

Awareness & Training

Bridge has raised awareness of modern slavery issues by including language within our employee handbook around Human Trafficking and Modern Slavery with guidelines on reporting potential situations, which explains:

Our commitment in the fight against human trafficking and modern slavery

How employees should report suspicions of human trafficking or modern slavery

In addition to the awareness program, Bridge Investment Group provides e-learning training courses to all employees, which cover:

Various forms of modern slavery in which people can be held and exploited

The size of the problem and the risk to our organization

How employees can identify the signs of slavery and human trafficking, including unrealistically low prices

How employees should respond if they suspect slavery or human trafficking

What external help is available for the victims of slavery

What terms and guidance should be provided to suppliers in relation to slavery policies and controls

What steps Bridge will take if a supplier fails to implement anti-slavery policies or controls

An attestation from employees that they will abide by Bridge’s anti-slavery/human trafficking policy

Performance Measurement

Bridge has defined a set of key performance indicators and controls to combat modern slavery and human trafficking in our organization and supply chain. These include:

How many employees have completed mandatory training

How many reports have been made to our whistleblower hotline regarding slavery ethical issues

Safety

It is the responsibility of each employee to conduct all tasks in a safe and efficient manner complying with all local, state, and federal safety and health regulations and program standards, and with any special safety concerns for use in a particular area or with a client.

Each employee has the responsibility to identify and familiarize themselves with the emergency plan for their working area. Each facility shall have posted an emergency plan detailing procedures in handling emergencies such as fire, weather-related events, and medical crises.

It is the responsibility of the employee to complete an Accident and Incident Report for each safety and health infraction that occurs by an employee or that the employee witnesses. Failure to report such an infraction may result in disciplinary action up to and including termination of employment.

Furthermore, management requires that every person in the organization assumes the responsibility of individual and organizational safety. Failure to follow company safety and health guidelines or engaging in conduct that places the employee, client, or company property at risk can result in disciplinary action up to and including termination of employment.

The Safety Coordinator and management shall have the responsibility to develop and the authority to implement the safety and health program in the interest of a safer work environment.

Workplace Visitor Policy

Policy Brief & Purpose

Our Workplace Visitor policy outlines the rules for receiving visitors at our premises. We want to ensure that visitors will not:

- Distract employees from their work;
- Have access to or open view of Company confidential information; or
- Pose threats to our employees, premises, or property.

Scope

This policy applies to all employees. "Workplace Visitors" are defined as family and friends (referred to as personal visitors), vendors, stakeholders, government officials and the general public. Remote employees and employees from other company locations are not considered "Workplace Visitors" for the purposes of this policy.

Signing in & Visitor Pass

All visitors entering any corporate office must sign in at the front desk. A staff member is required to come to the main reception to greet and escort their visitors. All visitors are required to always have an employee escort them through the office space. If a visitor needs to walk the space freely, they will require a temporary badge given at the time of check in.

Page 75-76 “Risk Management/Data Security/Personal Identifiable Information”

Risk Management/Physical Security

The Bridge offices have designated reception areas. The reception area is attended by a receptionist during business hours. The reception area is to be locked at all times and visitor access can be permitted by the receptionist during business hours (8am – 5pm). Access beyond the reception area is controlled through the card-key access system. For offices shared with non-Bridge personnel, when the Bridge employee is not present, devices must be locked and password protected and files containing sensitive or confidential Bridge data must be destroyed or locked.

Visitor Logs

The visitor’s log will record the name of the individual and the Bridge employee they are visiting. Visitor logs are scanned and retained for one year. Visitor logs must include:

- Name of visitor
- Date and approximate time of visit (please note if the visit will occur over multiple days or times)
- Name of onsite personnel authorizing physical access

WORKPLACE EXPECTATIONS

Corporate Office

The Company provides an access badge for employees who either are based at a corporate office or regularly visit the SLC corporate office. These badges are to be worn and visible at all times while within the office. Badges are not to be shared. If an employee forgets or loses their badge, they are to contact Facilities Management immediately to obtain a replacement badge.

Confidentiality

The Company provides quality services in which information is collected, stored, used, and disclosed in an appropriate manner that complies with both legal requirements and ethical obligations.

All employees should understand their privacy and confidentiality responsibilities in relation to personal information and organizational information about the Company, its clients, staff, and stakeholders. This understanding is demonstrated in all work practices.

The Company uses best efforts to ensure mechanisms are in place to demonstrate that decisions and actions relating to privacy and confidentiality comply with relevant federal, state, and local laws.

Personal information is only used for the purposes for which permission was given, or for purposes that are directly related to one of the functions or activities of the Company. Personal information may be provided to government agencies, other organizations, or individuals if:

The client or employee has consented;

It is required or authorized by law; or

It will prevent or lessen a serious and imminent threat to somebody's life or health.

The Company takes steps to ensure that the personal information it collects is accurate, up-to-date, and complete. These steps include maintaining and updating personal information when we are advised by individuals that the information has changed (and at other times as necessary), and checking that information provided about an individual by another person is correct. If an employee's personal information changes at any point during employment, it is important to report that change, in writing, to Human Resources as soon as possible.

Employees take steps to protect the personal information it holds against loss, unauthorized access, use, modification, or disclosure and against other misuse. These steps include reasonable physical, technical, and administrative security safeguards for electronic and hard copy or paper records as identified below.

Reasonable physical safeguards include:

Locking filing cabinets that contain confidential information;

Physically securing the areas in which the personal information is stored;

Not storing personal information in public areas; and

Positioning computer terminals and fax machines so that they cannot be seen or accessed by unauthorized people or members of the public.

Reasonable technical safeguards include:

Using passwords to restrict computer access, and requiring regular changes to passwords;

Verify emails are sent from valid recipients and avoid clicking on suspicious links;

Establishing different access levels so that not all staff can view all information;

Ensuring information is transferred securely; and

Installing virus protections and firewalls.

If an employee questions whether certain information is considered confidential, they should first check with their immediate supervisor. This policy is intended to alert employees to the need for discretion at all times and is not intended to inhibit normal business communications.

All inquiries about confidential information must be referred to the Human Resources Manager.

Protection of the Company's Trade Secrets and Confidential Information

As part of their employment with the Company, employees may be exposed to and/or provided with trade secrets ("Trade Secrets") and other confidential and proprietary information ("Confidential Information") of the Company relating to the operation of the Company's business and its customers (collectively referred to as "Trade Secrets/Confidential Information").

"Trade Secrets" means information, including a formula, pattern, compilation, program, device, method, technique or process, that: (1) derives independent economic value, actual or potential, from not being generally known to the public or to other persons or entities who can obtain economic value from its disclosure or use; and (2) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy. The Company's Trade Secrets are (1) not generally known to the public or to the Company's competitors; (2) were developed or compiled at significant expense by the Company over an extended period of time; and (3) are the subject of the Company's reasonable efforts to maintain their secrecy.

"Confidential Information" means information belonging to the Company, whether reduced to writing or in a form from which such information can be obtained, translated or derived into reasonably usable form, that has been provided to employees during their employment with the Company and/or employees have gained access to while employed by the Company and/or were developed by employees in the course of their employment with the Company, that is proprietary and confidential in nature.

The Company takes very seriously the protection of its Confidential Information and Trade Secrets, and expects that its Employees do, too. Employees may be required to sign a separate agreement (or multiple separate agreements) specifically designed to protect Confidential Information and Trade Secrets and that governs an Employee's use and disclosure of Confidential Information and Trade Secrets. It is the Company's policy and expectation that Employees will fully comply with all terms and conditions of such agreement and any other policies and procedures designed to protect Confidential Information and Trade Secrets.

Unless prohibited by state or local law, part of the consideration employees provide to the Company in exchange for their employment and continued employment with the Company is their agreement and acknowledgement that all Trade Secrets/Confidential Information developed, created or maintained by

them shall remain at all times the sole property of the Company, and that if the Company's Trade Secrets/Confidential Information were disclosed to a competing business or otherwise used in an unauthorized manner, such disclosure or use would cause immediate and irreparable harm to the Company and would give a competing business an unfair business advantage against the Company.

Employees will not, except as required in the conduct of the Company's business or as authorized in writing by the Company, disclose or use during their term of employment or subsequent thereto any Trade Secrets/Confidential Information. Furthermore, all records, files, plans, documents and the like relating to the business of the Company which employees prepare, use or come in contact with remains the sole property of the Company and is not to be copied without written permission of the Company and is to be returned to the Company on termination or cessation of employment, or at the Company's request at any time.

Flexible Work Schedules / Work-Life Balance

Bridge values its employees and recognizes the need for supporting flexibility in the relationship between employer and employee, when possible. Our policy recognizes that, at times, some staff may need to work flexibly and acknowledges that helping our people find an appropriate work-life balance has personal and workplace benefits.

Flexible work arrangements are not appropriate for all employees or positions. It is the responsibility of the employee's supervisor, with department-head support, to assess whether an employee's need for an alternative work schedule can be accommodated. The needs of the individual will be considered along with the operational and business needs of the Company.

The following conditions must be met for a flexible work schedule to be approved: The employee must have a satisfactory attendance record, meet all performance expectations in his or her current role and consistently demonstrate the ability to complete tasks and assignments on a timely basis. The nature of the employee's work and responsibilities must be conducive to a flexible work arrangement without causing disruption to the employee's team and Company performance. The privilege to have a flexible work schedule will be based on these factors as well as business needs. It will not be based upon any Protected Category.

Conflicts of Interest

Employees must avoid any relationship or activity that might impair, or even appear to impair, their ability to make objective and fair decisions when performing their jobs. At times, an employee may be faced with situations in which business actions taken on behalf of the Company may conflict with the employee's own personal interests. Company property, information or business opportunities may not be used for personal gain.

Employees with a conflict-of-interest question should seek advice from management. Before engaging in any activity, transaction, or relationship that might give rise to a conflict of interest, employees must seek review from their supervisor or the Human Resource Department.

Outside Employment

Employees are permitted to engage in outside work or to hold other jobs, subject to certain restrictions as outlined below.

Employment secondary to the job must not compete with, conflict with, or compromise the Company's interests or adversely affect job performance and the ability to fulfill all job responsibilities. Employees are prohibited from performing any services for customers on nonworking time that are normally performed by the Company. This prohibition also extends to the unauthorized use of any company tools

or equipment and the unauthorized use or application of any confidential information. In addition, employees are not to solicit or conduct any outside business during paid working time.

Employees are cautioned to carefully consider the demands that additional work activity will create before accepting outside employment. Outside employment will not be considered an excuse for poor job performance, absenteeism, tardiness, leaving early, refusal to travel, or refusal to work overtime or different hours. If the Company determines that an employee's outside work interferes with performance, the employee may be asked to terminate the outside employment. Employees cannot use PTO leave to work on the outside job. Fraudulent use of PTO leave will result in disciplinary action, up to and including termination.

Attendance and Punctuality

Schedules are based on Company needs and may vary from person to person within a department. Scheduled work hours should be established and approved by your immediate supervisor. Being at work at your scheduled time every day is important. The Company recognizes that occasional absences are unavoidable. Frequent absences, excessive tardiness, or extended breaks/lunches can cause disciplinary action, up to and including termination of employment.

PTO requires two weeks of notice to the supervisor unless the PTO is used for emergencies or legitimate, unexpected illness. Requests must be made through the company HRIS. In all instances, PTO must be approved by the employee's supervisor in advance. If an employee has PTO hours available, they must use their available PTO balance before taking any unpaid time off. It may be used in the case of emergency or sudden illness without prior scheduling. Patterns of absenteeism or tardiness may result in discipline even if the employee has not yet exhausted available PTO. Absences due to illnesses or injuries that qualify under the Family and Medical Leave Act (FMLA) will not be counted against an employee's attendance record. Medical documentation, within the guidelines of the FMLA, may be required in these instances.

If it is impossible to report to work for any reason, and or the employee is going to be late for their scheduled shift the employee must notify their supervisor personally at least two (2) hours or more in advance of their shift reporting time. The employee should be prepared to explain the reason for their absence or tardiness and the time frame in which the employee expects to be able to report for work. Employees absent for more than two (2) consecutive days, unless otherwise required under state law, due to illness may be asked to provide a doctor's verification of illness and a release to return to work. A Doctor's verification is required in all requests for leaves of more than 5 consecutive workdays, which are due to an employee's illness, an eligible family leave, or a family member's illness. Failure to provide a requested doctor's verification may be considered a policy violation and could be grounds for termination.

If you are to leave your scheduled shift without notifying your immediate supervisor, this will be considered job abandonment and will be deemed as an employee's immediate voluntary resignation of employment.

Not reporting to work and not calling to report the absence is a no-call no-show and is a serious matter. The first instance of a no-call no-show will result in a final written warning. The second offense, which doesn't have to be consecutive, may result in termination of employment with no additional disciplinary

steps. A no-call no-show lasting two days will be considered job abandonment and will be deemed as an employee's immediate voluntary resignation of employment.

Attire, Grooming and Hygiene

It is important for all employees to project a professional image while at work by being appropriately groomed and attired. Employees are expected to be neat, clean, and well-groomed while on the job. Clothing must be consistent with the standards for a business environment and must be appropriate to the type of work being performed.

All employees must be covered from shoulders to knees at all times. Clothing that reveals cleavage, one's back, one's chest, one's stomach, or one's underwear is not appropriate for a place of business.

No dress code can cover all contingencies, so employees must exert a certain amount of judgment in their choice of clothing to wear to work. If an individual experiences uncertainty about acceptable professional business attire for work, they should ask their supervisor or Human Resources.

The Company respects all religious practices. If an employee requires a religious accommodation with respect to religious dress or grooming practices, please see Human Resources to discuss such accommodation.

Some items of clothing that are not considered business casual and should not be worn include: Workout and athleisure wear and shoes, jeans, midriff barring tops, flipflops or slippers, headgear or hats (except for religious purposes), among other items.

On Fridays, we observe casual Fridays. Jeans, casual shirts, t-shirts, hoodies, and casual shoes are appropriate. However, please remember not to wear yoga pants, leggings, sweat or exercise pants, ripped or torn clothing, baseball hats or beanies, and flip-flops or slippers.

Lastly, please be mindful of others when using lotions, perfumes, and colognes, as scents travel, and some employees may have allergies or sensitivities to these products.

If you think it may be inappropriate, it probably is.

Site employees should consult leadership for information relating to the dress code and uniform policy for office, engineering, and maintenance staff.

Dress Code Policy

The Company prides itself on the professional atmosphere it maintains and the positive image that employees present as representatives of the Company. This image is affected by the manner of dress we use within our offices, in the offices of our clients, and in public when we are representing the Company. We are always searching for new ways to make our Company a better place to work. Offering everyone the opportunity to dress in business casual during the entire week offers a great way for employees to be more comfortable. We need to continue to present a professional image toward clients and the public.

It is important that employees use their best judgment in dressing appropriately. Employees who prefer to dress more formally should feel free to do so. Casual business wear encompasses many looks but it means casual clothing that is appropriate for a professional office environment.

We currently have a dress practice allowing more casual clothes to be worn on Fridays (casual Fridays). However, management reserves the right to exercise discretion in administering this policy as there may be times when jeans may be considered inappropriate. If the employee is meeting clients, business dress may be required, even on designated dress down days. In this case, management may designate

an alternate day. The Company reserves the right to change or revise this policy at any time, at its sole discretion.

Management reserves the right to determine appropriateness. If attire or grooming fails to meet these standards, as determined by the employee's supervisor, the employee will be asked not to wear the inappropriate item to work again. If the problem persists, the employee may be sent home to change clothes and will receive a verbal warning for the first offense. The employee will not be compensated for time missed if the employee must go home to change clothes. Continued disregard of this policy may be cause for disciplinary action, which may result in termination.

Access to Office Facilities: All employees have the right to use office facilities, including restrooms, consistent with their gender identity or expression. All employees should determine their most appropriate and comfortable option for using office facilities.

Electronic Communication, Internet, and Company Equipment Use

(For the full policy, please refer to the Information Security Policy)

The use of Company automation systems, including computers, fax machines, and all forms of Internet access, is for Company business and for authorized purposes only. Brief and occasional personal use of company automation systems is acceptable as long as it is not excessive or inappropriate, occurs during personal time (lunch or breaks), does not result in expense or harm to the Company, or otherwise violate this policy.

Use is defined as "excessive" if it interferes with normal job functions, responsiveness, or the ability to perform daily job activities. Electronic communications should not be used to solicit or sell products or services that are unrelated to the Company's business; distract, intimidate, or harass coworkers; or disrupt the workplace.

Nothing in this policy will be interpreted or enforced to interfere with or restrain an employee's right to engage in any of the rights guaranteed to them by Section 7 of the National Labor Relations Act.

The following guidelines have been established for using the Internet, cell phones, e-mail, computers, and company equipment in an appropriate, ethical, and professional manner:

Internet, Company issued equipment (i.e., cell phones, laptops, computers, air cards) and services may not be used for transmitting, retrieving, or storing any communications of a defamatory, discriminatory, harassing, or pornographic nature. If using personal electronics such as cell phones or laptops, the same expectations apply while using the electronics on company premises or for business related purposes.

The use of personal cell phones for personal reasons should be limited during work hours.

The following actions are forbidden: using disparaging, abusive, profane, harassing, discriminatory, or offensive language; creating, viewing, or displaying materials that might adversely or negatively reflect upon the Company or be contrary to the Company's best interests; and engaging in any illegal activities, including piracy, cracking, extortion, blackmail, copyright infringement, and unauthorized access of any computers and equipment such as cell phones and laptops.

Employees should not open suspicious e-mails, pop-ups, or downloads. Contact the IT Department with any questions or concerns to reduce the release of viruses or to contain viruses immediately.

Internal and external e-mails are considered business records and may be subject to discovery in the event of litigation. Be aware of this possibility when sending e-mails within and outside the Company.

Mobile Device Policy

Introduction

Mobile devices, such as smartphones and tablet computers, are important tools for the organization, and Bridge supports their use to achieve business goals. However, mobile devices also represent a significant risk to data security as, if the appropriate security applications and procedures are not applied, they can be a conduit for unauthorized access to the organization's data and IT infrastructure. This can subsequently lead to data leakage and system infection.

Bridge has a requirement to protect its information assets in order to safeguard its customers, employees, investors, intellectual property, and reputation. This document outlines a set of practices and requirements for the safe use of mobile devices and applications. Failure to follow this policy may result in discipline, up to and including termination.

Scope

- All corporate mobile devices, whether owned by Bridge or owned by employees (inclusive of smartphones and tablet computers), that have access to corporate networks, data, and systems are governed by this mobile device security policy. The scope of this policy does not include corporate IT-managed laptops.
- Applications used by employees on their own personal devices which store or access corporate data, such as cloud-based applications, are also subject to this policy.

Policy

Technical Requirements

Devices used by employees to access corporate networks, data, and systems must use the following Operating Systems: (within (2) revisions of latest release), iOS (within (2) revisions of latest release). Devices must store all user-saved passwords in an encrypted password store.

Only devices managed by IT will be allowed to connect directly to the internal corporate network. We recommend users connect to the Bridge_Guest network for mobile devices.

These devices will be subject to the valid compliance rules on security features such as encryption, password, key lock, etc.

User Requirements

Users may only load corporate data that is essential to their role onto their mobile device(s).

If a user suspects that unauthorized access to company data has taken place via a mobile device, they must report the incident to a Company IT representative immediately. A user must also immediately report the loss or theft of any mobile device that contains Company data or is used to access the Company's networks and systems.

Devices must be kept up to date with manufacturer or network provided patches. Most devices will update software and apply patches automatically. If your device does not automatically update, at a minimum, you should check for patches weekly and apply patches or updates at least once a month.

Devices must not be connected to a PC which does not have up-to-date and enabled anti-malware protection and which does not comply with corporate policy.

The user is responsible for the backup of their own personal data and the company will accept no responsibility for the loss of files due to a non-compliant device being wiped for security reasons. The Company's IT Department will be responsible for determining whether a mobile device needs to be wiped

for security reasons. Bridge IT will attempt to remotely wipe all lost or stolen devices. Upon termination of employment, all mobile device users must permit Bridge IT to attempt to remove any Company data. Bridge IT will try to avoid completely wiping the device, but such action may be unavoidable.

Mobile device users may not select software options such as “remember me” that store or automatically fill-in passwords on their devices.

Employees using employee-owned devices for business purposes are still responsible for the cost of the device. The Company will not pay for or maintain personal mobile devices. If an employee uses a Company-owned device, the employee will be responsible for any non-business-related costs and expenses, and the Company reserves the right to deduct from an employee’s paycheck any charges incurred for an employee’s personal or unauthorized use of Company-owned devices. Employees using Company-owned devices also may be responsible for the cost of the device in the case of loss or theft. All employees using a mobile device to access Company data must be aware that privacy in communications over the company network is not guaranteed, and that the Company reserves the right to inspect and monitor mobile devices used for Company business.

Employees are required to refrain from using their mobile devices while driving in connection with their job duties, except as set forth below. Safety must come before all other concerns. Regardless of the circumstances, including slow or stopped traffic, employees are required to pull over to the side of the road, safely stop the vehicle, and put the vehicle in park before using any handheld device. Under no circumstances are employees allowed to place themselves or anyone else at risk to fulfill business needs. Employees who are driving may not use any electronic wireless communications device to write, send, or read any text-based communication, including text messages, instant messages, and/or email messages under any circumstance. Employees who are charged with traffic violations resulting from the use of their handheld mobile devices while driving will be solely responsible for all liabilities that result from such actions.

Employees must not allow an unauthorized individual to use a mobile device while unattended and must prevent others from using the mobile device to access Company data or networks.

Employees may not use a mobile device to engage in any illegal activity.

Employees may not use a mobile device to engage in any activity that violates a Company policy, such as the anti-discrimination and harassment policy.

Employees should refrain from activity on a mobile device that will slow or pose a security threat to the Company’s network. Please contact Bridge IT if you have questions about whether an activity may slow or harm the network.

Use of particular applications which have access to corporate data are:

Cloud storage solutions: Bridge supports the use of the following cloud storage solutions, Box, Yardi & Salesforce, etc. The use of solutions other than the above will lead to a compliance breach and the loss of access to the corporate network for the user, and the employee will be subject to disciplinary action, up to and including termination.

Right to Monitor

All company-supplied technology and company-related work records belong to the Company and not to the employee. The Company routinely monitors use of company-supplied technology. Inappropriate or illegal use or communications may be subject to disciplinary action, up to and including termination of employment.

Social Media-Acceptable Use

This policy governs employee use of social media, including any online tools used to share content and profiles, such as personal web pages, message boards, networks, communities, and social networking websites and web blogs. The lack of explicit reference to a specific site or type of social media does not limit the application of this policy.

The Company respects the rights of all employees to use social media. However, because communications by Company employees on social media could, in certain situations, negatively impact business operations, customer relations, or create legal liabilities, it is necessary for the Company to provide these guidelines. For example, there are special requirements applicable to publishing promotional content online. Promotional content is content designed to endorse, promote, sell, advertise, or otherwise support a company's products or services. These guidelines are intended to address these and other similar matters.

In addition to ensuring that employee use of social media does not create any legal liabilities, these guidelines are intended to ensure employees understand the types of conduct that is prohibited. This policy will not be interpreted or applied so as to interfere with the protected rights of employees to discuss or share information related to their wages, benefits, and terms of employment amongst themselves or with outside parties.

Employees engaging in use of social media are subject to all of the Company's policies and procedures, including, but not limited to, the Company's policies: (1) protecting certain confidential information related to the Company's operation; (2) safeguarding Company property; (3) prohibiting unlawful discrimination, harassment and retaliation; and (4) governing the use of Company computers, telephone systems, and other electronic and communication systems owned or provided by the Company.

Employees are prohibited from the following:

Provisions:

Nonemployees may not solicit employees or distribute literature of any kind on company premises at any time.

An employee must accompany the nonemployee at all times. Former employees are not permitted onto company property except for official company business.

Employees may not solicit other employees during work times, except in connection with a company-approved or sponsored event.

Employees may not distribute literature of any kind during work times or in any work area, at any time, except in connection with a company-sponsored event.

The posting of materials or electronic announcements are permitted with approval from management.

Violations of this policy should be reported to Human Resources.

Employee Personnel Files

Employees have the responsibility to ensure the company HRIS has up to date demographic information. This would include a change of address, name change, exemption status, emergency contact, personal contact, etc. as the law requires us to mail certain items (i.e., W2's, insurance cards and COBRA notifications) to the employee's home address. These changes may remain in pending status and will be reviewed and approved.

Even if an employee should leave the Company, it is their responsibility to make sure that the Payroll Department has their current mailing address.

Employee files are maintained by the Human Resources Department and are considered confidential. Supervisors or authorized individuals may only have access to personnel file information on a need-to-know basis.

A supervisor considering the hire of a former employee or transfer of a current employee may be granted access to the file, or limited parts of it, in accordance with antidiscrimination laws.

Personnel file access by current employees and former employees upon request will generally be permitted within three days of the request unless otherwise required under state law. Personnel files are to be reviewed in the Human Resources Department. Personnel files may not be taken outside the department. However, and consistent with applicable laws, a current or former employee may, at their own cost, obtain a copy of any part of their own personnel file.

Representatives of government or law enforcement agencies, in the course of their duties, may be allowed access to file information.

For further information regarding appropriate conduct towards representatives of government or law enforcement agencies, refer to your division's standard operating procedures. Other outside parties will only be provided an employee's current status (i.e. "active" or "inactive") and job title unless they provide a signed authorization from the employee or a subpoena. After termination, employees may make one inspection of their personnel files.

Nothing stated in this “Other Rules of Conduct” section changes in any way the agreement and understanding that employment with the Company is at-will as previously described and that the Company is not bound to follow any policy, procedure, or any process in connection with employee discipline, employment termination or otherwise.

Gifts and Favors

Employees must not use their positions for personal gain or advantage or to give that appearance. Employees and their families must not ask for gifts or favors of any sort from vendors or residents. Employees may receive an occasional small gift from vendors or residents on special occasions, such as birthdays, not to exceed \$50. Any gift in excess of this amount should be discussed with management prior to acceptance. Among other things, gifts and favors include entertainment, travel, and the use of living quarters. Gifts that would benefit the entire resident population of a property are not prohibited. For further information regarding gift value and acceptable types of gifts, refer to your division’s standard operating procedures.

Employees of Bridge Investment Group’s SEC Registered Investment Advisors have different guidelines regarding gifts and favors and should consult their Standard Operating Procedures manual for information relating to accepting gifts and favors.

Political Contributions Policy

Scope

It is the Company policy to permit employees to make political contributions to elected officials, candidates and other, consistent with this policy and regulatory requirements. Employees may make personal contributions to the extent permissible under federal or state law. The Company has adopted the Political Contributions Policy in order to protect against potential abuses with respect to political contributions, comply with fiduciary duties under the Investment Advisers Act of 1940, as amended, seek to avoid even the appearance of impropriety and allow the Advisers to have certain plan investors in the Funds. I.

The CCO has the responsibility for the implementation and monitoring of the Company’s political contribution policy practices, disclosures and recordkeeping. The full policy is available through the COO.

Fiduciary Duty

The Company has a fiduciary duty to its shareholders. The Company has the duty of care, loyalty, and good faith obligations to act in the best interest of the Company. The Company commits to protect minority shareholders from wrongdoing at the hands of directors, officers, and controlling shareholders. This responsibility extends to controlling shareholders who possess a majority interest in or exercise control over corporate business activities. Directors, officers, and controlling shareholders are expected to act with honesty, good faith, and fairness when handling corporate obligations.

Corporate officers and directors, as fiduciaries, have an obligation to refrain from acting in their own best interests, with respect to decisions made in their fiduciary capacity, where doing so would conflict with the interests of the corporation and its shareholders.

Whistleblower Policy

A whistleblower as defined by this policy is an employee of the Company who reports an activity that they consider to be illegal or dishonest to one or more of the parties specified in this Policy. The whistleblower is not responsible for investigating the activity or for determining fault or corrective measures; appropriate management officials are charged with these responsibilities.

Examples of illegal or dishonest activities are violations of federal, state, or local laws; billing for services not performed or for goods not delivered; and other fraudulent financial reporting.

If an employee has knowledge of or a concern of illegal or dishonest fraudulent activity, the employee is to contact their immediate supervisor or the Human Resources Director. The employee must exercise sound judgment to avoid baseless allegations. An employee who intentionally files a false report of wrongdoing will be subject to discipline up to and including termination.

For standard questions or concerns please speak with your supervisor or use the normal chain of command. To report instances of Fraud, Misconduct, Safety Violations, or Unethical Behavior that you do not feel comfortable discussing with your supervisor please call (855)863-6590 and leave a message. Please be sure to include as much information as possible to aid us in our investigation. All reports will be received and documented by the Internal Audit Department.

Whistleblower protections are provided in two important areas -- confidentiality and against retaliation. Insofar as possible, the confidentiality of the whistleblower will be maintained. However, identity may have to be disclosed to conduct a thorough investigation, to comply with the law and to provide accused individuals their legal rights of defense. The Company will not retaliate against a whistleblower. This includes, but is not limited to, protection from retaliation in the form of an adverse employment action such as termination, compensation decreases, or poor work assignments and threats of physical harm. Any whistleblower who believes they are being retaliated against must contact the Human Resources Director immediately. The right of a whistleblower for protection against retaliation does not include immunity for any personal wrongdoing that is alleged and investigated.

Employees with any questions regarding this policy should contact Human Resources.

COMPENSATION

Payment of Wages

Pay Days

The Company's paydays occur on a bi-weekly basis every other Friday of each month. If a payday falls on a company holiday, the employee is paid the business day before the holiday. Each year, the Payroll Department publishes a calendar that lists all pay periods, holidays and pay dates. This is available on the Company intranet

Payment Methods

Employees can choose to be paid in the following ways:

Check

Direct deposit into a qualified financial institution

An employee will need to login to the company HRIS to sign up or change their direct deposit. When updating your direct deposit information, the updated information may not take effect immediately and one additional payment may be deposited in the previous account.

In the event of a lost or destroyed paycheck, the Payroll Department must be notified immediately. They will verify the check has not cleared the bank. Upon payroll verification, a replacement check will be issued within 24 hours. In the event the lost paycheck is recovered, and the Company identifies the endorsement as that of the employee, the employee must remit the amount of the replacement check to the Company within 24 hours of the time it is demanded or the company reserves the right to deduct that amount from future paycheck(s) as it would be considered an advance, and salary advances are not permitted.

If an employee's marital status changes or the number of exemptions previously claimed increases or decreases, such information must be updated by the employee through the employee personal HRIS portal page.

Garnishments, Attachments and Tax Levies

As defined in the law, "garnishment" includes tax liens and attachments for child support, alimony, or garnishments from creditors. An employee cannot be disciplined, terminated, or discriminated against because of garnishment action for any one-indebtedness proceeding or for a single attachment or tax levy. It is the responsibility of the Company to deduct the amount set forth in any court document duly received and to forward that amount to the court for payment to the correct party. The Company follows all applicable laws pertaining to wage garnishments, attachments, and tax levies.

Time Reporting

Schedules are based on company needs and may vary from person to person within a department. The workday is defined as the 24 hours starting at 12:00 a.m. and ending at 11:59 p.m. The workweek covers seven consecutive days beginning on Saturday and ending on Friday. The Company tracks all regular worked hours, overtime, PTO, and other time off from work in the company HRIS. "Hours worked" is defined by law as the time an employee is subject to the control of an employer and includes all time that an employee is suffered or permitted to work, whether or not required to do so.

Non-exempt (hourly) employees are required to clock in and out daily on the designated payroll website and in an approved location. If you live on-site and work at the same property you are prohibited from clocking in at your home, you must be in a manager-approved location. If you live on-site you are prohibited from going back to your home during the workday unless you are on a scheduled break or lunch.

The supervisor is responsible for reviewing and approving employees' time sheets online to ensure compliance with policies regarding PTO, holidays, and overtime pay. If an employee fails to clock in or out for the day, it is the supervisor's responsibility to enter the accurate in and out times. The timesheet must accurately list the hours worked by the employee during the pay period in which they work.

If there is repeated failure to clock in and out it will result in disciplinary action, up to and including termination.

Non-exempt employees must record both actual hours worked and time away from work on the electronic timesheet provided online. "In" and "out" times (including start times, quit times, meal periods, and absences) are to be entered within the company HRIS system daily. Each employee should review daily that the information is recorded accurately. Non-exempt employees who work more than 40 hours during a work week will receive overtime pay. Because of this, employees cannot offset overtime worked in one workweek with time off in another week. In addition, employees cannot waive their right, nor can one's supervisor waive an employee's right, to receive overtime pay by asking the employee to take time off in another week.

Each employee is required to maintain an accurate daily record of their hours worked within the company HRIS system. All absences from work schedules should be appropriately recorded and approved by management. Employees are required to only clock in and out from their approved/assigned work site.

Overtime

All overtime hours will need to be pre-approved by one's supervisor. The supervisor has the right to decide if it would be in the best interest of the Company to complete the work at a time when overtime would not be necessary. In some situations, there will be an immediate need to complete the job and incur overtime. However, the supervisor must make that decision. Employees who work beyond their regularly scheduled work hours, without prior authorization by their supervisor, are subject to disciplinary action, up to and including termination of employment.

Exempt employees receive regular salary regardless of the number of hours worked in a week. The nature of many exempt positions requires employees to work regular hours outside the normal 40-hour workweek. These employees are not required to sign and date a timesheet but need to report PTO or other time off days for that week within the company HRIS system.

Nonexempt employees will be paid overtime per federal and/or state guidelines. Paid leave, such as holiday, Paid Time Off (PTO, vacation, or sick), Company Time Off (CTO), or other types of non-worked paid time is not considered as hours counted toward the calculation of overtime as these hours are not actually "worked". Please direct any overtime-related questions to your supervisor.

Employees who anticipate the need for overtime to complete the week's work must notify their supervisor in advance and obtain approval before working hours that extend beyond their normal schedule. During busy periods employees may be required to work extended hours.

On-Call Pay (nonexempt employees)

An on-call employee who is called back to work outside their normal work schedule shall be paid for the time actually worked, in accordance with applicable laws.

Time worked while on call will be calculated at the employee’s regular rate of pay, minimum pay of fifteen minutes. If an employee is called back to work, they will be paid for travel time. If an on-call employee is not called, no pay will be earned. Overtime compensation is applicable only when total hours worked exceed 40 hours in a workweek or, unless otherwise required under state law, such as hours in excess of 12 hours per day, or 12 consecutive hours, regardless of whether the work period overlaps into a second day.

Mid- & End-of-Year Discretionary Bonuses

Employees may be eligible for mid- & end-of-year discretionary bonuses. However, any employee whose employment terminates prior to the mid-year and/or end-of-the-year discretionary bonus pay dates will not be eligible for any discretionary bonus.

Meal/Rest Periods

The scheduling of meal periods at the Company is set by the employee’s immediate supervisor with the goal of providing the least possible disruption to company operations. Many states require employees to take meal and rest periods. Employees are required to follow their specific state laws.

Mandatory Meal Period

Some states have mandatory meal periods. Employee meal periods are important to company productivity and employee health. Employees who work at least 5 consecutive hours will be provided a 30-minute meal break. The meal period will not be included in the total hours of work per day and is not compensable. Nonexempt employees are to be completely relieved of all job duties while on meal breaks and must clock out for meal periods.

Because of the nature of our business, and certain employee’s jobs, there are situations and circumstances where an uninterrupted meal period is impractical. In situations or circumstances where an uninterrupted meal break is impracticable the employee will be allowed to consume an on-duty meal without any loss of time or compensation.

Employees who are unable to take all of the meal periods to which they are entitled in accordance with this policy or not allowed to consume an on-duty meal, or who have been prevented or discouraged from taking a meal period to which they are entitled or eat on-duty, should immediately notify their supervisor. Failure to report may subject the employee to disciplinary action, up to and including termination of employment.

Rest Period

Nonexempt employees will also be permitted a 10-minute rest break for every four hours of work, in accordance with the schedule below, unless otherwise required under state law:

Duration of Shift in Hours	# of 10-Minute Rest Breaks	Comments
0 to < 2	0	Employees who work less than two hours in a workday are not required or permitted to take a rest break.

2 to < 6	1	Employees who work at least two hours in a workday but less than six hours in a workday are allowed one 10-minute rest break.
6.0 to < 10.0	2	Employees who work at least six hours in a workday but less than 10 hours in a workday are allowed two 10-minute rest breaks.
10.0 to < 14.0	3	Employees who work at least 10 hours in a workday but less than 14 hours in a workday are allowed three 10-minute rest breaks.

Employees who are unable to take all of the rest periods to which they are entitled in accordance with this policy, or who have been prevented or discouraged from taking a break to which they are entitled under this policy, should immediately notify their supervisor. Failure to report may subject the employee to disciplinary action, up to and including termination of employment.

Employees on rest period are not required to clock in and clock out because this time is considered “time worked” and is compensable. Employees are required to remain on-site during paid rest-breaks but cannot perform any work during the rest periods.

Impermissible Use of Meal Period and/or Rest Period

Neither the meal period nor the rest period(s) may be used to account for an employee’s late arrival or early departure or to cover time off for other purposes—for example, rest periods may not be accumulated to extend a meal period, and rest breaks may not be combined to allow one half-hour long break. In states that require employees to take meal or rest periods, employees are not allowed to skip or modify these periods unless they submit in writing in advance for each instance.

Lactation Policy

The Company will not prohibit employees from expressing breast milk and will not discriminate against employees who seek to express breast milk for their nursing child after the child’s birth. In accordance with applicable law, the Company will provide unpaid break time or permit an employee to use paid break time, meal time, or both, each day, to allow the employee to express breast milk. The Company will provide a private room or other location, other than a bathroom, that is in close proximity to the employee’s working area where the employee can express breast milk in privacy.

Mileage Reimbursement

Employees will be reimbursed for business mileage at the current company mileage reimbursement rate. Mileage is only paid for the preapproved use of personal vehicles while performing business related tasks and travel. All mileage must be documented and reported to the employee’s supervisor. This does not include travel to and from an employee’s home.

Expense Reimbursement

Reimbursement requests should be submitted monthly on a timely basis in order to allow time to process. Employees should complete the *Employee Business Expense Reimbursement Form* or through the

company travel/expense reimbursement portal and include original receipts when submitting reimbursement requests. These are to be submitted into the employee's supervisor timely for approval and reimbursement. The following items are not reimbursable expenses: normal commuting, personal expenses, dues or fees for airline clubs or hotel frequent-stayer programs, gambling expenses, health club services, movies (in-room and in-flight), parking tickets, or speeding tickets. Reimbursements must be submitted within 60 days of incurring the cost. Reimbursements beyond that time may not be reimbursed. Reimbursements are required to be submitted within 60 days of incurring the cost. If they are received beyond that time, they may not be eligible for reimbursement.

Company Credit Card Policy

If an employee is provided with, and approved for a corporate credit card, Bridge will provide a Corporate Credit Card Use Agreement for the employee to sign.

Employee Housing Policy

Bridge Property Management employees may be eligible to live onsite at one of our Bridge owned housing options. Where applicable, and if approved, employees may be eligible to receive a discount on the monthly rent payment. While living in a Bridge owned housing option, employees will be treated as a resident and Bridge will follow state and local laws applicable to that property or location.

Any employee, and all other leaseholders, will be responsible for the rent owed each month to the property. Bridge may have the ability to withhold back rent from an employee's regular paycheck if the lease agreement is not being upheld if within the legal parameters or state or local laws. Additionally, Bridge employees living onsite who do not maintain their lease agreement may be considered as violating the Employee Housing Policy, and the details may be grounds for termination of employment with Bridge.

3. Policy

Following the policies outlined below will help keep you safe, save our company money, and ensure a streamlined process for everyone. When travel is required, we expect that employees will use good judgment and be fiscally responsible for their business-related expenses. We have established some basic guidelines to follow for travel. Any variance from the below listed policies requires approval by the employee's supervisor and the Travel Administrator (Kyle Hendricksen). Bridge Investment Group will reimburse business travelers for ordinary and reasonable business expenses.

All employees are required to use Navan for booking company-related travel. Prior to travel, employees need to set up a Navan Travel and Concur expense profile. This is done by emailing the Travel Administrator at Concurhelp@bridgeig.com

Following the processes outlined in this document will help ensure you get reimbursed in a timely manner. Failure to comply with these company policies may result in delayed reimbursement. IRS regulations have been reviewed and incorporated into this policy. The regulations state that employees must adequately account for their travel, meals and entertainment expenses and they must provide documentary evidence of their travel, mileage, and other employee business expenses. This evidence should include items such as receipts, along with any statement of expenses or similar record in which the employee entered each expense. Please refer to the Expense Reimbursement Policy for details.

1.1. Airfare

- 1.1.1. Employees, in most cases, are expected to book flights for travel at least 14 days in advance of a scheduled trip. When it's not possible to book in advance, approval must be received from the employee's supervisor prior to booking the flight and a copy of the approval must be submitted along with the expense reimbursement report. Non-refundable tickets tend to be less expensive than refundable tickets. Canceled, non-refundable tickets are valid for up to one year and must be applied to future company-related flights.
- 2.1.1. Air mileage programs can be set up by the employees in Navan. Airline miles earned on business-related travel are retained by the employee. The employee airline rewards number can be added to a travel profile by selecting Profile / Loyalty Programs / + Add Flight Loyalty. Please contact the Travel Administrator or email Concurhelp@bridgeig.com if having trouble adding a program.
- 3.1.1. All employees are expected to book flights in standard economy/main cabin. For flights over 3 hours, comfort/economy plus is allowed. For Red-eye flights (that depart at night and arrive the next morning), business/first class is allowed. For international travel (not including Canada or Mexico), the Company will allow business class booking for flights over 4 hours. **Any exceptions that are not preapproved in advance by the CEO, COO or CFO of BRDG may not be reimbursed.**
- 4.1.1. Employees may use frequent flyer benefits for upgrades, but the use of these programs cannot increase the cost of tickets.
- 5.1.1. Any additional expenses incurred after booking, such as an upgrade fee, reserved seat fee, etc. are the responsibility of the employee and will not be reimbursed. Employees can use personal miles or status for seat upgrades.
- 6.1.1. In-flight internet charges will be reimbursed. Most travelers should use the "per use" option when purchasing in-flight internet service. However, frequent travelers who consistently travel more than three times a month should utilize a monthly rate package as this is

- generally more economical for the Company. Travelers are asked to use their best judgement when making this decision. When flying on Delta please use the free Wi-Fi
- 3.1.7. Through our Corporate Agreement with Delta Airlines, we receive an upfront discount of between 2 - 9%. **To receive the discount tickets must be booked using Navan.** "Tickets purchased under this Incentive Program shall be used solely by company employees traveling on company business".
- 4.1.7. TSA Precheck will be reimbursed for high volume travelers traveling on average 3 or more times per month for the company. Clear will not be reimbursed.

2.1. Lodging

- 1.1.1. Employees should book a hotel where we have a corporate rate if one exists in the destination city and the hotel near where you're conducting business. The Travel Administrator will update the hotel negotiated rate list regularly. The list can be found on Bridge community page [https:// www.community.bridgeig.com/concur](https://www.community.bridgeig.com/concur)
- 2.1.1. Employees should book standard rooms. Upgrades are acceptable if there is no additional cost or if prior approval is received.
- 3.1.1. Lodging costs should not exceed the daily base room rate of \$200 (not including fees and taxes) for most US cities. Top tier cities like Los Angeles, New York, and San Francisco should not exceed the daily base room rate of \$400 (not including fees and taxes). The Company has negotiated hotel rates in several cities and travelers are expected to use the designated hotels.
- 4.1.1. Some industry conferences, international cities, and US markets, such as California and New York, will be more expensive. It is acceptable to stay at a conference designated hotel which may have a higher rate. In these cases, our travel management program will accommodate for the additional expense up to an approved limit. Anything above that limit should be approved by the employee's supervisor.
- 5.1.1. Employees must provide the hotel folio when requesting reimbursement for lodging expenses. A credit card statement will not be accepted as a receipt. Employees will be reimbursed for hotel Wi-Fi, tips, and car parking as a part of the hotel stay.
- 6.1.1. It's not recommended to prepay for hotel rooms, except in the case of industry conferences. Please be aware of hotel cancellation policies to avoid unnecessary cancellation fees.
- 5.1.7. Travelers staying in a hotel a minimum of 5 nights a year are approved and will be reimbursed for the standard AAA card. Be sure to have the AAA card with you to present during hotel check-in if asked.

3.1. Transportation

- 1.1.1. Employees should pick the most cost-effective, efficient, and safe ground transportation available.
- 2.1.1. When traveling for industry conferences or through urban areas, employees should use ground transportation options such as Lyft, Taxi or Uber, where available. Regular Lyft or UberX should be used unless traveling with a larger group. A car service may only be used if no other reliable transportation options are available.
- 6.1.7. We have teamed up with Uber to make the expense process faster by auto populating receipts into Concur Expense.

Rental Cars

7.1.7. The Company has a Corporate Rate Agreement with National/Enterprise and Travelers are required to rent from National/Enterprise. If a vehicle is not available at the time of booking contact the Travel Administrator or email Concurhelp@bridgeig.com to find a solution. It is recommended that all travelers sign up to become an Emerald Club member to bypass the counter and choose any rental car you'd like from the Emerald Aisle, and only pay the reserved intermediate car rental rate. Below are the parameters that should be followed when arranging a car rental:

- Employees should select an intermediate car at time of booking.
- One car is typically suitable for up to 4 employees traveling together.
- Booking an intermediate car with an EMERALD account will give the traveler a 93% chance of getting an upgrade to a better vehicle, while still paying the mid-size price. Manager approval is required for a booking other than mid-size.

8.1.7. Employees are responsible to pay for the car rental and submit for reimbursement through the Company expense reimbursement program. Employees must retain a rental car receipt to be reimbursed.

9.1.7. Employees must report any accidents to their supervisor and the Travel Administrator immediately.

10.1.7. Typically, employees should refill the gas in the rental car prior to returning it to maximize savings. Gas is considered reimbursable with a receipt. If traveling on tight deadlines or to not miss a flight, returning the vehicle without filling up is acceptable.

11.1.7. Rental car programs can be set-up by the employee if the maximum daily base rate is in line with Company policy of \$55 or less. Rental car points earned on business-related travel are retained by the employee.

12.1.7. The company provides liability insurance when renting a vehicle from any car rental company while traveling for business. When renting from National / Enterprise damage waiver insurance which covers the rental car only is included in the price of the vehicle. If not renting from National / Enterprise travelers must purchase damage waiver insurance from the car rental company.

13.1.7. If using your POV for business and driving over 100 miles per day we recommend renting a car.

Rail Transportation

14.1.7. Transportation by rail is permitted when it is less expensive than an alternative means of transportation or when convenience or safety are significant factors.

15.1.7. Employees using rail transportation should book an economy-class ticket.

16.1.7. If the trip is greater than 6 hours, employees may book a business-class ticket.

Personal Car

17.1.7. Employees are permitted to use their personal cars for business travel, given that it is an affordable and reasonable method of transportation. Employees will be reimbursed at the IRS standard reimbursement rate.

18.1.7. Employees will be reimbursed for tolls acquired from bridges, highways, ferries, parking, etc. if a receipt is submitted.

4.1. Meals

- 1.1.1. Business meals should be conducive to actual business discussions. All meals being submitted for reimbursement must include a receipt, identify the names of the people who attended the meal and the purpose of the meal.
- 2.1.1. The company guideline for individual traveler meals is up to \$100 a day for meal submission while traveling. As an example, if you had a three-day trip, you would have \$300 available to spend on meals.
- 3.1.1. Reimbursement for alcohol consumed is subject to approval. If alcohol is consumed, it's expected that the employee will act responsibly and avoid excess. Use Lyft, Taxi or Uber, if necessary.
- 4.1.1. While we will reimburse 100% of your meal expenses, meals and entertainment are limited to 50% deductibility per IRS regulations. IRS regulations state: A "reimbursement or allowance arrangement" provides for payment of advances, reimbursements, and allowances for travel, meals and entertainment expenses incurred by your employees during the ordinary course of business. For example, you can deduct 100% of the cost of meals from your business books and records. However, only 50% of these costs are allowed by law as a tax deduction.
- 5.1.1. Admittance into an airline lounge will be reimbursed if it is used in lieu of a meal and is otherwise in accordance with the daily maximum for all 3 meals.

5.1. Client Entertainment Expenses

- 1.1.1. Entertainment should not be extravagant or improper; employees should use their best judgment when accommodating clients.
- 2.1.1. The most senior member of the company present at client events should request reimbursement.
- 3.1.1. An original detailed receipt is required for reimbursement of client entertainment expenses including the names of individuals attending and the business purpose of the entertainment.

6.1. Parking

- 1.1.1. The company will cover the cost of parking your car at the airport and parking fees for a rental car while traveling on company business. If traveling for an extended period, it may be more cost effective to use a Lyft, Taxi or Uber in lieu of parking at the airport.
- 2.1.1. Economy or long-term parking is the most cost-effective and preferred option. This typically averages \$20 per day or less in most locations. In the event of an emergency (i.e., possibly missing a flight) or as determined by a supervisor, short-term or garage parking may be used but should not be the norm.

7.1. Employee Advance for Travel

- 1.1.1. In hardship circumstances, the company may provide an advance to the employee for company related travel after approval is obtained by their supervisor. Advances may be made up to 2 weeks prior to the date of travel. Any advance requests will be reviewed on a case-by-case basis to determine the needs of the employee.
- 2.1.1. Employees must adequately account for their expenses within 30 days after the travel has occurred on an expense reimbursement form. Any excess advanced funds must be returned to the company.

3.1.1. Any outstanding advanced funds that are not returned within 30 days will be deducted from the employee's paycheck.

8.1. Non-Reimbursable Items

1.1.1. The following expenses incurred by the business traveler will not be reimbursed by the company:

- Excess baggage fees
- Airline upgrade fees
- Airline club memberships
- Fines from negligent driving (speeding tickets, parking violations, etc.)

4. Traveler Safety

Your safety is our priority. Please be sure that your emergency contact info is up to date.

5. Expense Reimbursement Procedure

Please refer to the Expense Reimbursement Policy for details.

Cell Phone Reimbursement

Certain levels within the organization, which vary by vertical, will receive a monthly cell phone reimbursement that requires supervisor/department head approval and is administered through payroll.

TIMES OFF/LEAVES OF ABSENCE

Holiday Pay

The Company provides eleven (11) paid holidays for all eligible full-time employees. Regular full-time employees qualify for holiday pay immediately. Regular part-time, seasonal and temporary employees are not eligible for holiday pay.

The Company has designated Eleven (11) holidays to be observed by all states as follows:

New Year's Day	Juneteenth	Day after Thanksgiving
Martin Luther King Jr. Day	Independence Day	Two Days for Christmas
President's Day	Labor Day	
Memorial Day	Thanksgiving Day	

Holidays are automatically updated in the company HRIS system, and the calendar is available through the Company intranet for review.

There may be occasions when employees are required to work on a company observed holiday. In this circumstance, employees will be given another day off during the week as their holiday. If an employee's actual hours worked for the week are more than 40, they'll receive overtime pay for all time worked in excess of 40 hours. Should the recognized holiday fall on a weekend, a different day will be designated as the "paid holiday".

Employees must work either the day before or the day after the holiday to receive holiday pay, unless on pre-approved paid time-off. Employees on an unpaid leave will not receive holiday pay. A holiday cannot be an employee's last day of employment unless they report to work that day.

Time off may be granted to employees who desire to observe a religious holiday that is not recognized by the Company. These employees are encouraged to request such holiday time off from their supervisor.

Paid Time Off (PTO)

Each full-time employee will accrue PTO bi-weekly in increments based upon their length of service as defined below. PTO is added to the employee's PTO bank at the beginning of each pay period. Temporary, part-time, and seasonal employees are not eligible to accrue PTO. Although PTO generally may only be used after it is accrued, the Company will allow employees to take up to 40 hours of PTO prior to the employee actually accruing 40 hours, unless state law payroll does not allow recouping upon termination; ex: California.

All full-time employees will begin accruing PTO on starting on their first day of employment. Any increase in the amount of PTO time an employee is eligible to earn will take effect on the first of the pay period following their anniversary date. PTO will be available to use once you have completed 60 days of employment.

PTO is earned on the following schedule:

Employee Length of time	Accrual per pay period (26 pay periods per year)	Total Yearly Accrual
0-4 Years	5.23 hours	136 hours (17 days)
5-9 Years	6.15 hours	160 hours (20 days)
10-14 Years	7.69 hours	200 hours (25 days)
15+ Years	9.23 hours	240 hours (30 days)

Eligibility to accrue PTO is contingent on the employee either working or utilizing accrued PTO for the entire bi-weekly pay period. PTO is not earned in pay periods during which unpaid leave, short or long-term disability leave, or workers' compensation leave are taken.

Exempt Employees may use time from their PTO bank in 2-hour increments. Non-exempt Employees may use time from their PTO bank in 30-minute increments. If an employee has PTO hours available, they must use their available PTO balance prior to taking any unpaid time off. With manager approval, an employee may be allowed to "borrow" or go negative in their PTO bank for up to 40 hours. Managers must approve all PTO, including any negative "banked" PTO time. Managers must submit unpaid time via the HRIS if an employee will not be working during a scheduled shift or expected timeframe when an employee does not have PTO available.

Use of PTO requires two weeks of notice to the supervisor unless the PTO is used for emergencies or legitimate, unexpected illness. Requests must be made through the company HRIS. In all instances, PTO must be approved by the employee's supervisor in advance.

Employees are encouraged to use their PTO time each year. Employees may not accrue more than the total yearly accrual, as detailed above. A maximum of 40 hours of accrued PTO time may be carried over from one calendar year to the next. Any remaining unused PTO time will not be paid out. It will be forfeited, unless otherwise required under state or federal law.

PTO will be paid at the employee's base rate at the time the leave is taken. PTO pay is not included in overtime calculation and does not include any special forms of compensation such as incentives, commissions, bonuses or shift differentials. If a holiday falls during the employee's PTO, the day will be charged to holiday pay rather than to PTO pay.

If employment is terminated, any unused accrued PTO will be paid at the employee's base rate of pay, subject to the following exceptions, and unless otherwise required under state law,: (i) if an employee leaves the company through job abandonment with no notice, or (ii) leaves with no notice or before a reasonable resignation period has been met (typically 2 weeks), then the employee will not receive an accrued PTO payout on their last paycheck, unless required by state or local law. In the case of an employee not staying through their resignation date, accrued and unused PTO will be paid out only if the reason for the early departure is because the employee's supervisor decided to terminate employment prior to the employee's original resignation date. In the event of an employee's death, accrued unused PTO time will be paid to the employee's designated beneficiary or estate. If an employee leaves the Company with a negative PTO balance, the negative balance will be deducted from the employee's final paycheck unless prohibited by state or local law.

Voluntary Time Off (VTO)

All employees are eligible for up to 8 hours of paid volunteer time off (VTO) that can be used within each calendar year for volunteer service. You may be asked to supply supporting documentation or details about where you are volunteering before the VTO is approved. VTO is to be utilized for Bridge sponsored events (Junior Achievement, We Got Your Back, Sleep Out, etc.). If there are no Company sponsored events near you, you must obtain approval from your supervisor two weeks prior to submitting the time. VTO hours are to supplement missed time from a regular scheduled shift. Any hours not used will not roll over from year to year as it is a use it or lose it policy.

Leaves of Absence

For specific state leaves please reference your state-specific addendum.

Discretionary Leave

A discretionary leave of absence is absence without pay, authorized in advance by management, for a maximum time of 8 weeks. At that point the employee must either return to work or be terminated. A leave of absence implies that the employee intends to return to the same or similar position, which will be available when the employee returns. A discretionary leave of absence is not related to a leave that qualifies under the Family and Medical Leave Act (FMLA). Managers, supervisors, and employees who violate this policy are subject to disciplinary action, up to and including termination. Discretionary leave must be pre-approved through Human Resources and the employees' manager/supervisor.

Family and Medical Leave

The function of this policy is to provide employees with a general description of their FMLA rights. In the event of any conflict between this policy and the applicable law, employees will be afforded all rights required by law, including any rights afforded by applicable state law.

If employees have any questions, concerns, or disputes with this policy, they must contact Human Resources in writing.

General Provisions

Under this policy, the Company will grant up to 12 weeks (or up to 26 weeks of military caregiver leave to care for a covered service member with a serious injury or illness) during a 12-month period to eligible employees. The leave may be paid, unpaid or a combination of paid and unpaid leave, depending on the circumstances of the leave and as specified in this policy and specific state laws.

Eligibility

To qualify for family or medical leave under this policy, the employee must meet the following conditions:

The employee must have worked for the Company for 12 months or 52 weeks. The 12 months or 52 weeks need not have been consecutive. Separate periods of employment will be counted, provided that the break in service does not exceed seven years. Separate periods of employment will be counted if the break

in service exceeds seven years due to National Guard or Reserve military service obligations or when there is a written agreement, stating the employer's intention to rehire the employee after the service break. For eligibility purposes, an employee will be considered to have been employed for an entire week even if the employee was on the payroll for only part of a week or if the employee is on leave during the week.

The employee must have worked at least 1,250 hours during the 12-month period immediately before the date when the leave is requested to commence. The principles established under the Fair Labor Standards Act (FLSA) determine the number of hours worked by an employee. The FLSA does not include time spent on paid or unpaid leave as hours worked. Consequently, these hours of leave should not be counted in determining the 1,250 hours eligibility test for an employee under FMLA.

The employee must work in a work site where 50 or more employees are employed by the Company within 75 miles of that office or work site. The distance is to be calculated by using available transportation by the most direct route.

Type of Leave Covered

To qualify as FMLA leave under this policy, the employee must be taking leave for one of the reasons listed below:

The birth of a child, or to care for a newly born child (up to 12 weeks);

The placement of a child for adoption or foster care and to care for a newly placed child (up to 12 weeks);

To care for an immediate family member (employee's spouse, child, or parent) with a serious health condition (described below) (up to 12 weeks);

The serious health condition (described below) of the employee that makes the employee unable to perform the employee's job (up to 12 weeks);

To care for a Covered Servicemember with a serious injury or illness related to certain types of military service (up to 26 weeks) (see Military-Related FMLA Leave for more details); or,

To handle certain qualifying exigencies arising out of the fact that the employee's spouse, son, daughter, or parent is on covered active duty or call to covered active duty status in the Uniformed Services (up to 12 weeks) (see Military-Related FMLA Leave for more details).

- The maximum amount of leave that may be taken in a 12-month period for all reasons combined is 12 weeks, with one exception. For leave to care for a Covered Servicemember, the maximum combined leave entitlement is 26 weeks, with leaves for all other reasons constituting no more than 12 of those 26 weeks.

Definitions

A "serious health condition" is defined as an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement includes an incapacity of more than three full calendar days and two visits to a health care provider or one visit to a health care provider and a continuing regimen of care; an incapacity caused by pregnancy or prenatal visits, a chronic condition, or permanent or long-term conditions; or absences due to multiple treatments. Other situations may meet the definition of continuing treatment.

Employees with questions about what illnesses are covered under this FMLA policy or under the Company's PTO policy are encouraged to consult with Human Resources.

If an employee takes paid PTO for a condition that progresses into a serious health condition and the employee requests unpaid leave as provided under this policy, the Company may designate all or some portion of related leave taken as leave under this policy, to the extent that the earlier leave meets the necessary qualifications.

Military-Related FMLA Leave

FMLA leave may also be available to eligible employees in connection with certain service-related medical and non-medical needs of family members. There are two forms of such leave. The first is Military Caregiver Leave, and the second is Qualifying Exigency Leave. Each of these leaves is detailed below.

A “covered servicemember” is either: (1) a current servicemember of the Armed Forces, including a member of the National Guard or Reserves, with a serious injury or illness incurred in the line of duty for which the servicemember is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list; or (2) a “covered veteran” who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.

A “covered veteran” is an individual who was discharged under conditions other than dishonorable during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran. The period between October 28, 2009 and March 8, 2013 is excluded in determining this five-year period.

The FMLA definitions of “serious injury or illness” for current servicemembers and veterans are distinct from the FMLA definition of “serious health condition.” For current servicemembers, the term “serious injury or illness” means an injury or illness that was incurred by the member in the line of duty while on active duty in the Armed Forces or that existed before the beginning of active duty and was aggravated by such service, that may render them medically unfit to perform the duties of their office, grade, rank or rating.

For covered veterans, this term means a serious injury or illness that was incurred in the line of duty while on active duty in the Armed Forces or that existed before the beginning of active duty and was aggravated by such service and manifested itself before or after the individual assumed veteran status, and is: (1) a continuation of a serious injury or illness that was incurred or aggravated when they were a member of the Armed Forces and rendered them unable to perform the duties of their office, grade, rank or rating; (2) a physical or mental condition for which the covered veteran has received a VA Service Related Disability Rating (VASRD) of 50 percent or greater and such VASRD rating is based, in whole or in part, on the condition precipitating the need for caregiver leave; (3) a physical or mental condition that substantially impairs the veteran’s ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service or would be so absent treatment; or (4) an injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers.

“Qualifying exigencies” include activities such as short-notice deployment, military events, arranging alternative childcare, making financial and legal arrangements related to the deployment, rest and recuperation, counseling, parental care, and post-deployment debriefings.

Military Caregiver Leave

Unpaid “Military Caregiver Leave” is designed to allow eligible employees to care for certain family members who have sustained serious injuries or illnesses in the line of duty while on active duty. Military

Caregiver Leave is a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period.

To be “eligible” for Military Caregiver Leave, the employee must be a spouse, son, daughter, parent, or next of kin of the covered servicemember. “Next of kin” means the nearest blood relative of the servicemember, other than the servicemember’s spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the servicemember by court decree or statutory provisions; brothers and sisters; grandparents; aunts and uncles; and first cousins; unless the servicemember has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of Military Caregiver Leave. The employee must also meet all other eligibility standards as set forth within the FMLA Leave policy.

An eligible employee may take up to 26 workweeks of Military Caregiver Leave to care for a covered servicemember in a “single 12-month period.” The “single 12-month period” begins on the first day leave is taken to care for a covered servicemember and ends 12 months thereafter, regardless of the method used to determine leave availability for other FMLA-qualifying reasons. If an employee does not exhaust his or her 26 workweeks of Military Caregiver Leave during this “single 12-month period,” the remainder is forfeited.

Military Caregiver Leave applies on a per-injury basis for each servicemember. Consequently, an eligible employee may take separate periods of caregiver leave for each and every covered servicemember, and/or for each and every serious injury or illness of the same covered servicemember. A total of no more than 26 workweeks of Military Caregiver Leave, however, may be taken within any “single 12-month period.”

Within the “single 12-month period” described above, an eligible employee may take a combined total of 26 weeks of FMLA leave including up to 12 weeks of leave for any other FMLA-qualifying reason (i.e., birth or adoption of a child, serious health condition of the employee or close family member, or a qualifying exigency). For example, during the “single 12-month period,” an eligible employee may take up to 16 weeks of FMLA leave to care for a covered servicemember when combined with up to 10 weeks of FMLA leave to care for a newborn child.

An employee seeking Military Caregiver Leave may be required to provide appropriate certification from the employee and/or covered servicemember and completed by an authorized health care provider within 15 days. Military Caregiver Leave is subject to the other provisions in our FMLA Leave Policy (requirements regarding employee eligibility, appropriate notice of the need for leave, use of accrued paid leave, etc.). Military Caregiver Leave will be governed by, and handled in accordance with, the FMLA and applicable regulations, and nothing within this policy should be construed to be inconsistent with those regulations.

Qualifying Exigency Leave

Eligible employees may take unpaid “Qualifying Exigency Leave” to tend to certain “exigencies” arising out of the covered active duty or call to covered active duty status of a “military member” (i.e. the employee’s spouse, son, daughter, or parent). Up to 12 weeks of Qualifying Exigency Leave is available in any 12-month period, as measured by the same method that governs measurement of other forms of FMLA leave within the FMLA policy (with the exception of Military Caregiver Leave, which is subject to a maximum of 26 weeks of leave in a “single 12-month period”). Although Qualifying Exigency Leave may be combined with leave for other FMLA-qualifying reasons, under no circumstances may the combined total exceed 12 weeks in any 12-month period (with the exception of Military Caregiver Leave as set forth above). The employee must meet all other eligibility standards as set forth within the FMLA policy.

Persons who can be ordered to active duty include active and retired members of the Regular Armed Forces, certain members of the retired Reserve, and various other Reserve members including the Ready Reserve, the Selected Reserve, the Individual Ready Reserve, the National Guard, state military, Army

Reserve, Navy Reserve, Marine Corps Reserve, Air National Guard, Air Force Reserve, and Coast Guard Reserve.

A call to active duty refers to a *federal* call to active duty, and *state* calls to active duty are not covered unless under order of the President of the United States pursuant to certain laws.

Qualifying Exigency Leave is available under the following circumstances:

1. **Short-notice deployment.** To address any issue that arises out of short notice (within seven days or less) of an impending call or order to covered active duty.
2. **Military events and related activities.** To attend any official military ceremony, program, or event related to covered active duty or call to covered active duty status or to attend certain family support or assistance programs and informational briefings.
3. **Childcare and school activities.** To arrange for alternative childcare; to provide childcare on an urgent, immediate need basis; to enroll in or transfer to a new school or daycare facility; or to attend meetings with staff at a school or daycare facility.
4. **Financial and legal arrangements.** To make or update various financial or legal arrangements; or to act as the covered military member's representative before a federal, state, or local agency in connection with service benefits.
5. **Counseling.** To attend counseling (by someone other than a health care provider) for the employee, for the military member, or for a child or dependent when necessary as a result of duty under a call or order to covered active duty.
6. **Temporary rest and recuperation.** To spend time with a military member who is on short-term, temporary rest and recuperation leave during the period of deployment. Eligible employees may take up to 15 calendar days of leave for each instance of rest and recuperation.
7. **Post-deployment activities.** To attend arrival ceremonies, reintegration briefings and events, and any other official ceremony or program sponsored by the military for a period of up to 90 days following termination of the military member's active duty status. This also encompasses leave to address issues that arise from the death of a military member while on active duty status.
8. **Parental care.** To care for the military member's parent who is incapable of self-care. The parent must be the military member's biological, adoptive, step, or foster father or mother, or any other individual who stood in loco parentis to the military member when the member was under 18 years of age.
9. **Mutually agreed leave.** Other events that arise from the military member's duty under a call or order to active duty, provided that the Company and the employee agree that such leave shall qualify as an exigency and agree to both the timing and duration of such leave.

An employee seeking Qualifying Exigency Leave may be required to submit appropriate supporting documentation in the form of a copy of the military member's active duty or rest and recuperation orders or other military documentation indicating the appropriate military status and the dates of active duty status, along with a statement setting forth the nature and details of the specific exigency, the amount of

leave needed and the employee's relationship to the military member, within 15 days. Qualifying Exigency Leave will be governed by, and handled in accordance with, the FMLA and applicable regulations, and nothing within this policy should be construed to be inconsistent with those regulations.

Amount of Leave

An eligible employee may take up to 12 weeks for the first five FMLA circumstances above (under heading "Type of Leave Covered") under this policy during any 12-month period. The Company will measure the 12-month period as a rolling 12-month period measured backward from the date an employee uses any leave under this policy, with one exception. See next paragraph for leave to care for a covered servicemember, where the Company calculates the 12-month period beginning on the first day the eligible employee takes FMLA leave to care for a covered servicemember and ends 12 months after that date. FMLA for the birth or placement of a child for adoption or foster care must be concluded within 12 months of the birth or placement. Each time an employee takes leave, the Company will compute the amount of leave the employee has taken under this policy in the last 12 months and subtract it from the 12 weeks of available leave, and the balance remaining is the amount of time the employee is entitled to take at that time.

An eligible employee can take up to 26 weeks for the FMLA military caregiver leave circumstance above during a single 12-month period. FMLA leave already taken for other FMLA circumstances will be deducted from the total of 26 weeks available.

Using Leave

Eligible employees may take FMLA in a single block of time, intermittently (in separate blocks of time), or by reducing the normal work schedule when medically necessary for the serious health condition of the employee or immediate family member, or in the case of a covered servicemember, his or her injury or illness. Eligible employees may also take intermittent or reduced-scheduled leave for military qualifying exigencies. Intermittent leave is not permitted for the birth of a child, or to care for a newly-born child, or for placement of a child for adoption or foster care. In all cases, the leave may not exceed a total of 12 workweeks (or 26 workweeks to care for an injured or ill service member over a 12-month period). Employees who require intermittent or reduced-schedule leave must try to schedule their leave so that it will not unduly disrupt the Company's operations. If both spouses work for the Company and each wish to take leave for the birth of a child, adoption, or placement of a child in foster care, or to care for a parent (but not a parent "in-law") with a serious health condition, the legal spouses may only take a combined total of 12 weeks of leave. If a husband and wife both work for the Company and each wish to take leave to care for a covered injured or ill service member, the spouses may only take a combined total of 26 weeks of leave.

Employee Status and Benefits during Leave

While an employee is on leave, and if the employee and/or their family participate in our group health plan, the Company will maintain coverage during the employee's FMLA leave at the same level and under the same terms as if the employee had continued to work, unless otherwise specified by state or federal law. While an employee is on FMLA leave, the Company will continue to pay its portion of the group health insurance and the employee must continue to pay their portion (if any) while on leave unless otherwise specified by state or federal law. In some instances, the Company may recover premiums it paid to maintain health coverage or other benefits for you and your family. Use of FMLA leave will not result in the loss of any employment benefit that accrued prior to the start of your leave. To ensure coverage continues, they must send a check to the Payroll Department, for their portion of the insurance premium or contact Human Resources to use PTO to cover insurance premiums. Payment is due on the Company's payday. Failure to make these payments may result in a lapse in health insurance coverage until the company open enrollment or the employee has an eligible life event.

Failure to Return After FMLA Leave

Any employee who fails to return to work as scheduled after FMLA leave or exceeds the 12-week FMLA entitlement (or in the case of military caregiver leave, the 26-week FMLA entitlement), will be subject to the Company's standard leave of absence and attendance policies. This may result in termination if you have no other Company-provided leave available to you that applies to your continued absence. Likewise, following the conclusion of your FMLA leave, the Company's obligation to maintain your group health plan benefits ends (subject to any applicable COBRA rights).

Other Employment

The Company generally prohibits employees from holding other employment. This policy remains in force during all leaves of absence, including FMLA leave, and may result in disciplinary action, up to and including immediate termination of employment.

Employee Status after Leave

An employee who takes leave under this policy may be asked to provide a fitness for duty clearance from the health care provider.

Use of Paid and Unpaid Leave

FMLA is unpaid leave unless required under specific state laws. If an employee has PTO or Paid Sick Leave hours available, they must use their available PTO or Paid Sick Leave balance prior to taking any unpaid time off. FMLA leave runs concurrent with any PTO or Paid Sick Leave. While on unpaid FMLA leave, the employee will not be paid for holidays that occur during the leave unless they are using PTO leave during that pay period. The employee will not accrue PTO, Paid Sick Leave, or other benefits while on unpaid FMLA leave.

Disability leave for the birth of a child and for an employee's serious health condition, including workers' compensation leave (to the extent that it qualifies), will be designated as FMLA leave and will run concurrently with FMLA, unless otherwise specified by state or federal law.

Procedure for Requesting FMLA Leave

All employees requesting FMLA leave must provide Human Resources with verbal or written notice of the need for the leave. Employees will be advised to file their leave request through the Leave Administrator within 15 days of the conversation taking place.

When seeking FMLA leave, you must provide sufficient information for the Leave Administrator to determine if the requested leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that you are unable to perform job functions, a family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave.

All required medical supporting documentation must be sent directly to the Leave Administrator to approve/deny the leave, return to work, etc.

When the need for the leave is foreseeable, the employee must provide the employer with at least 30 days' notice. When an employee becomes aware of a need for FMLA leave less than 30 days in advance, the employee must provide notice of the need for the leave either the same day or the next business day. When the need for FMLA leave is not foreseeable, the employee must comply with the Company's usual and customary notice and procedural requirements for requesting leave.

Failure to create your account and supply required medical supporting documentation with the Leave Administrator may result in delay of approval or denial of leave. Any absences before approval may be considered unexcused and will be handled as an unexcused absence under our attendance policy. Per our attendance and Family and Medical Leave policy, you would then be subject to disciplinary actions up to and including termination.

Designation of FMLA Leave

Leave Administrator will provide all required communication to the extent required by law.

Recertification

The Company may request recertification for the serious health condition of the employee or the employee's family member when circumstances have changed significantly, or if the employer receives information casting doubt on the reason given for the absence, or if the employee seeks an extension of their leave. Otherwise, the Company may request recertification for the serious health condition of the employee or the employee's family member every six months in connection with an FMLA absence.

Job Restoration

Upon returning from FMLA leave, eligible employees will be restored to their original job or to an equivalent job with equivalent pay, benefits, and other employment terms and conditions.

Fraud

Providing false or misleading information or omitting material information in connection with an FMLA leave will result in disciplinary action, up to and including immediate termination.

Employers' Compliance with FMLA and Employee's Enforcement Rights

FMLA makes it unlawful for any employer to interfere with, restrain, or deny the exercise of any right provided under FMLA, or discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

While the Company encourages employees to bring any concerns or complaints about compliance with FMLA to the attention of the Human Resources Department, FMLA regulations require employers to advise employees that they may file a complaint with the U.S. Department of Labor or bring a private lawsuit against an employer.

Further, FMLA does not affect any Federal or State law prohibiting discrimination or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

Limited Nature of This Policy

This Policy should not be construed to confer any express or implied contractual relationship or rights to any employee not expressly provided for by FMLA. The Company reserves the right to modify this or any other policy as necessary, in its sole discretion to the extent permitted by law. State or local leave laws may also apply.

Parental Leave Policy

Purpose/Objective

The company will provide paid parental leave to all full-time eligible employees following the birth of an employee's child or the placement of a child with an employee in connection with adoption or foster care. The purpose of paid parental leave is to enable the employee to care for and bond with a newborn or

newly placed adopted or foster child. This policy will run concurrently with Family and Medical Leave Act (FMLA) leave and any state leave laws, as applicable. To be eligible for paid parental leave, you must have been employed by the Company for six months prior to the birth or placement of the child. The amount of paid leave will be determined by your tenure.

Eligibility

Eligible employees must meet the following criteria:

Been employed with the company for at least 6 months

Worked at least 30 hours or more per week in the 6 months preceding the date the leave would begin

Be a full-time employee (part-time, seasonal, or temporary employees and interns are not eligible for this benefit)

In addition, employees must meet one of the following criteria:

Have given birth to a child or had a child through a surrogate

Be a spouse or committed partner of an individual who has given birth to a child

Have adopted a child or been placed with a foster child (in either case, the child must be age 17 or younger). The adoption of a spouse's child is excluded from this policy

Amount, Time Frame and Duration of Paid Parental Leave

Eligible employees after 6 months of service will receive a maximum of 4 weeks of paid parental leave for the primary caregiver and 2 weeks of parental leave for the secondary caregiver, per birth, adoption, or placement of a child/children. Eligible employees after 2 years of service will receive a maximum of 12 weeks of paid parental leave for the primary caregiver and 2 weeks of paid parental leave for the secondary caregiver per birth, adoption, or placement of a child/children. The fact that a multiple birth, adoption, or placement occurs (e.g., the birth of twins or adoption of siblings) does not increase the total amount of paid leave granted for that event. In addition, in no case will an employee receive more than 12 weeks of paid leave in a rolling 12-month period, regardless of whether more than one birth, adoption or foster care placement event occurs within that 12-month time frame.

Each week of paid parental leave is compensated at 100 percent of the employee's regular, straight-time weekly pay. Paid parental leave will be paid on regularly scheduled pay dates.

Approved paid parental leave may be taken at any time during the 12-month period immediately following the birth, adoption, or placement of a child with the employee.

Paid parental leave may not be used or extended beyond this 12-month time frame.

Employees taking leave as the primary care provider must take paid parental leave in one continuous period of leave and must use all paid leave during the 12-month time frame indicated above. Any unused paid parental leave will be forfeited at the end of the 12-month time frame. Employees taking leave as the secondary care provider can take paid parental leave continuously or incrementally.

Any unused paid parental leave will be forfeited at the end of the 12-month time frame.

Upon termination of the individual's employment at the company, they will not be paid for any unused paid parental leave for which the employee was eligible.

Coordination with Other Policies

Paid parental leave taken under this policy will run concurrently with leave under the FMLA and any state leave laws. Thus, for any leave taken under this policy that falls under the definition of circumstances qualifying for FMLA due to the birth or placement of a child as a result of adoption or foster care, such leave will be counted toward the 12 weeks of available FMLA leave per 12-month period. All other

requirements and provisions under the FMLA will apply. In no case will the total amount of leave—whether paid or unpaid—granted to the employee under the FMLA exceed 12 weeks during the 12-month FMLA period. Please refer to the Family and Medical Leave Policy for further guidance on the FMLA.

After the paid parental leave is exhausted, the balance of FMLA leave (if applicable) will be compensated through the employee's accrued personal time. Upon exhaustion of personal time, any remaining leave will be unpaid leave. Please refer to the Family and Medical Leave Policy for further guidance on the FMLA.

The Company will maintain all benefits for employees during the paid parental leave period just as if they were taking any other company paid leave such as Paid Time Off (PTO).

If a company holiday occurs while the employee is on paid parental leave, it will be paid as holiday pay. However, such holiday pay will not extend the total paid parental leave entitlement.

An employee who takes paid parental leave that does not qualify for FMLA leave will be afforded the same level of job protection for the period that the employee is on paid parental leave as if the employee was on FMLA-qualified leave.

Requests for Paid Parental Leave

The employee will provide their supervisor and the Human Resources Department with notice of the request for leave at least 30 days prior to the proposed date of the leave (or if the leave was not foreseeable, as soon as possible). The employee must complete the necessary HR forms and provide all documentation as required by the HR Department to substantiate the request.

The employee must certify their status as primary or secondary caregiver at the time of the leave request. This certification must include a basis as to why the employee is requesting primary or secondary caregiver leave.

As is the case with all company policies, the organization has the exclusive right to interpret this policy.

Bereavement Leave

In the event of a death in an employee's immediate family, the Company follows applicable state, federal, and local law regarding bereavement leave. Please consult with Human Resources regarding the amount of bereavement leave provided in your state. Except where differing amounts are provided by state or local law, and subject to any applicable laws, an employee may be granted up to three (3) days of paid bereavement leave to handle matters related to death and grieving. Subject also to applicable state and local law, in the event of a death in an employee's extended family, an employee may be granted one (1) day of paid bereavement leave to attend the funeral.

"Immediate family" includes the employee's spouse, domestic partner, parents (including step-parents, foster parents, parents-in-law, and domestic partner's parents), siblings, children, children of a domestic partner, step-children, adopted children, employee's grandparents, grandparents-in-law, step-grandparents, domestic partner's grandparents, grandchildren, daughter-in-law, son-in-law, and a relative who resides with the employee.

"Extended family" includes the employee's or the employee's spouse/significant other's aunts, uncles and cousins, nieces, nephews, or friend who resides with the employee.

Other time off to attend a funeral for a close personal friend or relative who is not a member of the employees immediate or extended family may be granted by one's supervisor. Time off that is used for this purpose should be recorded as PTO time or unpaid time and must be approved by one's supervisor.

If an employee must travel out of town and it requires an overnight stay to attend the funeral, they may take two (2) extra days for travel time. If additional time is needed, the employee may request an unpaid

leave of absence or may request the use of accrued PTO time. Any paid time requires that the employee meets the requirements for a regular full-time employee and have fulfilled the 60-day requirement.

Employees are required to notify their supervisor in all instances of bereavement leave. This must also be communicated to Payroll for entry.

Civic Duties

The Company views civic responsibilities and formal jury duty as both an opportunity as well as a community obligation, and that the sacrifice should be supported both by the Company and the employee. Subject to all applicable laws, our policy is as follows:

Work-related case

If an employee is required to attend court for a work-related court case, they will be compensated at their regular rate of pay. This will include travel time and attendance.

Jury Duty

Upon notification that an employee has been selected for jury duty, it is their (the employee's) responsibility to notify their supervisor within 24 hours and provide the documentation from the County or Court. Any and all changes in status need to be promptly reviewed with the employee's supervisor.

The employee should do everything reasonably possible to determine the potential timeframe for jury duty and review this with the supervisor as soon as known and on an ongoing basis. The employee and supervisor should work out a schedule for completing the employee's responsibilities before or after jury duty each day and/or on weekends, where reasonably possible. As these are determined, the employee's immediate supervisor should review the possible implications to their supervisor and develop a plan to cover the employee's position. Employees who are released from jury service before the end of their regularly scheduled shift or who are not asked to serve on a jury panel are expected to call their supervisor as soon as possible and report to work if requested.

In any event, compensation provided by the Company to an employee while on jury duty will be reduced by whatever amounts, if any, the employee receives separately as compensation for jury duty, unless the employee is able to complete their responsibilities fully during the period. The Company will provide Jury Leave Pay as required by state and local laws.

Witness Duty

If you receive a subpoena to appear in court, please notify your supervisor immediately. You are expected to return to work as soon as your service as a witness is completed.

Voting Leave

The Company believes that it is the responsibility and duty of employees to exercise the privilege of voting in elections. In accordance with this philosophy, the company will grant its employees approved time off to vote in person, on election day.

Time Off for Voting. All employees should be able to vote either before or after regularly assigned work hours. However, when this is not possible due to work schedules, managers are authorized to grant a reasonable period of time, up to four hours, on election day to vote in person or as required by state law. This time off will be with pay. All time away must be communicated through your manager to Payroll to ensure time away to vote in person is paid appropriately.

Military Leave of Absence

The Company is committed to protecting the job rights of employees absent on military leave. In accordance with federal and state law, it is the Company's policy that no employee or prospective employee will be subjected to any form of discrimination on the basis of that person's membership in or obligation to perform service for any of the Uniformed Services of the United States. Specifically, no person will be denied employment, reemployment, promotion, or other benefit of employment on the basis of such membership. Furthermore, no person will be subjected to retaliation or adverse employment action because such person has exercised their rights under applicable law or company policy. If any employee believes that they have been subjected to discrimination in violation of company policy, the employee should immediately contact Human Resources.

Employees taking part in a variety of military duties are eligible for benefits under this policy. Such military duties include leaves of absence taken by members of the uniformed services, including Reservists and National Guard members, for training, periods of active military service, and funeral honors duty, as well as time spent being examined to determine fitness to perform such service. Subject to certain exceptions under the applicable laws, these benefits are generally limited to five years of leave of absence.

Employees requesting leave for military duty should contact Human Resources to request leave as soon as they are aware of the need for leave. For request forms and detailed information on eligibility, employee rights while on leave, and job restoration upon completion of leave, refer to the policies, procedures, and forms or contact Human Resources.

State Laws

Bridge complies with all state and local employment laws. Bridge also complies with all state and local laws permitting employees to take unpaid leaves of absence for various reasons, including but not limited to volunteer firefighter leave and crime victim leave. For more information based on a particular state or local law based on your location, see Human Resources.

Benefits

All regular full-time employees have the opportunity to participate in the company group health, dental, vision and life insurance plans, collectively referred to as "the Plan". A full description of the individual plans will be made available to employees. Regular full-time employees will be eligible for insurance coverage the first of the month following hire/rehire date. The insurance providers and terms of coverage and employee-paid amounts may change from time to time. Failure of the employee to pay their portion of their insurance premiums will result in the termination of their health/supplemental insurances.

Medical, Dental and Vision Insurance

The Company offers multiple options for medical, dental, and vision insurance. The employee will be notified of their enrollment periods to make elections or to waive health insurance. Once made, elections are fixed for the remainder of the plan year. Changes in family status, as defined in the Plan document, allow employees to make midyear changes in coverage consistent with the family status change. Please contact the Human Resources Department to determine if a family status change qualifies under the Plan document and IRS regulations.

Each year there is an open enrollment period, which falls in the month of November, employees may change medical, dental, and vision elections for the following calendar year.

The Human Resources Department is available to answer benefits plan questions and assist in enrollment as needed.

Domestic Partners

Domestic partner health insurance is the extension of a health insurance plan to one's domestic partner. In granting domestic partner coverage, insurance providers or employers recognize these relationships and provide the same health insurance benefits as they would to a married couple. The tax consequences of a domestic partnership are the responsibility of the employee. The value of benefits provided to an employee's domestic partner (and to the domestic partner's eligible children, if any) is considered part of the employee's taxable income, unless the employee's domestic partner qualifies as a dependent under Section 152 of the Internal Revenue Code.

Questions regarding this policy should be directed to the Human Resources Department.

Group Life Insurance

The Company offers regular full-time employees, following fulfillment of the 60-Day Requirement, an employer-paid basic group term life policy along with an accidental death and dismemberment policy. Each policy is automatically set up for each qualifying employee.

Long-Term Disability Benefits

The Company offers eligible employees (i.e., regular full-time employees who are regularly scheduled to work a minimum of 30 hours per week) a noncontributory long-term disability (LTD) base plan. This noncontributory base plan provides for monthly LTD benefits of 60% of basic monthly earnings to a maximum benefit of \$6,000 per month, less any other offsets. Regular full-time employees will be automatically enrolled as of the first of the month following sixty (60) consecutive calendar days following the date of hire. Long-term disability coverage terminates on the last day of employment.

Please contact Human Resources for more information.

401(k) Plan

The Company offers a voluntary salary reduction plan, better known as a 401(k) plan, in which regular full-time and regular part-time employees (scheduled for and working a minimum of 20 hours per week), who are 21 years of age or older, will be automatically enrolled once they have met the eligibility requirements. Automatic enrollment will occur after 60 days of employment. Contributions will be 4% of employee's compensation. Employees can change the amount of contribution to higher or lower amount at any time. If an employee does not wish to participate, they can opt-out.

Notices regarding the 401(k) plan are circulated to all employees periodically throughout the year. The Company currently matches employee 401(k) contributions dollar-for-dollar for all participating employees, on the first 6% of eligible compensation.

Further details about the 401(k) plan may be obtained from the Human Resources Department.

Workers' Compensation Benefits

The Company is covered under, and abides by all, statutory workers' compensation laws. Employees who sustain work-related injuries must immediately notify their immediate supervisor. The Company does not discriminate or retaliate against employees who have filed legitimate workers' compensation claims, nor does it take or threaten any action to compel or persuade employees not to file a workers' compensation claim.

Tuition Reimbursement Policy Summary

The policy is a broad guideline developed by the company to assist with organizational decisions. The procedures detail how the policy should be applied. It is impossible to address every situation or circumstance, and decisions regarding this benefit will be made case-by-case. Bridge Investment Group will make every effort to ensure that all employees are treated fairly and equitably. Contact the Human Resources Department with questions at talentdevelopment@bridgeig.com.

Eligibility

- Full-time, regular employees who have completed twelve months of employment.
- Must be in good standing and cannot be under any corrective action or final warnings.

Procedures

Employees interested in participating in this education assistance program must complete the Request for Employee Tuition Reimbursement Form and have it approved before the commencement of any coursework for which the employee intends to be reimbursed. The tuition reimbursement form can be found on the intranet page> HR> Resource Links> Tuition Reimbursement category.

The employee's head of the department must approve the request. When completed, the individual must submit the Request for Employee Tuition Reimbursement Form to the Human Resources Department for review and approval.

The Department head's written approval is required at least two weeks before class starts via the application.

Up to \$5,000.00 of covered tuition costs will be reimbursed annually. The level of reimbursement will also be contingent upon the final grade for the course.

Undergraduate or graduate courses must be completed at regionally accredited colleges or universities. Certifications must be completed through an industry recognized organization. Some certifications will be covered through your department and are not eligible for tuition reimbursement.

Reimbursement is contingent upon the earning of a passing grade. A "C" or better is considered a passing grade. The percentage of reimbursement is 105% for "A" s, 80% for "B" s and 60% for "C" s.

Upon completion of the course, the applicant must submit, within 45 days, legible copies of the following: (1) College/university invoice or statement indicating fees charged and the amount paid (the invoice must contain the school's name and address. Copies of canceled checks and credit card receipts will not be accepted); and (2) College/university grade card/report indicating the applicant's name, quarter/semester, course name(s) and grade(s) for the term.

For schools and universities that provide a flat-rate tuition option, reimbursement will be provided to employees who successfully complete at least three (3) courses during the semester or period for which the flat-rate tuition is applicable. All other requirements of the tuition reimbursement policy must still be met.

The employee must be active on the date the reimbursement is processed for payment to be eligible for reimbursement. Terminated employees will not be eligible for reimbursement unless the termination is due to a reduction in force, disability, retirement, or death.

The full amount of tuition repayment is required if the employee leaves the company within one year of the completion of any course. If the employee leaves before the 2nd year is complete, repayment will

be required at a prorated tuition amount, depending on the certification/degree. Employees will not be eligible for tuition reimbursement if they withdraw from an approved course or if it is canceled.

We make no representations regarding taxes, and the employee may want to consult with a tax advisor regarding how tuition reimbursement should be reported in their tax filings. (IRS Regulation 127 allows employers to pay, at no cost to the employee, for educational classes that lead to a degree from an accredited university or college. The regulation allows employers to pay up to a maximum of \$5,250 per year before adding any amount over \$5,250 to an employee's gross wages.)

Meals, lodging, qualifying exams, books, parking, and activity fees are not eligible for reimbursement.

The employee is required to immediately notify the Department Head and Human Resources if they withdraw from an approved course or if the course is canceled. Employees will not receive tuition reimbursement if they terminate employment before completing an approved course.

Audits will be performed on approved payment submissions regularly.

Successful completion of any course(s) does not guarantee continued employment, promotion, salary increase, etc.

Professional Certification, Licenses, Seminars and Conferences

The Company believes in helping employees pursue certifications and obtain licenses that will be beneficial to the Company and enhance the employee's job skills, educational background, professional growth, and career development. The Company will reimburse all or a portion of required fees for approved coursework successfully completed by eligible employees pursuant to the terms of this policy.

To participate in this program, you must meet the following provisions:

- Full time employee for a minimum of 6 months, or discretion to the department head
- Satisfactory performance in your current position
- Desired certification, license or training program must be reasonably related to your current position or must enhance your potential for professional development within the Company
- It is preferred that coursework be completed on the employee's own time. Courses cannot disrupt the normal processes of the employing department. If approved coursework is only available during the employee's work hours, a schedule adjustment must be arranged (at the sole discretion of the Company) with the individual's manager.

The procedures for applying and receiving reimbursement are as follows:

- The employee must meet with the Manager to discuss their educational and professional goals and objectives. The Manager must receive approval from the Department Head for all educational courses and training programs prior to the employee starting the courses.
- The employee will pay the initial course fees. Certain items such as books, exam fees, etc., **may be** eligible for reimbursement.

- Any employee who receives other forms of financial aid, such as scholarships, grants, and military benefits, will be reimbursed only for the difference between reimbursable expenses and the aid received from elsewhere.
- Employees must satisfactorily complete the course work and pass the exam to be considered for reimbursement.
- After the employee passes the license exam, the employee should follow the standard expense reimbursement process and be subject to reimbursement policies.
- Terminated employees will not be eligible for reimbursement unless the termination is due to a reduction in force, disability, retirement, or death.

Employee Assistance Program (EAP)

Through the employee assistance program (EAP), the Company provides confidential access to professional counseling services. The EAP, available to all employees and their immediate family members, offers problem assessment, short-term counseling, and referral to appropriate community and private services. This service is provided by Met Life Insurance. The EAP is strictly confidential and is designed to safeguard an employee's privacy and rights. Contacts to and information given to the EAP counselor may be released to the Company only if requested by the employee in writing. There is no cost for an employee to consult with an EAP counselor. If further counseling is necessary, the EAP counselor will outline community and private services available. The counselor will also let employees know whether any costs associated with private services may be covered by their health insurance plan. Costs that are not covered are the responsibility of the employee.

Employee Referral Program

The Company is always searching for the most talented, quality people to join the organization. Therefore, as an incentive and gratitude for referring quality candidates hired as employees, the Company will pay a referral bonus to the referring employee after the candidate they referred completes the required timeframe below. Referral bonuses are taxable wages and are paid on the first paycheck afterward.

Referral bonus process:

Former employees are not eligible for referral consideration.

Candidates referred through a search firm are not eligible for a referral bonus payment.

Supervisors/Managers are not eligible for this referral bonus if they are directly involved in the hiring decision or if the candidate is employed in a subordinate role within their management line.

All referred candidates must apply through the Company's Career Website. The referred applicant must indicate the referring employee's name during the application process. The referring employee should

also complete the referral on the Bridge intranet at the bottom of the home page. Failure to identify the referring employee during the process may result in payment ineligibility for the referral bonus.

The referring employee must still be employed by the Company when the bonus is payable.

To be eligible to receive the referral bonus the candidate must be submitted to Workday by following the approved process and the candidate source must reflect that it was an Employee Referral and indicate who the referring employee was. Compliance Requirements

Annual meetings are conducted with Bridge IT and the Compliance team to review regulatory matters, existing processes and controls, and potential new topics.

SECURITY POLICY

Policy Objective

Executive management of Bridge is committed to preserving the confidentiality, integrity, and availability of all information systems and applications (“System Assets”), as well as any sensitive client, employee, or Firm information stored, transmitted, or processed within the Firm’s information processing facilities or by third parties on behalf of the Firm. Bridge assigns the highest organizational priority to the protection of System Assets and ensures that the Firm’s information security strategy continues to align with the goals of the Firm and its clients.

Policy Management

IT Policies and procedures are managed by the Chief Technology Officer (CTO). Department policies and procedures are developed internally and then submitted to the CTO for committee review and approval.

All Bridge policies and procedures are accessible to employees through the Bridge intranet. Employees have access to procedures related to their job responsibility. Employees are trained on Bridge information security policies upon hiring through the Workday.

Identity and Access Management

NON-CONSOLE ADMINISTRATIVE ACCESS

Bridge restricts remote access to internal devices to authorized personnel. Access to internal devices requires two-factor authentication, elevated privilege permissions, and authorization on local devices for non-console/remote access. Remote access sessions are encrypted.

ROLE-BASED ACCESS

Bridge assigns access to internal resources based upon job role and responsibilities. Bridge access is based upon least access required to perform job duties. Non-Bridge personnel will not be granted access

to internal resources except in limited circumstances with approval of the Chief Technology Officer. In addition, 3rd party accounts are setup with expiration dates.

Password Management

Bridge uses Active Directory (“AD”) for network access. The AD global policy enforces password parameters for:

- Password history: 24
- Maximum password age: 90 days
- Minimum password age: 1 days
- Minimum password length: 12 characters
- Required uppercase, special character, number, and lowercase.

Bridge corporate uses Office 365 (“O365”) which requires multi factor authentication. Employees are provisioned to O365 and then required to set up their password and an additional verification method (authenticator application, texting, or phone call) where an approval request is received. Employees are prohibited from sharing passwords with anyone.

Access Requests

New employees are processed through the Human Resource onboarding process. Access requests are based upon employee job role and responsibility.

Employee Access Change

An employee or their manager will submit a request for changes to access using the internal Service Desk web portal (bridgeservicedesk.com). IT will review the request. Any excessive or elevated privileges are validated by the Service Desk with the employee’s manager to ensure access is appropriate. Employee and third-party contractor accounts are to be audited by IT on a monthly basis.

Terminated Employee

Human Resources manages the employee termination process. Upon termination, an automated incident in ServiceNow is raised with IT to verify the account is disabled by MIM and licenses are removed.

Lock Out After Invalid Access Attempts

AD and O365 have “account lockout” settings after 3 bad attempts. With multi factor authentication validation, there is no access enabled if validation is not obtained.

Idle Workstation Session Timeout

If a session has been idle for more than 15 minutes, the user is required to sign back in.

Remote access

Authorized employees may access the system from the Internet using VPN technology, if needed. Employees should only access Bridge systems from their company issued device. Corporate employees are set up with the Company Portal for mobile device access.

Asset Management

Bridge manages hardware and software using native tools to detect and update inventory. New devices are added to Bridge's inventory as part of the technical operation support procedure. Devices are assessed to ensure compatibility of security and functional requirements. Once approved, devices are installed, configured, and added to the Asset management inventory.

Bridge offices have discoverable software to detect new devices on the network. Unauthorized devices are blocked.

Bridge uses vendor managed software for core applications. These assets are tracked in Yardi and are part of the vendor management procedures.

Data disposal

Decommissioned assets are recycled. During that process all Bridge data is removed via destruction of the hard drive. A certificate of destruction from our vendor is obtained and archived.

VENDOR MANAGEMENT

Bridge manages vendors, third parties, and contractors using the following department procedures:

- New services or application needs are researched by the department.
- Bridge uses vendor managed software to retain vendor/third-party data.
- Should a vendor process or retain customer information, additional review of vendor information security controls is performed.

Change Management

Bridge does not develop applications internally. Bridge manages changes related to:

- Provisioning resources
- Server patch management
- Updates to anti-virus
- Vendor support as needed to update applications.

Change Requests and Processing

Development, changes, upgrades, or disable/remove requests are captured in our Change Management tool, ServiceNow. The Change Manager reviews and facilitates a weekly Change Advisory Board (“CAB”) meeting and coordinates potential emergency change requests.

- Change requests are reviewed and assigned to staff for processing.
- Weekly the Change Advisory Board meets to review change requests and completed changes ready to be applied.

Risk Management/Systems Security

Anti-virus

Bridge installs anti-virus software on all endpoints, servers, and devices that access internal systems. Anti-virus updates are pushed to all endpoints, servers and devices that connect to internal systems.

Vulnerability Scan

At least quarterly, vulnerability scans are performed on all internal systems. Identified vulnerabilities are remediated following change management procedures.

Penetration testing

At least annually, Bridge performs an external and internal penetration test to validate boundary controls. In addition, at least quarterly, vulnerability scans are performed.

Intrusion detection/Intrusion prevention

Bridge has implemented intrusion detection (“IDS”) or intrusion prevention (“IPS”) to detect and/or prevent intrusions into the network. An online Azure security dashboard provides near real-time updates on all platform and infrastructure security settings.

Security patches

Security patches are reviewed, tested, and then processed to update devices. Updates are rolled out monthly or as needed.

Logging

The syslog data from our infrastructure environment is processed via a third-party Security Operations Center provider.

Incident Management

Bridge follows a defined escalation process for any incidents. This is defined by the Security Incident Response Policy and the Incident Response Plan.

Security awareness training

Bridge Human Resources performs security awareness and data handling training using Workday. Employees are provided initial policy training upon hiring. Annually, Workday is updated for all information security and HR policies training for all employees. Tracking of employee completion is tracked in Workday and hiring managers are provided access to employee training scores/completion information. In addition, there is a required annual Security awareness and data handling refresher course. Ongoing phishing campaigns are initiated and follow up training is required, should a user click on a link.

Employee Use of Generative Artificial Intelligence

Bridge recognizes that the use of generative artificial intelligence tools (“AI Tools”) can increase employee productivity and foster innovation, and we support the use of AI Tools in a safe, ethical, and secure manner. At the same time, the use of AI Tools can pose risks to our operations and investors. The following is intended to provide high-level guidance to employees related to the use of AI Tools in connection with their work and employment, particularly to provide employees with guidelines for the responsible use of AI Tools while protecting Bridge and mitigating the risk of misuse, unethical outcomes, potential biases, inaccuracy, and information security breaches. Employees are responsible for using AI Tools in a productive, ethical, and lawful manner and in compliance with this Policy.

A list of authorized AI Tools (“Authorized AI Tools”) is available on Bridge’s Intranet at www.community.bridgeig.com/resources.

These guidelines are intended to add to, not contradict, limit, or replace, applicable mandatory rules, policies, legal requirements, legal prohibitions, and contractual obligations, all of which remain in full force and effect. Any use of AI Tools under this Policy must comply with all other relevant policies, internal controls, and guidelines of the Firm, including Bridge’s Information Procurement Policy.

Guidelines for Using AI Tools

When using AI Tools in the workplace, employees must comply with the below:

1. Authorized AI Tools.

- Use only Authorized AI Tools as listed on Bridge’s Intranet.
- Any use of AI Tools that are not Authorized AI Tools must be authorized in advance of use by following the steps outlined in Bridge’s Information Technology Procurement Policy (“AI Tool Authorization”). Any AI Tool Authorization received is specific to the users and scope detailed in the request and is not transferable to other employees or for other uses until such AI Tool appears on the list of Authorized AI Tools.
- *Employees bear full responsibility for confirming their use of AI Tools against the active list of Authorized AI Tools, which is subject to change at any time by the Firm.*
 - 2. Use of Authorized AI Tools. Any employee using an Authorized AI Tool must also:
 - Thoroughly review all AI Tool outputs before using them or forwarding them to others inside or outside the Firm to:
 - ensure that they do not contain biased, offensive, or discriminatory content;

- eliminate errors and verify accuracy or reported facts with other trusted sources; and
- ensure inputs and outputs are not a Prohibited Use of Confidential Information (defined below);
- Use a Firm-provided email address for log-in purposes;
- Complete all required Bridge generative AI trainings; and
- Receive manager and Bridge IT approval (if specified).
- 3. Prohibited Uses. Authorized AI Tools may not be used:
 - in a manner that will make proprietary, confidential or sensitive Firm, counterparty or investor data or information (“Confidential Information”) available to non-employees or unauthorized employees, including, but not limited to:
 - Ownership of Bridge stock, carry or other equity interests
 - Employee or investor personally identifiable information
 - to infringe the rights of others, including privacy and intellectual property rights;
 - to interfere with the performance of such employee’s job or of other employees’ jobs;
 - to record or otherwise transcribe confidential meetings, including but not limited to investment committee meetings, strategy meetings, investor meetings and meetings of the board of directors or any related committees; or
 - in violation of any federal, state or local law restricting the use of AI Tools in the workplace
- each, a “Prohibited Use.”

When in doubt, do not use an AI Tool or contact the Bridge IT for further guidance before proceeding.

- An employee seeking to use an AI Tool for a Prohibited Use must receive an AI Tool Authorization specific to such use, and only perform such Prohibited Use in the manner detailed in such AI Tool Authorization.
- *Employees bear full responsibility for ensuring their use of an Authorized AI Tool does not constitute a Prohibited Use.*

AI Tool Audits

Bridge IT shall perform the following duties to facilitate Firm’s compliant use of AI Tools:

- Implement an audit system to carefully monitor and document all AI Tool inputs and outputs. This includes identifying the source of all data sets used with AI Tools and labelling AI Tool outputs to indicate that they were produced in whole or in part using AI technology.
- Regularly audit and (1) approve non-AI Tools as Authorized AI Tools following the addition of generative AI features and (2) re-approve Approved AI Tools following product updates.
- Keep accurate records of audits, determinations, and decisions and any communications of these to employees and third parties.
- Consult with Bridge Legal and Compliance regarding any legal issues raised by or during any activities referred to in this Policy section and escalate these issues to executive management, when necessary.

Mandatory Training

The Firm recognizes that an informed workforce is the best line of defense and will provide training opportunities and expert resources to help employees understand their obligations under this Policy and avoid creating undue risks. Employees must complete generative AI use training within a reasonable time after initial hire and ongoing trainings as required by the Firm. All employees must complete generative AI use training prior to use of any AI Tool and re-certify on at least an annual basis. Managers must ensure that their employees complete all required training.

The Firm may deem failure to participate in required training a violation of this Policy. The Firm will retain attendance records and copies of generative AI training materials provided to employees.

Reporting Non-Compliance with This Policy

If you become aware of an actual or potential violation of this section of the Policy, or have reason to believe that any of the following has been downloaded to or installed on the Firm's networks, systems, or devices, you must promptly disclose this fact to Bridge IT by submitting a ticket in ServiceNow together with relevant documents and information, including:

- an unlicensed AI Tool, if usage requires a license;
- an AI Tool that has not been approved for use according to this Policy;
- a Prohibited Use of an AI Tool; or
- an AI Tool that poses an identified, unaddressed security risk or contains any material defects or malicious code.

The Firm prohibits any form of discipline, reprisal, intimidation, or retaliation for reporting a violation of this Policy.

If you have any questions regarding AI Tools in the workplace that are not addressed in this Policy, please contact Bridge IT.

Risk Management/Network Security

Network Administration

Testing Network Connections

All changes to network connections, firewalls, and routers are approved using Bridge's standard change management process. Network connections, firewall, and router changes shall be in accordance with applicable regulatory and statutory compliance requirements.

Network Diagram Connections

Network diagrams are to be kept current and must identify all connections between the Bridge network and other networks, including any wireless networks.

Firewall and Router Configurations

Firewall and router configurations follow secure standards. Network architecture identifies network segmentation to reduce the likelihood of compromise. Firewalls will be configured to block all unwanted traffic determined by the firewall ruleset and must log all traffic.

Baseline Network Operations

A baseline of network operations and expected data flows for users and systems is established and managed. Anomalies on the network are logged and investigated.

Cloud Security /Risk Management / Data Security / Personal Identifiable Information

Cloud Security

All cloud services used within the organization must comply with this policy to ensure the confidentiality, integrity, and availability of data. Employees must use only approved cloud services authorized by the IT department. Access to cloud services must be controlled through secure authentication mechanisms, and users are responsible for protecting their credentials from unauthorized access. Data stored or transmitted through cloud services must be encrypted using strong encryption methods.

Data in Transit

Bridge establishes secure transmissions using SSL/Transport Layer Security to encrypt data transmissions and email exchanges.

Data Encryption

Data classified as confidential is encrypted at rest.

Data Loss Prevention

Bridge has enabled email filters that identify messages coming from external IP sources to further reduce the likelihood of internal employees providing information via email to unauthorized sources. Business users store data using online applications which encrypt data in transit.

Clean Desk Policy

Bridge open spaces including desks and printers are required to be free of sensitive or confidential data in case the employee is away from their desk for longer than five minutes. In the event an employee is working remotely, including at their home or in an office space shared with non-Bridge personnel, the Bridge employee is responsible for keeping Bridge information secure, including but not limited to locking their computer or other device when not present and destroying or locking up any files containing sensitive or confidential data.

Data Disposal

Bridges procedures for the disposal of data that is no longer needed or has passed its retention date are disposed of securely and responsibly to protect the privacy and confidentiality of our customers, employees, and partners. Data classified with a retention date is purged by a formal request that will be made to the authorized person or department responsible for data disposal. This request will include details about the data to be purged, the retention period that has elapsed, and the reason for disposal.

Media Management

Bridge restricts users from utilizing removable media such as USB devices. Exceptions to this policy will be reviewed and audited by the security team.

Personal Email and Storage

The usage of or adding emails outside of the company domain is strictly prohibited. Using only company-issued email addresses for work-related communications is mandatory, and personal email addresses or those of third-party email providers should not be used. The Bridge standard for document management is SharePoint. No other platforms should be utilized.

Risk Management/Business Continuity

The Bridge online cloud platform and infrastructure are part of high-availability configurations.

Risk Management/Physical Security

The Bridge offices have designated reception areas. The reception area is attended by a receptionist during business hours. Access to the reception area is accessible from 8am to 5pm on business days and is locked at all other times. Access beyond the reception area is controlled through the card-key access system. For offices shared with non-Bridge personnel, when the Bridge employee is not present, devices must be locked and password protected and files containing sensitive or confidential Bridge data must be destroyed or locked.

All remaining exterior ingress doors are restricted to users possessing an access card that has been assigned access for their specific location. Access is restricted through the use of access control lists. Employees are granted access cards upon hire.

Visitors check in with the receptionist in the reception area. The visitor's name, employer, and purpose for visit are recorded in a visitor log. The visitor is escorted by an employee at all times.

Upon an employee's termination, the employee's supervisor creates an "access deletion request" which includes the date of termination. This request is routed to the access administrators to deprovision access of all systems/software the employee used. In addition, terminated employees turn over their access cards/IDs during their exit interview.

Visitor Logs

The visitor's log will record the name of the individual, company whom they represent, and the Bridge employee they are visiting. Visitor logs are scanned and retained for one year.

Visitor logs must include:

- Name of visitor
- Company represented (if applicable)
- Date and approximate time of visit (please note if the visit will occur over multiple days or times)
- Name of onsite personnel authorizing physical access
- Purpose of visit (meeting, service request, personal, etc.)

Any employee whose work schedule does not provide them with at least two (2) hours after the opening of the polls or at least one (1) hour prior to the closing of the polls to vote may have up to one (1) hour of unpaid leave to vote. The Company may select the hours you are excused to vote. Please notify **the Human Resources Department** of the need for voting leave as soon as possible.

Neither the Company nor any official or manager of the Company will attempt to influence the vote of any employee or otherwise intimidate any employee about the employee's vote and will not ask to see an employee's ballot.

For purposes of this leave, "volunteer emergency worker" means a volunteer firefighter, emergency medical technician, rescue squad member, volunteer deputy, or a ham radio operator conducting storm spotter operations for an emergency management association.

Employees must make reasonable efforts to notify the Company of their service and continue to keep the Company informed during the course of their absence. The Company may request documentation supporting the need for leave.

Employees will not be paid for more than one hundred and sixty-eight (168) hours at any one time while called by the Governor to duty in the active services to the state. The Company may require documentation supporting the need for leave.

Upon return from leave, the Company will restore the employee to their position or to a position with equivalent seniority, benefits, pay and other terms and conditions of employment, unless the employee is not restored because of conditions unrelated to use of leave under this policy.

The Company will not prohibit an employee from lodging a complaint or testifying, assisting or participating in an investigation or proceeding related to a violation of this policy.

Nothing in this policy will be construed to permit an employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information, unless the person is under a legal obligation to furnish the information and/or has obtained written consent from the employee whose information is requested or sought. Leave must be taken consecutively, and cannot be used intermittently, unless otherwise agreed upon by the Company.

Employees are generally expected to provide at least thirty (30) days' notice of their need for leave, unless unforeseeable or the date of placement requires leave to begin in less than thirty (30) days, in which case, the employee must provide notice as soon as is practicable.

To the extent the Company provides paid leave benefits to employees for the birth or care of a newborn, the Company will provide equivalent paid leave benefits to adoptive parents for the care of a child placed with them for adoption.

The Company will not discriminate or retaliate against employees for requesting or using leave consistent with applicable law. Please see the **Human Resources Manager**, if you have any questions.

Exempt employees may be provided time off with pay for any of the above-described leaves when necessary to comply with state and federal wage and hour laws.

Arizona Addendum

Introduction

This addendum is applicable only to employees working in the state of Arizona and only amends those provisions that are specifically addressed below. Regarding the amended provisions, in the event of any conflict between the Employee Handbook and this Addendum, this Addendum shall control. Except as set forth herein, the Employee Handbook is not modified by this Addendum.

This state addendum is to be read in connection with Bridge Investment Group Holdings LLC; Bridge Property Management, LC; and Bridge Commercial Real Estate LLC (hereinafter referred to individually and/or collectively as the “Company”) Employee Handbook. Together, the Employee Handbook and the Arizona Addendum will provide you with important information about your employment with the Company and serve as a guide to the Company’s current policies, practices, and procedures. If you have questions as you review the Employee Handbook or the Arizona Addendum, please do not hesitate to discuss your questions with the **Human Resources Department**.

Arizona Policies

Equal Employment Opportunity Policy

In addition to the protected statuses listed in the Company Handbook, and in accordance with Arizona law, the Company is committed to providing equal employment opportunities to all employees and applicants without regard to race, color, religion, gender (sex), gender identity, gender expression, sexual orientation, marital status, ancestry, national origin, citizenship status, familial status, pregnancy, age, protected medical condition, genetic test results, genetic information, AIDS/HIV status, status as a cardholder for medicinal marijuana, disability, membership in the National Guard and/or in the military forces, military Veteran status, or any other protected status in accordance with all applicable federal, state, and local laws.

Policy Against Unlawful Harassment, Discrimination, and Retaliation

In addition to the protected statuses listed in the Company Handbook, and in accordance with Arizona law, the Company strictly prohibits all forms of unlawful discrimination, harassment, and/or retaliation on the basis of race, color, religion, gender (sex), gender identity, gender expression, sexual orientation, marital status, ancestry, national origin, citizenship status, familial status, pregnancy, age, protected medical condition, genetic test results, genetic information, AIDS/HIV status, status as a cardholder for medicinal marijuana, disability, membership in the National Guard and/or in the military forces, military Veteran status, or any other protected status in accordance with all applicable federal, state, and local laws.

Paid Sick Leave

For any employees working in Arizona not covered by the Company's PTO policy, those employees are provided paid sick leave pursuant to the Fair Wages and Healthy Families Act, A.R.S. § 23-371 *et seq.*

Consult the Human Resources Department for detailed information on how the dollar amount of your sick pay is calculated and the amount you are entitled to receive. The actual dollar amount that an employee receives may vary according to the compensation plan of the employee.

Accrual and Carryover

Paid sick leave pursuant to this policy shall be accrued on a calendar year basis of January 1 to December 31 (hereinafter the "Paid Sick Leave Year"). During the Paid Sick Leave Year, all employees shall accrue one hour of sick leave for every 30 hours worked up to a maximum accrual of 40 hours of sick leave per Paid Sick Leave Year.

Employees who are exempt from the overtime requirements under the Fair Labor Standards Act of 1938 are assumed to work 40 hours in each work week for purposes of earned paid sick time accrual.

Employees who commence employment part way through the Paid Sick Leave Year will receive a pro-rated amount of Paid Sick Leave equal to the amount of leave they are expected to accrue between their start date and the end of the Paid Sick Leave Year based on their anticipated work schedule. To the extent an employee accrues more leave prior to the end of the Paid Sick Leave Year than was originally allotted, this additional leave will be immediately provided to the employee. Provided, however, that no employee shall be entitled to accrue or use more than 40 hours of sick leave per Paid Sick Leave Year.

Employees who are exempt from the overtime requirements under the Fair Labor Standards Act of 1938 are assumed to work 40 hours in each work week for purposes of earned paid sick time accrual.

Up to 40 hours of accrued but unused sick leave may be carried over from one calendar year to the next. For example, if an employee took no sick leave time and accrued 40 hours in 2020 and once again took no sick leave time and accrued 40 additional sick leave hours in 2021 (for a total of 80 hours), the employee would only be permitted to carry over 40 hours of sick leave time into 2022. The balance of the unused 40 hours of sick leave time would be forfeited as of midnight December 31, 2021. As otherwise stated herein, employees shall not be entitled to accrue or use more than 40 hours of earned paid sick time per year.

Although employees will begin to accrue paid sick leave benefits under this policy, they will be ineligible to use earned accrued paid sick time until on or after their ninetieth calendar day of employment with the Company. After successfully completing 90 days of employment, employees may begin to use paid sick leave as it is accrued.

Accrued but unused sick leave will not be paid upon separation from employment. Paid sick leave may not be gifted to other employees and may not be taken as vacation. To the extent

permissible by law, paid sick time will run concurrently with other types of leave under applicable federal, state, or local law, such as leave taken under the FMLA. Please consult the Human Resources Department for more information.

Covered Usage

All employees of the Company are eligible to use their accrued earned sick leave in accordance with the following usage guidelines. However, in no event shall any employee be entitled to use more than 40 hours of paid sick leave in a Paid Sick Leave Year. Employees must use paid sick leave in increments of no less than 1 (one) hour.

For purposes of this policy, “family member” includes a spouse or registered domestic partner; a child of the employee or the employee’s spouse or domestic partner (regardless of the child’s age), including a biological, adopted, step- or foster child, or legal ward, or a person to whom the employee or the employee’s spouse or domestic partner stands, or stood, in loco parentis; a parent of the employee or the employee’s spouse or domestic partner, including a biological, foster, step- or adoptive parent or legal guardian; a grandparent, grandchild, or sibling of the employee or the employee’s spouse or domestic partner; or any blood relative or person of such affinity or close association as to be the equivalent of a family member.

Paid sick leave under this policy may be taken for the following purposes:

- an employee’s mental or physical illness, injury or health condition; an employee’s need for medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; the employee’s need for preventative medical care;
- care of a family member with a mental or physical illness, injury, or health condition; care of a family member who needs medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; care of a family member who needs preventive medical care;
- closure of the employee’s place of business by order of a public official due to a public health emergency or an employee’s need to care for a child whose school or place of care has been closed by order of a public official due to a public health emergency, or care for oneself or a family member when it has been determined by the health authorities having jurisdiction or by a health care provider that the employee’s or family member’s presence in the community may jeopardize the health of others because of his or her exposure to a communicable disease, whether or not the employee or his/her family member has actually contracted the communicable disease; OR
- absence necessary due to domestic violence, sexual violence, abuse or stalking, if the leave is in order to allow the employee to obtain for him/herself or for a family member:
 - medical attention needed to recover from physical or psychological injury or disability caused by domestic violence, sexual violence, abuse or stalking;

- services from a domestic violence or sexual violence program or victim services organization;
- psychological or other counselling;
- relocation or taking steps to secure an existing home due to domestic violence, sexual violence abuse or stalking; or
- legal services, including but not limited to preparing for or participating in any civil or criminal legal proceeding related to or resulting from the domestic violence, sexual violence, abuse or stalking.

Paid Sick Leave may not be used for any other purpose, such as vacation.

In the event of a condition triggering the use of paid sick leave pursuant to this policy, employees must notify their supervisor orally, in writing, or by electronic means in advance of the need for requested leave. In the event the request for leave is foreseeable, the Company requests that, to the extent possible, employees schedule the need for leave at least seven (7) calendar days in advance of the need to take paid sick leave or as soon as possible after the employee becomes aware of the need for paid sick leave. Employees are expected to make reasonable efforts to schedule the foreseeable use of paid sick time in a manner that does not unduly disrupt the operations of the Company. In the event an employee's use of paid sick leave is unforeseeable, an employee should, if possible, contact their manager as soon as possible, preferably no later than one (1) hour before their scheduled start time, or, barring extenuating circumstances, the employee may not receive sick pay for that day.

When possible, employees are required to provide the expected duration of the absence. If an employee takes three (3) or more consecutive days of paid sick leave, the employee may be required to provide reasonable documentation certifying the need for paid sick leave.

To the extent permissible by law, paid sick time will run concurrently with other types of leave under applicable federal, state, or local law, such as leave taken under the FMLA.

Transfer or Re-Employment

Employees who are transferred to a separate division, entity, or location, but remain employed by the Company in the State of Arizona shall retain all earned paid sick leave under this policy. Employees who are separated from employment and are re-hired within nine (9) months of separation will be entitled to reinstatement of previously earned but unused paid sick leave and are immediately eligible to begin using accrued but unused paid sick leave in accordance with the usage, accrual and carryover restrictions set forth in this policy.

Retaliation Prohibited

The Company encourages employees to take time off under this policy and prohibits interference with any rights under this policy or retaliation against an employee for taking time off under this policy. It is against Company policy for any supervisor or other Company employee to interfere with, restrain, or deny the exercise of, or the attempt to exercise, the use of paid sick leave. If any employee has not received the paid sick leave they are entitled to, the Company will take prompt corrective action. The Company will not retaliate against anyone for requesting or using paid sick leave or for reporting paid sick leave questions, concerns, or information. We encourage and require employees to communicate their concerns about the Arizona minimum wage and/or paid sick leave issues to the Human Resources Department so that the Company can properly address such matters as quickly as possible.

Absences from work resulting from the use of paid sick leave under this policy will not result in discipline, discharge, demotion, suspension or any other adverse employment action. However, providing knowingly false or misleading information or omitting material information in connection with paid sick leave will result in disciplinary action, up to and including immediate termination.

For more information regarding this policy or to report any concerns or issues regarding this policy, employees should contact the Human Resources Department.

Civic Duties

The Company encourages each of you to accept your civic responsibilities. We are a good corporate citizen, and we are pleased to assist you in the performance of your civic duties.

Jury Duty: If you receive a call to jury duty, please notify your supervisor immediately so he/she may plan the department's work with as little disruption as possible. While you are on jury duty, the Company will pay the difference between your basic rate of pay and the total amount of pay you receive from serving as a juror, for up to one week per calendar year. Exempt employees will continue to receive their regular salary when they work partial weeks while on jury duty, pursuant to state and federal law. Jury duty pay does not count as "hours worked" for purposes of calculating an employee's entitlement to overtime during the week(s) in which the jury duty occurs.

Employees will not be required to use any accrued vacation or sick leave for time spent responding to a summons for jury duty, participating in the jury selection process, or actually serving on a jury. Employees will not lose seniority or precedence while absent from employment due to serving on a jury. Upon return to employment, the employee will be returned to the employee's previous position, or to a higher position commensurate with the employee's ability and experience as seniority or precedence would ordinarily entitle the employee.

Employees who are released from jury service before the end of their regularly scheduled shift or who are not asked to serve on a jury panel are expected to call their supervisor as soon as possible and report to work if requested.

Witness Duty: If you receive a subpoena to appear in court, please notify your supervisor immediately. You are expected to return to work as soon as your service as a witness is completed.

Voting: When employees do not have three (3) hours before or after work in which to vote, the Company provides up to three hours paid leave to vote. Employees requesting leave under this policy are required to notify the Human Resources Department as soon as possible, and no later than the last day before the day of the election. The Company, in its sole discretion, may specify any time period, during which the polls are open, for the employee to leave work in order to vote. As soon as possible upon return from voting leave, employees are required to present a voter's receipt to their supervisor.

Leave for Crime Victims

The Company provides reasonable and necessary unpaid leave for employees who are victims of a crime to exercise their rights to be present at a proceeding pertaining to the crime or to obtain or attempt to obtain an order of protection, an injunction against harassment, or any other injunctive relief to help ensure the health, safety or welfare of the victim or the victim's child. The Company also provides reasonable and necessary leave from work to employees who are victims of a juvenile offense to exercise their rights to be present at a proceeding pertaining to the juvenile offense.

Prior to taking leave under this policy, eligible employees are required to provide the Company with as much advanced notice as possible of the need for leave, including a copy of the form provided to the employee by the law-enforcement agency pursuant to Section 13-4405 of the Arizona Revised Statutes and if applicable, notice of each scheduled proceeding. However, the Company may limit the leave provided under this policy if the employee's leave creates an undue hardship to the Company's business.

Employees seeking leave under this policy may elect to use accrued paid time off.

The Company will take all reasonable steps to maintain the confidentiality of information provided to the Company in connection with a leave request under this policy, except to the extent that disclosure is: (1) requested or consented to in writing by the employee; or (2) otherwise required by applicable federal or state law. If you have any questions regarding this leave, please contact your manager or the Human Resources Department.

Military Leave of Absence

Employees who require time off from work to fulfill military duties will be treated in accordance with applicable requirements of state and federal laws. You are expected to notify the Company of upcoming military duty by providing your supervisor with a copy of your orders as soon as possible. Unless otherwise required by state or federal law, time spent on military leave of absence will be unpaid.

Employees will not be required to use any accrued vacation or sick leave for time spent on a military leave of absence, except the Company will not consider the period of the military leave of absence as a period of work in determining eligibility for and the amount of vacation or sick

leave to which the employee is entitled. Employees will not lose seniority or precedence while absent from employment due to a military leave of absence. Upon return to employment, the employee will be returned to the employee's previous position, or to a higher position commensurate with the employee's ability and experience as seniority or precedence would ordinarily entitle the employee.

Alcohol and Drug Policy

Philosophy

The Company is committed to providing a safe, healthy and productive work environment free from the influence of alcohol and drugs. The Company is implementing this drug and alcohol policy to help meet these goals, and the drug/alcohol policy is effective immediately.

In addition to the provisions of the Alcohol and Drug Policy in the Company's Employee Handbook, please note that although the state has legalized the medicinal use of marijuana, the Company does not permit the medicinal use of marijuana in the workplace. Use of marijuana on Company property or while engaged in work-related activities is strictly prohibited and may result in discipline, up to and including immediate discharge.

Compliance with this policy is a condition of continued employment. This policy applies to all employees and prospective employees of the Company. Please direct any questions or comments to the Human Resources Department.

This policy may be modified by the Company at its discretion at any time. It is not a contract of continued employment and does not change existing at-will relationships between the Company and its employees. Employees must comply with this policy as a condition of continued employment.

Employee Rights and Responsibilities

Work Rules

Whenever employees are present on Company premises, working at a client site, or operating Company vehicles, machinery, or property, they are prohibited from:

- using, possessing, manufacturing, selling, transferring, purchasing, or distributing illegal drugs^[1] (or attempting such conduct);
- being under the influence of alcohol or illegal drugs;
- possessing or consuming alcohol; and

[1] Illegal drugs include substances for which use, or possession is controlled by The Controlled Substances Act, which are not being used or possessed by the employee as prescribed by, and under the supervision of, a licensed healthcare professional, or the metabolites of such substances. The Controlled Substances Act is set forth at 21 U.S.C. § 812.

- selling or transferring prescription drugs or other medications.

Employees engaging in any of the foregoing activities may adversely affect the safety of themselves, other employees, clients, or the general public. Violations of these rules will lead to disciplinary action, up to and including termination, in accordance with this policy.

Prescription and Other Medications

This policy does not prohibit the lawful use and possession of prescribed medications. *Provided*, however, that such use does not impair an individual's ability to perform his/her job. An employee must consult with his or her doctor about a medication's effect on fitness for duty and ability to work safely. An employee must promptly disclose to his or her supervisor any negative effects or restrictions on his or her ability to work associated with prescription or over-the-counter medications.

Responsibility to Report Coworkers

It shall be the responsibility of each employee to bring to a supervisor's attention knowledge of any other employee who:

- poses a hazard to the safety and welfare of others; or
- is in an impaired condition and is unable to perform his or her assigned job duties;
- is selling, transferring, or possessing alcohol or an illegal drug while working or otherwise on Company premises.

Alcohol and Drug Testing

Required Testing

All employees may be tested for alcohol and illegal drugs^[2] for any job-related purpose consistent with business necessity, including:

- Investigation of possible individual employee impairment;
- Investigations of accidents and/or injuries. Employees may be required to undergo drug or alcohol impairment testing as soon as practicable after they cause, contribute to, or are involved in any way in an accident or injury of any person or involving Company equipment;
- Maintenance of safety for employees, customers, clients, and the general public when a prospective employee is applying for (or an employee is working in) a job classification which has been designated by the Company as "safety sensitive" for purposes of this policy;

[2]The substances for which testing may be conducted include alcohol, controlled substances as defined in the Controlled Substances Act, 21 U.S.C. § 812, and the metabolites of such substances.

- Maintenance of productivity, quality of products or services or security of property or information;
- Reasonable suspicion that an employee may be affected by the use of drugs or alcohol and that the use may adversely affect the job performance or the work environment;
- Follow-up testing if the employee is found to have breached the provisions of this policy but has been permitted to remain employed. The duration and extent of follow-up testing will be at the sole discretion of the Company, for a period of up to 2 years; and
- Employees or groups of employees may be required to undergo drug testing on a random or chance basis.

Cooperation with drug and alcohol screening is required as a condition of employment. Refusal to cooperate with testing and failure to provide a specimen are grounds for immediate termination. All compensated employees including officers, directors, and supervisors are uniformly included in the testing policy.

For job-related purposes, and consistent with business necessity, prospective employees may be subjected to drug testing as described above.

Collection and Testing Procedures

Individuals subject to testing may be required to provide reliable identification to the person collecting the sample. Any specimens taken from an employee will be labeled to reasonably preclude misidentification. Sample collection, storage, and transportation to the place of testing shall be performed in a manner reasonably designed to preclude the possibility of sample contamination, adulteration, or misidentification. Sample testing will comply with scientifically accepted analytical methods and procedures and will be conducted at a laboratory approved or certified by the U.S. Department of Health and Human Services, the College of American Pathologists, or the Arizona Department of Health Services.

Any positive drug test will be confirmed by a second, confirmatory drug test which shall be by use of a different chemical process than was used in the initial drug screen. The second confirmatory drug test shall employ a chromatographic technique such as gas chromatography-mass spectrometry or another comparably reliable analytical method.

Testing and Employee Rights

Testing will occur during or immediately before or after a regular work period. The testing shall be deemed work time for purposes of compensation and benefits for employees, and the Company will pay for the test and an employee's reasonable transportation costs, if any. At its sole discretion, the Company may elect to pay the costs for drug testing of prospective employees.

Employees will be given an opportunity to provide any information that may be considered relevant to the test, including identification of currently or recently used prescription or nonprescription drugs or other relevant medical information. Employees are entitled, upon

request, to obtain written copies of their test results. Employees are also entitled, upon request, to explain a positive test result in a confidential setting.

Consequences

Employees who refuse to cooperate in required drug or alcohol tests, or who test positive for illegal drugs or alcohol, or who use, possess, buy, sell, manufacture, or dispense illegal drugs in violation of this policy may be subject to disciplinary action, up to and including termination of employment.

The Company may refuse to hire, or implement other disciplinary action, against prospective employees who refuse to cooperate in required drug testing or who test positive for, use, possess, buy, sell, manufacture, or dispense illegal drugs in violation of this policy.

Confidentiality

Information and records relating to test results, drug and alcohol dependencies, and legitimate medical explanations provided by an employee will be kept confidential and maintained in secure files separate from normal personnel files. Such confidential records and information may be disclosed only to (1) individuals designated by the Company to receive and evaluate test results or hear the explanation of the employee; (2) an arbitrator or mediator, court, or governmental or licensing agency as authorized by state or federal law; and (3) the tested employee or any other person designated in writing by the employee.

“Safety-Sensitive” Positions

The Company is committed to providing a workplace that is safe for its employees, customers, clients, and the general public. Accordingly, employees engaged in the current use of any drug that could cause an impairment or otherwise decrease or lessen the employee’s job performance or ability to perform the employee’s job duties are prohibited from performing any “Safety-Sensitive” position within the Company. This prohibition applies regardless of whether the drug is legal or has been prescribed by a physician or other healthcare provider. For purposes of this policy, “Safety-Sensitive” positions include, but are not limited to:

- operating a motor vehicle, other vehicle, equipment, machinery or power tools;
- repairing, maintaining or monitoring the performance or operation of any equipment, machinery or manufacturing process, the malfunction or disruption of which could result in injury or property damage;
- performing duties in the residential or commercial premises of a customer, supplier or vendor;
- preparing or handling food or medicine;
- working in any occupation regulated pursuant to Title 32 of the Arizona Revised Statutes; and/or

- any other position designated by the Company that includes tasks or duties that the Company, in good faith, believes could affect the safety or health or the employee performing the task.

Inspections

The Company reserves the right to inspect all portions of its premises for drugs, alcohol, or other contraband. All employees, contractor employees, and visitors may be asked to cooperate in inspections of their persons, work areas, and property that might conceal drugs, alcohol, or other contraband. Employees who possess contraband or refuse to cooperate in such inspections are subject to appropriate discipline, up to and including discharge.

Returning/Continuing to Work:

Employees who test positive, admit to improper drug or alcohol use or related misconduct, or voluntarily seek assistance, and are not terminated, may not return to work or continue working until they have been evaluated by a Company selected physician to determine if they can safely return to work.

Smoking

The Smoke-Free Arizona Act, A.R.S. § 36.601.01 prohibits smoking in all places of employment. The Smoke-Free Arizona Act specifically prohibits smoking in all work buildings and work vehicles and within 20 feet in any direction from any doors, windows, and/or ventilation systems of any buildings. The Company prohibits smoking in all areas except those that have been specifically designated as smoking areas. This policy expressly extends to the use of electronic cigarettes (“e-cigs”) or similar items (vaporizers, etc.).

Payroll Records

Upon request, employees or their designee, may inspect and obtain copies of their own payroll records. Inspections will be held on Company premises in the presence of a Company official. Please contact the Human Resources Department to arrange a time to view these records.

Weapons in the Workplace

Possession, use or sale of weapons, firearms or explosives on work premises, while operating Company machinery, equipment or vehicles for work-related purposes or while engaged in Company business off premises is forbidden except where expressly authorized by the Company and permitted by state and local laws. This policy applies to all employees, including but not limited to, those who have a valid permit to carry a firearm. Provided, however, that, in accordance with Ariz. Rev. Stat. § 12-781, this provision does not apply to firearms that are being lawfully transported or stored both: (1) in the employee’s locked and privately owned motor vehicle (or in a locked compartment on the employee’s privately owned motorcycle); and (2) in a manner so that the firearm is not visible to the outside of the motor vehicle (or motorcycle).

Employees who are aware of violations or threats of violations of this policy are required to report such violations or threats of violations immediately to their manager or to the Human Resources Department.

Exempt employees may be provided time off with pay for any of the above described leaves when necessary to comply with state and federal wage and hour laws.

Colorado Addendum

Introduction

This addendum is applicable only to employees working in the state of Colorado and only amends those provisions that are specifically addressed below. Regarding the amended provisions, in the event of any conflict between the Employee Handbook and this Addendum, this Addendum shall control. Except as set forth herein, the Employee Handbook is not modified by this Addendum.

This state addendum is to be read in connection with the Bridge Investment Group Holdings LLC; Bridge Property Management, LC; and Bridge Commercial Real Estate LLC (hereinafter referred to individually and/or collectively as the “Company”) Employee Handbook. Together, the Employee Handbook and the Colorado Addendum will provide you with important information about your employment with the Company and serve as a guide to the Company’s current policies, practices, and procedures. If you have questions as you review the Employee Handbook or the Colorado Addendum, please do not hesitate to discuss your questions with your Manager or Human Resources Department.

Equal Employment Opportunity

In addition to the protected statuses listed in the Bridge Investment Group Holdings LLC; Bridge Property Management, LC; and Bridge Commercial Real Estate LLC (hereinafter referred to individually and/or collectively as the “Company”) Employee Handbook, and in accordance with Colorado law, the Company is committed to providing equal employment opportunities to all employees and applicants without regard to disability (mental or physical), race (including protective hairstyles that are commonly or historically associated with race), creed, color, sex (including pregnancy and transgender status), sexual orientation, gender identity, gender expression, religion (including religious dress and grooming practices), age, national origin, ancestry, military or veteran status, genetic profile, marital status, or any other protected status in accordance with applicable federal, state, or local laws (“Protected Categories”).

The Company will not discriminate against, retaliate against, discipline, discharge, or interfere with an employee who has inquired about, discussed, compared, or disclosed his or her wages or the wages of another employee; or who has brought charges, filed a complaint, or caused to be instituted an action based on disclosure of wage information made by an employee.

The Company does not discriminate on the basis of any protected category with respect to the payment of wages. It is the Company’s desire to pay all employees’ wages and salaries that are competitive with other employers in the marketplace in a way that will be motivational, fair, and equitable. The Company sets wages that are appropriate for the degree of responsibility and skill for each position.

This policy extends to all aspects of our employment practices including, but not limited to, recruiting, hiring, discipline, firing, promoting, transferring, compensation, benefits, training, leaves of absence, and other terms and conditions of employment.

Policy against Unlawful Harassment, Discrimination, and Retaliation

In addition to the protected statuses listed in the Company’s Employee Handbook, and in accordance with Colorado law, the Company strictly prohibits all forms of unlawful harassment, which includes harassment or unwelcome conduct on the basis any Protected Categories in accordance with applicable federal, state, or local laws.

The Company’s policy against unlawful harassment applies to all employees of the Company, including supervisors and managers. The Company prohibits managers, supervisors and employees from harassing co-workers as well as the Company’s customers, vendors, suppliers, independent contractors and others doing business with the Company. In addition, the Company prohibits its customers, vendors, suppliers, independent contractors and others doing business with the Company from harassing our employees.

Violation of this policy will subject an employee to disciplinary action, up to and including immediate termination.

As such, further examples of prohibited sexual harassment, in addition to those articulated in the Company Employee Handbook, include harassment based on gender, transgender, and sexual orientation. By way of illustration only, and not limitation, some examples of such behavior include:

- Asking unwelcome personal questions about employees' sexual orientation;
- Intentionally causing employees distress by disclosing their sexual orientation to others;
- Using offensive names or terminology regarding employees' sexual orientation; and
- Deliberately misusing employees' preferred name, form of address, or gender-related pronoun.
- Physical or verbal abuse concerning an individual's actual sex or the perception of the individual's sex; and
- Verbal abuse concerning a person's characteristics such as vocal pitch, facial hair, or the size or shape of a person's body.

If you feel that you are being harassed in violation of this policy by another employee, supervisor, manager or third party doing business with the Company, you should immediately contact Human Resources (hrconfidential@bridgeig.com). Employees may also discuss their concerns with any other supervisor or member of Human Resources.

Meal Breaks

All employees who work five (5) or more consecutive hours in a day are required to take a 30-minute duty-free, uncompensated, uninterrupted, meal period. Employees are completely relieved of their job responsibilities during their meal periods. Employees must clock in and out for their meal periods, or record the beginning and ending time of the meal period on their timesheet every day. Employees may be required to sign a certification providing, among other things, that they have taken all of their daily meal periods during the pertinent pay period.

Because of the nature of our business, and certain employee's jobs, there are situations and circumstances where an uninterrupted meal period is impractical. In situations or circumstances where an uninterrupted meal break is impracticable the employee will be allowed to consume an on-duty meal without any loss of time or compensation.

Employees who are unable to take all of the meal periods to which they are entitled in accordance with this policy or not allowed to consume an on-duty meal, or who have been prevented or discouraged from taking a meal period to which they are entitled or eat on-duty,

should immediately notify your supervisor or Human Resources. Failure to report may subject the employee to disciplinary action, up to and including termination of employment.

Rest Periods

The Company provides all full-time non-managerial and other nonexempt employees with the opportunity to take a 10-minute rest break for every four hours of work, in accordance with the schedule below. Employees are expected to schedule their rest periods at their own discretion under these guidelines unless instructed otherwise by **the Human Resources Manager**. Rest periods may not be combined with meal periods.

Duration of Shift In Hours	# of 10-Minute Rest Breaks	Comments
0 to < 2	0	Employees who work fewer than two hours in a workday are not required or permitted to take a rest break.
2 to < 6	1	Employees who work at least two hours in a workday but fewer than six hours in a workday are allowed one 10-minute rest break.
6 to < 10	2	Employees who work at least six hours in a workday but fewer than 10 hours in a workday are allowed two 10-minute rest breaks.
10 to < 14	3	Employees who work at least 10 hours in a workday but fewer than 14 hours in a workday are allowed three 10-minute rest breaks.

Employees are required to record their rest periods on their timesheets or time cards. Rest periods may not be waived to shorten employees' workdays or be accumulated for any other purpose. Employees may be required to sign a certification providing, among other things, that they have taken all of their rest periods during the pertinent pay period.

Employees who are unable to take all of the rest periods to which they are entitled in accordance with this policy, or who have been prevented or discouraged from taking a break to which they are entitled under this policy, should immediately notify your supervisor or Human Resources. Failure to report may subject the employee to disciplinary action, up to and including termination of employment.

Overtime

Employees covered by the applicable Colorado Overtime and Minimum Pay Standards Order and eligible for overtime shall be paid time and one-half of the regular rate of pay for any work in excess of: (1) forty hours per workweek; (2) twelve hours per workday, or (3) twelve consecutive hours without regard to the starting and ending time of the workday (excluding duty free meal periods), whichever calculation results in the greater payment of wages.

Civic Duties

Jury Duty: If you receive a call to jury duty, please notify your supervisor immediately so that we may plan the department's work with as little disruption as possible.

Except as otherwise agreed to in writing, or as required by county or city ordinances, non-exempt employees required to appear for jury duty on a regularly scheduled workday will be paid their regular compensation up to \$50.00 per day for the first three (3) days of jury duty service.

Employees who are released from jury service before the end of their regularly scheduled shift or who are not asked to serve on a jury panel are expected to call their supervisor as soon as possible and report to work if requested. The Company may require employees to provide proof of jury duty service.

Court Attendance and Witness Leave: The Company provides unpaid leave to employees who are subpoenaed to attend, participate in, or prepare for court proceedings in accordance with applicable law. Employees who receive a subpoena or summons to appear in court, should notify the payroll department immediately so that the Company may plan the department's work with as little disruption as possible. Supporting documentation, such as a copy of the subpoena, may be requested. See the Company's handbook regarding compensation for court attendance for a work-related case.

Voting: In circumstances where the employee's work schedule does not provide three hours of continuous off-duty time during which the polls are open, the Company will provide a reasonable amount of paid time off, up to two hours, during the scheduled work time for employees to vote. Employees who need time off to vote should notify **the Human Resources Manager** prior to an election day. Any paid time off must be at the beginning or end of the work shift, during a time period in which the polls are open.

Leave for Victims of Crime

The Company provides necessary unpaid leave to employees who are victims of a crime to attend, participate in, or prepare for court proceedings in accordance with applicable law. Employees requesting leave under this policy should notify **the Human Resources Manager** immediately so that the Company may plan the department's work with as little disruption as possible.

PTO

The total leave provided to full-time employees in the Company's handbook is in at least an amount of hours and pay sufficient to satisfy Healthy Families Workplace Act ("HFWA") and applicable rules, is for all the same purposes covered by HFWA and applicable rules, not a narrower set of purposes, and under the same conditions as under HFWA and applicable rules, not stricter or more onerous conditions (including but not limited to matters such as accrual, use, payment, annual carryover of unused accrued leave, notice and documentation requirements, and anti-retaliation and anti-interference rights). Employees may use their leave for both HFWA and

non-HFWA reasons. Additional HFWA leave will not be provided when an employee uses all PTO for non-HFWA qualifying reasons (e.g., vacation) except in the event a public health emergency (“PHE”) is declared after an employee has exhausted their leave.

Paid Sick Leave

For any employee not covered by the PTO policy, the Company will provide all employees paid sick leave, accrued at one hour of paid sick leave for every 30 hours worked, up to a maximum of 48 hours per year. Leave must be taken in full hour increments.

You begin accruing paid sick leave when employment begins. All employees may use paid sick leave as it is accrued and may carry forward and use in subsequent calendar years up to 48 hours of paid sick leave that is not used in the year in which it is accrued. Any accrued but unused sick leave will not be paid out at termination. After 4 or more consecutive sick day absences, the Company may require documentation of the absence.

Employees may use accrued paid sick leave to be absent from work for the following purposes:

- A mental or physical illness, injury, or health condition that prevents work;
- Obtaining preventative medical care, or a medical diagnosis, care, or treatment, of any mental or physical illness, injury or health condition;
- The employee or family member has been the victim of domestic abuse, sexual assault or criminal harassment and needs to be absent from work for purposes related to medical attention, mental health care or other counseling, victim services (including legal) or relocation;
- Care for a family member who has a mental or physical illness, injury, or health condition, or who needs a medical diagnosis, care, or treatment related to such illness, injury, or condition; or needs to obtain preventive medical care; or
- Due to a public health emergency, a public official closed the employee’s place of business or child’s school or place of care, requiring the employee to care for the child.

The Company will not retaliate against any employee who uses the employee’s paid sick leave or otherwise exercises the employee’s rights with regard to paid sick leave.

Public Health Emergency Leave

- If an employee does not accrue at least 80 hours of leave time in a year, the Company will provide that employee an additional amount of paid sick leave during a public health emergency in an amount based on the number of hours the employee works. Accordingly, the Company will supplement employees’ accrued sick leave by adding

hours to the then currently available accrued time to equal: For employees who normally work at least 40 hours in a workweek: 80 hours of total sick leave.

- For employees who normally work fewer than 40 hours in a workweek: The greater of either (1) the amount of time the employee is scheduled to work in a fourteen-day period or (2) the amount of time the employee actually works on average in a fourteen-day period.

Employees may use the additional public health emergency sick leave up to and until four weeks after the official termination or suspension of the public health emergency for the following purposes:

- Needing to self-isolate due and care for oneself because the employee is diagnosed with, or experiencing symptoms, or seeking a diagnosis, treatment or preventative care, for a communicable illness that is the cause of the public health emergency;
- Caring for a family member because the family member is diagnosed with, experiencing symptoms, or seeking a diagnosis, treatment, or preventative care, for a communicable illness that is the cause of a public health emergency;
- A public official has ordered the closure of the school or place of care of the employee's child or of the employee's place of business due to a public health emergency, necessitating the employee's absence from work;
- Being unable to work due to a health condition that may increase susceptibility to or risk of a communicable illness that is the cause of the public health emergency; or
- Caring for a child or other family member or whose school, childcare provider, or other care provider is either unavailable, closed, or providing remote instruction due to the public health emergency.

Employees requesting time off under this policy must provide as much advance notice as possible, if the need for leave is foreseeable. Where the need for sick leave is unforeseeable, employees must provide notice as soon as practicable. For more information regarding this policy, contact **the Human Resources Manager**.

Paid Family and Medical Leave Insurance Program

All employees have .45% deducted from their wages and remitted to the State of Colorado under the Colorado Family and Medical Leave Insurance (FAMLI) Program. Likewise, the Company contributes .45% to the State of Colorado under the Colorado FAMLI Program.

Starting January 1, 2024, eligible employees have access to 12 weeks of paid leave through the State of Colorado in order to care for themselves or their family during a serious health condition or birth of a child. Eligible employees have access to FAMLI leave for the following purposes:

- The employee is caring for a new child during the first year after the birth, adoption or foster care placement of that child;
- The employee needs to care for a family member with a serious health condition;
- The employee needs to care for their own serious health condition;
- The employee needs to make arrangements for a family member's military deployment;
- The employee or family member has been the victim of domestic abuse, sexual assault, or criminal harassment and needs to be absent from work for purposes related to medical attention, mental health care or other counseling, victim services (including legal) or relocation.

Employees with serious health conditions caused by pregnancy complications or childbirth complications have access to an additional 4 weeks of paid leave for a total of 16 weeks of paid leave through the State of Colorado.

Employees seeking FAMLI leave through the State of Colorado must provide the Company with at least thirty (30) days advance notice before the leave start date, if the need for leave is foreseeable. Where the need for FAMLI leave is unforeseeable, employees must provide notice as soon as practicable. FAMLI leave will run concurrently with the Family and Medical Leave Act, as applicable.

Upon return from FAMLI leave, employees who have worked for the Company for over 180 days before taking FAMLI leave will be restored to the same or a comparable position as the position held prior to the leave. Employees who have worked less than 180 days for the Company at the start of their FAMLI leave remain eligible to take leave; however, the Company may be required to fill the position of such employees and the Company does not guarantee continued employment for employees who take FAMLI leave within their first 180 days of employment with the Company.

The Company will not retaliate against any employee who uses FAMLI leave or otherwise exercises the employee's rights with regard to FAMLI leave. For further information regarding this leave, contact Human Resources.

Colorado Family Care Act

In addition to the leave to which eligible team members are provided under FMLA, as detailed in the Company Team Member Handbook, the Company provides leave to employees, as defined under the FMLA, to care for persons with serious health conditions when such persons are the employee's:

- partner in a civil union; or

- domestic partner if the partnership is registered with the municipality in which the person resides or (if applicable) with Colorado, or if the partner is recognized as the team members' domestic partner by the employer.

Team members with questions regarding this leave policy should contact Human Resources.

Adoption Leave

The Company provides leave to an employee who is an adoptive parent or a stepparent, at the time of birth or initial placement for adoption of a child, under the same terms and conditions as the Company provides such leave to team members who are biological parents. Employees with questions regarding leave under this policy should contact Human Resources.

Lactation Break/Accommodation

The Company will not discriminate against an employee who seeks to express breast milk for her nursing child. The Company will provide reasonable unpaid break time, or permit an employee to use paid break time, meal time, or both, each day to allow the employee to express breast milk for her nursing child for up to two (2) years after the child's birth. The Company will make reasonable efforts to provide a room or other location, other than a toilet stall, in close proximity to the working area where the employee can express breast milk in privacy.

Domestic Violence Leave

Any employee who is the victim of domestic abuse, stalking, sexual assault, or any other crime involving domestic violence may take up to 3 working days of leave from work in any 12-month period. To qualify for leave under this policy an employee must have worked for the Company for at least twelve (12) months.

Leave may be used to:

- Seek a civil protection order to prevent domestic abuse;
- Obtain medical care or mental health counseling for him/herself or the employee's children;
- Make the employee's home secure against the perpetrator or to find a new home;
- Seek legal advice concerning any of the above offenses; or
- Prepare or attend court proceedings arising from any of the above offenses.

Except in cases of imminent danger, employees seeking crime victim leave must provide the Company with reasonable advance notice and documentation to support the need for leave. The Company will keep all information related to the crime victim leave confidential, except to the extent that disclosure is requested or consented to in writing by the employee or otherwise

required by applicable federal or state law. Employees with questions regarding this leave of absence should contact the Human Resources Manager.

Leave under this policy is generally unpaid. However, employees may elect to use their accrued unused paid time off and available short-term disability (STD) pay (if applicable). In order to use paid leave, an eligible employee must comply with the Company's normal procedures for the applicable paid-leave policy (e.g., call-in procedures, advance notice).

Pregnancy Accommodation and Leave

The Company provides reasonable accommodations to female employees for health conditions related to pregnancy, childbirth, or physical recovery from childbirth, to the extent the accommodation can be made without imposing an undue hardship on the business. When an employee requests leave or an accommodation under this policy, the Company will engage with the employee in a timely and good-faith interactive process to determine effective, reasonable accommodations for the employee, which may include, but are not limited to:

- allowing more frequent or longer break periods;
- allowing more frequent restroom, food, and water breaks;
- providing or modifying equipment or seating;
- placing limitations on lifting;
- temporary transfer to a less strenuous or less hazardous position;
- job restructuring;
- light duty work, if available;
- assistance with manual labor; or
- modified work schedules.

The Company will not require an employee to take leave to the extent that another reasonable accommodation can be provided. Similarly, the Company will not require an employee to accept an accommodation that the employee has not requested or that is unnecessary for the employee to perform the essential functions of her job. If you require an accommodation to perform the essential functions of your job, you must notify Human Resources.

Prior to providing leave or a reasonable accommodation under this policy, the Company may require the employee to provide certification from a licensed health care provider of the necessity for the leave or the accommodation. If leave is provided as a reasonable accommodation, such leave may run concurrently with the Family Medical Leave Act or any other leave as permitted under applicable law.

The Company prohibits retaliation against an employee for requesting or using leave or an accommodation under this policy. For more information about this policy please contact Human Resources.

Personnel Records

Recognizing the confidential nature of the information in your personnel record, the Company limits access to the personnel records to you and those with proper authorization or

pursuant to legal process. Personnel files are the property of the Company and will be treated the same as any other confidential Company information.

No documents contained in your personnel file will be released without your consent, except pursuant to legal process. Any records of medical evaluation results will be maintained in a separate file, in accordance with legal requirements, and may only be reviewed by authorized individuals with the approval of the Human Resources Department.

At least once a year, and at a time convenient for both you and the Company, you may review and obtain a copy of your own personnel file, with certain limitations as established by law. Your supervisor will be present with you during your inspection. If you wish to make a copy of your file, you will be responsible for the reasonable duplication costs. You may correct or clarify personal information contained in your personnel file. Additionally, a manager may review your personnel file if you have a current reporting relationship to that manager or have been interviewed and are being considered for a position reporting to that manager. Your personnel records are also subject to review by investigative agencies, or during periodic internal audits conducted by the Company. After termination, you may make one inspection of your personnel file.

Volunteer Emergency Worker Leave

The Company provides up to fifteen (15) days of unpaid leave to employees who are volunteer emergency workers, including volunteer firefighters, working for qualified volunteer organizations, and who are requested to respond to a disaster emergency. To qualify for leave under this policy, team members need to provide the Human Resources Department with appropriate written confirmation of the team member's status as a volunteer emergency worker.

If a team member is summoned to respond to an emergency during working hours, the team member must notify the Human Resources Department as soon as possible. Additionally, the Company may require appropriate written confirmation of the team member's call to emergency service. The Company reserves the right, in its discretion, to deny such leave if the team member is essential to the operation of the daily business.

Access to Personnel Files

Upon request, once a year, current employees may inspect their own personnel records at a mutually agreeable time, on Company premises and in the presence of a Company official. Employees will be permitted to inspect and obtain a copy of their personnel records. Personnel records, for purposes of this policy, include documents or records regarding the employee's qualification for employment, promotion, additional compensation, termination, or other disciplinary actions. Personnel records, for purposes of this policy, do not include documents or records that: (1) are required to be placed or maintained in a separate file from the regular personnel file by federal or state law; (2) pertain to confidential reports from previous employers; (3) pertain to an active criminal investigation or disciplinary investigation by the Company; (4) pertain to an active investigation by a regulatory agency; or (5) identify any person who, in the sole discretion of the Company, made a confidential accusation against the employee.

Similarly, upon request, former employees may make one inspection of their personnel file following termination of employment unless otherwise required by law. For more information, contact Human Resources.

**Colorado Workplace Public Health Rights Poster:
PAID LEAVE, WHISTLEBLOWING, & PROTECTIVE EQUIPMENT**

*Updated July 14, 2023
may be updated periodically*

THE HEALTHY FAMILIES & WORKPLACES ACT (“HFWA”): Paid Leave Rights

Coverage: All Colorado employers, of any size, must provide paid leave

- All employees earn 1 hour of paid leave per 30 hours worked (“accrued leave”), up to 48 hours a year.
- Employees are required to be paid their regular pay rate during leave, and the employer must continue their benefits.
- Up to 48 hours of unused accrued leave carries over for use during the next year.
- For details on specific situations (irregular hours, non-hourly pay, etc.), see Wage Protection Rule 3.5, 7 CCR 1103-7.
- Up to 80 hours of supplemental leave applies in a public health emergency (PHE), until 4 weeks after the PHE ends.*

Employees can use accrued leave for the following safety or health needs:

- (1) a mental or physical illness, injury, or health condition that prevents work, including diagnosis or preventive care;
- (2) domestic abuse, sexual assault, or criminal harassment leading to health, relocation, legal, or other services needs;
- (3) caring for a family member experiencing a condition described in category (1) or (2);
- (4) grieving, funeral/memorial attendance, or financial/legal needs after a death of a family member;
- (5) due to inclement weather, power/heat/water loss, or other unexpected occurrence, the employees needs to either (a) evacuate their residence, or (b) care for a family member whose school or place of care was closed; *or*
- (6) in a PHE, a public official closed the workplace, or the school or place of care of the employee’s child.

Employer Policies (Notice; Documentation; Incremental Use; Privacy; and Paid Leave Records)

- Written notice and posters. Employers must (1) provide notice to new employees no later than other onboarding documents/policies; and (2) display updated posters, and provide updated notices to current employees, by end of year.
- Notice for “foreseeable” leave. Employers may adopt “reasonable procedures” in writing as to how employees should provide notice if they require “foreseeable” leave, but cannot deny paid leave for noncompliance with such a policy.
- An employer can require documentation to show that accrued leave was for a qualifying reason only if leave was for four or more consecutive work days (*i.e.* days when an employee would have worked, not calendar days).
- Documentation is not required to *take* accrued leave, but can be required as soon as an employee returns to work or separates from work (whichever is sooner). No documentation can be required for PHE leave.
- To document leave for an employee’s (or an employee’s family member’s) health-related need, an employee may provide: (1) a document from a health or social services provider *if* services were received and a document can be obtained in reasonable time and without added expense; *otherwise* (2) the employee’s own writing.
- Documentation as to domestic abuse, sexual assault, or criminal harassment can be a document or writing under (1) above (*e.g.* legal or shelter services provider) or (2) above, or legal document (restraining order, police report, etc.).
- If an employer reasonably deems an employee’s documentation deficient, the employer must: (A) notify the employee within seven days of either receiving the documentation or the employee’s return to work or separation (whichever is sooner), and (B) give the employee at least seven days to cure the deficiency.
- Incremental Use. Depending on employer policy, employees can use leave in either hourly or six-minute increments.

- Employee Privacy. Employers cannot require employees to disclose “details” about an employee’s (or their family’s) HFWA-related health or safety information; such information must be treated as a confidential medical record.
- Records must be retained and provided upon request. Employers must provide documentation of the current amount of paid leave employees have (1) available for use, and (2) already used during the current benefit year, including any supplemental PHE leave. Information may be requested once per month or when the need for HFWA leave arises.

Retaliation or Interference with HFWA Rights

- Paid leave cannot be counted as an “absence” that may result in firing or another kind of adverse action.
- An employee can’t be required to find a “replacement worker” or job coverage when taking paid leave.
- An employer cannot fire, threaten, or otherwise retaliate against, or interfere with use of leave by, an employee who: (1) requests or takes HFWA leave; (2) informs or assists another person in exercising HFWA rights; (3) files a HFWA complaint; or (4) cooperates/assists in investigation of a HFWA violation.
- If an employee’s reasonable, good-faith HFWA complaint, request, or other activity is *incorrect*, an employer need not agree or grant it, but cannot *act against* the employee for it. Employees *can* face consequences for misusing leave.

**PROTECTED HEALTH/SAFETY EXPRESSION & WHISTLEBLOWING (“PHEW”):
Worker Rights to Express Workplace Health/Safety Concerns & Use Protective Equipment**

Coverage: All Employers and Employees, Plus Certain Independent Contractors

- PHEW covers not just “employers” and “employees,” but all “principals” (an employer or a business with at least 5 independent contractors) and “workers” (employees or independent contractors working for a “principal”).

Worker Rights to Oppose Workplace Health/Safety Violations:

- It is unlawful to retaliate against, or interfere with, the following acts:
 - (1) raising reasonable concerns, including informally, to the principal, other workers, the government, or the public, about workplace violations of government health or safety rules, or a significant workplace health or safety threat;
 - (2) opposing *or* testifying, assisting, or participating in an investigation or proceeding about retaliation for, or interference with, the above-listed conduct.
- A principal need not address a worker’s PHEW-related concern, but it still cannot fire or take other *action against* the worker for raising such a concern, as long as the concern was reasonable and in good-faith.

Workers’ Rights to Use Their Own Personal Protective Equipment (“PPE”):

- A worker must be allowed to voluntarily wear their own PPE (mask, faceguard, gloves, etc.) if the PPE (1) provides more protection than equipment provided at the workplace, (2) is recommended by a government health agency (federal, state, or local), and (3) does not make the worker unable to do the job.

COMPLAINT RIGHTS (under both HFWA & PHEW)

- Report violations to the Division as complaints or anonymous tips, or file in court after exhausting pre-lawsuit remedies.

This Poster summarizes two Colorado workplace public health laws: C.R.S. § 8-13.3-401 et seq., (paid leave), and C.R.S. § 8-14.4-101 et seq. (healthy and safety whistleblowing) including amendments current as of the date of this poster. It does not cover other health or safety laws, rules, and orders, including under the federal Occupational Safety and Health Act (OSHA), from the Colorado Department of Public Health and Environment (CDPHE), or from local public health agencies. Contact those agencies for such health and safety information.

*In a PHE, employees gain additional hours of leave for inability to work, testing, quarantining, caring for family in such situations, and related needs. No PHE is now in effect; this poster will be updated if one is declared.

This poster must be displayed where easily accessible to workers, shared with remote workers, provided in other languages as needed, and replaced with any annually updated versions.

This Poster is a summary and cannot be relied on as complete labor law information. For all rules, fact sheets, translations, questions, or complaints, contact:

In addition to the protected statuses listed in the Company Employee Handbook, and in accordance with Connecticut law, the Company strictly prohibits all forms of unlawful harassment in our workplace, which includes harassment on the basis of race (including traits historically associated with race, such as hair texture and protective hairstyles, like wigs, headwraps, braids, cornrows, locks, Bantu knots, afros and twists), religion, religious creed, color, sex, sexual orientation, gender identity or expression, age, national origin, ancestry, learning disability, intellectual disability, physical disability, mental disability, veteran status, child-bearing capacity,

Violation of this policy will result in disciplinary action, up to and including immediate termination.

The Company's policy against unlawful harassment, discrimination and retaliation applies to all applicants and employees, including supervisors and managers. The Company prohibits all employees from harassing co-workers as well as the Company's customers, vendors, suppliers and others doing business with the Company. The Company likewise prohibits its customers, vendors, suppliers and others doing business with the Company from harassing, discriminating or retaliating against our managers, supervisors and employees.

The term "workplace" extends to when employees are on Company premises, at a Company-sponsored off-site event, traveling on behalf of the Company, or conducting Company business, regardless of the location of work. This policy applies to social affairs, functions, events, travel, tradeshows and similar gatherings, whether on or off Company site(s), at any time.

Sexual harassment is illegal and prohibited by state and federal law pursuant to the Connecticut Discrimination Employment Practices Act, Conn. Gen. Stat. § 46a-60(a)(8) and Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e, *et seq.* State law defines sexual harassment to include instances where an employee is subjected to any unwelcome sexual advances, requests for sexual favors, or any conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of employment; (2) submission to or rejection of such conduct is used as the basis for employment decisions affecting the employee; or (3) such conduct has the purpose or effect of unreasonably interfering with the employee's work performance or creating an intimidating, hostile, or offensive working environment.

At a minimum, the term "sexual harassment" includes, but is not limited to:

- Unwelcome sexual advances;
- Making suggestive or lewd remarks about an individual's appearance, body, anatomy, or style of dress;
- Inappropriate or offensive touching, including unwanted hugs, touches, kisses or brushing up against someone (regardless of the gender of the individuals involved) ;
- Requests for sexual favors;
- Displaying, derogatory or pornographic images, cartoons, graffiti or drawings on computers, emails, cell phones, bulletin boards, etc.;
- Making sexist remarks or derogatory comments based on gender;
- Other conduct which has the purpose or effect of unreasonably interfering with an individual's performance or which has the purpose or effect of creating an intimidating, hostile, or offensive work environment.

In addition to those examples listed above, further examples of prohibited sexual harassment include harassment based on gender, transgender, gender identity and sexual orientation. By way of illustration only, and not limitation, some examples of such behavior include:

- References concerning an individual's characteristics such as pitch of voice, anatomy, facial hair or the size or shape of a person's body, including remarks that a male is too feminine, or a female is too masculine;
- Intentionally and repeatedly referring to an individual by a pronoun inconsistent with their gender identity or expression; or

The meal period must take place after the first two hours of work and before the last two hours of work. Employees are completely relieved of their job responsibilities during their meal periods. Non-exempt employees must clock in and out for their meal periods, or record the beginning and ending time of the meal period on their timesheet every day. Employees may be required to sign a certification providing, among other things, that they have taken all of their daily meal periods during the pertinent pay period.

Overtime

Employees covered by the Connecticut Overtime Law and eligible for overtime shall be paid time and one-half of the regular rate of pay for any work in excess of forty (40) hours per workweek.

Paid Time Off

When an employee departs from the Company, the Company will pay out any accrued and unused paid time off in the employee's paid time off bank as of the date of separation. All other provisions of the Company's paid time off policy, as stated in the Employee Handbook, apply.

Connecticut Family and Medical Leave

The Company provides eligible employees with up to twelve (12) workweeks of unpaid leave during a twelve (12) month period, for qualifying family and medical leave purposes.

Eligibility

To be eligible, employees must have completed at least three (3) consecutive months of employment with the Company immediately preceding leave.

Qualifying Reasons for Leave

Leave may be taken for any of the following reasons:

- The birth, adoption, or placement of a son or daughter for foster care (including care/bonding time);
- To care for the serious health condition of a family member;
- The serious health condition of the employee;
- To serve as an organ or bone marrow donor;
- To handle any qualifying exigencies arising out of the fact that the employee's spouse, son, daughter or parent is on active duty or has been notified of an impending call or order to active duty in the armed forces; or
- Any other reason allowed by law.

Employees may take up to an additional two (2) weeks of leave during the 12-month period for a serious health condition resulting in incapacitation that occurs during a pregnancy.

Definitions

As used in this policy, the following definitions apply:

“Family member” means a spouse, sibling, son or daughter, grandparent, grandchild, parent, parent-in-law, or an individual related to the employee by blood or affinity whose close association with the employees shows to be the equivalent of those family relationships.

“Grandchild” and “grandparent” include those grandparents/grandchildren related to the employee by blood, marriage, adoption, or foster care.

“Serious health condition” means an illness, injury, impairment or physical or mental condition that involves (a) inpatient care in a hospital, hospice, nursing home or residential medical care facility; or (b) continuing treatment, including outpatient treatment, by a health care provider.

“Sibling” includes siblings related to the employee by blood, marriage, adoption, or foster care.

“Parent” means a biological parent, foster parent, adoptive parent, stepparent, parent-in-law, or legal guardian of an eligible employee or an eligible employee’s spouse, an individual standing in loco parentis to an eligible employee or an individual who stood in loco parentis to the eligible employee when the employee was a child.

“Son or daughter” means a biological, adopted or foster child, stepchild, legal ward, or, in the alternative, a child of a person standing in loco parentis, or an individual to whom the employee stood in loco parentis when the individual was a child.

Definition of the 12-Month Period

The 12-month period is based on a rolling 12-month period measured backward from the employee’s first day of leave.

Intermittent Leave

Leave may be taken intermittently or on a reduced leave schedule when medically necessary. If intermittent leave is provided and where leave is foreseeable, the Company may require the employee to transfer temporarily to an available alternative position for which the employee is qualified, equivalent in pay and benefits, and which better accommodates the intermittent leave.

Leave taken for the birth, adoption, or placement of a son or daughter for foster care may not be taken intermittently, unless otherwise approved by the Company.

Requesting and Scheduling Leave

Where the need for leave is foreseeable, the employee must provide at least thirty (30) days’ advance notice of their need for leave. Where the need for leave is not foreseeable or if thirty (30) days advance notice is not possible, then the employee must provide notice as soon as practicable. Employees should make reasonable efforts to schedule leave so as not to unduly disrupt the operations of the Company.

If both spouses are employed by the Company and leave is requested for the birth, adoption, or placement of a child for foster care or to care for a parent with a serious health condition, the aggregate number of workweeks which they can receive are twelve (12) workweeks during the 12-month period.

The Company may request certification from a health care provider documenting your need for leave and expected date of return to work. The Company may require recertification on a reasonable basis no more than once during a thirty (30) day period. Failure to provide medical certification in the manner specified by law, may result in delay or denial of leave, where applicable and allowed by law.

Compensation

Leave provided under this policy will be unpaid. However, employees may (but are not required) to exhaust all accrued paid leave under this policy, but are permitted to retain up to two (2) weeks of accrued paid leave. Employees may apply for wage replacement benefits through the Connecticut Family and Medical Leave Insurance Program. *Please see that policy for more information.*

Reinstatement

Upon return from leave, consistent with applicable law and/or our business conditions, the employee will be returned to the same or equivalent position held prior to their leave. If upon return, the employee is unable to perform their original job due to their medical condition, the Company will attempt to transfer such employee to a position suitable for the employee's condition, if such work is available.

Military Caregiver Leave

An eligible employee may take up to twenty-six (26) weeks of unpaid leave in a 12-month period to care for a spouse, son or daughter, parent, or next of kin who is a current member of the U.S. armed forces, National Guard or the military reserves and who suffers an illness or injury in the line of duty. Leave may be used to care for the individual, where they are:

- Undergoing medical treatment, recuperation, or therapy;
- Otherwise in outpatient status; or
- On the temporary disability retired list for a serious injury or illness incurred in the line of duty.

The 12-month period begins to run from the first date leave is taken. If both spouses work for the Company, the total number of workweeks they may receive is twenty-six (26) weeks of leave in a 12-month period.

Leave may be taken intermittently or on a reduced leave schedule when medically necessary. If intermittent leave is provided and where leave is foreseeable, the Company may require the employee to transfer temporarily to an available alternative position for which the

employee is qualified, equivalent in pay and benefits, and which better accommodates the intermittent leave.

For purposes of Military Caregiver Leave, “next of kin” means the armed forces member’s nearest blood relative, other than the covered armed forces member’s spouse, parent, son or daughter, determined in the order identified by applicable law.

For purposes of Military Caregiver Leave, “son or daughter” means a biological, adopted or foster child, stepchild, legal ward or child for whom the eligible employee or armed forces member stood in loco parentis and who is any age.

Where the need for leave is foreseeable, the employee must provide at least thirty (30) days’ advance notice of their need for leave. Where leave is not foreseeable or if thirty (30) days advance notice is not possible, the employee must provide notice as soon as practicable. Employees should make reasonable efforts to schedule leave so as not to unduly disrupt the operations of the Company.

The Company may request certification from a healthcare provider documenting the need for leave and your expected date of return.

Interaction with Other Leaves

This leave may run concurrently with leave taken pursuant to the FMLA and/or any other leave permitted by law. Leave does not run concurrently with certain workers' compensation provisions.

Eligibility

To be eligible, employees must have met minimum earning requirements, as specified by law, and must either be presently employed by the Company or have been employed with the Company in the previous twelve (12) weeks. The 12-month period is as defined in our Connecticut Family and Medical Leave policy. Please see our Connecticut Family and Medical Leave policy for additional details.

Interaction with Other Leaves

Employees may elect, or the Company may require employees to use vacation, sick leave, or other paid time off to run concurrent with benefits provided under this policy, such that the employee receives up to 100% of their regular compensation while on leave. In no event will an employee receive a combined total of more than 100% of the employee's regular rate of compensation.

Prohibition Against Discrimination or Retaliation

The Connecticut Family and Medical Leave Act ("Act") makes it unlawful for any employer to interfere with, restrain, or deny the exercise of any right provided under the Act, or

discharge or discriminate against any person for opposing any practice made unlawful by Act or for involvement in any proceeding under or relating to Act. Retaliation by any employer against an employee for requesting, applying for or using family and medical leave for which the employee is eligible is prohibited by law.

Voting Leave

Our Company believes that every employee should have the opportunity to vote in any state or federal election, general primary or special primary. Any employee whose work schedule does not provide them three (3) or more hours between the opening of the polls and the close of the polls during which the employee is not required to be on the job, will be granted up to two (2) hours of unpaid time off to vote.

Please notify your supervisor of the need for voting leave at least two (2) workdays in advance of the election. The Company may select the hours you are excused to vote. Upon return

The break time should, if possible, be taken concurrently with other break periods already provided. Non-exempt employees should clock out for any time taken that does not run concurrently with normally scheduled rest periods, and such time generally will be unpaid in accordance with state law.

The Company also will make a reasonable effort to provide the employee with the use of a room or other location in close proximity to the employee's work area, other than a toilet stall, where the employee can express milk in private. Except where doing so would result in an undue hardship on the business, the location will be free from intrusion and shielded from the public while the employee is expressing breast milk; include or be situated near a refrigerator or employee-provided portable storage device in which the employee can store their breast milk; and include access to an electrical outlet.

- Break time and appropriate facilities for expressing breast milk.

In addition, employees may be granted a reasonable leave of absence due to a pregnancy-related disability. An employee returning from leave will be reinstated to their original position with equivalent pay and accumulated seniority, retirement and fringe benefits, unless the Company's circumstances have changed such that reinstatement is impossible or unreasonable.

Likewise, employees who are pregnant and reasonably believe that continuing to work in their present position may cause injury to themselves or their fetus, may request a temporary transfer to another position. After giving the Company written notice and request for transfer, the Company will make a reasonable effort to transfer the employee to a suitable temporary position, if one is available. Employees may appeal any such transfer to the Connecticut Commission on Human Rights and Opportunities (CHRO).

The Company may require the employee provide medical certification from the employee's physician to determine an appropriate accommodation.

If an employee needs a reasonable accommodation, the employee should notify her supervisor of the need for an accommodation. The Company will engage in a timely, good faith, discussion with the employee to investigate the request, and to the extent possible, attempt to reasonably accommodate the employee.

If leave is provided as a reasonable accommodation, such leave may run concurrent with leave provided under the Family and Medical Leave Act and/or any other leave permitted by state and federal law. Additionally, employees may use any accrued paid leave when taking leave time under this policy. For more information regarding this leave, contact Human Resources.

If you have questions as you review the Employee Handbook or the District of Columbia Addendum, please do not hesitate to discuss your questions with the **Human Resources Department**.

District of Columbia Policies

Equal Employment Opportunity Policy

In addition to the protected statuses listed in the Company Employee Handbook, and in accordance with District of Columbia law, the Company is committed to providing equal employment opportunities to all employees and applicants without regard to actual or perceived race, color, religion, national origin, sex (including pregnancy, childbirth, and related conditions, and breastfeeding), age (18 or over), marital status, pregnancy, personal appearance, sexual orientation, gender identity or expression, family responsibilities, familial status, genetic information, disability, use of tobacco or tobacco products, reproductive health decisions, school matriculation, political affiliation, credit information, source of income, place of residence or business, homelessness status, status as unemployed, status as a victim or family member of a victim of domestic violence, a sexual offense, or stalking, participation in a medical cannabis program or lawful use of cannabis outside of work, or any other protected status in accordance with applicable federal, state, and local laws.

Policy Against Unlawful Harassment, Discrimination, and Retaliation

In addition to the protected statuses listed in the Company Employee Handbook, and in accordance with District of Columbia law, the Company strictly prohibits all forms of unlawful harassment which includes harassment based actual or perceived race, color, religion, national origin, sex (including pregnancy, childbirth, and related conditions, and breastfeeding), age (18 or over), marital status, pregnancy, personal appearance, sexual orientation, gender identity or expression, family responsibilities, familial status, genetic information, disability, use of tobacco or tobacco products, reproductive health decisions, school matriculation, political affiliation, credit

information, place of residence or business, homelessness status, status as unemployed, status as a victim or family member of a victim of domestic violence, a sexual offense, or stalking, or participation in a medical cannabis program or legal use of cannabis outside of work, any other protected status in accordance with applicable federal, state and local laws.

As such, further examples of prohibited harassment, in addition to those articulated in the federal handbook, include harassment based on gender, transgender, or sexual orientation. By way of illustration only, and not limitation, some examples of such behavior include:

- Physical or verbal abuse concerning an individual's actual sex or the perception of the individual's sex; and
- Verbal abuse concerning a person's characteristics such as vocal pitch, facial hair or the size or shape of a person's body.

Civic Duties

Jury Duty – If you receive a call to jury duty, please notify your supervisor immediately so that we can plan our work with as little disruption as possible. While on jury duty, the Company will pay hourly employees at their regular hourly rates, less the amount received from jury duty for the first five (5) days. Thereafter, leave will be unpaid.

Employees with jury duty must provide their supervisor with a copy of the subpoena. Employees who are released from jury service before the end of their regularly scheduled shift or who are not asked to serve on a jury panel are expected to notify their supervisor as soon as possible and report to work if necessary.

Voting - Our Company believes that every employee should have the opportunity to vote in any public election. The Company will provide at least two (2) hours of paid voting leave to employees to vote in any election held within the District or in the jurisdiction where the employee is eligible to vote; provided that the employee is scheduled to work during the time leave is requested.

Employees must provide reasonable advance notice of the need for leave. The Company may specify the hours during which leave can be taken. This may include requiring leave to occur during early voting periods instead of actual election day, or to coincide with the beginning or ending of their work schedule. Upon returning from leave, the Company may require you to provide proof of having voted, such as a voting sticker.

The Company will not make deductions from an employee's salary, wages or accrued leave for time taken under this policy. Nor will the Company retaliate against an employee for taking leave consistent with this policy.

Court Attendance and Witness Leave - The Company provides employees with unpaid leave when necessary to attend, prepare for and/or participate in court proceedings when required by law. If you need leave for court attendance and/or you are subpoenaed to appear as a witness, please notify your supervisor immediately so that we can plan our work with as little disruption as

possible. We do not pay employees who are subpoenaed to appear as witnesses, unless the witness duty is work-related.

Employees with witness duty must provide their supervisor with a copy of the subpoena. Employees who are released from witness service before the end of their regularly scheduled shift are expected to call their supervisor as soon as possible and report to work if requested.

Breaks for Nursing Mothers

The Company will provide a reasonable amount of break time to accommodate an employee's need to express breast milk for the employee's infant child, following birth, unless additional time is required by federal, state, or local law. The break time should, if possible, be taken concurrently with other break periods already provided.

Non-exempt employees should clock out for any time taken that does not run concurrently with normally scheduled rest breaks; any such time will generally be unpaid, unless otherwise required by law.

The Company will provide the employee with the use of a room or other location (other than a bathroom) in close proximity to the employee's work area and otherwise in compliance with applicable law, for the employee to express milk in private.

Emancipation Day Leave

The Company provides one day of unpaid leave on April 16 each year in celebration of the District of Columbia Emancipation Day. Employees requesting leave under this policy should provide a written request to **Human Resources Department** at least ten (10) calendar days in advance.

School Activities Leave

The Company encourages employees to be involved in the education of their children. Employees with school age children (K-12) are eligible for up to twenty-four (24) hours of unpaid leave each year, to participate in school-related activities of their children if they (1) are the natural mother or father of a child, (2) have legal custody of a child or act as a child's guardian, (3) are an aunt, uncle, or grandparent of a child, or (4) are married to or in a domestic partnership with any of the individuals in (1) through (3).

Employees must give the Company at least ten (10) calendar days' advance notice of their desire to take school activities leave, unless the need for leave is not reasonably foreseeable. In lieu of taking unpaid school activities leave, employees may substitute accrued paid time off.

Outside Employment/Non-Compete Agreements

The District of Columbia's Ban on Non-Compete Agreements Amendment Act of 2020 ("Act") limits the use of non-compete agreements. It allows employers to request non-compete agreements from highly compensated employees, as that term is defined in the Ban on Non-

Compete Agreements Amendment Act of 2020, under certain conditions. Non-compete agreements include provisions between employer and employees that prohibit the employee from performing work or providing services for pay for another person or operating the employee's own business.

For purposes of this policy, a “highly compensated” employee is an employee who is reasonably expected to earn from the Company in a consecutive 12-month period, compensation greater than or equal to \$150,000; or whose compensation earned from the Company in the consecutive 12-month period preceding the date on which the proposed term of non-competition is to begin, is greater than or equal to \$150,000. The Company will notify you if you are determined to be a highly compensated employee.

The Company will not prohibit any non-highly compensated employee (as that term is defined by law) from being employed by another person, performing work or providing services for pay to another person or operating the employee’s own business. Likewise, the Company does not retaliate and will not threaten to retaliate against any employee for refusal to agree to a non-compete provision; alleged failure to comply with a non-compete or a workplace policy prohibited by the Act; asking, informing or complaining about the existence, applicability or validity of a non-compete provision or a workplace policy the employee reasonably believes is prohibited by the Act; or requesting information required to be provided under the Act. Employees are, however, expected to follow the Company’s policies prohibiting selling, accessing, and disclosure of Company confidential, proprietary and sensitive information, including but not limited to client and customer lists, and trade secrets, as defined by law.

For more information about the Act, please contact Human Resources. If Human Resources is unable to answer your questions, you may also contact the District of Columbia Department of Employment Services (DOES).

Paid Sick and Safe Leave

For any employee not covered by the PTO policy, the Company will provide those employees paid sick and safe leave (“paid sick leave”). The Paid sick leave that is provided under our Company's other paid leave policies can be used by employees to address needs arising from their or their family members' being victims of certain types of crime.

Employees who work at a District of Columbia location with 24 or fewer employees will accrue paid sick and safe leave (“paid sick leave”) at a rate of not less than 1 hour per every 87 hours worked, up to no fewer than three (3) days per calendar year.

Unused paid leave under this policy will carry forward from year to year, but employees may not take more than the applicable maximum annual accrual amounts of paid leave under this policy during any year.

Paid sick leave may be used by an employee if:

- the employee or his/her family member is sick (resulting from physical or mental illness or injury);

- the employee or his/her family member (child, parent, spouse, domestic partner) needs routine or preventative medical care; or
- the employee or the employee's family member is a victim of stalking, domestic violence, or sexual abuse; provided, that the absence is directly related to social or legal services pertaining to the stalking, domestic violence, or sexual abuse, to:
 - seek medical attention for the employee or the employee's family member to recover from physical or psychological injury or disability caused by domestic violence or sexual abuse;
 - obtain services from a victim services organization;
 - obtain psychological or other counseling;
 - temporarily or permanently relocate;
 - take legal action; or
 - take other actions to enhance the physical, psychological, or economic health or safety of the employee or the employee's family member or to enhance the safety of those who associate or work with the employee; or
- any other reason allowed by law.

Employees begin accruing paid leave at the beginning of their employment, and may use paid leave for the purposes described in this policy after 90 days of employment with our Company. Accrued, unused sick leave will not be paid out at the end of employment. Additionally, employees who separate from employment and return within one year of separation will have any unused paid leave under this policy reinstated. The Company may require employees who request paid sick leave under this policy for three or more consecutive days to provide reasonable certification of their need for such leave. Generally, leave will be paid at the employee's normal wage rate for the period of time in which sick leave is used, and with the continuation of the same benefits as the employee normally receives during work hours.

If the need to use sick leave is foreseeable, the employee must notify the Company ten (10) days prior to the date the sick leave is to begin or as soon as otherwise possible. The employee must make a reasonable attempt to schedule the use of sick leave in a manner that does not unduly disrupt the Company's operations. If the need to use sick leave is unforeseeable, then the employee must notify the Company before the start of the employee's shift or when circumstances prevent the employee from providing notice before the start of the employee's shift, within twenty-four (24) hours of the onset of the emergency, whichever occurs sooner.

Paid leave under this policy may run concurrently with the federal Family Medical Leave Act and/or any other leave, including paid time off, where permitted by applicable law.

The Company will not retaliate or discriminate against any employee that requests or uses sick leave. Likewise, the Company will not retaliate or discriminate against an employee for exercising their rights under federal, state or local laws.

For information on this Paid Sick and Safe Leave policy, please contact **Human Resources Department**.

Domestic Violence Leave

The Company does not discriminate or retaliate against employees based on their status as a victim or family member of a victim of domestic violence, a sexual offense, or stalking. The Company will not discriminate or take adverse action against individuals for:

- (1) Attending, participating in, preparing for, or requesting leave to attend, participate in, or prepare for a criminal, civil, or administrative proceeding relating to domestic violence, a sexual offense, or stalking of which the employee or employee's family member was a victim, including meetings with an attorney or law enforcement official.
- (2) Seeking physical or mental health treatment or counseling relating to domestic violence, a sexual offense, or stalking of which the employee or employee's family member was a victim; or
- (3) Where an individual causes a disruption at the employee's workplace or makes a threat to an employee's employment, relating to domestic violence, a sexual offense, or stalking of which the employee or employee's family member was a victim.

The Company will provide reasonable accommodations to any employee who is the victim or whose family member is the victim of domestic violence, a sexual offense, or stalking where necessary to ensure the security and safety of the employee, unless such accommodation would cause undue hardship on the Company. A reasonable accommodation may include a transfer; reassignment; modified schedule; leave; changed work station; changed work telephone or email address; installed lock; assistance in documenting domestic violence, a sexual offense, or stalking occurring in the workplace; or the implementation of another safety procedure in response to actual or threatened domestic violence, a sexual offense or stalking.

Any information provided in connection with an accommodation request under this policy will be maintained confidential, unless otherwise required/allowed by law.

Leave provided under this policy may run concurrent with the Federal Family and Medical Leave Act and/or any other leave allowed by law.

District of Columbia Universal Paid Family Leave Benefits

The Company provides paid family and medical leave benefits to eligible employees. Family and medical leave benefits provide employees with partial wage replacements when they are unable to work due to family, medical, pre-natal and/or parental needs. Contributions are funded by the Company, based on a percentage of employee wages.

Definitions

As used in this policy, the following definitions apply:

“Covered Employee” means an employee who: (A) spends more than 50% of their work time working for an employer in the District of Columbia; or (B) whose employment for an employer is based in the District of Columbia and who regularly spends a substantial amount of their work time for that employer in the District of Columbia and not more than 50% of their work time in another jurisdiction.

“Family Leave” means leave for the care or companionship of a family member due to the diagnosis or occurrence of a serious health condition.

“Family Member” means a child (biological, adopted, foster, step, legal ward, a son or daughter of a domestic partner, or child to whom the employee stands *in loco parentis*), parent (biological, adoptive, foster parent, stepparent, parent-in-law, legal guardian of an employee, or an individual who stood *in loco parentis* to an employee when the employee was a child), a person to whom an eligible employee is related by domestic partnership or marriage, or a grandparent, sibling, spouse or state registered domestic partner.

“Medical Leave” means any leave taken by the employee due to the diagnosis or occurrence of the employee’s own serious health condition, including the occurrence of a stillbirth (meaning, loss of a pregnancy at twenty (20) weeks’ gestation or later) or medical care related to a miscarriage (meaning, loss of pregnancy before twenty (20) weeks’ gestation).

“Parental Leave” means any leave due to the birth of a child, the adoption of a child, or the placement of a child with an employee for foster care (including bonding time). Likewise, parental leave includes the placement of a child with an employee for whom the employee legally assumes parental responsibilities. Parental leave must be taken within one (1) year of the occurrence of the qualifying parental leave event.

“Pre-Natal Leave” means leave that an eligible employee who is pregnant may take for pre-natal medical care following a diagnosis of pregnancy by a health care provider and prior to the occurrence of a qualifying parental leave event. Pre-natal medical care includes routine and specialty appointments, exams, and treatments associated with a pregnancy provided by a health care provider, including pre-natal check-ups, ultrasounds, treatment for pregnancy complications, bedrest that is required or prescribed by a health care provider, and pre-natal physical therapy.

Eligible Employees

Employees are eligible for paid family and medical leave benefits if they have been a Covered Employee during some or all of the fifty-two (52) calendar weeks immediately preceding the qualifying event for which leave is taken.

Eligibility is portable, meaning that it is not dependent on the length of time working for this Company so long as you meet the Covered Employee definition.

Benefit Amount as of October 1, 2022:

Benefits will be paid based on the reason for leave, as follows:

- Family Leave – Employees will receive up to twelve (12) weeks of leave per fifty-two (52) workweek period.
- Medical Leave – Employees will receive up to twelve (12) weeks of leave per fifty-two (52) workweek period.
- Parental Leave – Employees will receive up to twelve (12) weeks of leave per fifty-two (52) workweek period.
- Pre-natal Leave – Employees will receive up to two (2) weeks of leave per fifty-two (52) workweek period.

The amount of wage replacement benefits employees are eligible to receive will depend on the employee's average weekly earnings, subject to maximum caps set by law. Please speak with Human Resources for additional information.

Eligible employees cannot receive payment for more than a total of twelve (12) workweeks of paid leave benefits total in any fifty-two (52) workweek period regardless of the number of qualifying leave events occurring during that period. There is one exception to this maximum total paid leave amount; an eligible employee may file a claim for paid pre-natal leave benefits, in addition to the twelve (12) workweek period above, so long as they do not receive a combination of qualifying pre-natal and parental leave exceeding fourteen (14) weeks of leave benefits.

Eligible employees may receive payment for intermittent leave so long as the total amount of intermittent leave does not exceed the above leave amounts. Benefits for partial weeks of leave will be prorated.

Submitting a Claim

Eligible employees may submit a claim for payment for any period during which they do not perform work because of a qualifying event.

Eligible employees may only receive paid leave benefits retroactively if they submit a claim within thirty (30) days following a qualifying event. However, the thirty (30) day period may be waived if an employee is unable to apply for benefits due to exigent circumstances as defined by law.

Disqualification from Benefits

Any eligible employee who makes a false statement, misrepresentation, or who intentionally fails to report a material fact, to obtain benefits will be disqualified from receiving

paid leave benefits for a period of three (3) years. Leave benefits which are paid erroneously or as a result of willful misrepresentation may also be subject to repayment.

Family and Medical Leave Act

These leave benefits will run concurrently with the Federal Family and Medical Leave, District of Columbia Family and Medical Leave Act, and any other leave allowed by law.

No Discrimination or Retaliation

The Company does not discriminate or retaliate against employees for taking or requesting paid benefits in accordance with applicable law. Supervisors and managers are prohibited from discriminating or retaliating against employees for exercising their rights related to paid family leave benefits.

Questions

The Company will provide employees with additional information regarding universal paid leave benefits, including instructions on how to file a claim for benefits, upon any qualifying request for leave. Please contact Human Resources with any questions or for assistance with filing a claim.

District of Columbia Family and Medical Leave

The Company provides eligible employees with up to sixteen (16) weeks of unpaid family and medical leave in a twenty-four (24) month period consistent with applicable law (“DCFMLA”).

Eligible Employees

To be eligible, employees must have been employed for at least twelve (12) consecutive or non-consecutive months, inclusive of holiday, sick or personal leave granted by the Company as part of its regular benefits, regardless of whether such leave is paid or unpaid, in the seven (7) years immediately preceding the date DCFMLA is to begin. Further, the employee must have worked at least 1,000 hours during the 12-month period described above.

Purposes for Leave

DCFMLA may be used for:

1. Family Leave: Leave for family purposes specified below:
 - a. The birth of a child of the employee;
 - b. The placement of a child with the employee for adoption or foster care;

- c. The placement of a child with the employee for whom the employee permanently assumes and discharges parental responsibilities;
 - d. The care of a family member of the employee with a serious health condition;
2. Medical Leave: When an employee becomes unable to perform their job because of a serious health condition; or
 3. Any other leave allowed by law.

A “serious health condition” generally refers to a physical or mental illness, injury or impairment that involves: (a) inpatient care in a hospital, hospice, or residential health care facility; or (b) continuing treatment or supervision at home by a health care provider or other competent individual.

Benefit Year

The Company measures the twenty-four (24) month period in which leave is taken by the “rolling” twenty-four (24) method, measured backward from the date of any DCFMLA leave.

Use of Leave

An eligible employee may take both up to sixteen (16) weeks of medical leave and up to sixteen (16) weeks of family leave (for a total of 32 workweeks) during a twenty-four (24) month period.

DCFMLA used in connection with the birth or placement of a child expires twelve (12) months after the birth or placement. Where leave is used for an employee or family member with a serious health condition, leave may be taken intermittently as medically necessary.

Notice and Scheduling

If the necessity for leave is foreseeable, the employee must provide the Company with notice as far in advance of the need for leave as possible. If the need for leave is not foreseeable, the employee must provide the Company with reasonable advance notice and make a reasonable effort to schedule leave in a manner not to disrupt the Company’s operations.

Certification

The Company may require certification by a health care provider supporting the need for leave.

Maintenance of Benefits

If you and/or your family participate in our group health plan, the Company will maintain coverage during your leave on the same terms as if you had continued to work. If applicable, you must make arrangements to pay your share of health plan premiums while on leave. In some instances, the Company may recover premiums it paid to maintain health coverage or other benefits for you and your family. Use of leave will not result in the loss of any employment benefit that accrued prior to the start of your leave.

Reinstatement

At the end of your leave, you will be returned to your previous or an equivalent position, unless the Company experienced a reduction in force or layoff during your leave and you would have lost your position had you not been on leave.

Confidentiality

The Company will maintain information provided in connection with leave confidential to the extent allowed and/or required by law.

Discrimination and Retaliation Prohibited

The Company will not discriminate or retaliate against any employee exercising requesting or using leave under this policy. Likewise, the Company will not discriminate or retaliate against any employee exercising their rights under this policy.

Interaction with Other Leave

DCFMLA leave may run concurrent with any paid time off (e.g., vacation, sick leave or other paid leave) available. Further, DCFMLA may run concurrent with the Federal Family and Medical Leave Act and/or any other leave allowed by law.

Enforcement

This policy will be interpreted and applied consistent with applicable law. Exceptions to eligibility and/or reasons for leave may be made where required by law (for example, where applicable law requires us to extend leave rights to employees in connection with a public health emergency).

Pregnancy Accommodation

The Company provides medical reasonable accommodations to employees when requested for reasons related to pregnancy, childbirth or related medical conditions (including pre-birth complications), or breastfeeding, to the extent the accommodation can be made without imposing an undue hardship on the business.

When an employee requests a reasonable accommodation, the Company will explore with the employee the possible means of providing the reasonable accommodation, which may include, but are not limited to:

- more frequent or longer breaks;
- time off to recover from childbirth;
- time off due to pre-birth complications;
- the acquisition or modification of equipment or seating;
- the temporary transfer to a less strenuous or hazardous position or other job restructuring such as providing light duty or a modified work schedule;
- having the employee refrain from heavy lifting;
- relocating the employee's work area; or
- providing a private non-bathroom space for expressing breast milk

Employees requesting leave or other reasonable accommodation under this policy should provide an appropriate health care provider certification to the extent a certification is required for other temporary disabilities, that includes the following:

- the date the reasonable accommodation became medically advisable;
- the probable duration of the reasonable accommodation; and
- an explanatory statement as to the medical condition and advisability of the reasonable accommodation.

If leave is provided as a reasonable accommodation, such leave may run concurrently with the FMLA/DCFMLA and/or any other applicable leave as permitted under federal, state, or local law.

For more information about this policy or if you require an accommodation, please contact **Human Resources Department**.

Wage Disclosure Policy

The Company, consistent with applicable law, does not prohibit employees from inquiring about, disclosing, comparing or otherwise discussing their wages or the wages of another employee. Further, the Company does not require, as a condition of employment, employees to refrain from discussing wages and will not require employees to sign any document contrary to this policy.

Moreover, the Company will not take an adverse employment action or retaliate against an employee for discussing his or her wages. Nor will the Company prohibit an employee from lodging a complaint or testifying, assisting, or participating in an investigation or proceeding related to a violation of this policy.

Nothing in this policy shall be construed to permit an employee with regular access to wage information in the course of the employee's work from disclosing wage information, unless the person is under a legal obligation to furnish such information. Additionally, nothing in this policy

requires an employer or an employee to disclose wages in response to an inquiry by another employee.

Fair Credit in Employment Act

In compliance with the District of Columbia's Fair Credit in Employment Act, the Company will not use an employee's credit history or credit information for hiring decisions or any other employment decisions beyond hiring, including compensation, promotions, and other privileges or terms of employment.

Alcohol and Drug Policy

In addition to the provisions of the Alcohol and Drug Policy in the Company's Employee Handbook, please note that although the District of Columbia has legalized the use of marijuana, the Company does not permit the use of marijuana in the workplace. Use of marijuana on Company property or while engaged in work-related activities is strictly prohibited and may result in disciplinary action, up to and including immediate termination.

Exempt employees may be provided time off with pay for any of the above leaves when necessary to comply with state and federal wage and hour laws.

Team members must also provide documentation, if requested by the Company, establishing the need for leave under this policy. Depending on the specific purpose of the leave request, team members may choose, or the Company may require team members, to use accrued paid or unpaid leave (such as FMLA, personal leave, sick leave, or PTO) concurrently with some or all of the leave taken under this policy.

The Company will hold the employee’s information in confidence, except to the extent such disclosure is: (1) requested or consented to in writing by the employee or (2) otherwise required by applicable law.

Human Trafficking Awareness

The Company is committed to helping victims of human trafficking and taking reasonable steps necessary to prevent human trafficking. In furtherance of this commitment, the Company provides all employees who are likely to interact or come into contact with victims of human trafficking a training on human trafficking awareness.

All employees located in the state of Florida are subject to this policy and will receive training every two years, which includes, but is not limited to:

- The definition of human trafficking and commercial exploitation of children;
- Guidance on how to identify individuals who are most at risk for human trafficking;
- The difference between labor and sex trafficking specific to the hotel sector;
- Guidance on the role of hospitality employees in reporting and responding to this issue; and

and text line, 233733, and the telephone numbers of the appropriate local law enforcement agencies.

If you encounter a suspicious situation that seems to involve human trafficking, you are to immediately report it to your manager or supervisor and call 911. You should follow all instructions given to you by the 911 operator. Under no circumstances are you permitted to confront the suspected trafficker alone. Should you have any questions about the human trafficking awareness training requirement or a related matter, please contact your supervisor and/or Human Resources.

Civil Air Patrol Leave

The Company provides up to fifteen (15) days of unpaid leave per calendar year to eligible team members who are senior members of the Florida Wing of the Civil Air Patrol, with at least an emergency services qualification, to participate in Civil Air Patrol trainings and/or missions. To be eligible, team members must have been employed with the Company for at least ninety (90) days immediately preceding the commencement of leave. Any employee with such a commitment is expected to notify and provide the Company with a copy of the orders as soon as possible. The Company will not discriminate or retaliate against an employee taking leave in accordance with this policy.

Upon completion of the leave, team members shall promptly provide the Human Resources Department's Manager confirmation of their intent to return to work. Granting a leave of absence under this policy does not guarantee there will be a position available upon your return from leave. The Company endeavors, however, to place employees returning from leave in their former position, or in a position comparable in status and pay.

Leave under this policy is unpaid. However, upon request, returning team members may choose to use any available accrued, but unused PTO for leave under this policy.

Weapons in the Workplace

The Company prohibits you and all other persons (other than law enforcement and authorized security personnel) from having firearms in working areas, in buildings, or on your person during working time or while performing work. Firearms are prohibited on all Company property and in Company vehicles. The only exception to this rule is that a person with a current license to carry a firearm may keep a firearm in their personal vehicle so long as it is kept out of sight in a locked, enclosed compartment or area of their vehicle in the Company's parking lot. Anyone who has a license to carry a firearm and will have the firearm on Company property, must notify the Company and provide a copy of the license.

Team members who are aware of violations or threats of violation of this policy are required to immediately report such violations or threats of violations to the Human Resources Departments Manager. Violations of this policy will result in disciplinary action, up to and including termination.

Failure to notify the Company with a copy of a current firearm license, to properly secure and protect a firearm or to comply with this policy may also subject you to discipline, up to and including immediate termination. Employees who have questions concerning the application of this policy, should consult the **Human Resources Department** immediately.

Alcohol and Drug Policy

In addition to the provisions of the Company's Alcohol and Drug Policy, please note that although the state has legalized the use of marijuana for medicinal purposes, the Company does not permit the use of marijuana in the workplace. Use of marijuana on Company property or while engaged in work-related activities is strictly prohibited and may result in disciplinary action, up to and including immediate termination.

Exempt employees may be provided time off with pay for any of the above-described leaves when necessary to comply with state and federal wage and hour laws.

Meal Periods

It is our policy to provide and afford all Employees who work seven and a half (7 ½) or more continuous hours in a work day with an uninterrupted twenty (20) minute meal period free from all duty to begin no later than the end of the fifth hour of work. If an employee works in excess of seven and a half (7.5) continuous hours, they are required to take an additional thirty (30) minute duty-free meal period for every additional four and a half (4.5) continuous hours worked. Employees must record the beginning and ending time of their meal period every day.

It is our policy to relieve you of all duty during your meal periods, so that you are at liberty to use the meal period time as you wish. You may leave the premises for your meal period if you so desire. The Company schedules all work assignments with the expectation that all Employees will take their duty-free meal periods and we encourage you to do so. You may be asked to confirm in writing that you have been relieved of all duty and otherwise provided all of your meal periods during a particular pay period, or in the alternative, identify any meal periods during which you were required to work. At no time may any Employee perform off-the-clock work or otherwise alter, falsify, or manipulate any aspect of their timekeeping records to inaccurately reflect or hide meal periods or time spent working during meal periods.

This mandatory rest provision does not apply to part time Employees who work 20 or less hours per week; workers needed in case of breakdown of machinery or equipment or other emergency requiring immediate services of experienced labor; watchmen or security guards; and Employees employed in a bona fide executive, administrative, or professional capacity; outside salespersons.

Please note that no Company manager or supervisor is authorized to instruct you how to spend your personal time during a meal or rest period. You should immediately report a manager's or supervisor's instruction to skip or work during a meal period to Human Resources Department. The Company strictly prohibits retaliation against any Employee who reports violations of the Company's meal and rest period policies.

Employees should notify their immediate supervisor or the Human Resources Department to request accommodations to express breast milk under this policy. The Company will provide a reasonable amount of break time to accommodate a female employee's need to express breast milk for the employee's infant child. The break time should, if possible, be taken concurrently with meal and rest periods already provided. The Company will not reduce an employee's compensation for the time used for the purpose of expressing milk or nursing a baby.

The Company will also make a reasonable effort to provide employees needing to express breast milk with a private room or place, other than a restroom, to express breast milk in private that is in the employee's work area. The room or location will be near employee's work area, shielded from view, and free from intrusion while the employee is expressing to express milk.

Employees should notify the Human Resources Department to request time to express breast milk under this policy. Paid Leave and Sick Leave for Employees in the City of Chicago

Employees who are ineligible for Paid Time off (PTO) benefits are eligible for paid sick leave according to the following policy:

The Company provides Paid Leave and Paid Sick Leave to employees in the City of Chicago who have worked a minimum of eighty (80) hours within any 120-day period.

All Employees are eligible to earn Paid Leave and Sick Leave pursuant to the Chicago Paid Leave and Sick Leave Policy (“CPLSL”). This policy replaces any prior policies that provided for Paid Leave and Sick Leave, but it does not replace the Vacation Policy (noted above).

An eligible employee for purposes of the CPLSL is one who within any particular two-week period performs at least two hours of work for the Company while physically present within the geographic boundaries of the City of Chicago.

Paid Leave and Sick Leave are calculated based on the employee’s anniversary year (“Benefit Year”).

Employees accrue one (1) hour of Paid Leave and (1) hour of Sick Leave for every thirty-five (35) hours worked within the City of Chicago up to a maximum of forty (40) hours of Paid Leave and (40) hours of Sick Leave per year.

Beginning on the 30th of employment, eligible Employees may begin to use earned Sick Leave as it is accrued. For Paid Leave, Employees may begin to use available accrued time on their 90th day of employment.

Employees are allowed to carryover up to (16) hours of accrued but unused Paid Leave and (80) hours of accrued but unused Sick Leave to the following Benefit Year.

Paid Leave: Upon written or oral request, Employees may use Paid Leave for any purpose. If the need for Paid Leave is foreseeable, the employee shall provide seven (7) calendar days’ notice before the date the leave is to begin. Subject to applicable law, Employees may be required to obtain reasonable preapproval from the Company before using Paid Leave for the purpose of maintaining continuity of the Company’s operations.

Any earned but unused Paid Leave will be paid out at the termination of employment.

Sick Leave is not intended to be used as extra time for vacation. The intent for paid sick leave is for the employee or employee's covered family member's illness. Sick Leave under this policy may be used for specific Qualifying Reasons depending on your geographical location:

1. The employee is ill or injured, or to receive medical care, treatment, diagnosis, or preventative medical care;
2. To care for a member of his or her family member that is ill or injured, or who is receiving medical care, treatment, diagnosis or preventive medical care;
3. When the employee is a victim of domestic violence or a sex offense or stalking or trafficking;
4. To care for a member of his or her family that is a victim of domestic violence or a sex offense or stalking or trafficking;
5. When the Company is closed by order of a public official due to a public health emergency;
7. To care for a child whose school or place of care has been closed by order of a public official due to a public health emergency; or
8. When an employee obeys an order issued by the Mayor, Governor of Illinois, the Chicago Department of Public Health, or treating healthcare provider to:
 - a. Stay at home to minimize transmission of a communicable disease;
 - b. Remain at home while experiencing symptoms or sick with a communicable disease;
 - c. Obey a quarantine order issued to the employee; or
 - d. Obey an isolation order issued to the employee.

For the purposes of this policy, "family member" means employee Member's child, legal guardian or ward, spouse, domestic partner, civil union partner, parent, the parent of employee Member's spouse, civil union partner or domestic partner, sibling, grandparent, grandchild, godparent, godchild, co-parent, or any other individual related by blood or whose close association with the employee is the equivalent of a family relationship. A "child" includes a biological relationship and a relationship resulting from an adoption, step-relationship, and/or foster care relationship, or a child to whom an employee stands in loco parentis. A "parent" includes a biological, foster, stepparent or adoptive parent or legal guardian of employee, or a person who stood in loco parentis when the employee was a minor child.

Employees falsifying the need for Sick Leave are subject to disciplinary action up to and including termination of employment.

All requests to use Sick Leave that are reasonably foreseeable (e.g., prescheduled doctor appointments for the employee or employee's family member and court dates for domestic violence cases) must be submitted in writing to your immediate supervisor at least seven (7) days in advance of the need to take Sick Leave. If the need to take paid sick leave is not reasonably foreseeable, Employees must provide notice as soon as "practicable," which generally means either the same day or the next business day the employee learns of the need to take Sick Leave, in the absence of any unusual circumstances. If an employee does not have enough Sick Leave time to cover an absence, the employee may use any earned, but unused Paid Leave, or vacation day, or the leave will be unpaid.

The Company may require documentation of authorized reasons for absence(s) under this Paid Sick Leave Policy when an employee is absent for more than three (3) consecutively scheduled workdays due to medical reasons. The Company will maintain the information provided confidential, to the extent required by law. For more information regarding this policy, contact the Human Resources Department.

Any earned but unused Sick Leave will not be paid out at the termination of employment.

Employees must use earned Paid Leave, if at all, in no less than four-hour increments and Sick Leave, if at all, in no less than two-hour increments, unless a smaller increment is required by the FMLA. Leave under this CPLSLP may run concurrently with leave taken under local, state, or federal law, including leave taken pursuant to the Family and Medical Leave Act.

Employees will not be paid for any earned but unused Paid Leave or Sick Leave that is not eligible to be carried over into the next Benefit Year.

The Company will not retaliate or discriminate against any employee that requests or uses Sick Leave. Likewise, the Company will not retaliate or discriminate against any employee for exercising their rights under federal, state or local laws. This policy will be interpreted and enforced consistent with applicable law. To the extent this policy is or appears to be inconsistent with applicable law, applicable law will govern.

If you have any questions regarding the Company's Paid Leave and Sick Leave policy, contact the Human Resources Manager

Employees' drug use may affect their job performance, such as causing dizziness or drowsiness. Employees are required to disclose any medication that would make them a risk of harm to themselves or to others in performing their job responsibilities. It is the employee's responsibility to determine from his/her physician whether a prescribed drug may impair job performance.

Notification of Impairment

It shall be the responsibility of each employee who observes or has knowledge of another employee in a condition which impairs the employee in the performance of his/her job duties, or who presents a hazard to the safety and welfare of others, or is otherwise in violation of this policy, to promptly report that fact to his/her immediate supervisor.

Pregnancy-Related Disability Leave

The Company provides eligible employees with reasonable and necessary unpaid leave when necessary for pregnancy, childbirth, or other pregnancy-related medical conditions for the period of temporary disability, up to eight (8) weeks. Employees requesting leave under this policy should provide as much advanced notice as possible, and should provide appropriate medical certification verifying the need for leave, of the amount of leave needed, and any change in the initial period of time requested.

Upon returning from leave under this policy, employees will be returned to the same or similar job with the same pay, unless the Company's circumstances have changed so as to make it impossible or unreasonable to do so.

Leave under this policy may run concurrently with leave under the Federal Family Medical Leave Act and/or any other leave policies, including paid time off, where permitted by applicable law.

Volunteer Emergency Services Leave

The Company provides employees who serve as Volunteer Emergency Service Providers with unpaid leave when absent or late to work when necessary to respond to an emergency call received before the employee's shift. If a call is received while the employee is at work, the Company will determine whether the employee can leave work to serve.

Eligible employees must provide the Company with advance written notice that they serve as a volunteer emergency services provider. Further, employees using this leave must make reasonable efforts to notify the Company of their service and must continue to keep the Company informed over the course of any absence.

The Company may request the employee provide a written statement from their supervisor or acting supervisor of the emergency unit or organization stating that the employee responded to an emergency and stating the date and time of the emergency.

Veterans Day Leave

The Company provides unpaid leave to eligible employees on Veteran's Day. Eligible employees are those who have been released or discharged from active military duty and have been scheduled to work on Veteran's Day. Employees requesting leave under this policy should provide written notice to Human Resources of the need for leave at least one (1) month in advance. Employees may also be required to provide a federal certificate of leave or discharge.

Personnel Records

The Company provides employees with the opportunity to review their own personnel records on a date and time that is mutually agreed to and in the presence of a supervisor or Human Resource representative. To review their personnel file, employees should submit a written request. Employees will be permitted to copy materials contained in their personnel records including, but not limited to, evaluations, disciplinary records, and other information concerning employer-employee relations. The Company may charge a reasonable fee, in accordance with state law, for photocopies made by employees.

Alcohol and Drug Policy

In addition to the provisions of the Alcohol and Drug Policy in the Company's Employee Handbook, please note that the Company may require employees to undergo drug or alcohol screening, including urinalysis, blood tests, or other appropriate tests, as authorized under applicable law. If such screening is for alcohol, a result of more than 0.2 grams of alcohol per 210 liters of breath, or its equivalent, will be considered a violation of this policy.

All tests will be subject to confirmation testing. Testing and confirmation testing will be conducted by laboratory personnel certified by the United States Department of Health and Human Services' Substance Abuse and Mental Health Administration or approved under the rules adopted by the Iowa department of public health, and consistent with requirements under Iowa Admin. Code r. 641-12.5(730), *et seq.* Disciplinary action taken against individuals will be based on the results of a confirmed drug or alcohol test.

Applicants and employees will be given an opportunity to provide any information relevant to the test to the laboratory medical review officer, including identification of prescription or nonprescription drugs currently or recently used, or other relevant medical information. To assist the applicant or employee in providing the information above, the Company will ensure that the applicant or employee receives a list of the drugs to be tested for separate from this policy.

If an applicant or employee receives a confirmed positive test, the Company will notify the employee of the test results, in writing, by certified mail, return receipt requested, including a copy of the results, the name and address of the medical review officer who made the report, their right to request their drug and alcohol testing records, and their right to request retesting of the sample at a state approved lab and at their own expense. The applicant/employee must notify the Company

if they wish to contest and/or have the specimen retested and pay for the retest, within seven (7) days from the date the Company mailed their notice.

Additionally, the Company offers rehabilitation options to qualified employees with a confirmed positive alcohol test, to the extent required under applicable law. An employee is qualified for rehabilitation if they have been employed for at least twelve (12) of the eighteen (18) months prior to the violation, the employee has not previously violated this policy, and the employee agrees to the terms of the rehabilitation. The Company will not take disciplinary action against the employee so long as they comply with the requirements of rehabilitation and successfully complete rehabilitation. However, nothing in this policy limits the Company's ability to take disciplinary action against an individual based on their failure to comply with any requirements of rehabilitation.

Where applicable, the Company will provide employees with information regarding any resource files or Employee Assistance Programs it is required to maintain by law. Please see the Human Resources for more information regarding this policy.

Exempt employees may be provided time off with pay for any of the above described leaves when necessary to comply with state and federal wage and hour laws.

Kentucky Addendum

Introduction

This addendum is applicable only to employees working in the state of Kentucky and amends only those provisions that are specifically addressed below. Regarding the amended provisions, in the event of any conflict between the Employee Handbook and this Addendum, this Addendum shall control. Except as set forth herein, the Employee Handbook is not modified by this Addendum.

This state Addendum is to be read in connection with the Bridge Investment Group Holdings LLC; Bridge Property Management, LC; and Bridge Commercial Real Estate LLC (hereinafter referred to individually and/or collectively as the “Company”) Employee Handbook. Together, the Employee Handbook and the Kentucky Addendum will provide you with important information about your employment with the Company and serve as a guide to the Company’s current policies, practices, and procedures. If you have questions as you review the Employee Handbook or the Kentucky Addendum, please do not hesitate to discuss your questions with Human Resources Department.

Kentucky Policies

Equal Employment Opportunity Policy

In addition to the protected statuses listed in the Company Employee Handbook, and in accordance with Kentucky law, the Company is committed to providing equal employment opportunities to all employees and applicants without regard to status as a smoker or nonsmoker, AIDS and/or HIV-status (unless absence of the virus is a bona fide occupational qualification), Kentucky National Guard or active militia membership, or any other protected status in accordance with applicable federal, state, or local laws.

Policy Against Unlawful Harassment, Discrimination, and Retaliation

In addition to the protected statuses listed in the Company Employee Handbook, and in accordance with Kentucky law, the Company strictly prohibits all forms of unlawful harassment, which includes harassment on the basis of status as a smoker or nonsmoker, AIDS and/or HIV-status (unless absence of the virus is a bona fide occupational qualification), Kentucky National Guard or active militia membership, or any other protected status in accordance with applicable federal, state, or local laws.

Meal Periods

The Company provides all full-time non-managerial and other non-exempt employees with a thirty (30) minute duty-free meal period, which should be taken between the third and fifth hour of work. During their meal periods, employees are completely relieved of their job responsibilities,

and employees are required to clock in and out for their meal periods, or record the beginning and ending time of the meal period on their timesheet every day.

The Company's policy is to relieve employees of job responsibilities and duties during their meal periods, with employees being at liberty to use the meal period time as they wish. The Company schedules work assignments with the expectation that employees will take their duty-free meal periods, and we encourage you to do so. At no time may employees perform off-the-clock work or otherwise alter, falsify, or manipulate any aspect of their timekeeping records to inaccurately reflect or hide meal periods or time spent working during meal periods. Employees may be required to sign a certification providing, among other things, that they have taken all of their daily meal periods during the pertinent pay period.

Rest Periods

The Company provides all full-time non-managerial and other non-exempt employees with the opportunity to take a ten (10) minute rest period for every four (4) hours worked, which should be taken so far as practicable in the middle of each work period. Employees are expected to schedule their rest periods at their own discretion under these guidelines unless instructed otherwise by a supervisor. Rest periods may not be combined with meal periods.

Rest periods are counted as hours worked, and thus, employees are not required to record their rest periods on their timesheets or time cards. Rest periods may not be waived to shorten your workday or be accumulated for any other purpose. Employees may be required to sign a certification providing, among other things, that they have taken all of their rest periods during the pertinent pay period.

Civic Duties

Jury Duty: If you receive a call to jury duty, please notify your supervisor immediately so your supervisor may plan the department's work with as little disruption as possible.

Unless otherwise required by state or federal law, time spent serving on jury duty will be unpaid.

Exempt employees will continue to receive their regular salary for any week in which they perform any work while on jury duty, pursuant to state and federal law.

Employees who are released from jury service before the end of their regularly scheduled shift or who are not asked to serve on a jury panel are expected to call their supervisor as soon as possible and report to work if requested.

Court Attendance and Witness Leave: The Company provides reasonable and necessary unpaid leave to employees who are subpoenaed to attend or participate in court proceedings. Employees who receive a subpoena or summons to appear in court, should notify Human Resources Department immediately so that the Company may plan the department's work with as

little disruption as possible.

Voting: In circumstances where employees' work schedule makes it impracticable to vote before or after work, the Company will provide a reasonable amount of unpaid time off during scheduled work time, up to four (4) hours, for employees to vote. Employees who need time off to vote should notify Human Resources Department prior to Election Day. The Company reserves the right in its sole discretion to specify any time period during which the polls are open, for employees to leave work to vote.

Election Officer Leave: The Company provides unpaid leave to employees serving as election officers training or to serve on an election day. Proper documentation of the appointment and the dates of the required service must be furnished to Human Resources Department by the requesting employee at least seven (7) days before the expected absence.

Unpaid Adoption Leave

The Company provides employees who do not otherwise qualify for adoption leave under the provisions of the FMLA with unpaid leave of up to six (6) weeks for the reception of an adopted child under the age of ten (10).

Employees requesting leave under this policy should submit their request in writing and should speak directly with Human Resources Department for further information.

Military Leave

The Company provides military leave to regular, full-time employees and complies with Kentucky law with respect to job reinstatement. The employee must notify his or General Manager immediately upon being called to active duty. Notice should include anticipated duration of service and when the employee expects to return to work, if this information is available. The employee is entitled to return to the same job unless the Company's circumstances have changed so much that reinstatement is impossible.

Disaster and Emergency Services Leave

The Company provides employees who are volunteer firefighters, rescue squad members, emergency medical technicians, peace officers, or members of emergency management agencies ("emergency service personnel") reasonable and necessary unpaid leave to respond to emergencies consistent with state and federal law.

An employee who takes leave under this policy should provide the Company with a written statement from the supervisor of the employee's department, squad, or agency stating that the employee responded to an emergency and listing the time and date of the emergency.

Additionally, the Company provides employees who are injured while acting as emergency service personnel up to twelve (12) months of unpaid leave to recover from such injury consistent with state and federal law. Such leave may run concurrently with the Family and Medical Leave

Act and/or any other leave where permitted by state and federal law. Employees taking such leave must provide appropriate documentation, including:

- A written statement from the supervisor, acting supervisor, or director of the volunteer fire department, rescue squad, emergency medical services agency, law enforcement agency, or emergency management agency under whose command the employee was on active duty and on assignment with when the injury occurred; and
- A written statement from a licensed and practicing physician stating that the employee is injured and the anticipated date for the employee's return to work.

For more information regarding this leave, please contact Human Resources Department.

Kentucky Pregnant Workers' Act

To assist our employees who are or who become disabled, or experience limitations related to pregnancy, childbirth, or a related medical condition, the Company will make reasonable accommodations as to enable such employees to continue performing the essential functions of their jobs or to enable them to enjoy all the benefits of employment. The specific accommodation offered will depend on the specific facts and circumstances of the employee's job and any actual limitations. Possible accommodations include, but are not limited to, modification of job duties to comply with medical requirements or restrictions, modification of policies and procedures, leaves of absence for a definite duration or reduced schedules for a finite duration. Transfer to a vacant position for which the employee is qualified also may be appropriate, depending upon specific facts and circumstances of individual situations. For individuals needing an accommodation for limitations related to pregnancy, childbirth, or related medical conditions, accommodations may include, but are not limited to more frequent or longer breaks; time off to recover from childbirth, acquisition or modification of equipment; appropriate seating; temporary transfer to a less strenuous or less hazardous position; job restructuring; light duty; modified schedule; or private space that is not a bathroom for expressing breast milk. Obviously, there are limits to the accommodations which we can realistically make. For example, where an accommodation would cause an undue hardship to the Company, we would be unable to make the particular accommodation. Similarly, where placing an individual in a position, with or without accommodation, would cause the employee to be a direct threat to the employee or others, we may be unable to place the employee in a particular position. If you need to request a reasonable accommodation because of a disability or on-the-job injury, please contact Human Resources Department. The Company will discuss the matter with you and attempt to reasonably accommodate you.

You have the right to request, and the Company will provide, accommodations required for employees to express breast milk as necessary. Employees should notify their manager or General Manager to request accommodations to express breast milk under this policy. The Company will provide a reasonable amount of break time to accommodate a female employee's need to express breast milk for the employee's infant child. The break time should, if possible, be taken concurrently with meal and rest periods already provided. Non-exempt employees should clock out for additional lactation breaks that do not run concurrently with normally scheduled meal and rest periods. Such additional breaks will be unpaid. The Company will provide employees

needing to express breast milk with a room or place, other than a restroom, to express breast milk in private.

Workplace Violence Policy

The Company has a zero-tolerance policy for violent acts or threats of violence against our employees, applicants, customers, or vendors.

We do not allow fighting, threatening words, or conduct. No employee may commit or threaten to commit any violent act against a co-worker, applicant, customer, or vendor. This includes discussions of the use of dangerous weapons, such as bombs, guns, or knives, even in a joking manner.

Employees who are subjected to or threatened with violence by a co-worker, customer or vendor, or are aware of another individual who has been subjected to or threatened with violence, are to report this information to their supervisor, or **Human Resources Department** as soon as possible.

All threats should be taken seriously. Please bring all threats to our attention so that we can deal with them appropriately. All threats will be thoroughly investigated, and all complaints which are reported to management will be treated with as much confidentiality as possible.

Possession, use or sale of weapons, firearms, or explosives on work premises, while operating Company machinery, equipment, or vehicles for work-related purposes or while engaged in Company business off premises is forbidden except where expressly authorized by the Company and permitted under state or local laws. This policy applies to all employees, including but not limited to, those who have a valid permit to carry a firearm. This policy does not apply to firearms stored in the employee's locked motor vehicle.

Employees who are aware of violations or threats of violations of this policy are required to report such violations or threats of violations to, the Safety Department and/or Human Resources Department.

Expense Reimbursement

The Company reimburses employees for business expenses reasonably incurred in performing their duties. Reimbursement for any expense will only be made upon the employee's timely submission of a request for reimbursement along with sufficient documentation such as receipts. It is the employee's responsibility to seek reimbursement for business expenses, as the Company can only reimburse expenses for which it receives a request and sufficient documentation.

Exempt employees may be provided time off with pay for any of the above described leaves when necessary to comply with state and federal wage and hour laws.

Please coordinate your return to work with your supervisor.

Court Attendance, Witness and Crime Victim Leave – The Company provides unpaid leave for employees who are subpoenaed to attend or participate in court proceedings, or prepare for court proceeding in accordance with applicable law, including reasonable time requested by a prosecuting attorney to participate in the preparation of criminal proceedings when the employee is a victim of a crime or the representative of a crime victim, or when the employee's attendance at a criminal justice proceeding is reasonably necessary to protect the interests of the crime victim. Employees are expected to provide the Company with as much notice as possible of the need to take leave under this policy.

Voting Leave – In circumstances where an Employee's work schedule does not provide them at least two (2) hours of continuous off-duty time during the time polls are open, the Company will provide a reasonable amount of paid time off during scheduled work time, up to two (2) hours, for the Employee to vote. Employees who need time off to vote should notify their supervisor and the **Human Resources Department** as soon as possible, and the Company requires such Employees to present written proof that they voted, such as a voting sticker. The Company reserves the right in its sole discretion to specify a time period during which the polls are open, for Employees to leave work to vote.

Family Military Leave

An eligible employee may take unpaid leave from work on the day that an immediate family member (spouse, parent, stepparent, child, stepchild, or sibling) of the employee is leaving for, or returning from, active duty outside the United States as a member of the Armed Forces of the United States. The Company will not require eligible employees to use any compensatory, sick, or vacation leave available when taking leave under this policy.

To be eligible for family military leave, an employee must work full- or part-time, have been employed by the Company for the last twelve (12) months, and worked 1,250 hours during the last 12-month period. For purposes of this policy, an immediate

family member includes an employee's child, spouse, or parent. Employees who have accrued more than one type of paid time off may elect the type and amount of paid time off to be used.

The amount of leave is limited to actually earned leave or time off. Employees will not be permitted to take advances on their sick leave or time off benefits to use for flexible family leave. To use paid leave under this policy, eligible Employees should comply with the Company's normal procedures for the applicable paid-leave policy (e.g., call-in procedures, advance notice, etc.). The Company will not discriminate, retaliate or take any adverse employment action against an employee for use of leave under this policy.

Adoption Leave

The Company provides paid leave to Employees who are adoptive parent or a stepparent, at the time of birth or initial placement of a child, under the same terms and conditions as the Company provides such leave to biological parents, as set forth by Maryland Law. The Company will provide unpaid leave for eligible employees to serve as organ or bone marrow donors. Employees are eligible for leave if they have worked for the Company for at least a 12-month period and at least 1,250 hours during the previous twelve (12) months. Eligible employees can take up to sixty (60) business days of unpaid leave in any 12-month period to serve as organ donors and up to thirty (30) business days of unpaid leave in any 12-month period to serve as bone marrow donors.

The Company will not count time spent on donor leave as a break in continuous service for the purposes of determining eligible employees' right to salary adjustments, sick leave, time off, other types of leave, or seniority. Employees must provide the Company with a physician's written verification, as a condition for taking donor leave, regarding their status as an organ or bone marrow donor and the medical necessity of their organ or bone marrow donation.

Leave provided pursuant to this policy will not run concurrently with leave provided under the Federal Family and Medical Leave Act (FMLA) and will be provided in addition to any leave for which you may be eligible under FMLA. While on leave, the Company will maintain health care coverage in the same manner as if the employee continued working. Leave provided will not be considered a break in service for purposes of salary adjustments, sick leave, accrued paid leave, annual leave or seniority, to the extent applicable.

Pregnancy Accommodation

The Company, consistent with state law, will provide reasonable accommodations to employees for pregnancy-related disabilities, to the extent the accommodation can be made without imposing an undue hardship on the business.

When an employee requests a reasonable accommodation, the Company will explore with the employee the possible means of providing the reasonable accommodation, which may include:

- changing the employee's job duties;
- changing the employee's work hours;
- relocating the employee's work area;
- providing mechanical or electrical aids;
- transferring the employee to a less strenuous or less hazardous position; or
- providing a leave of absence.

In connection with a request for an accommodation, the Company may require the employee to provide certification supporting the need for a reasonable accommodation.

If leave is provided as a reasonable accommodation, such leave may run concurrently with the Federal Family and Medical Leave Act and/or any other leave permitted by state and federal law.

For more information, or if you require an accommodation, please contact **the Human Resources Manager**.

Paid Sick and Safe Leave

This policy applies to any Employees who are ineligible for the Company's PTO as detailed in the Employee Handbook. To the extent there is any conflict between this policy and the Company's PTO policy, the Company will provide the greater of the two benefits. At the commencement of employment, employees who regularly work at least twelve (12) hours per week being accruing paid sick and safe leave (collectively referred to as "paid sick leave") at a rate of not less than one (1) hour per every thirty (30) hours worked. Paid sick leave is calculated based on the anniversary year. Employees can earn up to forty (40) hours of paid sick leave per anniversary year, and accrue up to sixty-four (64) hours of earned sick and safe leave in total. Employees may begin using earned paid sick leave after completing 106 days of employment.

Employees may carry over any unused earned paid sick leave from one year to the next, up to a maximum of forty (40) hours. Employees may not use more than sixty-four (64) hours of paid sick leave in a year or maintain more than sixty-four (64) hours of leave at any point.

Earned paid sick leave may be used for:

1. An Employee's mental or physical illness, injury, or condition;
2. An Employee's family member's mental or physical illness, injury, or condition;
3. To obtain preventative medical care for the Employee or the Employee's family member;
4. For maternity or paternity leave;

6. Any other reason allowed by law.

As used in this policy, the term "family member" includes the following individuals whether biological, adopted, foster or step: parent of the employee or the employee's spouse (including legal guardian or ward, or individual who acted as a parent or stood in loco parentis to the Employee or the Employee's spouse when the Employee or the Employee's spouse was a minor), child (including a child for whom the Employee has legal or physical custody or guardianship or a child for whom the Employee stands in loco parentis regardless of the child's age), spouse, grandparent, grandchild or sibling.

Paid sick leave can be taken in four-hour minimum increments and will be compensated at the Employee's normal wage rate and with the same benefits as the Employee earns during work hours.

When the need for paid sick leave is foreseeable, Employees must provide advance notice of the need for leave, at least seven days in advance. When the need for paid sick leave is not foreseeable, Employees must provide notice as soon as practicable and in compliance with the Company's notice requirements for requesting leave. Employees are expected to use paid sick leave for the purposes specified in this policy. Employees improperly using paid sick leave will be subject to disciplinary action.

The Company may require Employees using paid sick leave lasting longer than two (2) consecutive shifts to provide verification that leave was used for purposes allowed under this policy. Employees also agree that they will provide verification for any leave taken between their 107th and 120th calendar day of employment. Generally, leave will be paid at the employee's normal wage rate for the period of time in which sick leave is used, and with continuation of the same benefits as the employee normally earns during work hours. Please contact **the Human Resources Manager** if you have questions regarding payment of leave specific to your pay plan.

Unused earned paid sick leave will not be paid out at the end of employment. Employees separated from employment and rehired within 37 weeks will have any previously unused earned paid sick leave reinstated upon re-employment.

This leave may run concurrently with the federal Family and Medical Leave Act and/or any other leave where permitted by state and federal law.

An Employee who believes that the Company has violated this policy may file a written complaint with the Commissioner of Labor and Industry or bring civil suit pursuant to Maryland law.

The Company will not take adverse action against an Employee for taking or requesting earned paid sick leave in accordance with law. Further, the Company will not take adverse action against an Employee making a complaint, bringing an action, or testifying in an action related to paid sick leave.

This policy will be interpreted and enforced consistent with applicable law. To the extent this policy is or appears to be inconsistent with applicable law, applicable law will govern.

Employees may be required to provide certification from a civil air patrol authority of eligibility for the requested leave.

Employees may choose to use accrued paid time off to run concurrently when taking leave under this policy.

Parental Leave

The Company provides eligible employees the opportunity to take unpaid, job-protected leave for certain specified reasons under the Maryland Parental Leave Act (MPLA). The maximum amount of leave under this policy that an employee may use is six (6) weeks within a twelve (12) month period.

Employee Eligibility

To be eligible for MPLA leave, you must:

- Have worked at least twelve (12) months for the Company in the preceding seven (7) years (limited exceptions apply to the seven-year requirement);
- Have worked at least 1,250 hours for the Company over the preceding twelve (12) months; and
- Currently work at a location where there are at least fifteen (15) employees within seventy-five (75) miles.

Conditions Triggering Leave

MPLA leave may be taken for the following reasons:

- Birth of a child, or to care for a newly-born child (up to six (6) weeks);
- Placement of a child with the employee for adoption or foster care (up to six(6) weeks);

The maximum amount of leave that may be taken in a twelve (12) month period for all reasons combined is six (6) weeks. The Company may require employees to take MPLA concurrently with leave under the Federal Family Medical Leave Act to the extent applicable.

Identifying the 12-Month Period

The Company measures the twelve (12) month period in which leave is taken by the “rolling” twelve (12) month method, measured backward from the date of any MPLA leave.

Additionally, MPLA leave for the birth or placement of a child for adoption or foster care must be concluded within twelve (12) months of the birth or placement.

Use of Accrued Paid Leave

Depending on the purpose of your leave request, you may choose (or the Company may require you) to use accrued paid leave (such as sick leave, vacation, or paid time off), concurrently with some or all of your MPLA leave. To use paid leave for MPLA leave, an eligible employee must comply with the Company's normal procedures for the applicable paid-leave policy (e.g., call-in procedures, advance notice, etc.).

Maintenance of Health Benefits

If you and/or your family participate in our group health plan, the Company will maintain coverage during your MPLA leave on the same terms as if you had continued to work. If applicable, you must make arrangements to pay your share of health plan premiums while on leave. In some instances, the Company may recover premiums it paid to maintain health coverage or other benefits for you and your family. Use of MPLA leave will not result in the loss of any employment benefit that accrued prior to the start of your leave. Consult the applicable plan document for further information regarding eligibility, coverage and benefits.

Notice

When seeking MPLA leave, employees are required to provide sufficient information for the Company to determine whether the requested leave may qualify for MPLA leave, and the anticipated timing and duration of the leave. If the need for leave is foreseeable, this information must be provided thirty (30) days in advance of the anticipated beginning date of the leave. If the need for leave is not foreseeable, this information must be provided as soon as is practicable and in compliance with the Company's normal call-in procedures, absent unusual circumstances. Employees taking MPLA leave will also be required to provide periodic reports as deemed appropriate during the leave regarding the employee's status and intent to return to work.

Failure to comply with the foregoing requirements may result in delay or denial of leave, or disciplinary action, up to and including termination. You should speak directly with **the Human Resources Manager** prior to taking a leave to ensure your understanding of all of your obligations to the Company while on leave, such as reporting and verification obligations. Failure to comply with this policy may substantially affect your ability to return to work.

Employer Responsibilities

To the extent required by law, the Company will inform employees whether they are eligible under the MPLA. Should an employee be eligible for MPLA leave, the Company will provide him or her with a notice that specifies any additional information required as well as the employee's rights and responsibilities. If employees are not eligible, the Company will provide a reason for the ineligibility. The Company will also inform employees if leave will be designated as MPLA-protected and, to the extent possible, note the amount of leave counted against the

employee's leave entitlement. If the Company determines that the leave is not MPLA-protected, the Company will notify the employee.

Job Restoration

Upon returning from MPLA leave, eligible employees will typically be restored to their original job or to an equivalent job with equivalent pay, benefits, and other employment terms and conditions.

Failure to Return After MPLA Leave

Employees who fail to return to work as scheduled after MPLA leave or exceed the six (6) weeks of MPLA, will be subject to the Company's standard leave of absence and attendance policies. This may result in termination if you have no other Company-provided leave available to you that applies to your continued absence. Likewise, following the conclusion of your MPLA leave, the Company's obligation to maintain your group health plan benefits ends (subject to any applicable COBRA rights).

Other Employment

The Company generally prohibits employees from holding other employment. This policy remains in force during all leaves of absence including MPLA leave and may result in disciplinary action, up to and including immediate termination of employment.

Fraud

Providing false or misleading information or omitting material information in connection with an MPLA leave will result in disciplinary action, up to and including immediate termination.

Compliance with MPLA and Employee Rights

MPLA makes it unlawful for any employer to interfere with, restrain, or deny the exercise of any right provided under MPLA, or discharge or discriminate against any person for opposing any practice made unlawful by MPLA or for involvement in any proceeding under or relating to MPLA. The Company encourages employees to bring any concerns or complaints about compliance with MPLA to the attention of **the Human Resources Manager**. Further, MPLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.

Limited Nature of This Policy

This policy should not be construed to confer any express or implied contractual relationship or rights to any employee not expressly provided for by MPLA. The Company may modify this or any other policy as necessary, in its sole discretion to the extent permitted by law. State or local leave laws may also apply.

Wage Disclosure Protection

Consistent with Maryland law, the Company will not take an adverse employment action against an Employee for: inquiring about, discussing or disclosing wages of the Employee or another Employee which have been disclosed voluntarily; requesting that the Company provide a reason for the Employee's wages; or aiding or encouraging another Employee's exercise of his or her rights.

Upon request from an applicant or employee, the Company will provide such individual with the wage range for the position for which the applicant or employee has applied. The Company will not discriminate or retaliate against an individual for making such request.

Nothing in this policy permits an Employee to discuss or disclose the wages of another Employee without that Employee's prior permission unless doing so is in response to a complaint or charge or in furtherance of an investigation, proceeding, hearing, or legal action, including an investigation conducted by the Company. Further, Employees are not permitted to disclose proprietary information, trade secret information, or information that is otherwise subject to legal privilege or protection or to disclose wage information to a competitor of the Company without the prior written consent of the Company.

Additionally, nothing in this policy requires the Company or an Employee to disclose wages in response to an inquiry by another Employee.

Nothing in this policy will be interpreted, applied or enforced in a manner that interferes with, restrains or coerces employees in the exercise of their Section 7 rights under the National Labor Relations Act.

Alcohol and Drug Policy

In addition to the provisions of the Drug-Free Workplace policy in the Company's Employee Handbook, please note that although the state has decriminalized the use of cannabis or THC-containing products for medicinal purposes, the Company does not permit the use of cannabis or THC-containing products in the workplace. Use of cannabis or THC-containing products on Company property or while engaged in work-related activities is strictly prohibited and may result in discipline, up to and including immediate discharge.

In compliance with Maryland law, the Company may require employees to be tested for the use of drugs and/or alcohol for a legitimate business purpose, including based on a reasonable suspicion that an employee is engaged in work-related activities under the influence of drugs or alcohol in violation of the Alcohol and Drug Policy.

The Company will collect any samples or specimens in compliance with Maryland law and, upon request of the employee, will provide the name and address of the laboratory that will conduct the test. In compliance with Maryland law, an employee who tests positive for use of drugs or alcohol in violation of the Alcohol and Drug Policy will receive, within thirty (30) days

from date of when the test was performed, (1) a copy of the laboratory test results, (2) a copy of the Company's Alcohol and Drug Policy, (3) a statement showing the type of discipline the Company intends to take, if any, and (4) a statement indicating that the employee has the right to seek independent confirmation of the drug test at his or her own expense. The Company will maintain the confidentiality of all relevant and related records in full compliance with federal and state law.

Exempt employees may be provided time off with pay for any of the above-described leaves where necessary to comply with state and federal wage and hour laws.

The Company is cognizant of and complies with the requirements under M.G.L. c. 151B, including but not limited to the Massachusetts Criminal Records Statute, M.G.L. c. 151B, § 4(9), which prohibits an employer from taking an adverse employment action against an applicant or Employee because of criminal history information the employer obtained unlawfully.

Further examples of prohibited sexual harassment, in addition to those articulated in the federal handbook, include harassment based on gender, and sexual orientation. By way of illustration only, and not limitation, some examples of such behavior include:

- physical or verbal abuse concerning an individual's actual sex or the perception of the individual's sex; and
- verbal abuse concerning a person's characteristics such as vocal pitch, facial hair or the size or shape of a person's body.

Policy Against Unlawful Sexual Harassment

It is the goal of the Company to promote a workplace that is free of sexual harassment. Sexual harassment of employees occurring in the workplace or in other settings in which employees may find themselves in connection with their employment is unlawful and will not be tolerated by this organization. Further, any retaliation against an individual who has complained about sexual harassment or retaliation against individuals for cooperating with an investigation of a sexual harassment complaint is similarly unlawful and will not be tolerated. To achieve our goal of providing a workplace free from sexual harassment, the conduct that is described in this policy will not be tolerated and we have provided a procedure by which inappropriate conduct will be dealt with, if encountered by employees. Because the Company takes allegations of sexual

harassment seriously, we will respond promptly to complaints of sexual harassment and where it is determined that such inappropriate conduct has occurred, we will act promptly to eliminate the conduct and impose such corrective action as is necessary, including disciplinary action where appropriate. Please note that while this policy sets forth our goals of promoting a workplace that is free of sexual harassment, the policy is not designed or intended to limit our authority to discipline or take remedial action for workplace conduct which we deem unacceptable, regardless of whether that conduct satisfies the definition of sexual harassment.

Definition of Sexual Harassment

In Massachusetts, the legal definition for sexual harassment is this: "sexual harassment" means sexual advances, requests for sexual favors, and verbal or physical conduct of a sexual nature when: a. submission to or rejection of such advances, requests or conduct is made either explicitly or implicitly a term or condition of employment or as a basis for employment decisions; or, b. such advances, requests or conduct have the purpose or effect of unreasonably interfering with an individual's work performance by creating an intimidating, hostile, humiliating or sexually offensive work environment. Under these definitions, direct or implied requests by a supervisor for sexual favors in exchange for actual or promised job benefits such as favorable reviews, salary increases, promotions, increased benefits, or continued employment constitutes sexual harassment. The legal definition of sexual harassment is broad and in addition to the above examples, other sexually oriented conduct, whether it is intended or not, that is unwelcome and has the effect of creating a work place environment that is hostile, offensive, intimidating, or humiliating to male or female workers may also constitute sexual harassment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct which if unwelcome, may constitute sexual harassment depending upon the totality of the circumstances including the severity of the conduct and its pervasiveness:

- Unwelcome sexual advances -- whether they involve physical touching or not;
- Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life; comment on an individual's body, comment about an individual's sexual activity, deficiencies, or prowess;
- Displaying sexually suggestive objects, pictures, cartoons;
- Unwelcome leering, whistling, brushing against the body, sexual gestures, suggestive or insulting comments;
- Inquiries into one's sexual experiences, and
- Discussion of one's sexual activities.

All employees should take special note that, as stated above, retaliation against an individual who has complained about sexual harassment, and retaliation against individuals for

cooperating with an investigation of a sexual harassment complaint is unlawful and will not be tolerated by this organization.

Complaints of Sexual Harassment

If any of our employees believes that he or she has been subjected to sexual harassment, the employee has the right to file a complaint with our organization. This may be done in writing or orally. If you would like to file a complaint you may do so by contacting the Human Resources Department. This person is also available to discuss any concerns you may have and to provide information to you about our policy on sexual harassment and our complaint process.

Sexual Harassment Investigation

When we receive the complaint we will promptly investigate the allegation in a fair and expeditious manner. The investigation will be conducted in such a way as to maintain confidentiality to the extent practicable under the circumstances. Our investigation will include a private interview with the person filing the complaint and with witnesses. We will also interview the person alleged to have committed sexual harassment. When we have completed our investigation, we will, to the extent appropriate inform the person filing the complaint and the person alleged to have committed the conduct of the results of that investigation. If it is determined that inappropriate conduct has occurred, we will act promptly to eliminate the offending conduct, and where it is appropriate we will also impose disciplinary action.

Disciplinary Action

If it is determined that inappropriate conduct has been committed by one of our employees, we will take such action as is appropriate under the circumstances. Such action may range from counseling to termination from employment, and may include such other forms of disciplinary action as we deem appropriate under the circumstances.

State and Federal Remedies

In addition to the above, if you believe you have been subjected to sexual harassment, you may file a formal complaint with either or both of the government agencies set forth below. Using our complaint process does not prohibit you from filing a complaint with these agencies. Each of the agencies has a short time period for filing a claim (EEOC - 300 days; MCAD - 300 days).

Paid Sick Leave

This policy applies to any Employees who are ineligible for the Company's PTO as detailed in the Employee Handbook. To the extent there is any conflict between this policy and the Company's PTO policy, the Company will provide the greater of the two benefits.

Policy:

The Company provides up to forty (40) hours of paid sick leave per calendar year and this policy is intended to comply with all requirements under the Massachusetts Earned Sick Time Law, G.L. c. 149, § 148C for Massachusetts Employees.

This policy covers exempt, part-time, and temporary employees. Employees must have been employed for ninety (90) days before they can begin using their accrued sick leave, even though they actually begin accruing the leave itself at the commencement of employment.

Eligible Employees will accrue one (1) hour of sick leave for every thirty (30) hours worked during each 12-month period. The Company defines a twelve (12)-month period for purposes of this policy only as running from **January 1 to December 31; July 1 to June 30, other**. After successfully completing ninety (90) days of employment, eligible Employees may begin to use sick leave for the purposes described below, as it is accrued up to a maximum of forty (40) hours during each 12-month period. A maximum of forty (40) hours of accrued unused sick leave will carry over at the end of each 12-month period. However, accrued unused time under this policy has no monetary value and is not paid out at the time of separation from employment.

Use of Leave:

- 1) Notwithstanding the allowable reasons for the use of paid sick leave set forth the Employee Handbook, all employees in Massachusetts may also use paid sick leave for any of the following reasons: to care for the Employee's child, spouse, parent, or parent of a spouse, who is suffering from a physical or mental illness, injury, or medical

- condition that requires home care, professional medical diagnosis or care, or preventative medical care; or
- 2) to care for the Employee's own physical or mental illness, injury, or medical condition that requires home care, professional medical diagnosis or care, or preventative medical care; or
 - 3) to attend the Employee's routine medical appointment or a routine medical appointment for the Employee's child, spouse, parent, or parent of spouse; or
 - 4) to address the psychological, physical or legal effects of domestic violence; or
 - 5) to travel to and from an appointment, a pharmacy, or other location related to the purpose for which the time was taken.

Employees requesting time off under this policy must provide as much advance notice as possible, if the need for leave is foreseeable. Where the need for sick leave is unforeseeable, Employees must provide notice as soon as practicable.

The Company may require appropriate certification of leave under this policy when a leave: 1) exceeds twenty-four (24) consecutively scheduled work hours; 2) exceeds 3 consecutive work days; 3) occurs within two (2) weeks prior to an Employee's final scheduled day of work before termination (except in the case of temporary Employees); or 4) occurs after four (4) unforeseeable and undocumented absences within a three (3)-month period. However, the Company will not delay the taking of earned sick time pay or delay pay for the period in which earned sick time was taken for Employees on the basis that the Company has not yet received the certification.

The Company encourages Employees to take time off under this policy and prohibits interference with any rights under this policy or retaliation against an Employee for taking time off under this policy. For more information regarding this policy or to report any concerns or issues regarding this policy, Employees should contact **Human Resources Department**.

Employees will accrue sick and safe leave at the rate of one (1) hour for every thirty (30) hours worked, up to a maximum of forty-eight (48) hours accrued per year. Accrued and unused hours carry over into future years, up to a maximum of eighty (80) hours accrued overall. When the eighty (80)-hour overall limit is reached, accrual immediately stops until usage occurs, at which time accrual restarts (until either the yearly

or overall limit is reached). When the forty-eight (48)-hour yearly limit is reached, accrual does not restart until the following year. The terms under which Employees are permitted to use this leave are set forth below.

For employees who work more than 80 hours in the city limits of Bloomington, Minneapolis or St. Paul or for employees who perform work within the geographic boundaries of the city of Duluth for more than 50 percent of the employee's working time in a 12-month period (or in accordance with the eligibility requirements of any other municipality or unit of local government that enacts a paid Sick and Safe Time ordinance or law), the Company will follow the statute or ordinance that provides the most benefits or protection to an eligible employee.

7. To accommodate the employee's need to care for a family member whose school or place of care has been closed by order of a public official to limit exposure to an infectious agent, biological toxin, or hazardous material or other public health emergency; or

The meal period will be a thirty (30) minute unpaid meal period, which should, to the extent possible, be taken between the 3rd and 5th hour of the employee's work shift. An employee taking this meal period is required to clock in and out for the meal period or record the start and end time of the meal period on the employee's timesheet at the end of each work shift. An employee may not work through the designated thirty (30) minutes unpaid meal period and work more than eight (8) hours in a day without the supervisor's prior approval.

An eligible employee is expected to schedule the rest periods at the employee's own discretion under these guidelines, unless instructed otherwise by a supervisor. Rest periods may not be combined with meal periods. As used in this rest-periods policy, the term "non-exempt" employee excludes individuals employed in bona fide executive, administrative, or professional capacity, or a salesperson who conducts no more than twenty (20) percent of sales on the premises of the Company, as defined under Minnesota law.

Rest periods are counted as hours worked, and thus, the employee is not required to clock out. The Company will not discharge, discipline, penalize, interfere with, threaten, restrain, coerce, or otherwise retaliate or discriminate against an employee for asserting rights or remedies under this policy.

To the extent an accommodation can be provided without imposing an undue hardship on the business, the Company will provide reasonable accommodations to an employee for the health conditions related to pregnancy or childbirth upon request, with the advice of a licensed health

care provider or certified doula, unless the accommodation would impose an undue hardship on the operation on the Company's business. However, a pregnant employee will not be required to obtain the advice of a licensed health care provider or certified doula and the Company may not claim undue hardship for the following accommodations: (1) more frequent restroom, food, and water breaks; (2) seating; and (3) limits on lifting over twenty (20) pounds.

- temporary transfer to a less strenuous or hazardous position
- temporary leave of absence
- modification in work schedule or job assignments
- seating accommodations;
- allowing more frequent or longer breaks; and

The Company will not require an employee to take a leave or accept an accommodation. The Company will not discharge, discipline, penalize, interfere with, threaten, restrain, coerce, or otherwise retaliate or discriminate against an employee for asserting rights or remedies under this policy. Pregnancy and Parenting Leave

In accordance with Minnesota law, the Company provides up to twelve (12) weeks of unpaid parental leave to an employee who performs services for hire for the Company (but not an

independent contractor). Leave under this policy is available to an employee who is a biological or adoptive parent in conjunction with the birth or adoption of a child, or a female employee for prenatal care, or incapacity due to pregnancy, childbirth, or related health conditions.

The length of the leave will be determined by the employee, but it must not exceed twelve (12) weeks, unless agreed to by the Company. The leave will begin at a time requested by the employee. For leave taken by a biological or adoptive parent in conjunction with the birth or adoption of a child, the leave must begin within twelve (12) months of the birth or adoption, except that, in the case where the child must remain in the hospital longer than the mother, the leave must begin within twelve (12) months after the child leaves the hospital. An employee requesting leave under this policy is required to provide as much reasonable notice (including as much advanced notice as possible) of the start of leave and the estimated duration of the leave (*i.e.*, the anticipated date of return). If the leave request is for more than one (1) month, an employee must notify a supervisor and **Human Resources** at least two (2) weeks prior to returning from such leave.

Upon return from leave under this policy, an employee will be placed in the position held when the leave commenced or in a position of comparable duties, number of hours, and pay, unless the Company experiences a layoff and the employee would have lost the position the employee had had the employee not been on leave, pursuant to the good faith operation of a bona fide layoff and recall system (if any), in which case the employee will not be reinstated. An employee who is not reinstated retains all rights under the Company's layoff and recall policies and procedures (if any), as if the employee had not taken the leave.

An employee returning from a leave of absence under this policy is entitled to return to employment at the same rate of pay the employee had been receiving when the leave commenced, plus any automatic adjustments in the employee's pay scale that occurred during leave period. The employee returning from a leave is entitled to retain all accrued pre-leave benefits of employment and seniority (if applicable), to the extent such exists, as if there had been no interruption in service, provided that nothing in this policy prevents the accrual of benefits or seniority (if applicable) during the leave pursuant to any agreement between the Company and the employee(s).

An employee, by agreement with the Company, may return to work part time during the leave period without forfeiting the right to return to employment at the end of the leave period.

If an employee requesting leave under this policy, and/or the employee's family participate in the Company's group insurance policy, group subscriber contract, or health care plan for the employee and any dependents, the Company will maintain coverage during the leave on the same terms as if the employee had continued to work. But the Company is not required to pay the costs of the insurance or health care while the employee is on leave of absence, and under such circumstances, the employee is required to make arrangements to pay the employee's share of applicable health plan premiums while on leave. In some instances, the Company may recover the amount of any premiums paid to maintain health coverage or other benefits for the requesting employee or the employee's family.

Leave under this policy may run concurrently with the federal Family and Medical Leave Act and/or any other leave where permitted by applicable law. The length of leave provided under this policy may be reduced by any period of: (1) paid parental, disability, personal, medical, or sick leave, or accrued vacation provided by the Company so that the total leave does not exceed

twelve (12) weeks, unless agreed to by the Company; or (2) leave taken for the same purpose by the employee under the Family and Medical Leave Act.

The Company will not retaliate against an employee for requesting or obtaining a leave of absence as provided by this policy. A person injured by a violation of this policy or Section 181.941 may bring a civil action to recover any and all damages recoverable at law, together with costs and disbursements, including reasonable attorney's fees, and may receive injunctive and other equitable relief as determined by a court.

If you have any questions regarding this leave of absence, please contact **Human Resources**.

The Company provides leave to Employees who are adoptive parents at the time of birth or initial placement for adoption of a child, under the same terms and conditions as the Company provides such leave to biological parents. If you have any questions regarding this leave of absence, please contact the Human Resources Department

Leave for Victims or Witnesses of Crime

The Company also provides an employee who is a victim of a violent crime or is the victim's spouse or immediate family member, reasonable unpaid time off from work to attend criminal proceedings related to the victim's case. An employee requesting leave shall give forty-eight (48) hours' advance notice, unless impracticable or an emergency prevents the employee from doing so. An employee is required to provide documentation to support a request for leave under this policy. The Company will take all reasonable steps to maintain confidential the information that an employee provides in connection with a leave request under this policy. The Company also will not discharge, discipline, threaten, otherwise discriminate against, or penalize an employee regarding the employee's compensation, terms, conditions, location, or privileges of employment, because the employee took reasonable time off from work to attend a criminal proceeding pursuant to this policy and the applicable law. For more information regarding this leave please contact Human Resources.

School Conference and Activities Leave

The Company provides school conference and activities leave to an eligible employee, meaning a person (but not an independent contractor) who performs services for hire for the Company for an average number of hours per week equal to one-half the full-time equivalent position in the employee's job classification as defined by the Company's personnel policies or practices, during the twelve (12) month period immediately preceding the leave. The Company provides up to sixteen (16) hours of leave during any twelve (12) month period to eligible Employees who have children (including foster children) enrolled in grades K-12 and who work an average of at least one half of the hours of full-time status. Leave under this policy is provided to Employees to attend school conferences or school related activities when such activities

cannot be scheduled during the non-work hours. As used in this policy, child includes a foster child, and child means an individual under eighteen (18) years of age or an individual under age twenty (20) who is still attending secondary school.

If the eligible employee's child receives child-care services (as defined below in this policy) or attends a prekindergarten regular or special education program, the employee may use the leave time provided in this policy to attend a conference or activity related to the employee's child, or to observe and monitor the services or program, provided the conference, activity, or observation cannot be scheduled during nonwork hours. As used in the preceding sentence, child-care services mean the provision of child care, and child care means the care of a child by someone other than a parent, stepparent, legal guardian, eligible relative caregiver, or any of such persons' spouses in or outside the child's own home for gain or otherwise, on a regular basis, for any part of a twenty-four (24) hour day. When the leave available under this policy cannot be scheduled during nonwork hours and the need for the leave is foreseeable, the eligible employee must provide reasonable prior notice of the leave to Human Resources and make a reasonable effort to schedule the leave so as not to disrupt unduly the Company's operations. Team members are required to provide as much advanced notice as possible, and to work with their supervisors to schedule the leave so as not to unduly disrupt the Company's operations. For more information regarding this leave please contact the **Human Resources Department**. [

An eligible employee returning from a leave under this policy is entitled to return to employment in that person's former position, unless the Company experiences a layoff and that employee would have lost the position the employee had had the employee not been on leave, pursuant to the good faith operation of a bona fide layoff and recall system, in which case the employee will not be reinstated. An employee who is not reinstated retains all rights under the Company's layoff and recall system (if any), as if the employee had not taken the leave.

An eligible employee returning from a leave of absence under this policy is entitled to return to employment at the same rate of pay the employee had been receiving when the leave commenced, plus any automatic adjustments in the employee's pay scale that occurred during leave period. The employee returning from a leave is entitled to retain all accrued pre-leave benefits of employment and seniority (if applicable), to the extent such exists, as if there had been no interruption in service, provided that nothing in this policy prevents the accrual of benefits or seniority (if applicable) during the leave pursuant to any agreement between the Company and the employee(s).

The Company will comply with a written, good faith request as noted above no later than seven (7) working days after receipt of the request if the personnel record is located in Minnesota, or no later than fourteen (14) working days after receipt of the request if the personnel record is located outside of Minnesota. The personnel record or an accurate copy will be made available during the Company's normal hours of operation (not the employee's working hours) at the employee's place of employment or other reasonably nearby location. The Company may require that the review be made in the presence of the Company's designee, such as Human Resources. After review and upon the employee's request, the Company shall provide a copy to the employee at no charge to the employee.

If an employee disputes specific information contained in the personnel record and agreement cannot be reached to remove or revise the disputed information, an employee may submit a written statement specifically identifying the disputed information and explaining the employee's position, with such statement not exceeding five (5) written pages, and the statement will be included in the personnel record (and provided to any other person who receives a copy of the disputed information) for as long as the disputed information is maintained in the employee's personnel record.

Employees who have concerns about requests for review of their personnel record, discrimination or retaliation should promptly contact Human Resources.

Cannabis, Drug and Alcohol Policy, Including Testing

In addition to the provisions of the Drug and Alcohol Testing policy in the Company's Employee Handbook, please note that the Company sets forth further information about its cannabis, drug and alcohol testing policy. To the extent words or phrases below are undefined, the Company directs the employee to consult Minnesota's Drug and Alcohol Testing in the Workplace Act at Minn. Stat. § 181.950, et seq. (also known as DATWA) The Company may test all employees for alcohol, and controlled substances, including heroin, cannabis (in accordance with the amendments to DATWA effective as of August 1, 2023), cocaine, amphetamines, opiates, phencyclidine, barbiturates, and other substances specified by the Minnesota Department of Health. The circumstances under which the Company may conduct such testing involve "reasonable suspicion testing" and "random testing" as set forth below. All testing will be conducted by an independent, certified laboratory. The testing laboratory shall conduct a confirmatory test on any sample that produced a positive test result on an initial screening test.

Nothing in this policy shall be construed to limit the Company's ability to discipline or discharge an employee for cannabis flower, cannabis product, lower-potency hemp edible, or

hemp-derived consumer product use, possession, impairment, sale, or transfer during working hours, on work premises, or while operating an employer's vehicle, machinery, or equipment, or if a failure to do so would violate federal or state law or regulations or cause an employer to lose a monetary or licensing-related benefit under federal law or regulations.

The Company is not required to permit or accommodate cannabis flower, cannabis product, lower-potency hemp edible, or hemp-derived consumer product use, possession, impairment, sale, or transfer while an employee is working or while an employee is on the employer's premises or operating the employer's vehicle, machinery, or equipment.

Reasonable Suspicion Testing. The Company may conduct reasonable-suspicion cannabis, drug or alcohol testing if it reasonably suspects, based on specific facts and rational inferences drawn from those facts, that an employee:

- is under the influence of cannabis, drugs or alcohol;
- has violated the Company's written work rules prohibiting the use, possession, sale, or transfer of drugs or alcohol, cannabis flower, cannabis products, lower-potency hemp edibles, or hemp-derived consumer products while the employee is working, while the employee is on the Company premises or operating the Company's vehicles, machinery, or equipment. Please see the Company's written work rules contained in the Employee Handbook.
- has sustained a personal injury or caused another employee to sustain a personal injury, as the term "personal injury" is defined by Minnesota's Workers Compensation Law, Minn. Stat. § 176.011, subd. 16; or
- has caused a work-related accident or was operating or helping to operate machinery, equipment, or vehicles involved in a work-related accident.

Random Testing for Safety-Sensitive Positions. The Company may randomly test employees who are employed in "safety-sensitive" positions. A safety-sensitive position means a job, including any supervisory or management position, in which an impairment caused by drug or alcohol or cannabis usage would threaten the health or safety of any person. Such testing will be done on a random selection basis meaning a mechanism for selection that results in an equal probability that any employee from a group of employees subject to the selection mechanism will be selected and that does not give the Company discretion to waive the selection of any employee selected under the mechanism.

The Company may also randomly test employees as part of Treatment Program Testing in accordance with Minn. Stat. § 181.951, subd. 6.

Limitations On Cannabis Testing. As to cannabis testing, the following rules will apply to such testing.

(1) The Company will not request or require a job applicant to undergo cannabis testing solely for the purpose of determining the presence or absence of cannabis as a condition of employment unless otherwise required by state or federal law.

(2) Unless otherwise required by state or federal law, the Company will not refuse to hire a job applicant solely because the job applicant submits to a cannabis test or a drug and alcohol test authorized by this section and the results of the test indicate the presence of cannabis.

(3) The Company will not request or require an employee or job applicant to undergo cannabis testing on an arbitrary or capricious basis.

(4) Any cannabis testing will comply with the safeguards for testing employees provided in sections 181.953 and 181.954 of the Minnesota statutes as amended effective August 1, 2023.

Positions Which Are Subject to Cannabis Testing. For the following positions, cannabis and its metabolites are considered a drug and subject to the drug and alcohol testing provisions in sections 181.950 to 181.957 and this policy.

(1) a safety-sensitive position, as defined in section 181.950, subdivision 13;

(2) a peace officer position, as defined in section 626.84, subdivision 1;

(3) a firefighter position, as defined in section 299N.01, subdivision 3;

(4) a position requiring face-to-face care, training, education, supervision, counseling, consultation, or medical assistance to:

(i) children;

(ii) vulnerable adults, as defined in section 626.5572, subdivision 21; or

(iii) patients who receive health care services from a provider for the treatment, examination, or emergency care of a medical, psychiatric, or mental condition;

(5) a position requiring a commercial driver's license or requiring an employee to operate a motor vehicle for which state or federal law requires drug or alcohol testing of a job applicant or an employee;

(6) a position of employment funded by a federal grant; or

(7) any other position for which state or federal law requires testing of a job applicant or an employee for cannabis.

Employee Rights. Before requesting an employee to undergo cannabis, drug or alcohol testing, the Company shall provide the employee with a form on which to acknowledge that the employee has seen the Company's cannabis, drug and alcohol testing policy.

An employee has the right to refuse to undergo drug and alcohol testing. The consequence of a refusal is immediate termination from employment.

If an employee undergoes testing and tests positive for drug use, the Company will provide written notification of the test results and provide notice of the right to explain any positive result. The Company may request that the employee or job applicant indicate any over-the-counter or prescription medications that the employee is currently taking or has recent taken and any other information relevant to the reliability of, or the explanation for, a positive test result. Within three working days after notice of a positive test result on a confirmatory test, the employee or job applicant may submit information to the employer, in addition to any information already

submitted, to explain that result, or may request a confirmatory retest of the original sample at the employee's or job applicant's own expense. An employee may request and receive a copy of the test result report.

The testing laboratory shall conduct a confirmatory test on any sample that produced a positive test result on an initial screening and shall disclose the result to the Company within three working days after a confirmatory retest. Within three working days after receipt of a test result report from the testing laboratory, the Company shall inform an employee of a negative test result on an initial screening test or of a negative or positive test result on a confirmatory test and the right the employee has to request and receive a copy of the test result report.

An employee may request, at the employee's own expense, a confirmatory retest of the original sample after notice of a positive test result on a confirmatory test. Within five working days after receiving notification of a confirmatory test result, the employee shall notify the Company in writing of the employee's intention to obtain a confirmatory retest of the original sample. The Company will notify the original testing laboratory of the confirmatory retest request within three working days after receiving the employee's confirmatory retest request. If the confirmatory retest is negative or does not confirm the original positive test result, no adverse personnel action will be taken against the employee. The Company reserves the right to suspend an employee, without pay, while awaiting the results of a confirmatory test or confirmatory retest and also reserves the right to transfer the employee to another position at the same rate of pay pending the outcome of the confirmatory test or confirmatory retest. An employee who has a negative result on a confirmatory test or confirmatory retest will be reinstated with back pay.

If an employee tests positive (both initially and with confirmation) for cannabis, drug or alcohol use that violates this policy, the Company will offer the employee an opportunity to participate in cannabis, drug or alcohol counseling or a rehabilitation program, at the employee's expense (or as may be covered by the Company's current benefit plan). During the employee's participation in the rehabilitation program and for two years following the completion of the program, the Company may require the employee to undergo cannabis, drug or alcohol testing without prior notice.

An employee shall have access to the information in the employee's personnel file relating to positive test result reports and other information acquired in the cannabis, drug and alcohol testing process and conclusions drawn from and actions taken based on the reports or other acquired information.

The Company may not discharge, discipline, discriminate against, or request or require rehabilitation of an employee on the basis of: (1) a positive test result from an initial screening test that has not been verified by a confirmatory test; and/or (2) medical information revealed to the company pursuant to the employee's submission of information and/or request for a confirmatory retest as provided in this policy, unless the employee was under an affirmative duty to provide the information before, upon, or after hire.

The Company may not discharge an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a cannabis, drug or alcohol test requested by the Company unless the following conditions have been met: (1) the Company has first given the employee an opportunity to participate in, at the Company's own expense or pursuant to coverage under an employee benefit plan, either a cannabis, drug or alcohol counseling

or rehabilitation program, whichever is more appropriate, as determined by the Company after consultation with a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency; and (2) the employee has either refused to participate in the counseling or rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program before its completion or by a positive test result on a confirmatory test after completion of the program.

The Company may not retaliate against an employee for asserting rights and remedies provided under applicable sections of Minnesota's Drug and Alcohol Testing in the Workplace Act ("DATWA"), including rights and remedies as set forth above. There are no other appeal procedures available to an employee, except as set forth in this Cannabis, Drug and Alcohol Policy, Including Testing.

Additional Limitations on Cannabis Testing. The following additional limitations shall apply to cannabis testing:

The Company may discipline, discharge, or take other adverse personnel action against an employee for cannabis flower, cannabis product, lower-potency hemp edible, or hemp-derived consumer product use, possession, impairment, sale, or transfer while an employee is working, on the employer's premises, or operating the employer's vehicle, machinery, or equipment as follows:

(1) if, as the result of consuming cannabis flower, a cannabis product, a lower-potency hemp edible, or a hemp-derived consumer product, the employee does not possess that clearness of intellect and control of self that the employee otherwise would have;

(2) if cannabis testing verifies the presence of cannabis flower, a cannabis product, a lower-potency hemp edible, or a hemp-derived consumer product following a confirmatory test;

(3) as provided in the employer's written work rules for cannabis flower, cannabis products, lower-potency hemp edibles, or hemp-derived consumer products and cannabis testing, provided that the rules are in writing and in a written policy that contains the minimum information required by section 181.952; or

(4) as otherwise authorized or required under state or federal law or regulations, or if a failure to do so would cause an employer to lose a monetary or licensing-related benefit under federal law or regulations.

Confidentiality. The Company will keep confidential test result reports and other information acquired in the cannabis, drug or alcohol testing process and will not disclose such to another employer or third-party individual, governmental agency, or private organization without the written consent of the employee, except that evidence of a positive test result on a confirmatory test may be: (1) used in a judicial proceeding, provided that information is relevant to the hearing or proceeding (except a criminal proceeding against the employee); (2) disclosed to any federal agency or other unit of the United States government as required under federal law, regulation, or order, or in accordance with compliance requirements of a federal government contract; and (3) disclosed to a substance abuse treatment facility for the purpose of evaluation or treatment of the employee.

Exempt employees may be provided time off with pay for any of the above-described leaves when necessary to comply with state and federal wage and hour laws.

The Company may require employees to provide documentation supporting their need for leave. Upon return from leave, the employee will be restored to the same or an equivalent position.

Maintenance of Benefits

If you and/or your family participate in our group health insurance benefits, the Company will maintain coverage during your leave on the same terms as if you had continued to work. If applicable, you must make arrangements to pay your share of health plan premiums while on leave. Use of leave will not result in the loss of any employment benefit that accrued prior to the start of your leave.

Confidentiality & Prohibition Against Discrimination or Retaliation

The Company will keep all information provided by an employee concerning leave, strictly confidential, including the employee's request and approval for leave, the fact that the employee or employee's family member was involved in a domestic incident, and documentation supporting the need for leave, except to the extent otherwise required or allowed by law.

The Company will not discriminate or retaliate against the employee for exercising their rights under this policy.

Pregnancy-Related Conditions

Disabilities caused or contributed to by pregnancy, miscarriage, legal abortion, childbirth and recovery are, for all job-related purposes, temporary disabilities and will be treated as such under any health or temporary disability insurance plan available in connection with employment. Written or unwritten employment policies and practices involving matters such as the commencement and duration of leave, the availability of extensions, the accrual of seniority and other benefits and privileges, reinstatement and payment under any health or temporary disability insurance plan, formal or informal, will be applied to disability due to pregnancy or childbirth on the same terms and conditions as they are applied to other temporary disabilities.

Military Leave

Employees who are members of the Missouri military forces, the national guard of any other state or a reserve component of the U.S. Armed Forces and who are called to active duty are entitled to the same leave and reinstatement rights provided under the Uniformed Services Employment and Reemployment Rights Act (“USERRA”). The Company will not discharge employees, interfere with their military service, or use threats to dissuade employees from enlisting in the state organized militia.

Leave for Victims of Domestic or Sexual Violence

If an employee or their family or household member is a victim of domestic or sexual violence (unless the family or household member’s interests are adverse to the employee on the matter) may take unpaid leave from work to address such violence by 1) seeking medical attention or recovering from physical or psychological injuries relating thereto, 2) obtaining services from a victim’s services organization for the victim or their family/household member relating thereto, 3) obtaining psychological or other counseling for the victim or their family/household member relating thereto, 4) participating in safety planning, relocating, or taking other actions to increase the employee or their family/household member’s safety from future domestic or sexual violence or to ensure economic security, or 5) seeking legal assistance or remedies to ensure health and safety for the employee or their family or household member relating thereto.

In any 12-month period, as defined under the Company’s FMLA plan, employees shall have up to one workweek of leave under this section if the Company has 49 or fewer employees, or two workweeks if the Company has 50 or more employees. Any leave may be taken continuously, intermittently, or on a reduced work schedule, and shall not exceed the amount of unpaid leave allowed under the FMLA, if applicable.

Employees shall provide at least 48 hours’ notice of any leave under this section, unless it is not practicable. The Company may require certification of the employee or their family/household member’s status, and the need for leave. The Company may require the employee to report on their status and intent to return.

An employee may also request a reasonable safety accommodation in response to actual or threatened domestic or sexual violence from circumstances relating to them or their

family/household member being a victim of domestic or sexual violence, following the procedure for seeking accommodations for other reasons.

Nothing in this policy is intended to grant any leave in addition to leave provided by the Family and Medical Leave Act.

Civil Air Patrol Leave

The Company provides up to fifteen (15) days of unpaid leave during each calendar year to eligible employees who serve as members of the civil air patrol and have qualified for a civil air patrol emergency service specialty or who are certified to fly counter narcotics missions for the purpose of engaging in the performance of civil air patrol emergency service duty or counter narcotics missions. In the event that you need to take time off for emergency duty please alert your supervisor in writing as far in advance as possible. You must provide the Company with appropriate documentation evidencing your performance of emergency duty upon returning to work. For more information regarding this leave, please contact **the Human Resources Manager**.

Weapons in the Workplace

Possession, use or sale of weapons, firearms, or explosives on work premises, while operating Company machinery, equipment, or vehicles for work-related purposes or while otherwise engaged in Company business off premises is forbidden except where expressly authorized by the Company and permitted under state or local laws. This policy applies to all employees, including but not limited to, those who have a valid permit to carry a firearm.

This policy does not apply to and does not prohibit lawfully possessed firearms in an employee's personal vehicle so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises.

Employees who are aware of violations or threats of violations of this policy are required to report such violations or threats of violations to their immediate **supervisor** or the **Human Resources Department**. Violations of this policy will result in disciplinary action, up to and including termination.

Alcohol and Drug Policy

In addition to the provision of the Alcohol and Drug Policy in the Company's Employee Handbook, please note that although the state has legalized the use of marijuana for certain medicinal purposes upon the recommendation of a physician and for individuals aged twenty-one and over, the Company is not required to allow the possession or use, of marijuana in the workplace or on Company property for any reason. Marijuana, its use, and/or being under the influence of marijuana are strictly prohibited on Company property or while engaged in work-related activities. Any employee who fails a drug test for marijuana may be subject to discipline, up to and including termination.

Unemployment and Workers' Compensation Benefits

Employees who refuse to submit to a test or who test positive for alcohol or unlawful drugs are subject to termination and may be disqualified for unemployment benefits. Employees who refuse to submit to a test or who test positive for alcohol or unlawful drugs following a workplace injury may be disqualified for workers' compensation benefits.

If a workplace injury has occurred in conjunction with the use of alcohol or unlawful drugs, workers' compensation and/or death benefits may be reduced by fifty percent (50%). Nevada Policies

Equal Employment Opportunity Policy

This policy extends to all aspects of our employment practices, including but not limited to, recruiting, hiring, discipline, termination, promotions, transfers, compensation, benefits, training, leaves of absence, and other terms and conditions of employment.

Reasonable Accommodations

In addition to those categories listed in the Company’s Employee Handbook, and in accordance with Nevada law, the Company will provide a reasonable accommodation for any known employees’ disability; religion; pregnancy, childbirth, or a related medical condition; victims of domestic violence; and nursing mothers; provided the requested accommodation does not create an undue hardship for the Company and/or does not pose a direct threat to the health or safety of others in the workplace and/or to the individual. If you require an accommodation to

perform the essential functions of your job you must notify **the Human Resources Department** in accordance with the policy listed in the Company's Employee Handbook. Once the Company is aware of the need for an accommodation, the Company will engage in an interactive process to identify possible accommodations. If you believe that you have been treated in a manner not in accordance with these policies, please notify the Company immediately by speaking to the **Human Resources Department**. You are encouraged to utilize this procedure without fear of retaliation.

Policy Against Unlawful Harassment, Discrimination, and Retaliation

In addition to the protected statuses listed in the Company's Employee Handbook, and in accordance with Nevada law, the Company strictly prohibits all forms of unlawful harassment, which includes harassment based on sex (including pregnancy, childbirth, or a related medical condition, nursing mothers, victims of domestic violence), race (including hair texture and protective hairstyles), religion, color, gender (including gender identity or expression), sexual orientation, employees who need to express breast milk for an infant child, victims of domestic violence; disability (including human immunodeficiency virus and including the use of an aid, appliance or service animal), or any other protected status in accordance with applicable federal, state, or local laws.

The Company's policy against unlawful harassment, discrimination, and retaliation also applies to all persons involved in the operations of the Company, and prohibits harassment, disrespectful or unprofessional conduct by any employee, including supervisors and managers, as well as vendors, customers, independent contractors, and any other persons.

Examples of Prohibited Sexual Harassment: Among other forms of unlawful harassment, the Company strictly prohibits sexual harassment. Sexual harassment includes a broad spectrum of conduct including harassment based on sex, gender, gender identity or expression, or sexual orientation. By way of illustration only, and not limitation, some examples of unlawful and unacceptable behavior include:

- Physical or verbal abuse concerning an individual's gender, gender identity or gender expression; and
- Verbal abuse concerning a person's characteristics such as pitch of voice, facial hair or the size or shape of a person's body, including remarks that a male is too feminine or a woman is too masculine.
- Harassment on the basis of any other protected characteristic (as may be defined by applicable law) is also strictly prohibited

Personnel Files

Upon written request, employees will be permitted to inspect their own personnel files during usual business hours. Employees or former employees who have been employed for more than 60 days may request a copy of their personnel records, provided the requesting employee reimburses the Company for the cost of the copies.

Consistent with applicable law, an employee may have the opportunity to provide a written response of a reasonable length and in a format prescribed by the Company to any disputed

information in his/her personnel record. If you have any questions regarding this policy, please contact the **Human Resources Department**.

Alcohol and Drug Policy

In addition to the provisions of the Alcohol and Drug Policy in the Company's Employee Handbook, please note that although the state has legalized the use of marijuana for medicinal and other purposes, the Company does not permit the use of marijuana. Use of marijuana is strictly prohibited and may result in discipline, up to and including immediate termination.

Meal Breaks

Except for certain exempt employees, all employees who work eight (8) hours or more in a day are required to take a thirty (30) minute unpaid, uninterrupted, duty-free meal period. Employees are completely relieved of their job responsibilities during their meal periods. For this reason, unless there is a valid written agreement for an on-duty meal period, employees must clock in and out for their meal periods, or record the beginning and ending time of the meal period on their timesheet every day. Employees may be required to sign a certification providing, among other things, that they have taken all of their daily meal periods during the pertinent pay period. If you are unable to take all of the breaks for which you are entitled in accordance with this policy, you should immediately notify your supervisor or the **Human Resources Department**.

No Company manager or supervisor is authorized to instruct or approve an employee's wish to forego a meal or rest period. Employees should immediately report a manager's or supervisor's instruction to skip a meal period to the **Human Resources Department**.

Rest Breaks

The Company provides all non-exempt employees with the opportunity to take a ten (10) minute rest period for every four (4) hours worked (or major fraction thereof), which should be taken so far as practicable in the middle of each work period. The Company generally will not authorize a rest period for employees whose total daily work time is less than three and one-half (3 ½) hours. Employees are expected to schedule their rest periods at their own discretion under these guidelines unless instructed otherwise by a supervisor. Rest periods may not be combined with meal periods.

Rest periods are "on the clock" and counted as hours worked, and thus, employees are not required to separately record their rest periods on their timesheets or timecards. Rest periods may not be waived to shorten your workday or be accumulated for any other purpose. Employees may be required to sign a certification providing, among other things, that they have taken all of their rest periods during the pertinent pay period. If you are unable to take all of the breaks for which you are entitled in accordance with this policy, you should immediately notify your supervisor or the **Human Resources Department**.

Lactation Break

The Company will provide a reasonable amount of break time to accommodate an employee's need to express breast milk for the employee's infant child. The break time should, if possible, be taken concurrently with other break periods already provided. Non-exempt employees should clock out for any lactation breaks that do not run concurrently with normally scheduled rest periods. Any such breaks will be unpaid. The Company will also make a reasonable effort to provide the employee with the use of a room or other location in close proximity to the employee's work area, for the employee to express milk in private.

Employees should notify their immediate supervisor or **the Human Resources Manager** to request time to express breast milk under this policy. The Company does, however, reserve the right to deny an employee's request for a lactation break if the additional break time will seriously disrupt operations, and/or impose an undue hardship on the Company.

School-Related Activities Leave

The Company will grant up to four hours (per child) of time off during any school year to employees who are the parent, guardian or custodian of a child enrolled in public school to:

- Attend parent-teacher conferences;
- Attend school-related activities during regular school hours;
- Volunteer or otherwise be involved at the school in which the employee's child is enrolled during regular school hours; and
- Attend school-sponsored events.

Leave must be taken in increments of at least one hour. Employees wishing to take time off under this policy must submit a written request for leave to their supervisor at least five school days before the requested leave. The leave will be at a time mutually agreed upon by the employee and the Company.

The Company may require employees to provide documentation verifying that, during the time of leave, the employee attended an eligible school-related activity.

Time off under this policy will be without pay, except that exempt employees may receive pay for partial day absences, as required by applicable law.

School Conferences or Emergencies Leave

The Company will allow employees who are parents (including legal guardians or custodians) time off from work in order to:

- Appear at a conference requested by their child's school administrator; or
- Respond to notice from their child's school of an emergency regarding their child.

Employees should notify their supervisor as soon as possible that they will require time off for a school conference or emergency. Time off under this policy will be unpaid, except that exempt employees may receive pay for partial day absences, as required by applicable law.

Civic Duties

Jury and Witness Duty Leave: The Company encourages all employees to fulfill their civic responsibilities and to respond to summonses or subpoenas for jury service or to appear as a witness in a judicial or administrative proceeding, attend court for prospective jury service, serve as a juror or appear as a witness or potential witness in a judicial or administrative proceeding. Under no circumstances will employees be terminated, threatened, coerced or penalized because they request or take leave in accordance with this policy.

Employees must provide their supervisor with notice of any jury summons or subpoena at least three days before their appearance is required. Verification of having served as a juror or witness may be required.

Employees who are summoned to appear for jury duty will not be required to work within the eight (8) hours prior to the time jury duty is scheduled to begin. Employees who are released from jury service before the end of their regularly scheduled shift or who are not asked to serve on a jury panel are expected to call their supervisor as soon as possible and report to work if requested. On any day in which the employee's jury service lasts four (4) or more hours, including time traveling to and from court, employees will not be required to work between 5:00 p.m. on that day and 3:00 a.m. the following day.

Time spent engaged in attending court for prospective jury service, serving as a juror or appearing as a witness or potential witness in a judicial or administrative proceeding, is not compensable except that exempt employees will not incur any reduction in pay for a partial week's absence due to jury or witness duty. Employees will not be asked or required to use sick leave or vacation time for jury duty.

Court Attendance Leave: The Company will allow employees who are the parent, guardian or custodian of a child to miss work in order to appear at the child's juvenile proceeding.

Employees seeking leave under this policy must notify the **Human Resources Department** in advance of the appearance. For detention hearings, employees must provide verbal notice in advance of the hearing, as well as a certificate of attendance immediately upon return to employment. For subsequent hearings, employees must provide a copy of the written notice of the hearing before the date of the requested leave.

Time off under this policy will be without pay except that exempt employees may receive pay, as required by applicable law. The Company will not terminate or threaten to terminate employees because they request or take time off in accordance with this policy.

Voting: The Company encourages all employees to fulfill their civic responsibilities and to vote in public elections. Most employees' schedules provide sufficient time to vote either before or after working hours.

Employees who are registered voters and do not have sufficient time before or after work to vote will be allowed sufficient time off, without loss of pay, to vote. For purposes of this policy, sufficient time outside of working hours to vote means:

- One hour for employees whose polling place is two miles or less from the workplace;
- Two hours for employees whose polling place is more than two, but not more than 10 miles from the workplace; or
- Three hours for employees whose polling place is more than 10 miles from the workplace.

Employees must provide notice of the need for time off to vote prior to Election Day. The Company may specify the particular time during which employees may be absent to vote. The Company will not make deductions from employees' salary or wages or otherwise penalize employees for taking leave in accordance with this policy.

Pregnancy Leave

The Company permits eligible female employees who are pregnant to take a leave of absence before and after childbirth, miscarriage or other natural resolution of her pregnancy to the extent leave is otherwise provided to other eligible employees for sickness or disability because of a medical condition.

Notice to Employees of Nevada Pregnant Workers' Fairness Act

All employees are advised of the following:

(1) Pursuant to NRS 613.4353 to 613.4383, inclusive, of the Nevada Pregnant Workers' Fairness Act, employees have the right to be free from discriminatory or unlawful employment practices based on pregnancy, childbirth, or a related medical condition.

(2) A female employee has the right to a reasonable accommodation for a condition relating to pregnancy, childbirth, or a related medical condition.

The Company is committed to complying with all laws protecting employees under the Nevada Pregnant Workers' Fairness Act, and the Company will provide a reasonable accommodation for any known condition relating to pregnancy, childbirth, or a related medical condition of a female employee, provided the requested accommodation does not create an undue hardship for the Company.

If you require an accommodation under the Nevada Pregnant Workers' Fairness Act, you must notify the **Human Resources Department**. Once the Company is aware of the need for an accommodation, the Company will engage in an interactive process to identify possible accommodations. A female employee may be required to submit a written explanatory statement from the employee's physician concerning the need for an accommodation because of pregnancy, childbirth, or related medical conditions, and the specific accommodation recommended by the physician.

If you believe that you have been treated in a manner not in accordance with these policies, please notify the Company immediately by speaking to the **Human Resources Department**. You are encouraged to utilize this procedure without fear of retaliation.

Leave for Victims of Domestic Violence

If you or a member of your family or household is a victim of domestic violence, you may receive unpaid leave for the following purposes as they relate to an act of domestic violence committed against you, or a member of your family or household: (1) for the diagnosis, care or treatment of a health condition related to an act of domestic violence; (2) to obtain counseling or assistance related to an act of domestic violence; (3) to participate in any court proceeding related to an act of domestic violence; and (4) to establish a safety plan, including, without limitation, any action to increase the safety of the employee or the family or household member of the employee from a future act of domestic violence. Under no circumstances will employees be terminated, threatened, coerced, penalized, or retaliated against because they request or take leave in accordance with this policy.

Employees must provide their supervisor with at least 48 hours' notice of the need to use additional hours of leave after (and with the exception of) the leave taken upon the initial occurrence of the act which constitutes domestic violence. The Company may require you to provide documentation that confirms or supports the reason for the requested leave, including, but not limited to: (1) a police report; (2) a copy of an application for an order for protection; (3) an affidavit from an organization which provides services to victims of domestic violence; or (4) documentation from a physician or health care provider.

In addition, employees who are victims of domestic violence, are entitled to a reasonable accommodation for the employee's safety while at work. A reasonable accommodation may include: the implementation of safety measures or procedures, including a transfer, reassignment, modified schedule, changed work telephone, changed work station, installed lock; assistance in documenting domestic violence that occurs in the workplace; or another adjustment to the employee's job duties and position to ensure the safety of the employee, workplace, the employer or other employees. If you require such an accommodation, please notify the **Human Resources Department**. The Company will engage the employee in a timely, good faith, and interactive process to determine effective reasonable accommodations, and may require supporting documentation of the same.

PTO Policy

Paid Time Off (PTO) in the Employee handbook provides eligible employees with the flexibility to use time off to meet their personal needs, while recognizing their individual responsibility to manage their paid time off.

You accumulate the specified amount of PTO as provided in the Employee Handbook each pay period worked and it is up to you to allocate how you will use it – for vacation, your own or a family member's illness, caring for family members, school activities, medical/dental appointments, leave, personal business or emergencies. The Company may require you to use any unpaid PTO during disability or family medical leave, or any other leave of absence. The amount of PTO earned will depend on your length of your service with the Company. Employees may use their PTO to assist a qualifying member of their immediate family that has an illness, injury, medical appointment, or other authorized medical need. Employees may use up to the amount of sick leave accrued in a six-month period for assistance of a qualifying immediate family member,

including the employee's child, foster child, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, stepparent, or a person for whom the employee is a legal guardian. Your total leave permitted under this policy will not extend the amount of leave authorized by the Family and Medical Leave Act of 1993.

Effective June 9, 2021 – December 31, 2023, employees may receive up to four (4) hours of PTO to obtain a COVID-19 vaccine. If an employee receives a two-dose vaccine, the employee is entitled to two (2) hours of leave per dose for a total of four (4) hours of paid leave. If the employee receives a single-dose vaccine, the employee is entitled to a two (2) hours of PTO. Employees must provide their supervisor with at least 12 hours' notice of the intention to use the PTO to obtain a COVID-19 vaccine. The Company may require you to provide documentation that confirms or supports the leave, including, but not limited to: (1) documentation from a physician or health care provider; or (2) declaration certifying the employee received the COVID-19 vaccine. [Paragraph not included in state template.]

Paid Leave Accrual

This paid leave policy applies to any Employees who are ineligible for the Company's PTO as detailed in the Employee Handbook. To the extent there is any conflict between this policy and the Company's PTO policy, the Company will provide the greater of the two benefits. Employees ineligible for the Company's PTO policy will be eligible to accrue paid leave at the rate of 0.01923 hours per hour worked. Paid leave is added to your paid leave bank when the bi-weekly paycheck is issued. Paid leave taken will be subtracted from your accrued time bank in one-hour increments. Your total amount of paid leave accrued, taken and remaining will be reflected on your pay records. Employees must work for the company for 90 days before paid leave accrues, and employees are limited to the use of 40 total hours per benefit year.

You are eligible to accrue paid leave if you are either working or utilizing accrued paid leave for the entire bi-weekly pay period. Paid leave is not earned in pay periods during which unpaid leave, short or long-term disability leave, or workers' compensation leave are taken.

You are required to provide your supervisor with reasonable advance notice and obtain approval prior to using this paid leave. This allows for you and your supervisor to prepare for your time off and assure that all staffing needs are met.

There may be occasions, such as sudden illness, when you cannot notify your supervisor in advance. In those situations, you must inform your supervisor of your circumstances as soon as possible.

Employees will not be paid for the paid leave they have accrued at employment end. However, employees who were involuntarily separated, but are rehired within 90 days of their termination, will receive credit for the former time worked and accumulate current paid leave for the combined time.

Exempt employees may be provided time off with pay for any of the above-described leaves when necessary to comply with state and federal wage and hour laws.

NJFLA leave may be taken for the following reasons:

1. birth of a child, or to care for a newly-born child, including a child conceived through a gestational carrier agreement;
2. placement of a child with the employee for adoption or foster care;
3. to care for a family member with a serious health condition; or
4. in the event of a state of emergency declared by the Governor of New Jersey, or when indicated to be needed by the Commissioner of Health or other public health authority, an epidemic of a communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent spread of a communicable disease, which:
 - requires in-home care or treatment of a child due to the closure of the school or place of care of the child of the employee, by order of a public official due to the epidemic or other public health emergency;

- prompts the issuance by a public health authority of a determination, including by mandatory quarantine, requiring or imposing responsive or prophylactic measures as a result of illness caused by an epidemic of a communicable disease or known or suspected exposure to the communicable disease because the presence in the community of a family member in need of care by the employee would jeopardize the health of others; or
- results in the recommendation of a healthcare provider or public health authority that a family member in need of care by the employee voluntarily undergo self-quarantine as a result of suspected exposure to a communicable disease because the presence in the community of that family member in need of care by the employee would jeopardize the health of others.

The maximum amount of leave that may be taken in a twenty-four (24) month period for all reasons combined is twelve (12) weeks. NJFLA will run concurrently with other leave policies, including FMLA, when the leave is covered by NJFLA and other leave policies.

Definitions

“Family member” means the employee’s child, parent, parent-in-law, sibling, grandparent, grandchild, spouse, domestic partner or one partner in a civil union couple, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship.

“Care” means physical care, emotional support, visitation, assistance with treatment, transportation, arranging for a change in care, assistance with essential daily living issues, and personal attendant services.

A “serious health condition” is an illness, injury, impairment or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee’s job, or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three (3) consecutive calendar days combined with at least two (2) visits to a health care provider or one (1) visit and a regimen of continuing treatment; incapacity due to pregnancy or a chronic condition; or absences due to multiple treatments. Other conditions may meet the definition of continuing treatment.

“Health care provider” is a duly licensed health care provider or other health care provider deemed appropriate by the director of the Division on Civil Rights.

“Intermittent leave” means leave due to a single qualifying reason (the serious health condition of a specific family member or the birth or placement for adoption of a child), taken in separate periods of time, where each period of leave is at least one workweek. When Intermittent Leave is taken, the Company may require the employee to transfer to an alternative position having

the equivalent pay and benefits for which the employee is qualified, and which better accommodates recurring periods of leave than does the employee's regular position.

“Reduced leave schedule” means leave due to a single qualifying reason (the serious health condition of a specific family member or the birth or placement for adoption of a child), that is scheduled for fewer than an employee's usual number of hours worked per workweek, but not for fewer than an employee's usual number of hours worked per workday, unless agreed to by the employee and the Company.

Identifying the 24-Month Period

The Company measures the twenty-four (24) month period in which leave is taken by the “rolling” twenty-four (24) month method, measured backward from the date of any NJFLA leave.

Using Leave

Eligible employees may take leave under this policy in a single block of time, intermittently (in separate blocks of time), or by reducing the normal work schedule when medically necessary for the serious health condition of the employee or immediate family member. The maximum amount of leave that may be taken in a twenty-four (24) month period for all reasons combined is twelve (12) weeks. Employees who require intermittent or reduced-schedule leave must try to schedule their leave so that it will not unduly disrupt the Company's operations. Intermittent and reduced leave is permitted at the same intervals as provided in the Company's paid leave policies. Reduced leave must be scheduled for a period not to exceed twelve (12) consecutive months. Leave for the birth or placement of a child for adoption or foster care must be concluded within twelve (12) months of the birth or placement. Epidemic-related leave may be taken intermittently if the employee provides the Company with prior notice of the leave as soon as practicable and the employee makes a reasonable effort to schedule the leave so as not to unduly disrupt the Company's operations.

Concurrent Use of Other Leave Policies

Depending on the purpose, NJFLA leave may run concurrently with the federal Family and Medical Leave Act (FMLA), as explained in the Employee Handbook, and/or any other leave where permitted by state and federal law. Additionally, employees taking leave under this policy may choose to use (or, unless the employee is eligible for New Jersey Family Leave Insurance benefits, the Company may require employees to use) accrued vacation concurrently with some or all of the leave taken under this policy. To substitute accrued vacation leave for NJFLA leave, employees should comply with the Company's normal procedures for the applicable vacation policy (e.g., call-in procedures, advance notice, etc.).

Maintenance of Health Benefits

If employees and/or their families participate in the Company's group health plan, the Company will maintain coverage during their leave on the same terms as if the employee had continued to work. If applicable, employees must make arrangements to pay their share of health

plan premiums while on leave. The Company will notify employees of their options to continue to participate in our group health plans during NJFLA leave.

Notice and Medical Certification

Employees should provide notice to the **Human Resources Department** of an employee's need for leave as soon as possible. In the case of a leave in connection with the serious health condition of a family member or intermittent bonding leave, an employee must provide notice no later than (15) days prior to the leave, except where emergent or unforeseen circumstances warrant shorter notice. Thirty (30) days advance notice must be provided for continuous bonding leave. Employees may be required to provide an appropriate health care certification in support of their request for leave under this policy.

If you fail to provide the required documentation, the Company may delay the start of your leave, withdraw any designation of NJFLA leave, or deny the leave, in which case your absences will be treated in accordance with the Company's standard leave of absence and attendance policies and you may be subject to discipline up to and including termination of employment. If you provide false or misleading information or omit material information about a NJFLA leave, you will be subject to discipline up to and including immediate termination of employment.

Job Restoration

Upon returning from NJFLA leave, eligible employees will typically be restored to their original job or to an equivalent job with equivalent pay, benefits, and other employment terms and conditions.

Retaliation Prohibited

The Company and the NJFLA prohibit:

- Interference with, restraint of, or denial of any right provided under the NJFLA.
- Discharge or discrimination against any person for opposing any practice made unlawful by the NJFLA or for involvement in any proceeding under or relating to the NJFLA.

The Company encourages employees to bring any concerns or complaints about retaliation or compliance with the NJFLA to the attention of management.

Limited Nature of This Policy

This Policy should not be construed to confer any express or implied contractual relationship or rights to any employee not expressly provided for by NJFLA. The Company reserves the right to modify this or any other policy as necessary, in its sole discretion to the extent permitted by law.

New Jersey Family Leave Insurance

Employees may be eligible for New Jersey Family Leave Insurance (NJFLI) benefits – *a monetary benefit only* – through the state of New Jersey to bond with a newborn or newly placed adopted or foster child, to care for a family member with a serious health condition, to take leave under the New Jersey SAFE Act (SAFE Act), or to take leave under certain circumstances where the governor declares a state of emergency or there is a public health epidemic. Eligibility for benefits and the maximum weekly benefit are determined by the state of New Jersey. Employees may be eligible for NJFLI benefits for up to twelve (12) weeks.

Upon request, employees will be given information about this benefit program and how to apply for benefits. Employees also may contact the state of New Jersey for further information.

An employee's job is not protected while he or she is receiving NJFLI benefits unless he or she is eligible for FMLA, NJFLA, or SAFE Act leave.

A separate notice describing employees' rights to NJFLI benefits is attached hereto as Appendix A.

New Jersey Temporary Disability Insurance

A New Jersey employee who takes leave because of his or her own serious health condition may be eligible for Temporary Disability Insurance (TDI) benefits from the State of New Jersey. TDI benefits are intended to compensate employees for wage loss suffered as a result of a non-work related illness or injury. Employees who apply and qualify for TDI benefits are eligible to receive 2/3 of their average weekly wage (to a maximum amount determined by the State) for a maximum of 26 weeks. TDI forms are available from the Company.

New Jersey Earned Sick Leave

This policy applies to any Employees who are ineligible for the Company's PTO as detailed in the Employee Handbook. To the extent there is any conflict between this policy and the Company's PTO policy, the Company will provide the greater of the two benefits.

The Company provides eligible employees with paid sick time in accordance with the requirements of the New Jersey Earned Sick Leave Law (ESLL).

The guidelines set forth in this policy do not supersede applicable federal or state law regarding leaves of absence, including leave taken under the FMLA or NJFLA and/or as a reasonable accommodation under the Americans with Disabilities Act, as amended, or any other applicable federal, state or local law, including those prohibiting discrimination and harassment.

Accrual

All employees (whether full time or part time) are eligible for paid sick leave in accordance with this policy. Paid sick leave benefits will accrue at a rate of one (1) hour for every thirty (30)

hours worked in each benefit year.] After successfully completing one hundred twenty (120) days of employment with the Company, eligible employees may begin to use paid sick leave, up to a maximum of forty (40) hours per benefit year. Employees may not use paid sick leave in increments of less than two (2) hours.

Permissible Usage

Paid sick leave may be used for the following reasons:

1. Time needed for diagnosis, care, or treatment of, or recovery from, the employee's mental or physical illness, injury, or other adverse health condition, or for preventive medical care for the employee;
2. Time needed for the employee to aid or care for a family member during diagnosis, care, or treatment of, or recovery from, the family member's mental or physical illness, injury, or other adverse health condition, or during preventive medical care for the family member;
3. Absence necessary due to circumstances resulting from the employee or their family member being a victim of domestic or sexual violence, including to obtain medical attention, services from a designated domestic violence agency or victim services organization, psychological or other counseling, relocation, or legal services;
4. Closure of the employee's workplace or the school/childcare of an employee's child by order of a public official due to an epidemic or other public health emergency;
5. The Governor declares a state of emergency or a healthcare provider or an authorized public health official determines that the health of others would be jeopardized by the presence of an employee in the community, or of an employee's family member in need of care by the employee;
6. Time needed to attend a school-related conference, meeting, function or other event requested or required by the employee's child's school or to attend a meeting regarding care provided to the child in connection with the child's health conditions or disability; or
7. Employee is in isolation or quarantine or is caring for a family member who is isolation or quarantine, as a result of a "suspected exposure to a communicable disease" and there is a finding by the provider or public health official that the health of others would be jeopardized by the presence of the family member in the community.

For purposes of this section, "family member" is defined as a child, grandchild, sibling, spouse, domestic partner, civil union partner, parent, or grandparent of an employee, or a spouse, domestic partner, or civil union partner of a parent or grandparent of the employee, or a sibling of a spouse, domestic partner, or civil union partner of the employee, or any other individual related

by blood to the employee or whose close association with the employee is the equivalent of a family relationship.

Notice and Certification

If the need for sick leave is foreseeable, the Company requires up to seven (7) days advance written notice of your intention to take paid sick leave. If the need is unforeseeable, the Company requires that you give notice as soon as practicable. You may be required to complete a verification form confirming that you used your sick leave solely for authorized purposes. The Company may require you to provide documentation from a licensed health care provider after you use more than three (3) consecutive work days as paid sick leave.

Concurrent Use of Other Policies

Leave under this policy may run concurrently with unpaid leave taken under state or federal law. Leave may also run concurrently with paid vacation time, if available, as set forth in the Handbook.

Carryover and Payment

Unused sick leave will not be paid upon termination. Any unused sick leave remaining at the end of the benefit year will be carried over to the next benefit year, up to a maximum of forty (40) hours.

Sick leave under this policy is paid at the employee's regular rate of pay at the time that the leave is used. Sick leave under this policy does not count as hours worked for purposes of determining eligibility for overtime pay. Sick leave may not be used as additional vacation days or to extend employment or delay a termination date. Employees who use sick leave for purposes other than those permitted by this policy may be subject to disciplinary action.

No Retaliation

The Company prohibits threatening or taking any adverse action or discrimination against an employee for exercising in good faith his or her rights under the ESLL.

New Jersey SAFE Act Leave

The Company provides up to twenty (20) days of unpaid SAFE Act leave in a twelve (12)-month period to eligible employees who are victims of an incident of domestic violence or a sexually violent offense, or whose family member was a victim of an incident of domestic violence or sexually violent offense. Each incidence of domestic or sexual violence is a separate offense for which employees can take unpaid SAFE Act Leave, up to the allotted twenty (20) days. SAFE Act Leave can be taken on an intermittent basis in intervals of at least one (1) day.

Employees are eligible to take SAFE Act Leave if they have worked for the Company for at least a twelve (12) months for not less than 1,000 base hours during the immediately preceding

twelve (12)-month period. Employees who are victims of domestic or sexual violence or who have family members who are victims can take leave to:

- seek medical attention for or recover from physical or psychological injuries caused by domestic or sexual violence;
- obtain services from a victim services organization;
- obtain psychological or other counseling;
- participate in safety planning, temporarily or permanently relocate or take other actions to protect against future incidents of domestic or sexual violence or ensure economic security;
- seek legal assistance or other remedies; and
- attend, participate in or prepare for criminal or civil court proceedings related to them or their family members being a victim of domestic or sexual violence.

Family members include an employees' child, parent, spouse, domestic partner or civil union partner, parent-in-law, sibling, grandparent, grandchild, any individual related by blood, or any other individual with a close association equivalent of a family relationship.

The Company may require employees requesting SAFE Act Leave to provide certification that they or their family members are victims of domestic or sexual violence. Unless an emergency or other unforeseen circumstance preclude prior notice, employees must provide the Company with written notice of need to take SAFE Act Leave as far in advance as is reasonable and practicable.

The employee may choose to use any accrued vacation if available, for an absence described above. Employees who are taking leave under this policy may also be eligible for NJFLI benefits from the state of New Jersey.

Leave taken under the SAFE Act leave provisions does not conflict with any rights under the FMLA, the NJFLA, or the New Jersey Temporary Disability Benefits Law. In instances where SAFE Act leave is taken for reasons covered by the FMLA or the NJFLA, such leave counts simultaneously against employees' entitlement under each law.

The Company will not discharge, harass, or otherwise discriminate or retaliate or threaten to discharge, harass or otherwise discriminate against the employee with respect to the compensation, terms, conditions or privileges of employment on the basis that the employee took or requested any leave that the employee was entitled to under the New Jersey SAFE Act, or on the basis that the employee refused to authorize the release of information deemed confidential under the New Jersey SAFE Act.

For more information regarding this leave, please see the **Human Resources Department**.

Bone Marrow or Organ Donor Temporary Disability Leave

The Company will reinstate an employee who received New Jersey Temporary Disability Benefits as a result of donating an organ or bone marrow to his or her former position or an equivalent position of similar seniority, status, employment benefits, pay, and other terms and conditions upon return from State Temporary Disability leave.

Pregnancy Accommodation

The Company provides reasonable accommodations to female employees when requested for reasons related to pregnancy, childbirth or related medical conditions, to the extent the accommodation can be made without imposing an undue hardship on the business.

Reasonable accommodations may include, but are not limited to:

- allowing more frequent breaks or periodic rest;
- assistance with manual labor;
- modifying job duties;
- modifying work hours/schedules;
- temporary transfer to a less strenuous or less hazardous position; or
- providing a temporary leave of absence.

Any employee who needs to request an accommodation due to pregnancy, childbirth or a related medical condition or who has questions regarding the policy should contact the **Human Resources Department**. If leave is provided as a reasonable accommodation, such leave may run concurrently with the FMLA and/or any other applicable leave as permitted under federal, state, or local law.

Lactation Break/Accommodation

Consistent with the Handbook, the Company will provide a reasonable amount of break time to accommodate an employee desiring to express breast milk for the employee's child without regard to the number of years following the birth of a child. The Company prohibits discrimination, harassment, or retaliation against any employee who requests and/or takes time off to express breast milk at work.

Emergency Responder Leave

The Company provides reasonable and necessary unpaid leave to employees who serve as volunteer firefighters, county or municipal volunteers for the Office of Emergency Management who respond to fire or emergency calls, or as part of a volunteer first aid, rescue or emergency squad to respond to a qualified emergency. A qualified emergency includes responding to a state of emergency declared by the President of the United States or Governor of this state, or being actively engaged in responding to an emergency alarm.

Employees must notify their supervisor or the **Human Resources Department** at least one (1) hour prior to their scheduled shift of the call to respond to a qualified emergency. Upon return, employees should provide a copy of the incident report and certification by the incident commander or other official confirming that the employee was actively engaged and necessary for the emergency response. The report should set forth the date and time the volunteer was relieved of emergency service duties.

Employees taking leave under this policy who need to be absent for more than one consecutive day because they were called to respond to a qualified emergency should notify the immediate manager each day that they will be absent in advance of their shift.

Leave under this policy generally is unpaid. However, employees may elect to use their accrued but unused vacation, if available. In order to use vacation, an eligible employee must comply with the Company's normal procedures for the applicable paid-leave policy (e.g., call-in procedures, advance notice).

The Company reserves the right to deny leave under this policy to employees that it deems essential, as authorized under state law.

Discussion of Wages

No employee is prohibited from inquiring about, discussing or disclosing his or her wages or the wages of another employee with any other employee or former employee, a lawyer from whom the employee seeks legal advice, or any government agency. The Company expressly prohibits retaliation against any employee for making such inquiries or engaging in such discussions or disclosures.

Weapons in the Workplace

Possession, use or sale of weapons, firearms, or explosives on work premises, while operating Company machinery, equipment or vehicles for work-related purposes or while engaged in Company business off premises is forbidden except where expressly authorized by our Company and permitted by state and local laws. This policy applies to all employees, including but not limited to, those who have a valid permit to carry a firearm.

Employees who are aware of violations or threats of violations of this policy are required to report such violations or threats of violations immediately to the **Human Resources Department**.

Drug and Alcohol Policy

In addition to the provisions of the Alcohol and Drug Policy in our Company's Employee Handbook, please note that although the state has legalized the use of marijuana, the Company does not permit the use of marijuana in the workplace. Use of marijuana on Company property or

while engaged in work-related activities is strictly prohibited and may result in discipline, up to and including immediate discharge.

Employees who are legally prescribed medicinal marijuana to treat a disability in accordance with the State of New Jersey's Medicinal Marijuana Program are prohibited from using medicinal marijuana in the workplace or during work hours. Employees who use medicinal marijuana off-duty should inform their direct supervisor if they believe such off-duty use will impair their job performance, safety, or the safety of others, or if they believe they need a reasonable accommodation. For more information on how to request a reasonable accommodation, please refer to the Reasonable Accommodations Policy in the Handbook.

Nothing in the Drug and Alcohol Policy in the Handbook shall permit the Company to take any adverse employment action against an employee: (1) who is a "registered qualifying patient" based solely on the employee's status as a registrant with the New Jersey Cannabis Regulatory Commission; (2) because the employee does or does not smoke, vape, aerosolize, or otherwise use cannabis items; or (3) solely due to the presence of cannabinoid metabolites in the employee's bodily fluid. Additionally, employees shall be permitted to explain drug test results that are positive for cannabis consistent with New Jersey State law.

Exempt employees may be provided time off with pay for any of the above described leaves when necessary to comply with state and federal wage and hour laws.

Further, the Company will not require any employee to take leave if another reasonable accommodation is available, unless the employee voluntarily requests to be placed on leave or the employee is placed on leave pursuant to federal law.

The Company may require the employee to provide medical certification in connection with any request for a reasonable accommodation. If leave is provided as a reasonable accommodation, such leave may run concurrent with the Family and Medical Leave Act and/or any other leave permitted by law.

For more information, or if you require an accommodation, please speak with **the Human Resources Department**.

Policy Against Unlawful Harassment, Discrimination, and Retaliation

In addition to the protected statuses listed in the Company Employee Handbook, and in accordance with New Mexico law, the Company strictly prohibits all forms of unlawful harassment, which includes harassment on the basis of race (including traits historically associated with race, such as hair texture and length, protective hairstyles or cultural and religious headdress, like braids, locks, twists, cornrows, Bantu knots, afros, hijabs and head wraps); physical or mental disability; serious medical condition; HIV status; ancestry; spousal affiliation; status as a smoker or non-smoker; status as a medical cannabis or THC-containing products user; or any other protected status in accordance with applicable federal, state, or local laws.

Overtime and Work Schedule

In addition to any other federal, state, or local meal and rest break requirements, employees generally will not be permitted to work more than sixteen (16) hours within any 24-hour period except in emergency situations.

Paid Sick and Safe Leave

For any employee not covered by the PTO policy, employees at the start of employment begin accruing paid sick leave at a rate of one (1) hour for every thirty (30) hours worked. Sick leave is calculated based on the calendar year.

Employees may begin using paid sick leave as soon as it is accrued. Employees may carry over up to sixty-four (64) hours of paid sick leave from one Benefit Year to the next; however, employees may not use more than sixty-four (64) hours of paid sick leave per Benefit Year. Any unused paid sick leave in excess of sixty-four (64) hours will be forfeited at the end of the Benefit Year.

The Company will not require an employee to use other paid leave before the employee uses sick leave pursuant to this policy.

Purposes for Paid Sick Leave

Paid sick leave may be used for any of the following purposes:

1. For the employee's mental or physical illness, injury, or health condition; medical diagnosis, care, or treatment of the employee's mental or physical illness, injury, or health condition; or preventative medical care for the employee;
2. Where the employee needs to care for a family member due to the family member's mental or physical illness, injury, or health condition; medical diagnosis, care, or treatment of the employee's family member's mental or physical illness, injury, or health condition; or preventative medical care;
3. For meetings at the employee's child's school or place of care related to the child's health or disability;
4. If the employee or the employee's family member is a victim of domestic abuse, sexual assault, or stalking, to obtain medical or psychological treatment or other counseling; relocate; prepare for or participate in legal proceedings; or obtain services or assist a family member of the employee with any of the activities set forth in this paragraph; or
5. Any other reason allowed by law.

As used in this policy, a "family member" includes an employee's spouse, domestic partner or person related to an employee or an employee's spouse or domestic partner as: a biological, adopted or foster child, a stepchild or legal ward, or a child to whom the employee stands *in loco parentis*; a biological, foster, step or adoptive parent or legal guardian, or a person who stood *in loco parentis* when the employee was a minor child; a grandparent; a grandchild; a biological, foster, step or adopted sibling; a spouse or domestic partner of a family member; or an individual whose close association with the employee or the employee's spouse or domestic partner is the

equivalent of a family relationship. “Domestic partner” includes individuals with whom another individual maintains a household and a mutual committed relationship without a legal recognized marriage.

Notice and Scheduling Leave

Where the need for leave is foreseeable, the employee must make a reasonable effort to provide notice of their need for leave as far in advance as possible (at least seven (7) days) and must make reasonable effort to schedule the use of leave in a manner that does not unduly disrupt the operations of the Company. When the use of leave is not foreseeable, the employee must notify the Company as soon as practicable. Requests for leave may be orally or in writing.

Leave may be taken in the smaller of hourly increments or the smallest increment that the Company’s payroll system uses to account for absences or use of other time.

The Company will not require an employee to search for or find a replacement worker as a condition of using earned leave.

Certification

After utilizing paid sick leave of two (2) or more consecutive work days, the Company may require reasonable documentation supporting the need for sick leave. The Company, however, will not delay the commencement of leave on the basis that it has not yet received documentation.

Reasonable documentation may include a signed statement by a health care professional indicating the amount of sick leave necessary; or in cases of domestic abuse, sexual assault or stalking, reasonable documentation may include: a police report, court-issued document or a signed statement from a victim services organization, clergy member, attorney, advocate, the employee or a family member, affirming that leave was taken for one of the purposes specified under applicable law. The Company will not require any documentation to explain the nature of any medical condition or the details of the domestic abuse, sexual assault, or stalking.

Payment of Sick Leave

Leave will be paid at the employee’s same hour rate and with the same benefits as the employee normally earns during work hours. Please consult **the Human Resources Department** for detailed information on how the dollar amount of your sick pay is calculated and the amount you are entitled to receive; the actual dollar amount may vary according to your pay plan.

At the End of Employment

Unused sick leave will not be paid out at the end of employment. Any employee who separates from employment and is rehired within twelve (12) months of separation will have any previously accrued earned sick leave reinstated.

Sick leave is retained upon transfer or succession of Company ownership/operation to another business entity. Sick leave contained in this policy does not conflict with any relevant Collective Bargaining Agreement (CBA) and does not override the terms of a valid CBA.

Confidentiality

All information the Company obtains related to the employee's reasons for taking leave will be treated as confidential and not disclosed except with the permission of the employee or as necessary for validation purposes for insurance disability claims, reasonable accommodations, and as required by applicable law or court order.

Interaction with Other Leave

Leave may run concurrent with the Family and Medical Leave Act and/or any other leave permitted by law.

Discrimination and Retaliation Prohibited

The Company will not discriminate or retaliate against any employee for requesting or using leave provided under this policy or exercising any right allowed under applicable law. Any employee who feels that they have been discriminated or retaliated against in violation of this policy, should notify **the Human Resources Department** immediately. If after consulting with **the Human Resources Department**, the employee still believes they were unlawfully denied paid sick leave or is retaliated against for exercising their rights, the employee may file a complaint or bring civil action.

An employee who believes that the Company has violated New Mexico paid sick leave laws may file a written complaint with the New Mexico Workforce Solutions Department - Labor Relations Division or bring a civil suit pursuant to New Mexico law. Employee benefits and protections under the New Mexico Healthy Workplaces Act are not waivable.

Enforcement

This policy will be interpreted and enforced consistent with applicable law. In the event a different entity succeeds or takes the place of the Company (e.g., the Company is purchased or acquired by another entity), all employees who remain employed by the successor entity will remain entitled to all earned sick leave earned while employed with the Company. Employee benefits and protections under applicable law are not waivable.

If you have any questions under this policy, please contact **the Human Resources Department**.

Civic Duties

Jury Duty: The Company encourages our employees to fulfil their civic responsibilities and participate in jury duty. If you receive a call to jury duty, please notify your supervisor immediately so that we can plan our work with as little disruption as possible. Jury duty leave is unpaid.

Employees with jury duty must provide their supervisor with a copy of the subpoena. Employees who are released from jury service before the end of their regularly scheduled shift or who are not asked to serve on a jury panel are expected to call their supervisor as soon as possible and report to work if necessary.

Court Attendance and Witness Leave: The Company provides employees with unpaid leave when necessary to attend, prepare for and/or participate in court proceedings when required by law. If you need leave for court attendance and/or you are subpoenaed to appear as a witness, please notify your supervisor immediately so that we can plan our work with as little disruption as possible. We do not pay employees who are subpoenaed to appear as witnesses unless the witness duty is work-related.

Employees with witness duty must provide their supervisor with a copy of the subpoena. Employees who are released from witness service before the end of their regularly scheduled shift are expected to call their supervisor as soon as possible and report to work if requested.

Voting Leave: The Company believes that every employee should have the opportunity to vote in any state or federal election, general primary or special primary. Employees whose work schedule does not provide them either two (2) consecutive hours between the opening of the polls and the beginning of their shift, or three (3) consecutive hours between the end of their shift and the close of the polls, will be granted up to two (2) hours of paid leave to vote on election day.

When requesting leave under this policy employees should provide notice of the need for leave as soon as possible before Election Day. The Company may select the hours employees are excused to vote. Upon return from voting leave, employees may be asked to provide proof of having voted, such as a voting sticker.

Domestic Violence Leave

The Company will grant intermittent unpaid leave from work for up to fourteen (14) days in a calendar year (up to eight (8) hours per day), to employees who need leave in connection with domestic violence, including:

1. To obtain or attempt to obtain an order of protection or other judicial relief from domestic abuse;
2. To meet with law enforcement officials;
3. To consult with attorneys or district attorneys' victim advocates; or

4. To attend court proceedings related to the domestic abuse of an employee or an employee's family minor child or a person for whom the employee is a legal guardian.

Employees seeking leave pursuant to this policy, must notify the Company at least twenty-four (24) hours in advance of the need for leave. Further, the Company may require you to provide documentation in support of the need for leave, such as a police report, copy of an order of protection, or a written statement of an attorney representing the employee. Employees may use any available paid time off to run concurrent with leave under this policy.

The Company will keep all information provided by an employee concerning leave under this policy confidential, except to the extent disclosure is allowed and/or required by law.

Disaster and Emergency Services Leave

Employees who serve as a volunteer emergency responder will be provided with up to ten (10) days of unpaid time off each calendar year (consistent with state and federal law) to respond to an emergency or disaster declared by the Governor or the President of the United States. For purposes of this leave, "volunteer emergency responder" includes any person who is a member a volunteer fire department, emergency medical service, search and rescue team, law enforcement agency, or who is enrolled by the state or a political subdivision to assist with emergency and/or disaster relief response.

Employees seeking leave under this policy must make reasonable efforts to notify the Company of their service and must make reasonable efforts to keep the Company apprised of their leave of absence.

The Company may request employees taking leave under this policy to provide a written verification from the office of emergency management or a state or local official managing an emergency or disaster of the dates and time that the employee served as a volunteer emergency responder to an emergency or disaster.

Leave for Military Duty

Employees are eligible for military leave if they are employed in a regular position and are called to serve on active duty in the U.S. armed forces or Organized Reserves or the National Guard for New Mexico or another state or U.S. territory. Employees who take a leave of absence under the Company's Military Leave policy, are eligible for re-employment under the terms and conditions set forth under Company policy if they are a member of another state's National Guard and they are called to active duty in connection with that membership. Employees taking leave under this policy are required to provide reasonable advanced notice when practicable to do so, and when advanced notice is not possible, employees are required to provide notice as soon as

practicable under the circumstances. For more information regarding this leave, please contact **the Human Resources Department.**

Alcohol and Drug Policy

In addition to the provisions of the Alcohol and Drug Policy in the Company's Employee Handbook, please note that although the state has decriminalized the medicinal and recreational use of cannabis or THC-containing products, the Company does not permit the use of cannabis or THC-containing products in the workplace. Use of cannabis or THC-containing products on Company property or while engaged in work-related activities is strictly prohibited and may result in disciplinary action, up to and including immediate termination. The Company will only discipline employees for violating our drug and alcohol policy due to cannabis or THC-containing products use, where allowed by law.

NOTE: *New Mexico allows for the use of medical and recreational marijuana. NM law states that nothing restricts an employer's ability to prohibit or take an adverse action against an employee for "impairment by" or "possession" or "use" of intoxicating substances at work or during work hours. Accordingly, if an employee tests positive for marijuana on a drug and alcohol test it is unlikely that a positive test alone would be sufficient for termination without some information that the employee was actually impaired.*

Smoking

Use of tobacco in any form is permitted only in designated outdoor places at Company facilities. Smoking is prohibited by law in any area where paint or other flammable materials may be present. This policy also applies to electronic cigarettes, also known as e-cigarettes, e-cigs, e-smoke, digital cigarettes, alternative cigarettes and "vaping." In cases of excessive time spent smoking, supervisors may restrict or curtail smoking privileges during the workday.

NOTE: *Under the Dee Johnson Clean Indoor Air Act, employers must adopt and post a written smoking policy that meets the requirements of the workplace smoking provisions.*

Exempt employees may be provided time off with pay for any of the above leaves when necessary to comply with state and federal wage and hour laws.

In addition to the protected statuses listed in the Company Handbook, and in accordance with New York law, we strictly prohibit all forms of unlawful discrimination harassment, which includes discrimination and harassment based on to race (including traits historically associated

with race (including, but not limited to, hair texture and protected hairstyles, such as braids, locks and twists), ethnicity, religion (including clothing or facial hair worn in accordance with the religious tenets), color, sex, pregnancy, childbirth and related medical conditions, breastfeeding, gender (including actual or perceived sex, gender identity, and gender expression including a person's actual or perceived gender-related self-image, appearance, behavior, expression, or other gender-related characteristic, regardless of the sex assigned to that person at birth), sexual orientation, sexual and reproductive health decisions, national origin, immigration or citizenship status, status as a veteran, active military service member, or uniform service member, marital or partnership status, familial status, caregiver status, age (18 or older), predisposing genetic characteristics, disability, creed, status as a victim of domestic violence, sexual violence or stalking, unemployment status, salary history, credit history, height, weight, certain prior arrest or conviction records, an individual's status as having a known relationship or association with a member or members of a protected category; or any other protected status in accordance with applicable New York state or local laws.

Policy Against Unlawful Harassment, Discrimination, and Retaliation

The Company is committed to creating a respectful, courteous work environment free of unlawful harassment or discrimination of any kind, and the Company is committed to taking all reasonable steps to prevent it and address it. The Company will NOT TOLERATE harassment or discrimination relating to any characteristic protected under applicable law by any Employees, applicants for employment, individuals providing services in the workplace pursuant to a contract, unpaid interns, and volunteers. **Violation of this policy will subject an Employee to disciplinary action, up to and including immediate termination.** All Employees are required to work in a manner that prevents harassment and discrimination in the workplace. The Company will take disciplinary action, up to and including termination, against anyone found in violation of this policy. Moreover, any supervisor or manager who condones or ignores potential violations of this policy will be subject to appropriate disciplinary action, up to and including termination. In addition to any disciplinary action we may take, up to and including termination of employment, offenders may also be personally liable, in the event of litigation, for damages and attorney's fees and other costs of litigation.

This policy applies to all employees, applicants for employment, and interns, whether paid or unpaid. The policy also applies to additional covered individuals. It applies to anyone who is (or is employed by) a contractor, subcontractor, vendor, consultant, or anyone providing services in our workplace. These individuals include persons commonly referred to as independent contractors, gig workers, and temporary workers. Also included are persons providing equipment repair, cleaning services, or any other services through a contract with the Company. For the remainder of this policy, we will use the term "covered individual" to refer to these individuals who are not direct employees of the Company.

Harassment and discrimination are against the law. All Employees have a legal right to a workplace free from harassment and discrimination, and Employees can enforce this right by filing a complaint internally with the Company, or with a government agency or in court under federal, state, or local antidiscrimination laws.

What is Harassment?

Harassment refers to behavior that is related to any characteristic protected under the law (e.g., gender, religion, race) and that is personally offensive, intimidating, and hostile or interferes with work performance.

What is Sexual Harassment?

Sexual harassment is a form of gender-based discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender. Sexual harassment is not limited to sexual contact, touching, or expressions of a sexually suggestive nature. Sexual harassment includes all forms of gender discrimination including gender role stereotyping and treating employees differently because of their gender.

Understanding gender diversity is essential to recognizing sexual harassment because discrimination based on sex stereotypes, gender expression and perceived identity are all forms of sexual harassment. The gender spectrum is nuanced, but the three most common ways people identify are cisgender, transgender, and non-binary. A cisgender person is someone whose gender aligns with the sex they were assigned at birth. Generally, this gender will align with the binary of male or female. A transgender person is someone whose gender is different than the sex they were assigned at birth. A non-binary person does not identify exclusively as a man or a woman. They might identify as both, somewhere in between, or completely outside the gender binary. Some may identify as transgender, but not all do. Respecting an individual's gender identity is a necessary first step in establishing a safe workplace.

Sexual harassment is unlawful when it subjects an individual to inferior terms, conditions, or privileges of employment. Harassment does not need to be severe or pervasive to be illegal. It can be any harassing behavior that rises above petty slights or trivial inconveniences. Every instance of harassment is unique to those experiencing it, and there is no single boundary between petty slights and harassing behavior. However, the New York State Human Rights Law specifies that whether harassing conduct is considered petty or trivial is to be viewed from the standpoint of a reasonable victim of discrimination with the same protected characteristics. Generally, any behavior in which an employee or covered individual is treated worse because of their gender (perceived or actual), sexual orientation, or gender expression is considered a violation of the Company's policy. The intent of the behavior, for example, making a joke, does not neutralize a harassment claim. Not intending to harass is not a defense. The impact of the behavior on a person is what counts.

Sexual harassment includes any unwelcome conduct which is either directed at an individual because of that individual's sex, gender identity or expression (perceived or actual), or is of a sexual nature when:

- The purpose or effect of this behavior unreasonably interferes with an individual's work performance or creates an intimidating, hostile or offensive work environment. The impacted person does not need to be the intended target of the sexual harassment;
- Employment depends implicitly or explicitly on accepting such unwelcome behavior; or
- Decisions regarding an individual's employment are based on an individual's acceptance to or rejection of such behavior. Such decisions can include what shifts and how many

hours an employee might work, project assignments, as well as salary and promotion decisions.

There are two main types of sexual harassment:

- Behaviors that contribute to a **hostile work environment** include, but are not limited to, words, signs, jokes, pranks, intimidation, or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex, gender identity, or gender expression. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory, or discriminatory statements which an employee finds offensive or objectionable, causes an employee discomfort or humiliation, or interferes with the employee's job performance.
- Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions, or privileges of employment. This is also called **quid pro quo** harassment.

Any employee or covered individual who feels harassed is encouraged to report the behavior so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be discrimination and is covered by this policy.

The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited. **This list is just a sample of behaviors and should not be considered exhaustive.** Sexual harassment can occur between any individuals, regardless of their sex or gender. Harassment does not have to be between members of the opposite sex or gender. Any employee or covered individual who believes they have experienced sexual harassment, even if it does not appear on this list, should feel encouraged to report it:

- Physical assaults of a sexual nature, such as:
 - Touching, pinching, patting, grabbing, brushing against another employee's body or poking another employees' body;
 - Rape, sexual battery, molestation or attempts to commit these assaults, , which may be considered criminal conduct outside the scope of this policy (please contact local law enforcement if you wish to pursue criminal charges).
- Unwanted sexual advances or propositions, such as:
 - Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments;
 - Subtle or obvious pressure for unwelcome sexual activities; or
 - Repeated requests for dates or romantic gestures, including gift-giving.
- Sexually oriented gestures, noises, remarks or jokes, or questions and comments about a person's sexuality, sexual experience, or romantic history which create a hostile work environment. This is not limited to interactions in person. Remarks made over virtual platforms and in messaging apps when employees are working remotely can create a similarly hostile work environment.
- Sex stereotyping, which occurs when someone's conduct or personality traits are judged based on other people's ideas or perceptions about how individuals of a particular sex should act or look:

- Remarks regarding an employee's gender expression, such as wearing a garment typically associated with a different gender identity; or
- Asking employees to take on traditionally gendered roles, such as asking a woman to serve meeting refreshments when it is not part of, or appropriate to, their job duties.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
 - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace;
 - This also extends to the virtual or remote workspace and can include having such materials visible in the background of one's home during a virtual meeting
- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity or gender expression, such as:
 - Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
 - Sabotaging an individual's work;
 - Bullying, yelling, name-calling;
 - Intentional misuse of an individual's preferred pronouns; or
 - Creating different expectations for individuals based on their perceived identities:
 - Dress codes that place more emphasis on women's attire;
 - Leaving parents/caregivers out of meetings.

What Are Other Kinds of Harassment?

In addition to sexual harassment, the Company prohibits all other harassment based on race (including traits historically associated with race (including, but not limited to, hair texture and protected hairstyles, such as braids, locks and twists), ethnicity, religion (including clothing or facial hair worn in accordance with the religious tenets), color, sex, pregnancy, childbirth and related medical conditions, breastfeeding, gender (including actual or perceived sex, gender identity, and gender expression including a person's actual or perceived gender-related self-image, appearance, behavior, expression, or other gender-related characteristic, regardless of the sex assigned to that person at birth), sexual orientation, sexual and reproductive health decisions, national origin, immigration or citizenship status, status as a veteran, active military service member, or uniform service member, marital or partnership status, familial status, caregiver status, age (18 or older), predisposing genetic characteristics, disability, creed, status as a victim of domestic violence, sexual violence or stalking, unemployment status, salary history, credit history, height, weight, certain prior arrest or conviction records, an individual's status as having a known relationship or association with a member or members of a protected category, or any other protected characteristic as defined by applicable federal, state, or local law.

The following describes some of the types of acts that may be unlawful harassment and that are strictly prohibited. **This list is just a sample of behaviors and should not be considered**

exhaustive. Any employee who believes they have experienced harassment, even if it does not appear on this list, should feel encouraged to report it.

- Epithets; derogatory comments, slurs, or name-calling; racial or ethnic slurs; threats; offensive jokes;
- Offensive or degrading remarks, verbal abuse, or other hostile behavior such as insulting, teasing, mocking, degrading, or ridiculing another person or group.
- Hostile actions taken against an individual because of a protected characteristic, such as:
 - Interfering with, destroying, or damaging a person's workstation, tools, or equipment, or otherwise interfering with the individual's ability to perform the job;
 - Sabotaging an individual's work;
 - Bullying, yelling, name calling.
- Unwelcome or inappropriate physical contact, comments, questions, advances, jokes, epithets or demands;
- Derogatory or offensive posters, cartoons, or drawings; displaying offensive pictures, writings, symbols, or objects;
- Making negative comments about an Employee's personal religious beliefs, or trying to convert them to a certain religious ideology;
- Sharing inappropriate images, videos, emails, letters, or notes;
- Offensively talking about negative racial, ethnic, or religious stereotypes;
- Making derogatory age-related comments;
- Making offensive reference to an individual's mental or physical disability;
- Assault or other inappropriate physical contact.

It is impossible to specify every action or all words that could be interpreted as harassment. The examples listed above are not meant to be a complete list of objectionable behavior.

Who Can Be a Target of Harassment or Discrimination?

The law protects employees and all covered individuals described earlier in the policy. Harassers can be anyone in the workplace. A supervisor, a supervisee, or a coworker can all be harassers. Anyone else in the workplace can also be harassers including an independent contractor, contract worker, vendor, client, customer, patient, constituent, or visitor.

Individuals bring personal history with them to the workplace that might impact how they interact with certain behavior. It is especially important for all employees to be aware of how words or actions might impact someone with a different experience than their own in the interest of creating a safe and equitable workplace.

Where Can Harassment Occur?

Harassment is not limited to the physical workplace itself. It can occur while employees are traveling for business or at employer or industry sponsored events or parties. Calls, texts, emails, and social media usage by employees or covered individuals can constitute unlawful workplace harassment, even if they occur away from the workplace premises, on personal devices or during non-work hours.

Harassment can occur when employees are working remotely from home as well. Any behaviors outlined above that leave an employee feeling uncomfortable, humiliated, or unable to meet their job requirements constitute harassment even if the employee or covered individual is at home when the harassment occurs. Harassment can happen on virtual meeting platforms, in messaging apps, and after working hours between personal cell phones.

Reporting and Investigating Harassment and Discrimination

Any employee or covered individual is encouraged to report harassing or discriminatory behavior to a supervisor, manager, or the **Human Resources Department**. Anyone who witnesses or becomes aware of potential instances of harassment should report such behavior to a supervisor, manager, or the **Human Resources Department**.

Reports of harassment, discrimination or retaliation can be made verbally or in writing. A written complaint form is attached to this Handbook if an employee would like to use it, but the complaint form is not required. Employees who are reporting harassment, discrimination or retaliation on behalf of other employees may use the complaint form and should note that it is on another employee's behalf. A verbal or otherwise written complaint (such as an email) on behalf of oneself or another employee is also acceptable.

Employees and covered individuals who believe they have been a target of harassment, discrimination or retaliation may also seek assistance in other available forums, as explained below in the section on Legal Protections.

Supervisory Responsibilities

Everyone must work toward preventing harassment and discrimination, but leadership matters. Supervisors and managers have a special responsibility to make sure employees feel safe at work and that workplaces are free from harassment and discrimination. Any supervisor or manager who receives a complaint or information about suspected harassment, discrimination or retaliation, observes what may be harassing, discriminatory or retaliatory behavior or for any reason suspects that harassment, discrimination or retaliation is occurring, is required to promptly notify the **Human Resources Department**. Managers and supervisors should not be passive and wait for an employee to make a claim of harassment, discrimination or retaliation. If they observe such behavior, they must act.

Supervisors and managers can be disciplined if they engage in harassing or discriminatory behavior themselves. Supervisors and managers can also be disciplined for failing to report suspected harassment or discrimination or allowing harassment or discrimination to continue after they know about it. Supervisors and managers will also be subject to discipline for engaging in any retaliation.

While supervisors and managers have a responsibility to report harassment and discrimination, supervisors and managers must be mindful of the impact that harassment and discrimination and a subsequent investigation has on victims. Being identified as a possible victim of harassment or discrimination and questioned about harassment and discrimination can be intimidating, uncomfortable and re-traumatizing for individuals. Supervisors and managers must

accommodate the needs of individuals who have experienced harassment or discrimination to ensure the workplace is safe, supportive, and free from retaliation for them during and after any investigation.

Bystander Intervention

There are five standard methods of bystander intervention that can be used when anyone witnesses harassment or discrimination and wants to help.

1. A bystander can interrupt the harassment by engaging with the individual being harassed or discriminated against and distracting them from the harassing or discriminatory behavior;
2. A bystander who feels unsafe interrupting on their own can ask a third party to help intervene in the harassment or discrimination;
3. A bystander can record or take notes on the harassment or discrimination incident to benefit a future investigation;
4. A bystander might check in with the person who has been harassed or discriminated against after the incident, see how they are feeling and let them know the behavior was not ok; and
5. If a bystander feels safe, they can confront the harassers and name the behavior as inappropriate. When confronting harassment or discrimination, physically assaulting an individual is never an appropriate response.

Though not exhaustive, and dependent on the circumstances, the guidelines above can serve as a brief guide of how to react when witnessing harassment or discrimination in the workplace. Any employee witnessing harassment or discrimination as a bystander is encouraged to report it. A supervisor or manager that is a bystander to harassment or discrimination is required to report it.

Complaint and Investigation of Harassment, Discrimination or Retaliation

All complaints or information about suspected harassment, discrimination or retaliation will be investigated, whether that information was reported in verbal or written form. Investigations will be conducted in a timely and thorough manner, and will be confidential to the extent possible, consistent with the Company's need to conduct a thorough investigation. All individuals involved, including complainants, witnesses and the person about whom the complaint was made will be accorded the opportunity to a fair and impartial investigation.

Any employee may be required to cooperate as needed in an investigation of suspected harassment, discrimination or retaliation. The Company will not retaliate against employees who file complaints, support another's complaint or participate in an investigation regarding a violation of this policy.

The Company recognizes that participating in a harassment investigation can be uncomfortable and has the potential to retraumatize an employee. Those receiving claims and

leading investigations will handle complaints and questions with sensitivity toward those participating.

While the steps may vary from case to case, investigations should generally be done in accordance with the following steps, as applicable and appropriate. Upon receipt of complaint, the **Human Resources Department** or an appropriate designated investigator will:

- conduct a prompt review of the allegations, assess the appropriate scope of the investigation, and take any interim actions, as appropriate.
- take steps to obtain, review, and preserve documents sufficient to assess the allegations, including documents, emails or phone records that may be relevant to the investigation. The designated investigator will consider and implement appropriate document request, review, and preservation measures, including for electronic communications.
- interview all parties involved, including any relevant witnesses.
- create a written documentation of the investigation (such as a letter, memo or email), which contains the following: a list of all documents reviewed, along with a detailed summary of relevant documents; a list of names of those interviewed, along with a detailed summary of their statements; a timeline of events; a summary of prior relevant incidents disclosed in the investigation, reported or unreported; and the basis for the decision and final resolution of the complaint, together with any corrective action(s).

If the Company finds that a violation of this policy has occurred, it will take immediate appropriate corrective action, up to and including termination of employment of the offending employee, along with any additional steps necessary to prevent further violations of this policy.

Protection Against Retaliation

Retaliation is strictly prohibited by the Company.

Retaliation is any action by an employer or supervisor that punishes an individual upon learning of a harassment claim, that seeks to discourage a worker or covered individual from making a formal complaint or supporting a harassment or discrimination claim, or that punishes those who have come forward. These actions need not be job-related or occur in the workplace to constitute retaliation. For example, threats of physical violence outside of work hours or disparaging someone on social media would be covered as retaliation under this policy.

Examples of retaliation may include, but are not limited to:

- Demotion, termination, denying accommodations, reduced hours, or the assignment of less desirable shifts;
- Publicly releasing personnel files;
- Refusing to provide a reference or providing an unwarranted negative reference;
- Labeling an employee as “difficult” and excluding them from projects to avoid “drama”;
- Undermining an individual’s immigration status; or

- Reducing work responsibilities, passing over for a promotion, or moving an individual's desk to a less desirable office location.

The Company will not tolerate any retaliation against anyone who, in good faith, reports or provides information about suspected harassment, discrimination or otherwise engages in protected activity. Protected activity occurs when a person has:

- made a complaint of harassment or discrimination, either internally or with any government agency;
- testified or assisted in a proceeding involving harassment or discrimination under the New York State Human Rights Law or other anti-discrimination law;
- participated in any internal investigation involving harassment or discrimination;
- opposed harassment or discrimination by making a verbal or informal complaint to management, or by simply informing a supervisor or manager;
- reported that another employee has been harassed or discriminated against; or
- encouraged a fellow employee to report harassment or discrimination.

Even if the alleged harassment or discrimination does not turn out to rise to the level of a violation of the law or the Company's policy, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful or prohibited by the Company's policy. However, the policy against retaliation is not intended to protect persons making intentionally false charges of harassment or discrimination.

Retaliation is not just prohibited by the Company, but is unlawful under federal, state, and (where applicable) local law. Neither the Company nor the law will not tolerate any form of retaliation against any Employee who engages in protected activity. If you believe that you have experienced or witnessed retaliation, you should immediately report your concern to the **Human Resources Department**, your supervisor, or any other supervisor. Any Employee who engages in retaliation will be subject to disciplinary action, up to and including termination, as well as possible legal consequences.

Legal Protections and External Remedies

Harassment, discrimination and retaliation are not only prohibited by the Company but are also prohibited by state, federal, and (where applicable) local law.

The internal process outlined in the policy above is one way for employees to report harassment, discrimination or retaliation. Employees and covered individuals may also choose to pursue legal remedies with the following governmental entities. While a private attorney is not required to file a complaint with a governmental agency, you may also seek the legal advice of an attorney. Note that this policy does not supersede any dispute resolution or arbitration agreements the Company may have with employees.

New York State Human Rights Law

The Human Rights Law (HRL), codified as N.Y. Executive Law, art. 15, § 290 et seq., applies to all employers in New York State and protects employees and covered individuals,

regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with the New York State Division of Human Rights (DHR) or in New York State Supreme Court.

Complaints of harassment, discrimination or retaliation may be filed with DHR within three years of the harassment, discrimination or retaliation. If an individual does not file a complaint with DHR, they can bring a lawsuit directly in state court under the HRL, within three years of the alleged harassment, discrimination or retaliation. An individual may not file with DHR if they have already filed a HRL complaint in state court.

Complaining internally to the Company does not extend your time to file with DHR or in court. The three years is counted from date of the most recent incident of harassment.

You do not need an attorney to file a complaint with DHR, and there is no cost to file with DHR.

DHR will investigate your complaint and determine whether there is probable cause to believe that harassment, discrimination or retaliation has occurred. Probable cause cases receive a public hearing before an administrative law judge. If a violation of the law is found after a hearing, DHR has the power to award relief. Relief varies but it may include requiring your employer to take action to stop the harassment, or repair the damage caused by the harassment, discrimination or retaliation, including paying of monetary damages, punitive damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458. You may call (718) 741-8400 or visit www.dhr.ny.gov.

Go to dhr.ny.gov/complaint for more information about filing a complaint with DHR. The website has a digital complaint process that can be completed on your computer or mobile device from start to finish. The website has a complaint form that can be downloaded, filled out, and mailed to DHR as well as a form that can be submitted online. The website also contains contact information for DHR's regional offices across New York State.

Call the DHR sexual harassment hotline at **1(800) HARASS3** for more information about filing a sexual harassment complaint. This hotline can also provide you with a referral to a volunteer attorney experienced in sexual harassment matters who can provide you with limited free assistance and counsel over the phone.

Civil Rights Act of 1964

The United States Equal Employment Opportunity Commission (EEOC) enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act, 42 U.S.C. § 2000e *et seq.* An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint and determine whether there is reasonable cause to believe that discrimination has occurred. If the EEOC determines that the law may have been violated, the EEOC will try to reach a voluntary settlement with the employer. If the EEOC cannot reach a settlement, the EEOC (or

the Department of Justice in certain cases) will decide whether to file a lawsuit. The EEOC will issue a Notice of Right to Sue permitting workers to file a lawsuit in federal court if the EEOC closes the charge, is unable to determine if federal employment discrimination laws may have been violated, or believes that unlawful discrimination occurred but does not file a lawsuit.

Individuals may obtain relief in mediation, settlement or conciliation. In addition, federal courts may award remedies if discrimination is found to have occurred. In general, private employers must have at least 15 employees to come within the jurisdiction of the EEOC.

An employee alleging discrimination at work can file a “Charge of Discrimination.” The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (TTY: 1-800-669-6820), visiting their website at www.eeoc.gov or via email at info@eeoc.gov.

If an individual filed an administrative complaint with the New York State Division of Human Rights, DHR will automatically file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from harassment and discrimination. Individuals should contact the county, city or town in which they live or work to find out if such a law exists. For example, employees who work in New York City may file complaints of harassment with the New York City Commission on Human Rights. Contact their main office at Law Enforcement Bureau of the NYC Commission on Human Rights, 22 Reade Street, 1st Floor, New York, New York; call 311 or (212) 306-7450; or visit www.nyc.gov/html/cchr/html/home/home.shtml.

Contact the Local Police Department

If the harassment involves unwanted physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Those wishing to pursue criminal charges are encouraged to contact their local police department.

Requests for Accommodation

In accordance with federal, state, and local law, the Company will make reasonable accommodations to the following Employees to allow them to perform the essential functions of their position, provided the accommodation does not create an undue hardship for the Company and/or does not pose a direct threat to the health or safety of others in the workplace and/or to the individual:

- Those with a known mental or physical disability;
- Pregnant individuals and/or individuals with pregnancy or childbirth-related medical conditions;

- Victims of domestic violence, sex offenses or stalking; and
- Employees with religious observance and practice obligations.

If you require an accommodation for any of the above reasons, you must notify the **Human Resources Department**. Once the Company is aware of the need for an accommodation, the Company will engage in a cooperative dialogue addressing the Employee's accommodation needs, potential accommodations that may address the needs, including alternatives to the Employee's requested accommodation, and any difficulties that such potential accommodations may pose for the Company. In each case, the Company wishes to have timely, good faith discussions with the Employee to determine what accommodation, if any, may be appropriate.

While the Company will aim to choose the Employee's preferred reasonable accommodation in each case above, the Company retains the ultimate discretion to choose the appropriate reasonable accommodation. After a final determination is made at the conclusion of the cooperative dialogue, the Company will provide the Employee requesting an accommodation with a final written determination. If you believe that you have been treated in a manner not in accordance with these policies, please notify the Company immediately by speaking to the **Human Resources Department**.

The Company will not retaliate or otherwise discriminate against anyone for requesting a reasonable accommodation, regardless of whether the request was granted, and will not knowingly tolerate or permit retaliation by management, Employees, or coworkers. You are encouraged to utilize this procedure without fear of retaliation

Discrimination on the Basis of Gender, Gender Identity or Transgender Status

We prohibit discrimination against and/or harassment of applicants, Employees, and interns on the basis of their actual or perceived gender or actual or perceived status as an individual who is transgender, gender non-conforming or intersex. For purposes of this policy, gender includes actual or perceived sex, gender identity, and gender expression including a person's actual or perceived gender-related self-image, appearance, behavior, expression, or other gender-related characteristic, regardless of the sex assigned to that person at birth.

We also evaluate all requests for accommodations (including requests for medical leaves) in a fair and non-discriminatory manner.

Employees who engage with the public as part of their job duties are required to do so in a respectful, non-discriminatory manner by respecting gender diversity and ensuring that members of the public are not subject to discrimination (including discrimination with respect to single-sex programs and facilities).

Preferred Names, Titles and Pronouns

We allow Employees to self-identify their names and genders and will use an individual's preferred name, title (e.g., Mr./ Ms.) and pronoun (e.g., he/him/his; she/her/hers; they/them/theirs;

or ze/hir). Requests to be addressed by a certain name and/or pronoun do not require supporting documentation.

If an Employee is unsure what name, title, or pronoun another individual prefers, that Employee can ask the person how he or she would like to be addressed.

Facilities Designated as Single-Sex

All Employees have the right to use single-sex facilities, such as restrooms, consistent with their gender identity or expression. To the extent possible, the Company will provide single-occupancy restrooms and/or private space within multi-user facilities for individuals with privacy concerns, but will not require use of a single-occupancy bathroom because an individual is transgender or gender non-conforming.

Dress Code

Our dress code and grooming standards are gender neutral, meaning they do not differentiate or impose restrictions or requirements based on gender or sex.

Reporting and Anti-Retaliation

Employees with issues or concerns regarding their safety, gender discrimination or any other items addressed in this policy, or who feel they have been subjected to discrimination, should contact the **Human Resources Department**. We prohibit and do not tolerate retaliation against Employees who report issues or concerns of gender discrimination pursuant to this policy in good faith.

- Access information regarding reproductive health decision making of an Employee or their dependent, without the Employee's prior informed affirmative written consent;

Additionally, the Company will not retaliate against an Employee for exercising their rights under Section 203-e of the New York Labor Law. Specifically, the Company will not discharge,

suspend, demote or otherwise penalize an Employee for making or threatening to make a complaint to an employer, co-worker, or to a public body, that rights under this law have been violated; causing to be instituted any proceeding under or related to this law; or providing information to, or testifying before, any public body conducting an investigation, hearing, or inquiry into such violation of law, rule or regulation by such employer.

If an Employee believes that the Company has violated Section 203-e of the New York State Labor Law, the Employee may file a lawsuit in any court of competent jurisdiction. An aggrieved Employee who prevails in such an action may be awarded damages (including, but not limited to, back pay, benefits and reasonable attorneys' fees), injunctive relief, reinstatement, and/or liquidated damages. If you believe that you have been treated in a manner not in accordance with this policy, please notify the Company immediately by speaking to the **Human Resources Department**.

An uninterrupted meal break lasting 30 minutes or more will be unpaid for nonexempt Employees. Employees are completely relieved of their job responsibilities during their meal periods. For this reason, non-exempt Employees must clock in and out for their meal periods, or record the beginning and ending time of the meal period on their timesheet every day. Employees may be required to sign a certification providing, among other things, that they have taken all of their daily meal periods during the pertinent pay period.

No Company manager or supervisor is authorized to instruct or approve an Employee's wish to forego a meal period. Employees should immediately report a manager's or supervisor's instruction to skip a meal period to the **Human Resources Department**.

While you are on jury duty, the Company will pay the difference between your basic rate of pay and the total amount of pay you receive from serving as a juror, for up to five (5) days per calendar year.

Exempt Employees will continue to receive their regular salary when they work partial weeks while on jury duty, pursuant to state and federal law.

If you are called for jury duty, you must notify your supervisor within forty-eight (48) hours of receipt of the jury summons by showing the summons to your supervisor.

You must make every effort to report to work if you are released from jury duty before the end of our workday, unless otherwise required by law. Upon completion of jury service, you are generally expected to return to work the next business day.

Cell Phone Use/Texting While Driving

The Company prohibits Employees from using cellular phones for business reasons while driving or for any reason while driving for work-related purposes or driving a company-owned vehicle. Employees should also be aware that New York law prohibits all drivers from using handheld mobile telephones and portable electronic devices while driving. New York law allows use of such devices under the following circumstances:

Crime Victims/Witness Leave

The Company provides leave for Employees who are subpoenaed to attend or participate as a crime victim in court proceedings, including reasonable time requested by a prosecuting attorney to participate in the preparation of criminal proceedings when the Employee is a victim of a crime or the victim is the Employee or the Employee's next of kin, or the Employee is a deceased victim's representative, a good Samaritan, or pursuing an application or enforcement of an order of protection under the criminal procedure law or family court act, or when the Employee is subpoenaed to attend a criminal proceeding as a witness.

Eligible Employees may take time off from work to: (1) testify in a criminal proceeding (including time off to consult with the district attorney); (2) give a statement at a sentencing proceeding; (3) give a victim impact statement at a pre-sentencing proceeding; or (4) give a statement at a parole board hearing. Employees are expected to provide the Company with as much notice as possible of the need to take leave under this policy, and the Employees must notify their supervisor or the **Human Resources Department** of the need to take a leave under this policy no later than the day before the absence.

The Company may require Employees to provide written proof of Employee's attendance at meetings or court proceedings. Leave under this policy will be unpaid, except exempt Employees may be provided time off with pay when necessary to comply with state and federal wage and hour laws. Employees may use accrued paid time off for this purpose. The Company will not retaliate or tolerate retaliation against any Employee who seeks or obtains leave under this policy.

Family Military Leave Law

The Company provides an unpaid leave of up to ten (10) days to Employees who work an average of twenty (20) hours per week and who are the spouse of a member of the armed forces of the United States, the National Guard or the Reserves who has been deployed during a period of military conflict, to a combat theater or combat zone of operations. Employees requesting leave under this policy should notify the **Human Resources Department** as soon as possible and if requested they should provide appropriate documentation to support the leave request. Leave

under this policy will be unpaid, except exempt Employees may be provided time off with pay when necessary to comply with state and federal wage and hour laws. Employees may use accrued paid time off for this purpose. We prohibit discrimination and/or retaliation against any Employee who requests and/or takes time off pursuant to this policy.

New York Military Leave

In addition to the military leave rights set forth in the Employee Handbook, regular full-time and part-time Employees will be granted time off from work for military training or active duty in accordance with New York law. Employees returning from active duty or military training will be reinstated to the same position, or to a position of like seniority, status and pay, unless the Company's circumstances have changed such that it is impossible or unreasonable to do so. To be eligible for reinstatement, Employees must:

- Receive a certificate of completion duly executed by an officer of the applicable force or militia;
- Be qualified to perform their former job duties; and
- Apply for reemployment within 90 days of discharge from duty, except that Employees returning from training or school must reapply within 10 days and Employees returning from initial full-time training duty or initial active duty training with or in the United States Armed Forces must apply for reemployment within 60 days of the end of such training.

Any Employee who is reinstated to his or her previous position and in accordance with the provisions of this policy shall be considered as having been on furlough or leave of absence during his or her period of military service and shall be so restored without loss of seniority, shall be entitled to participate in insurance or other benefits offered by the employer pursuant to established rules and practices relating to associates on furlough or leave of absence in effect with the Company at the time such person entered the military service, and will not be terminated without cause in the year following reinstatement.

New York State Paid Family Leave Benefits

The Company provides eligible Employees the opportunity to take partially paid, job-protected leave to care for a new born child, a newly adopted or newly placed child or a family member with a serious health condition, or to handle certain qualifying exigencies arising from a spouse's, child's or parent's covered active duty or call to covered active duty status, up to the maximum length of leave permitted by law ("maximum amount of leave"), in accordance with the New York Paid Family Leave Benefits Law ("PFLBL"). PFLBL benefits are intended to compensate Employees for wage loss suffered while taking these types of eligible family leaves. In accordance with the law, PFLBL benefits are funded by a payroll deduction from Employees' paychecks.

Employee Eligibility

Employees who work 20 or more hours per week are eligible to take PFLBL leave after 26 weeks of work. Employees who work less than 20 hours per week are eligible on the 175th day of work. If Employees are unsure whether they qualify for PFLBL leave, they should contact their supervisor or the **Human Resources Department**.

When an Employee's regular employment schedule is 20 hours or more per week and the Employee will not work 26 consecutive weeks, or when an Employee's regular employment schedule is less than 20 hours per week but the Employee will not work 175 days in a 52-week period, the Company shall provide the Employee the option to file a waiver of family leave benefits. Any such waiver will be automatically revoked if there is a change in the Employee's work schedule that requires the Employee to continue working for 26 consecutive weeks or 175 days in a 52-consecutive week period, and the Employee will be required to be making contributions to the cost of PFLBL benefits, including any retroactive amounts due from the date of hire.

Conditions Triggering Leave

PFLBL leave may be taken for the following reasons:

- the birth, adoption, or foster care placement of an Employee's child within 12 months following the birth or placement of the child;
- to care for a close family member (spouse, domestic partner, child, parent, parent in law, grandparent, grandchild, or siblings) with a serious health condition; or
- to handle certain "qualifying exigencies" (as defined under the Family Medical Leave Act) arising out of the fact that the Employee's spouse, son, daughter, or parent is on covered active duty or call to covered active duty status in the military reserves, National Guard, or Armed Forces.

For purposes of this policy, a "serious health condition" is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that the qualified family member from participating in work, school, or other regular daily activities. Subject to certain conditions, the continuing treatment requirement includes an incapacity of more than three full calendar days and two visits to a health care provider or one visit to a health care provider and a continuing regimen of care; a chronic condition; permanent or long-term conditions; or absences due to multiple treatments. Other situations may meet the definition of continuing treatment.

Length of Leave

Employees are eligible for up to twelve (12) weeks of leave within a 12-month period.

Identifying the 12-Month Period

Employees are eligible to take up to the maximum amount of leave, during a 12-month period. All leave entitlement will be measured during a rolling 12-month period measured

backward from the first day of leave. PFLBL leave for the birth of a child or placement of a child for adoption or foster care must be concluded within 12 months of the birth or placement.

Using Leave

Eligible Employees may take PFLBL leave in a single block of time or intermittently (in separate blocks of time). The smallest increment of time that can be used for such intermittent leave is one full day. Employees who require intermittent leave must try to schedule their leave so that it will not unduly disrupt the Company's operations.

To the extent you are also eligible for FMLA leave for the same condition triggering PFLBL leave, you must use FMLA leave and PFLBL leave concurrently.

Employees may not concurrently receive New York State Disability or Workers' Compensation benefits and PFLBL benefits. An Employee who is eligible for both New York State Disability benefits and PFLBL benefits during the same 52-week period cannot receive more than 26 total weeks of disability and family leave benefits during that time period.

Wage Replacement Benefits

Employees who qualify for PFLBL benefits are eligible to receive 67% of their average weekly wage (up to a maximum amount set by the state) during their leave.

Notice and Certification

If the need for leave is foreseeable, an Employee must provide 30 days' notice in advance of the anticipated beginning date of the leave. If the need for leave is not foreseeable, notice must be provided as soon as is practicable and in compliance with the Company's normal call-in procedures, absent unusual circumstances.

An Employee wishing to make a claim for PFLBL benefits must complete a Request for Paid Family Leave or give notice in another format designated by the Company's insurance carrier. The Employee will be required to submit certain certifications and/or documentation substantiating the need for leave.

Use of Accrued Paid Leave

Depending on the purpose of your leave request, an Employee may choose to use accrued paid leave (such as sick leave, vacation, or PTO), concurrently with some or all of the Employee's PFLBL leave. In order to substitute paid leave for PFLBL leave, an eligible Employee must comply with the Company's normal procedures for the applicable paid-leave policy (e.g., call-in procedures, advance notice, etc.). Should an Employee choose to substitute accrued paid leave for PFLBL benefits, a leave that is otherwise eligible under the PFLBL will be job-protected leave.

To the extent you are also eligible for FMLA leave for the same condition triggering PFLBL leave, the Company's policies regarding the use of accrued paid leave concurrently with FMLA leave shall apply. To the extent you are eligible for leave under the Company's Parental

Leave policy, such leave will run concurrently with PFLBL leave and the benefits will be coordinated.

Benefits During PFLBL Leave

If you and/or your dependents participate in a group health plan through the Company, your coverage will be maintained during your PFLBL leave on the same terms as if you had continued to work. If applicable, you must make arrangements to pay your share of health plan premiums while on leave. An Employee's failure to pay the Employee share of the health coverage premium may result in an elimination of coverage after 30 days. Use of PFLBL leave will not result in the loss of any employment benefit that accrued prior to the start of your leave.

Job Restoration

Upon returning from PFLBL leave, eligible Employees will typically be restored to their original job or to an equivalent job with equivalent pay, benefits, and other employment terms and conditions. However, Employees have no greater right to reinstatement than if they had been continuously employed rather than taken leave. For example, if an Employee would have been laid off or his or her position would have been eliminated even if he or she had not gone on leave, then the Employee will not be entitled to reinstatement.

Failure to Return After PFLBL Leave

Any Employee who fails to return to work as scheduled after PFLBL leave or exceeds the maximum amount of leave entitlement, will be subject to the Company's standard leave of absence and attendance policies. This may result in termination if you have no other Company-provided leave available to you that applies to your continued absence. Likewise, following the conclusion of your PFLBL leave, the obligation to maintain your group health plan benefits may end (subject to any applicable COBRA rights).

Fraud

Providing false or misleading information or omitting material information in connection with a PFLBL leave will result in disciplinary action, up to and including immediate termination.

Employers' Compliance with PFLBL and Employee's Enforcement Rights

PFLBL makes it unlawful for any employer to interfere with, restrain, or deny the exercise of any right provided under PFLBL, or discharge or discriminate against any person for opposing any practice made unlawful by PFLBL or for involvement in any proceeding under or relating to PFLBL.

Pregnancy Accommodation

Consistent with the Employee Handbook, the Company will provide reasonable accommodations to female Employees related to pregnancy, childbirth, or related conditions, to the extent the accommodation can be made without imposing an undue hardship on the business.

When an Employee requests a reasonable accommodation, we shall explore with the Employee the possible means of providing the reasonable accommodation, which may include, but are not limited to:

- acquisition of equipment for sitting;
- more frequent or longer breaks;
- periodic rest;
- modifying work hours/schedules;
- job restructuring;
- break time and private non-bathroom space for expressing breast milk;
- modified work schedules; or
- time off to recover from childbirth.

We may require the Employee to provide a certification in connection with a request for reasonable accommodation.

If leave is provided as a reasonable accommodation, such leave may run concurrently with the federal Family and Medical Leave Act and/or any other leave where permitted by state and federal law.

Employees or applicants for employment who have questions about this policy or who wish to request a reasonable accommodation under this policy should contact the **Human Resources Department**.

Lactation Break/Accommodation

The Company provides reasonable accommodations to employees who pump during work hours. Employees who choose to express breast milk in the workplace will not be discriminated against in any way.

The Company will provide paid break time for up to thirty (30) minutes to allow an employee to express breast milk, each time the employee has reasonable need to express breast milk. The number of paid breaks an employee will need to express breast milk is unique to each employee, and the Company will not unreasonably limit the amount of time or the frequency that an employee expresses breast milk. Any break time in excess of thirty (30) minutes per break will be unpaid for non-exempt employees, but the employee can elect to take such additional time during any existing paid break or meal time. The Company will provide this break time for up to three years following the birth of a child. Employees should work with their supervisor regarding scheduling breaks.

Employees are not required to work before or after their normal shift to make up for any paid break time to express breast milk. Employees are not required to work while expressing breast milk.

The Company will discuss options to ensure employees will be able to express breast milk at work. Such options may include creating a temporary lactation space, pumping in a shared space, pumping at the employee's work station, or allowing longer breaks for employees to pump offsite. The Company will ensure that the accommodation is clean, free from intrusion, and meets as many of the following requirements as possible: contains at least one electrical outlet, a surface to place a pump and other personal items, and a chair; and is near running water. The Company will discuss with the employee how to accommodate the employee's needs to pump at work, including how to ensure the employee's privacy and maintain a sanitary pumping environment.

A refrigerator will be available for employees to store breast milk.

Before an employee returns from parental leave, the Company will seek to discuss with the employee whether the employee needs a reasonable accommodation to express breast milk at work. Employees who want to express breast milk at work must give the Company reasonable advance notice, generally before returning to the workplace if the employee is on leave. A request may be made orally or in writing to the Human Resources Department. This advance notice is to allow the Company time to find an appropriate location and adjust schedules if needed. The Company will respond to a request for a lactation accommodation as quickly as possible. Under no circumstances will this amount of time exceed five (5) business days. The Company recognizes that employees' lactation accommodation needs may change over time. Employees may request changes to their existing lactation accommodation at any point.

The Company will not tolerate discrimination or harassment against any employee based on the request for or usage of lactation accommodations. Any discrimination, harassment, or other violations of this policy can be reported to the Human Resources Department.

Prenatal Leave

Effective January 1, 2025, employees will be provided with twenty (20) hours of paid prenatal leave each year. Prenatal leave may be used to attend to health care services received by an employee during their pregnancy or related to their pregnancy, including physical examinations, medical procedures, monitoring and testing and discussions with a health care provider related to the pregnancy.

Prenatal leave may be used in hourly increments. Unused prenatal leave does not carry over from year to year and will not be paid out upon separation from employment for any reason.

Adoption Leave

Employees who are adoptive parents will be permitted to take leave under the same terms as leave provided to biological parents for the adoption of a child upon the start of the parent-child relationship. Leave will only be granted to Employees who adopt children of preschool age or

younger, or who adopt children under the age of 18 who are considered "hard to place" or handicapped under New York law.

Bone Marrow Donation Leave

The Company provides reasonable and necessary unpaid leave to eligible Employees who work an average of 20 or more hours per week to undergo a medical procedure to donate bone marrow. The combined length of leave is to be determined by the Employee's physician but cannot exceed 24 hours unless otherwise agreed to by the Company. The Company may require a physician's verification of the purpose and length of each leave requested for bone marrow donation. Leave under this policy will be unpaid, except exempt Employees may be provided time off with pay when necessary to comply with state and federal wage and hour laws. Employees may use accrued paid time off for this purpose.

We will not retaliate or tolerate retaliation against an Employee for requesting or taking bone marrow donation leave.

Employees must provide advance notice of at least three (3) working days of their intention to avail themselves of this leave, except in emergency situations. Leave under this policy will be unpaid, except exempt Employees may be provided time off with pay when necessary to comply with state and federal wage and hour laws. Employees may use accrued paid time off for this purpose.

We will not retaliate or tolerate retaliation against an Employee for requesting or taking blood donor leave.

Emergency Responder Leave

Eligible Employees will be allowed time off from work to perform duties as a volunteer firefighter or member of a volunteer ambulance service during a declared state of emergency, unless providing the leave would impose an undue hardship on the Company's business operations.

To be eligible for leave under this policy, Employees must have previously provided the Company with written documentation from the volunteer fire department or ambulance service notifying the Company of the Employee's status as a volunteer firefighter or volunteer ambulance service member and the Employee's volunteer duties must be related to the declared emergency.

We may request certification of the need for leave in the form of a notarized statement from the head of the fire department or ambulance service setting for the time period that the Employee's volunteer services were required.

Leave under this policy will be unpaid, except exempt Employees may be provided time off with pay when necessary to comply with state and federal wage and hour laws. Employees may use accrued paid time off for this purpose.

Employee social security numbers (SSNs) and personal information may be collected in the ordinary course of business for the purpose of identity verification or to administer benefits and in accordance with state and federal laws. Records that include social security numbers and personal information will be maintained in accordance with federal and state laws.

To ensure to the extent practicable the confidentiality of our Employees' and applicants' personal identifying information, no Employee may acquire, disclose, transfer, or unlawfully use the SSN, home address, or telephone number, personal electronic mail address, internet identification name, or password, parent's surname prior to marriage, or drivers' license number of any Employee except in accordance with Company policy and procedures. The release of Employee personal identifying information to external parties is prohibited except where required by law. Internal access to Employee SSNs is restricted to Employees with a legitimate business need for the information. Specifically, Employees must not: (a) publicly post or display an Employee's Social Security number; (b) visibly print a Social Security number of any identification badge or card; (c) place a Social Security number in files with unrestricted access; or (d) communicate an Employee's personal identifying information to the general public.

Employees must immediately report to the **Human Resources Department** any violation of this policy. If a violation of this policy occurs, we will notify the affected Employees in compliance with the applicable laws. For more information about this policy contact the **Human Resources Department**.

Wage Disclosure Protection

No Employee is prohibited from inquiring about, discussing, or disclosing his or her wages or the wages of another Employee, if voluntarily disclosed by that Employee. Employees are not required to disclose their wages to anyone.

This policy does not apply to disclosure of other Employees' wage information by Employees who have access to such information solely as part of their essential job functions and who, while acting on behalf of Company, make unauthorized disclosure of that information. Company representatives may disclose Employees' wages in response to a complaint or charge, or in furtherance of an investigation, proceeding, hearing, or action under state law.

Please note that although the state has legalized the recreational use of marijuana, we do not permit the possession or use of marijuana in the workplace. The Company strictly prohibits:

- The use, possession, sale, or transfer of marijuana on Company premises, during work hours, or with the use of Company equipment or other property; and

- Reporting to work impaired by the use of marijuana.

Violation of this policy may result in discipline, up to and including immediate discharge.

Accordingly, PTO can be used for the following purposes:

- The mental or physical illness, injury or health condition of an Employee or the Employee's family member;
- The diagnosis, care, or treatment of a mental or physical illness, injury, or health condition of, or need for diagnosis of, the Employee or the Employee's family member;

- Care of a family member who has elective surgery, including organ donations;
- Closure of Employee's workplace due to a public health emergency;
- The Employee's need to care for a child whose school or child care provider is closed due to a public health emergency;
- Absence from work due to any of the following reasons when the Employee or the Employee's family member has been the victim of domestic violence, a family offense matter, sexual offense, stalking or human trafficking:
 - to obtain services from a domestic violence shelter, rape crisis center, or other shelter or services program;
 - to participate in safety planning, temporarily or permanently relocate, or take other actions to increase the safety of the Employee or Employee's family members;
 - to meet with an attorney or other social service provider to obtain information and advice on, and prepare for or participate in any criminal or civil proceeding;
 - to file a complaint or domestic incident report with law enforcement;
 - to meet with a district attorney's office;
 - to enroll children in a new school; or

- to take other actions necessary to ensure, maintain, improve, or restore the physical, psychological, or economic health or safety of the Employee or the Employee's family member or to protect those who associate or work with the Employee.

Eligible family members include an Employee's child, regardless of age (biological, adopted, or foster child; legal ward; child of an Employee standing in loco parentis); grandchild; spouse; domestic partner; parent (biological, foster, step or adoptive parent, or a legal guardian of the Employee, or a person who stood in loco parentis when the Employee was a minor child); grandparent; child or parent of an Employee's spouse or domestic partner; sibling (including half, adopted or step sibling), any other individual related by blood to the Employee or any other individual whose close association with the Employee is the equivalent of a family relationship.

Employees may use PTO for safe/sick leave purposes as it accrues, without having to complete 60 days of employment before being able to use accrued PTO.

Employees must provide oral or written notice of their need to use PTO for safe/sick time purposes. If the need to use PTO for safe/sick time purposes is foreseeable (i.e., the employee is aware of the need to use PTO safe/sick time purposes seven days or more before such use), we request employees provide reasonable advance notice of no more than seven days, to the extent possible. **The Company will not ask the employee to provide details about the medical condition that led the employee to use PTO for sick leave purposes, or the personal situation that led the employee to use PTO for safe leave purposes. Any information that the Company receives about an employee's use of PTO for safe/sick leave purposes will be kept confidential and not disclosed to anyone without the employee's written permission or as required by law.**

Employees are encouraged to use their PTO time each year. Employees may not accrue more than the total yearly accrual, as detailed above. A maximum of 56 hours of accrued PTO time may be carried over from one calendar year to the next. Any remaining unused PTO time will not be paid out and will be forfeited.

Employees have the right to request and use PTO for safe/sick time purposes. We will not take any adverse action against an employee that penalizes the employee for, or is likely to deter the employee from, seeking or obtaining safe/sick time under this policy, the NYPSL, or the ESSTA, and we will not otherwise interfere with an employee's exercise of rights under this policy, the NYPSL or the ESSTA. We will not retaliate or tolerate retaliation against any employee who makes a good-faith complaint about a possible violation of this policy, the NYPSL or the ESSTA or who communicates with any person about such a violation. In addition, we will not retaliate against any employee who informs another person about the rights under the NYPSL or the ESSTA.

Paid Safe and Sick Leave

This policy applies to any Employees who are ineligible for the Company's PTO as detailed in the Employee Handbook.

The Company provides eligible Employees with paid safe/sick time in accordance with the

requirements of the New York City Earned Safe and Sick Time Act (ESSTA) and New York Labor Law § 196-b (the New York Paid Sick Leave Law (NYPSL)).

The guidelines set forth in this policy do not supersede applicable federal, state, or local law regarding leaves of absence, including leave taken under the Family and Medical Leave Act (FMLA) and/or as a reasonable accommodation under the Americans with Disabilities Act or Americans with Disabilities Act Amendments Act of 2008 or any other applicable federal, state, or local law, including those prohibiting discrimination and harassment.

Eligibility

All employees (whether full-time, part-time or temporary) who are employed within New York are eligible to accrue paid safe/sick time in accordance with this policy.

Availability of Safe/Sick Time

For purposes of this policy, our calendar year begins on January 1 of each year, and ends on December 31 of each year. At the beginning of each calendar year, eligible Employees will be provided with a bank of 56 hours of paid sick leave to be used during the calendar year. Employees can begin using paid safe/sick time starting January 1. New hires will be granted a prorated amount of paid safe/sick time based on their hire date, and that paid safe/sick time will be available for immediate use. Paid safe/sick time may be used in an initial increment of 1 hour and then in half-hour increments thereafter. Eligible Employees may use up to 56 hours of paid safe/sick time in any calendar year.

Paid safe/sick time will run concurrently with any leave taken under any federal, state, or local law, including, but not limited to, leaves taken under the FMLA, unless otherwise prohibited by law.

Reasons Safe/Sick Time May Be Used

Safe/sick time may be used only for the following purposes:

- The mental or physical illness, injury or health condition of an Employee or the Employee's family member;
- The diagnosis, care, or treatment of a mental or physical illness, injury, or health condition of, or need for diagnosis of, the Employee or the Employee's family member;
- Preventive care for the Employee or the Employee's family member;
- The Employee's elective surgery, including organ donations;
- Care of a family member who has elective surgery, including organ donations;
- Closure of Employee's workplace due to a public health emergency;
- The Employee's need to care for a child whose school or child care provider is closed

due to a public health emergency;

- Absence from work due to any of the following reasons when the Employee or the Employee's family member has been the victim of domestic violence, a family offense matter, sexual offense, stalking or human trafficking:
 - to obtain services from a domestic violence shelter, rape crisis center, or other shelter or services program;
 - to participate in safety planning, temporarily or permanently relocate, or take other actions to increase the safety of the Employee or Employee's family members;
 - to meet with an attorney or other social service provider to obtain information and advice on, and prepare for or participate in any criminal or civil proceeding;
 - to file a complaint or domestic incident report with law enforcement;
 - to meet with a district attorney's office;
 - to enroll children in a new school; or
 - to take other actions necessary to ensure, maintain, improve, or restore the physical, psychological, or economic health or safety of the Employee or the Employee's family member or to protect those who associate or work with the Employee.

Eligible family members include an Employee's child, regardless of age (biological, adopted, or foster child; legal ward; child of an Employee standing in loco parentis); grandchild; spouse; domestic partner; parent (biological, foster, step or adoptive parent, or a legal guardian of the Employee, or a person who stood in loco parentis when the Employee was a minor child); grandparent; child or parent of an Employee's spouse or domestic partner; sibling (including half, adopted or step sibling), any other individual related by blood to the Employee or any other individual whose close association with the Employee is the equivalent of a family relationship.

Paid safe/sick time may not be used as additional vacation days. Additionally, paid safe/sick time may not to be used to extend employment or to delay a termination date. Employees who use safe/sick time for purposes other than those permitted by this policy may be subject to disciplinary action.

Requesting Safe/Sick Time/Documentation

Employees must provide oral or written notice of their need to use safe/sick time. If the need for safe/sick time is foreseeable (i.e., the employee is aware of the need to use safe/sick time seven days or more before such use), we request employees provide reasonable advance notice of no more than seven days, to the extent possible. To provide notice of the need to use safe/sick time, Employees must contact the **Human Resources Department**.

If safe/sick time is for more than three consecutive workdays, the Company may request reasonable documentation from the employee confirming their eligibility to take safe/sick leave. For use of sick time, written documentation signed by a licensed clinical social worker, licensed mental health counselor, or other licensed health care provider indicating the need for the amount of sick time taken shall be considered reasonable documentation. For use of safe time, documentation signed by an employee, agent, or volunteer of a victim services organization, an attorney, a member of the clergy, or a medical or other professional service provider from whom the employee or that employee's family member has sought assistance in addressing domestic violence, family offense matters, sex offenses, stalking, or human trafficking and their effects; a police or court record; or a notarized letter from the employee explaining the need for such time shall be considered reasonable documentation. If requested, such documentation must be provided within seven days of returning to work and submitted via fax or email to Bridge Human Resources. "Workdays" are the days or shifts employees would have worked had they not used safe/sick time. Failure to provide such documentation may result in denial of payment of safe/sick leave. The documentation should not disclose details regarding the reason for leave or any individually identifiable health or mental health information. The Company will reimburse an employee for all reasonable costs or expenses incurred in obtaining any requested documentation. In order to obtain reimbursement, an employee must submit a request for reimbursement along with proof of the fees and costs. Please follow the appropriate expense reimbursement process to submit via the expense reimbursement system.

The Company will not ask the employee to provide details about the medical condition that led the employee to use sick time, or the personal situation that led the employee to use safe time. Any information that the Company receives about an employee's use of safe/sick time will be kept confidential and not disclosed to anyone without the employee's written permission or as required by law.

Rate of Pay and Overtime

Safe/sick time is paid based on the Employee's regular pay rate in effect at the time the safe/sick time is taken, or the minimum wage, whichever is greater. Safe/sick time is not considered time worked for the purpose of calculating overtime for the week in which the safe/sick time was taken. Employees will not receive overtime pay for safe/sick leave.

Leave Carryover

Employees who have accrued time remaining at the end of the year may carry over up to 56 hours of the accrued and unused time to the next calendar year. However, Employees may not use more than 56 hours of safe/sick time in a calendar year.

We do not offer pay in lieu of actual safe/sick time.

Effect on Other Rights and Policies

We may provide other forms of leave for Employees to care for medical conditions under certain federal, state, and municipal laws. In certain situations, leave under this policy may run at the same time as leave available under another federal or state law, provided eligibility requirements for that law are met. We are committed to complying with all applicable laws.

Employees should contact the **Human Resources Department** for information about other federal, state, and municipal medical or family leave rights.

Separation from Employment

Compensation for accrued and unused paid safe/sick time is not provided upon separation from employment for any reason. If an Employee is rehired by us within six months of separation from employment, previously accrued but unused safe/sick time will be immediately reinstated.

Retaliation

Employees have the right to request and use safe/sick time. We will not take any adverse action against an Employee that penalizes the Employee for, or is likely to deter the Employee from, seeking or obtaining safe/sick time under this policy, the NYPSL, or the ESSTA, and we will not otherwise interfere with an Employee's exercise of rights under this policy, the NYPSL or the ESSTA. We will not retaliate or tolerate retaliation against any Employee who makes a good-faith complaint about a possible violation of this policy, the NYPSL or the ESSTA or who communicates with any person about such a violation. In addition, we will not retaliate against any Employee who informs another person about the rights under the NYPSL or the ESSTA.

Temporary Schedule Change (NYC employees only)

All Employees (whether full-time, part-time or temporary) who work more than 80 hours per calendar year in New York City and who have been employed for at least 120 days are entitled to a temporary change to the Employee's work schedule on up to two (2) occasions, each totaling one (1) business day, each calendar year to accommodate a personal event. A personal event can be any of the following:

- The need to care for a child under the age of 18;
- The need to care for a care for a person with a disability who is a family or household member and relies on the Employee for medical care or to meet the needs of daily living;
- The need to attend a legal proceeding or hearing for public benefits to which the Employee, a family member, or the Employee's minor child or care recipient is a party; or
- Any other reason for which the Employee may use leave under NYC's Earned Safe and Sick Time Act.

A temporary change means an adjustment to the Employee's usual schedule. This can include swapping or shifting working hours, using short-term unpaid leave, paid time off, or working remotely. As soon as you become aware of the need for a temporary schedule change, please make a request to your supervisor, noting the date of the requested temporary schedule change, that the change is due to a personal event and the proposed type of temporary change. The Company will either approve your proposal, provide leave without pay, or offer you the ability to

use paid time off. You are not required to use leave under NYC's Earned Safe and Sick Time Act for a temporary schedule change. If you have exhausted your entitlement to a temporary schedule change, you can request additional changes to your schedule. The Company may not be able to accommodate such additional requests; however, you will not be retaliated against for making such an additional request.

The Company will not retaliate or tolerate retaliation against any Employee who seeks or obtains a temporary schedule change under this policy, who makes a good-faith complaint about a possible violation of this policy or who communicates with any person about such a violation.

Paid Safe Leave Pursuant to Westchester Safe Time Leave for Victims of Domestic Violence and Trafficking Law (Westchester employees only)

We provide paid safe time leave in accordance with the requirements of the Westchester Safe Time Leave for Victims of Domestic Violence and Trafficking Law (STLL) to eligible employees. All employees (whether full-time, part-time or temporary) who work more than ninety (90) days in Westchester County and who are victims of domestic violence or human trafficking are eligible for up to forty (40) hours per year of paid safe time in order to (a) attend/testify in criminal and/or civil court proceedings relating to domestic violence or human trafficking and/or (b) to move to a safe location. Safe time may be used in full day or partial day increments. Unused safe time will not be paid out at the end of the year or at termination and may not be carried over to the next calendar year.

When an employee needs to use safe time leave, the employee shall make the request in writing or by email to their manager. An employee is required, when the need to use safe time leave is foreseeable, to make a good faith effort to provide advance notice of the need to use safe time. Employees must try to schedule the use of safe time so that it does not disrupt the business operations of the employee. The Company may require an employee provide reasonable documentation to verify leave is being used for a permissible purpose, such as: a court appearance ticket or subpoena; a copy of a police report; an Affidavit from an attorney involved in the court proceeding relating to the issue of domestic violence and/or human trafficking; or an affidavit from an authorized person from a reputable organization known to provide assistance to victims of domestic violence and victims of human trafficking.

Employees have the right to request and use safe time. We will not retaliate or tolerate retaliation against any employee who seeks or obtains safe time under this policy, who makes a good-faith complaint about a possible STLL violation or who communicates with any person about such a violation. In addition, we will not retaliate against any employee who informs another person about the rights under the STLL.

Accommodations for Victims of Domestic Violence

The Company will provide reasonable time off as reasonable accommodation to Employees who are victims of domestic violence, unless the Employee's absence would cause an undue hardship to the Company. The time off may be used for the following reasons:

- To seek medical attention for injuries caused by domestic violence;

- To obtain services from a domestic violence shelter, program, or rape crisis center;
- To obtain psychological counseling related to an incident of domestic violence;
- To participate in safety planning or to take other actions to increase safety from future incidents of domestic violence; or
- To obtain legal services, assist in the prosecution of the offense, or appear in court in relation to the incident of domestic violence.

The Employee will be required to use any available paid time off for such absences; if no paid time off is available, the time off will be unpaid. Exempt Employees may be provided time off with pay when necessary to comply with state and federal wage and hour laws. Employees who require time off in accordance with this policy must provide advance notice to the Company. If advance notice is not feasible, the Employee will be required to provide a certification to the Company within a reasonable time after return to work. Employees who wish to request an accommodation under this policy should contact their manager or the **Human Resources Department**.

Smoking and using e-cigarettes are not allowed in any parts of the workplace, including all indoor areas and company owned vehicles. E-cigarettes include e-hookahs, e-cigars, vape pens and similar products. The use of e-cigarettes of any kind is not allowed in the workplace under this policy. All employees and visitors are required to comply with the smoke-free workplace policy.

Employees who violate this policy may face disciplinary action. If employees wish to report violations of this policy, they can contact Human Resources. Employers will not be retaliated against for reporting violations of this policy or otherwise exercising their right to a smoke-free workplace. If you believe you have been retaliated against, please contact Human Resources.

Speak Up and Nonretaliation Policy

The Company does not tolerate acts of retaliation against an employee who makes a good faith report of improper workplace behavior. This includes making good faith reports of illegal conduct, conduct that poses a danger to public health or safety, violations of any Company policies, or harassment, discrimination or other inappropriate workplace behavior.

All employees are prohibited from taking retaliatory actions against employees who make good faith reports of improper workplace behavior. Managers must guard against retaliatory conduct by proactively watching for signs of retaliation and reporting any observed conduct that may potentially violate this policy as soon as possible.

- No employee may be retaliated against because that employee has in some manner opposed an employment practice that the employee in good faith reasonably believes violates

federal, state or local laws, rules or regulations or poses a danger to the public health or safety.

- No employee may be retaliated against because they object to or refuse to participate in an employment practice that the employee in good faith reasonably believes violates federal, state or local laws, rules or regulations or poses a danger to the public health or safety.
- No employee may be retaliated against because they filed a charge, truthfully testified, provided information or assistance, or participated in an investigation, proceeding, or hearing related to or arising from an allegedly unlawful employment practice.
- No employee may be retaliated against for asserting rights established by a federal, state or local law.

The Company wants all employees to feel comfortable raising questions and concerns without fear of retaliation, which includes discrimination, harassment, or other adverse action taken against an employee for making a report.

If you believe that you or someone else has been subjected to retaliation, you must report it as soon as possible to the Human Resources Department. Allegations of retaliation will be investigated promptly. If an employee has been subjected to retaliatory behavior because the employee has spoken up or attempted to speak up in good faith, in keeping with this policy, the employee found to have retaliated will be subject to corrective action, up to and including termination of employment

The number of paid days of leave provided under this policy is in is calendar days, and the Employee will be paid the amount of money the Employee would have otherwise received for the fourteen (14) day period. For the applicable paid period (14 days), the Employee shall be compensated at their regular rate of pay for their regular working hours. Emergency Quarantine Leave is not considered time worked for the purpose of calculating overtime for the week in which the leave was taken. Employees will not receive overtime pay for Emergency Quarantine Leave.

If you are unable to immediately provide the Company with the order of quarantine or isolation, you must submit documentation from a licensed medical provider who has treated you attesting the following: (i) you have tested positive for COVID-19; (ii) testing is not currently available for you, but you have COVID-19 symptoms and have had contact with a known COVID-19 case; (iii) you have been in close contact with someone who has tested positive for COVID-19 or who is currently in mandatory isolation; (iv) you have COVID-19 symptoms and have returned within the past 14 days from a country designated with a level 2, 3, or 4 advisory for COVID-19; (v) you are asymptomatic and have returned within the past 14 days from a country designated with a level 2, 3, or 4 advisory for COVID-19; or (vi) you have been determined to have had proximate exposure with someone who has tested positive for COVID-19 while that person was symptomatic. You must then submit the order of quarantine or isolation as soon as it is available to you.

An Employee shall not receive paid sick leave benefits or any other paid benefits provided by this policy if the Employee is subject to a mandatory or precautionary order of quarantine because the Employee has returned from travel to a non-contiguous state or a country designated by the Centers for Disease Control and Prevention as a level two or level three on the healthy notice scale, and the travel was not at the direction of the Company. We do not offer pay in lieu of actual Emergency Quarantine Leave. Compensation for unused Emergency Quarantine Leave is not provided upon separation from employment for any reason.

The Company will not retaliate against any Employee who takes leave in accordance with this policy.

Leave under this policy is separate from any other sick leave or paid time off available to Employees.

If an Employee is eligible for any sick leave and/or Employee benefits related to COVID-19 under any federal law or regulation, then the Employee shall not be entitled to Emergency Quarantine Leave pursuant to this policy. However, if the benefits provided by this policy are greater than the benefits provided by the federal law or regulation, than the Employee shall be eligible to claim such additional sick leave and/or Employee benefits pursuant to this policy in an amount of the difference between the benefits under this policy and the benefits available to the Employee under federal law or regulation.

Workplace Postings

Disaster Response Leave

The Company provides reasonable and necessary unpaid leave to Employees who serve as members of a volunteer fire department, rescue squad, or emergency medical service agency and

who are called into service after the Governor or General Assembly declares a state of emergency or upon the activation of the State Emergency Response Team.

The Company may limit the amount of leave provided if the employee's services are required to address an ongoing emergency or disaster relief activity within the Company. If that's the case, the Company reserves the right to certify to the applicable emergency management agency or director that the Employee is essential to the employer's own ongoing emergency relief activities.

Leave under this policy is unpaid. However, Employees may elect, at their discretion, to use their accrued but unused PTO time for any periods of active service.

Moreover, exempt Employees who take leave under the policy may be provided time off with pay when necessary to comply with state and federal wage and hour laws.

When requesting leave under this policy, Employees should provide the appropriate documentation from the Director of the Division of Emergency Management or the head of the local emergency management agency confirming the Employee's call into service.

Military Leave

Team members may take military leave for required service if they are members of the North Carolina National Guard or another state's National Guard.

Exempt employees may be provided time off with pay for any of the above-described leaves when necessary to comply with state and federal wage and hour laws.

All testing shall be conducted so as to comply with applicable Federal and State law.

In Ohio, in those situations where the post-accident drug testing is appropriate, any Employee who tests positive or who refuses to submit to testing in connection with a work-related injury will be subject to termination, and such Employee may not qualify for compensation under Ohio Workers' Compensation law.

Although the State of Ohio legalized the use of adult cannabis for medicinal and recreational purposes, the Company is not required to allow the medicinal use of cannabis or impairment in the workplace. Testing positive for cannabis under this policy or using or being under the influence of cannabis in the workplace is strictly prohibited, even if such use is for medicinal purposes [underlined portion not included in state template], and may result in disciplinary action, up to and including immediate termination.

Weapons in the Workplace

As a part of our commitment to the safety of our Employees, customers, and other Company visitors, the Company prohibits weapons, including firearms, on Company property and in Company-owned vehicles, even if an individual is licensed under Ohio's Concealed Carry Law or is otherwise concealed carrying in accordance with Ohio law. We all share in the responsibility to prevent violence in the workplace. Report any instance of violence immediately to the **Human Resources Department**.

Exempt employees may be provided time off with pay for any of the above described leaves when necessary to comply with state and federal wage and hour laws.

For non-exempt and regular part-time Employees, the pay for witness leave will be prorated based upon your regular work schedule, not to exceed eight (8) hours in any one day. If required to serve for more than five (5) days, you may (but are not required to) request PTO or take unpaid leave if needed. Unless otherwise required by state or federal law, time spent serving on jury duty in excess of five (5) workdays will be unpaid for non-exempt Employees. Exempt Employees will continue to receive their regular salary for any week in which they perform any work while on witness duty, pursuant to state and federal law.

Oregon Addendum

Introduction

This addendum is applicable only to employees working in the state of Oregon and only amends those provisions that are specifically addressed below. Regarding the amended provisions, in the event of any conflict between the Employee Handbook and this Addendum, this Addendum shall control. Except as set forth herein, the Employee Handbook is not modified by this Addendum.

This state addendum is to be read in connection with Bridge Investment Group Holdings LLC; Bridge Property Management, LC; and Bridge Commercial Real Estate LLC (hereinafter referred to individually and/or collectively as the “Company”) Employee Handbook. Together, the Employee Handbook and the Oregon Addendum will provide you with important information about your employment with the Company and serve as a guide to the Company’s current policies, practices, and procedures. If you have questions as you review the Employee Handbook or the Oregon Addendum, please do not hesitate to discuss your questions with the **Human Resources Department**.

Oregon Policies

Equal Employment Opportunity Policy

In addition to the protected statuses listed in the Company Employee Handbook, and in accordance with Oregon law, the Company is committed to providing equal employment opportunities to all employees and applicants without regard to marital status, domestic partnership status, familial status, age (18 or older), sexual orientation, gender identity and expression, transsexualism, status as a victim of domestic violence, sexual assault or stalking, uniformed military service, off-duty tobacco usage, declining to participate in communication about religious or political matters that are not required by law, race (including physical characteristics historically associated with race, including natural hair, hair texture, hair type, and protected hairstyles like braids, locs, or twists) or any other protected status in accordance with applicable federal, state and local laws.

Policy against Unlawful Harassment, Discrimination, and Retaliation

In addition to the protected statuses listed in the Company Employee Handbook, and in accordance with Oregon law, the Company strictly prohibits all forms of unlawful harassment, discrimination, and retaliation which includes harassment, discrimination, and retaliation based on marital status, domestic partnership status, age (18 or older), sexual orientation, gender identity and expression, transsexualism, status as a victim of domestic violence, sexual assault or stalking, uniformed military service, off-duty tobacco usage, declining to participate in communication about religious or political matters that are not required by law, race (including physical characteristics historically associated with race, including natural hair, hair texture, hair type, and protected hairstyles like braids, locs, or twists) or any other protected status in accordance with applicable federal, state and local laws.

As such, further examples of prohibited harassment, in addition to those articulated in the Company Employee Handbook, include harassment based on gender, transgender and sexual orientation (meaning one's heterosexuality, homosexuality, or bisexuality). By way of illustration only, and not limitation, some examples of such behavior include:

- Physical or verbal abuse concerning an individual's actual sex or the perception of the individual's sex;
- Verbal abuse concerning an individual's race, including any physical characteristics that may be associated with that race; and
- Verbal abuse concerning a person's characteristics such as vocal pitch, facial hair or the size or shape of a person's body.

Please refer to the Employee Handbook for more detailed instructions regarding the Company's processes for reporting any form of harassment, discrimination, or retaliation based on protected status, including sexual harassment and assault. You may always report any such conduct by informing your supervisor or calling the Human Resources Manager at 801-716-5760, which is the primary contact responsible for receiving reports of prohibited conduct, or by informing your manager, who is the secondary contact designated for receiving such reports. Employees may report to any of the persons listed above, regardless of any particular chain of command. All employees are required to document all incidents of conduct that the employee suspects may violate these policies or the law and to report those to the appropriate personnel.

It is our expectation that all employees treat all other employees with respect. If you believe that you have been discriminated against or harassed, or otherwise treated differently because of your protected status, we hope that you will follow our reporting procedures so that we may address the issue. Employees who do suffer discrimination or harassment may have the ability to pursue a legal claim. The statute of limitations – i.e., the statutory deadline – for bringing a claim of discrimination or harassment (specifically that prohibited by ORS §§ 659A.030, 659A.082, or 659A.112) because of protected status; because of service in the uniformed services; and based on disability is five (5) years from when the discrimination or harassment occurred. Other applicable laws may have a shorter time limitation on filing. Nothing in this policy precludes any person from filing a formal grievance in accordance with a collective bargaining agreement [if applicable], the Bureau of Labor and Industries' Civil Rights Division or the Equal Employment Opportunity Commission.

The Company will not require that any employee enter into a non-disclosure or non-disparagement agreement or any other agreement that prevents employees from discussing any conduct that constitutes discrimination or harassment based on protected status, uniformed service, or disability. In the event that you allege that you are harassed or discriminated against at work, you may voluntarily request that the matter remain confidential by requesting a non-disclosure, non-disparagement, or no re-hire type provision. Should you enter into such an agreement with the Company, upon your request, you will have seven days in which to revoke the agreement. The Company reserves the right to invalidate any severance or separation agreement entered into with any managerial employee whom the Company determines to have engaged in conduct that violates this policy.

Commitment to Pay Equity

The Company is committed to equal employment opportunity in all employment practices. The Company does not discriminate in any manner between employees on the basis of an employee's status as a member of a protected class in the payment of wages or other compensation for work of comparable character. In furtherance of its commitment:

- The Company does not pay wages or other compensation to any employee at a rate greater than that at which the Company pays wages or other compensation to employees of a protected class for work of a comparable character.
- The Company does not screen job applicants based on current or past compensation.
- The Company does not determine compensation for a position based on current or past compensation of a prospective employee.
- The Company will not seek the pay history of an applicant or employee before making an offer of employment that includes an amount of compensation.

The Company will not reduce the compensation of any employee to comply with the provisions of applicable law.

The Company will not take an adverse employment action or retaliate against an employee for inquiring about, discussing or disclosing in any manner the employee's wages or the wages of another employee; however, this does not apply to an employee who has access to wage information of employees as part of the employee's job and who discloses the wages of employees to individuals not authorized to have access to the information, unless the disclosure is in response to a charge or complaint or is in furtherance of an investigation, proceeding, hearing or action.

Moreover, the Company will not take an adverse employment action or retaliate against an employee for making a charge, filing a complaint or instituting an investigation, proceeding, hearing or action based on the disclosure of wage information by the employee.

If you have a question or concern regarding this policy or believe that this policy may have been violated, please contact your supervisor. If you believe this policy may have been violated and are unsatisfied with the manner in which your complaint is handled, you may file a complaint with the Civil Rights Division of the Bureau of Labor and Industries or civil action within one year after the occurrence of the unlawful practice to obtain any unpaid wages owed. For additional information, contact the Bureau of Labor and Industries at www.oregon.gov/boli.

Oregon Meal and Rest Break Policies

Meal Periods

All non-exempt employees who work a shift of six (6) hours or more are required to take a thirty (30) minute duty-free meal period. If an employee works a period of seven (7) hours or less (but at least 6 hours), the meal must be taken between the second and fifth hour worked. If the work period is more than seven (7) hours, the meal must be taken between the third and sixth hour worked. Employees are completely relieved of their job responsibilities during their meal periods. Employees must clock in and out for their meal periods, or record the beginning and ending time of the meal period on their timesheet every day. Employees may be required to sign a certification providing, among other things, that they have taken all of their daily meal periods during the pertinent pay period.

Waiver of Meal Period. **Employees** may not waive their meal periods. No Company manager or supervisor is authorized to instruct or approve an employee's wish to forego a meal or rest period. Employees should immediately report a manager's or supervisor's instruction to skip a meal period to **the Human Resources Manager**.

Rest Periods

The Company provides all non-exempt employees with a ten (10) minute rest period for every four (4) hours worked (or major fraction thereof), which should be taken so far as practicable in the middle of each work period. The Company generally will not authorize a rest period for employees whose total daily work time is less than three and one-half (3½) hours. Employees are expected to schedule their rest periods at their own discretion under these guidelines unless instructed otherwise by a supervisor. Rest periods may not be combined with meal periods.

Rest periods are counted as hours worked, and thus, employees are not required to record their rest periods on their timesheets or time cards. Rest periods may not be waived to shorten your workday or be accumulated for any other purpose. Employees may be required to sign a certification providing, among other things, that they have taken all of their rest periods during the pertinent pay period.

Oregon Leave and Accommodation Policies

Paid Sick and Safe Leave

Regular, part-time and temporary employees who do not earn PTO are eligible for Paid Sick Leave ("PSL") under this policy, which provides paid sick time to employees as required by Oregon law.

For purposes of this policy, a benefit year is defined as an Employee's anniversary year (i.e., start date of employment to anniversary date of employment). Regular, part-time and temporary employees who do not earn PTO will accrue PSL at a rate of one (1) hour for every thirty (30) hours worked up to 40 hours. Exempt employees will be deemed to work forty (40) hours per

week for purposes of PSL accrual under this policy and will therefore accrue 1.33 hours of PSL each workweek. PSL does not accrue for hours not worked, such as periods of approved leave or vacation.

Employees will be notified each time wages are paid, either on their paystub or by other means, of their amount of PSL accrued and available for use, as well as the amount of used PSL.

This policy covers all employees. Employees will begin to accrue, or are provided, sick leave immediately upon hire, but employees are unable to use accrued PSL until they have reached the 90th calendar day of their employment. Sick time may be used for full or partial day absences and may be taken in increments of one hour or more.

Employees may carry over up to forty (40) hours of accrued, unused PSL hours to the following benefit year. PSL may not be accrued in excess of the maximum cap of forty (40) hours. Unless otherwise required by state or federal law, once your unused and accrued PSL reaches the maximum cap, you will not accrue any additional PSL. Once you use PSL, and your balance falls below the maximum accrual cap, you will begin accruing PSL again.

Employees may use PSL in increments as minimal as fifteen (15) minutes. Leave under this policy may be used for the following purposes:

- To care for the employee's own illness, injury, or health condition, need for medical diagnosis or treatment of an illness, injury or health condition; or
- To care for the employee's family member with an illness, injury or health condition who needs medical diagnosis, care, or treatment or who needs preventative medical care; or
- To attend a routine medical appointment for the employee or the employee's family member; or
- For any purpose allowed under Oregon's domestic violence, harassment, sexual assault, bias crime, or stalking laws, including to seek legal, law enforcement or other aid, including participating in legal proceedings, or medical treatment or recovery from injuries, or to obtain mental health or counseling or other similar services, or participate in safety planning when the employee, or the employee's minor child or dependent is a victim of domestic violence, harassment, sexual assault, bias, or stalking; or
- In the event of a public health emergency, including: (a) the closure of the employee's place of work, or the school or place of care of the employee's child by order of a public official due to a public health emergency; (b) a determination that the employee's presence or the presence of the employee's family member in the community would jeopardize the health of others such that the employee must provide self-care or care for the family member; or (c) the exclusion of the employee from the workplace under any applicable law the requires the employer to exclude the employee from the work place for health reasons; or

- Any of the enumerated purposes under Oregon’s Family Leave Act (Oregon Revised Statutes section 659A.159), including but not limited to the care of for a child of the employee who is suffering from a non-serious illness, injury, or condition that required home care or who requires home care because of the closure of the child’s school or child care provider as a result of a public health emergency, pregnancy disability, or to deal with the death of a family member within 60 days of the date on which the eligible employee receives notice of the death of a family member.

For planned sick leave, the employee requesting time off under this policy must provide as much advance notice as possible, if the need for leave is foreseeable. Where the need for sick leave is unforeseeable, employees must provide notice as soon as practicable. For planned paid sick leave (e.g., routine medical appointments), the employee must notify his or her supervisor at least ten (10) days prior to the date the leave will commence or as soon as practicable. Employees must make reasonable efforts to schedule planned paid sick leave in a manner that does not unduly disrupt operations and should attempt not to schedule paid sick leave during peak work hours, when work is time sensitive, or when mandatory meetings are scheduled.

For purposes of this policy a “family member” is defined under Oregon Revised Statutes section 659A.150, and includes an employee’s child (biological, adoptive, or foster), spouse, registered domestic partner, parent (biological, adoptive, or foster), parent of a spouse or parent of a registered domestic partner, grandparent, or grandchild, or a person who is related by blood or affinity to the employee whose close association with the employee is the equivalent of a family relationship, or a person with whom the employee was or is in a relationship of *in loco parentis*.

The Company may require appropriate certification of leave under this policy when a leave exceeds three (3) consecutive work days or the need for sick time is foreseeable and will likely last more than three (3) consecutive workdays. However, the Company will not delay or deny additional leave or delay or deny pay for leave taken under this policy if appropriate certification is not provided. In the event that medical certification is not covered under a health benefit plan, the Company shall pay any reasonable costs for providing the certification.

The Company encourages employees to take time off under this policy and prohibits interference with any rights under this policy or retaliation against an employee for taking time off under this policy. For more information regarding this policy or to report any concerns or issues regarding this policy, employees should contact the **Human Resources Department**.

Leave under this policy may run concurrently with leave under local, state or federal law, including leave taken pursuant to the federal Family Medical Leave Act. Please check with **the Human Resources Department** for more details on the Company’s Sick Leave Policy.

An employee’s PSL pay is calculated at the employee’s normal hourly compensation. Please consult the **Human Resources Department** for detailed information on how the rate of your PSL pay is calculated and the amount you are entitled to receive.

If an employee separates from the Company and is rehired within one-hundred and eighty (180) days, the Company will notify the employee of their previously accrued, unused PSL that will be reinstated and available for use upon rehire. If an employee separates from the Company and is

rehired more than one-hundred and eighty days (180) days later, then previously accrued unused PSL is not reinstated, and the employee is treated as a new hire under this policy.

Unused PSL has no monetary value. It is not cashed out at any time during employment or upon separation of employment. Employees who are terminated, resign, retire or are otherwise separated from employment will not receive any pay-out for any unused PSL.

Lactation Break

The Company provides reasonable unpaid (to the extent the time falls outside the normal rest break periods described above) rest periods to accommodate a female employee's needs throughout the day as needed to express breast milk or breastfeed. Lactation breaks will be provided for up to eighteen (18) months following the child's birth. The break time should, if possible, be taken concurrently with other break periods already provided. Non-exempt employees should clock out for any time taken that does not run concurrent with normally scheduled rest periods; such time generally will be unpaid in accordance with state law. Where a private location to express milk has not previously been established or arranged with an employee, the Company will make reasonable efforts to provide a location in close proximity to the employee's work area for the employee to express milk in private that is not a restroom. Please contact **the Human Resources Manager** for more information about this policy.

Civic Duties

The Company encourages each of you to accept your civic responsibilities including jury duty. We are good corporate citizens, and we are pleased to assist you in the performance of your civic duties.

Jury Duty: The Company will pay the difference between your basic rate of pay and the total amount of pay you receive from serving as a juror, up to a maximum equivalent of four eight-hour days of pay at your regular rate. Exempt employees will continue to receive their regular salary when they work partial weeks while on jury duty, pursuant to state and federal law. In order to be paid for jury duty, you will need to submit a signed verification of service from the court indicating the number of days served, whether you were paid, and, if so, the amount paid.

Employees who are released from jury service before the end of their regularly scheduled shift or who are not asked to serve on a jury panel are expected to call their supervisor as soon as possible and report to work when possible. If you receive a call to jury duty, please notify your supervisor immediately so they may plan the department's work with as little disruption as possible.

Jury duty pay does not count as "hours worked" for purposes of calculating an employee's entitlement to overtime during the week in which the jury duty pay occurs. You will not be eligible for jury duty pay while on a leave of absence.

State Board or Commission Service: The Company provides necessary unpaid leave to employees who are appointed serve on a state board or commission as defined in ORS 292.495. Employees are expected to provide the Company with at least twenty-one (21) days' advance

notice of the need for leave. Employees will not be required to use vacation, sick leave, or any other annual leave. Employees taking leave pursuant to this policy are protected from being threatened, intimidated, coerced, or discharged based upon the employee's service or scheduled service as an appointment member of a state board or commission.

Veterans' Day Holiday Leave

The Company provides unpaid leave to employees who are eligible veterans for Veterans Day if:

- The employee would otherwise be required to work on Veterans' Day; and
- The employee provides the Company with: (a) at least 21 calendar days' notice that the employee intends to take time off for Veterans Day; and (b) documents showing that the employee is a veteran, as defined by state law.

The Company will notify the employee at least 14 calendar days before Veterans Day whether the employee will be provided time off. If the employee who is a veteran does not receive time off for Veterans Day, the Company will allow the employee a single day off within the year after Veterans Day, at the Company's discretion.

Disaster and Emergency Services Leave

The Company provides reasonable and necessary unpaid leave to employees who are search and rescue volunteers accepted to participate in search and rescue activities by the sheriff. Approved leave under this policy continues until release from the search and rescue activities permits the employee to resume the duties of employment.

Employees requesting leave under this policy must make reasonable efforts to inform the Company of the need for leave and the possible duration of the leave.

Upon the conclusion of a leave under this policy, employees may be asked to provide appropriate documentation confirming the call to emergency service and the dates and times of the required service.

Upon the conclusion of a leave under this policy, employees will be restored to their same position or an equivalent position without loss of seniority, vacation credits, sick leave credits, service credits under a pension plan, or any other employee benefit or right that had been earned at the time of the leave of absence.

For more information regarding this leave, please speak with **the Human Resources Manager**.

Bone Marrow Donor Leave

Employees who work at least twenty (20) hours per week are eligible to use up to forty (40) hours of accrued paid time off to donate bone marrow or be screened as a possible donor. The maximum leave to be taken is the employee's total accrued vacation or forty (40) hours, whichever is less,

unless otherwise agreed to in writing. Employees requesting leave under this policy must provide the Company with advance notice and written verification from a physician regarding the purpose and length of the leave requested.

Juvenile Court Attendance Leave

The Company provides unpaid leave for employees who are summoned to attend juvenile court proceedings involving their child or a child for whom they are the legal guardian. Employees requesting time off under this policy must provide their supervisor with as much advance notice as possible of the need for leave and provide appropriate documentation in support of their request.

Crime Victim Leave

The Company provides reasonable and necessary unpaid leave to eligible employees when the employee or the employee's spouse, domestic partner, father, mother, sibling, child, stepchild, or grandparent is a victim of a crime to attend or participate in legal proceedings pertaining to the crime. Eligible employees have worked an average of twenty-five (25) or more hours per week for at least one-hundred and eighty (180) days before requesting leave under this policy.

Employees requesting leave under this policy should provide their supervisor/manager with reasonable advance notice of the need for leave.

Domestic Violence Leave and Accommodation

Leave of Absence

The Company provides unpaid leave to eligible employees who are victims of domestic violence, harassment, sexual assault, bias, or stalking, or who are the parents or guardians of a minor child or dependent who is victim of domestic violence, harassment, sexual assault, bias, or stalking.

- Seek legal or law enforcement assistance or remedies to ensure the health and safety of the employee or the employee's minor child or dependent, including preparing for and participating in protective order proceedings or other civil or criminal legal proceedings related to domestic violence, harassment, sexual assault, a bias crime, or stalking;

- Obtain services from a victim services provider for the eligible employee or the employee's minor child or dependent; or.

- Relocate or take steps to secure an existing home to ensure the health and safety of the eligible employee or the employee's minor child or dependent.

When possible, employees must give the **Human Resources Department** at least two (2) days advanced notice of their intention to take leave for any purpose stated above. If unscheduled or emergency court appearances, or other emergency circumstances make advance notice impracticable, employees must provide as much notice as practicable and provide the **Human Resources Department** with documentation that their absence was required for any of the above reasons within a reasonable time after the absence.

Reasonable Safety Accommodation

In addition to leave, the Company will provide any reasonable safety accommodation requested by an employee who is a victim of domestic violence, harassment, sexual assault or stalking, except if the accommodation would impose an undue hardship on the operation of the business. Reasonable safety accommodations may include adjustments such as transfers, reassignments, modified schedules, unpaid leave, changed work phone numbers or work stations, lock installation, implementation of safety procedures, or other adjustments to a job structure, workplace facility or work requirement in response to actual or threatened domestic violence, sexual assault.

Prior to making a reasonable safety accommodation, the Company may require certification that the employee is a victim of domestic violence, harassment, sexual assault or stalking. The certification requirement can be satisfied by:

- A copy of a police report indicating that the individual was or is a victim of domestic violence, harassment, sexual assault or stalking;
- A copy of a protective order or other evidence from a court, administrative agency or attorney that the individual appeared in or is preparing for a civil, criminal or administrative proceeding related to domestic violence, harassment, sexual assault or stalking; or
- Documentation from an attorney, law enforcement officer, health care professional, licensed mental health professional or counselor, member of the clergy or victim services provider that the individual was or is undergoing treatment or counseling, obtaining services or relocating as a result of domestic violence, harassment, sexual assault or stalking.

Information provided in connection with leave or an accommodation under this policy will be kept confidential by the Company, except to the extent that disclosure is requested or consented to in writing by the employee or otherwise required by applicable federal or state law.

Leave under this policy may run concurrently with leave under other applicable law, including the Oregon Family Leave Act (OFLA) and/or the federal Family and Medical Leave Act.

Disability/Accommodations

The Company is committed to complying with state and federal disability discrimination and accommodation laws. This commitment extends not only to prohibiting discrimination against disabled applicants and employees, but also to complying with reasonable accommodation obligations. Consequently, if you require workplace modifications or other assistance to accommodate any physical or mental impairment that is impacting your ability to do your job, it is your responsibility to contact your supervisor or **the Human Resources Manager** to ensure that we are aware of not only your disability, but also your need for accommodation. Reasonable accommodations will be made to enable qualified employees with a disability to perform their essential job duties, unless those accommodations create an undue hardship for the Company.

Employees are responsible for initiating discussions with their manager regarding their physical or mental impairment that may interfere with the employee's ability to perform his or her job functions and work with the Company to try to identify solutions. The Company reserves the right to ask an employee to produce health care provider documentation verifying the disability and describing any recommended accommodation(s). Ultimately, the Company is responsible for making a determination as to whether an accommodation is reasonable or whether it presents undue hardship.

It is the Company's policy to engage in an "interactive process" with employees to address potential disability accommodations. If you advise us of a condition that you believe requires accommodation, we will review and discuss your medical condition and job limitations with you to determine what, if any, reasonable accommodations can be made to enable you to perform your job duties in a safe and satisfactory manner. All employees are expected and required to cooperate and assist us with this process, including our requests for medical confirmation of the condition they believe constitutes a disability, as well as requests for medical confirmation of the current, precise limitations on their ability to perform their job duties. If, even after any required reasonable accommodation, an employee is unable to perform their essential job duties or poses a direct threat to the employee or others, we are receptive to exploring opportunities to place disabled employees in other available positions that are, with or without reasonable accommodation, suited to their skills and limitations or in which the employee will not pose a threat.

Pregnancy Disability Accommodations

The Company will make reasonable accommodations for known physical or mental disabilities of an applicant or employee as well as known limitations related to pregnancy, childbirth or a related medical condition, such as lactation, unless the accommodation would cause an undue hardship. Among other possibilities, reasonable accommodations could include:

- Acquisition or modification of equipment or devices;
- More frequent or longer break periods or periodic rest;
- Assistance with manual labor; or
- Modification of work schedules or job assignments.

Employees and job applicants have a right to be free from unlawful discrimination and retaliation. For this reason, the Company **will not**:

- Deny employment opportunities on the basis of a need for reasonable accommodation.
- Deny reasonable accommodation for known limitations, unless the accommodation would cause an undue hardship.
- Take an adverse employment action, discriminate or retaliate because the applicant or employee has inquired about, requested or used a reasonable accommodation.
- Require an applicant or an employee to accept an accommodation that is unnecessary.
- Require an employee to take family leave or any other leave, if the employer can make reasonable accommodation instead.

To request an accommodation or to discuss concerns or questions about this notice, please contact your supervisor or the Human Resources Manager.

Oregon Family Medical Leave Act

The Oregon Family Medical Leave Act works in conjunction with the federal Family Medical Leave Act, which is described in the Company's Employee Handbook.

The Oregon Family Leave Act ("OFLA") and Family and Medical Leave Act ("FMLA") provide eligible employees the opportunity to take unpaid, job-protected leave for certain specified reasons. The maximum amount of leave an employee may use is generally either twelve (12) or twenty-four (24) weeks within a twelve (12) month period depending on the reasons for the leave. The Company provides such leave as required by law, and all determinations regarding eligibility for leave, benefits and reinstatement are construed strictly within the applicable law. For information on how these leave of absence policies work, please contact the **Human Resources Department**.

The OFLA provides eligible employees the opportunity to take unpaid, job-protected leave for certain specified reasons. The maximum amount of leave an employee may use is generally twelve (12) weeks within a twelve (12) month period depending on the reasons for the leave. The Company provides such leave as required by law, and all determinations regarding eligibility for leave, benefits and reinstatement are construed strictly within the applicable law. For more information about this leave of absence policy, please contact the **Human Resources Department**.

Employee Eligibility under OFLA

To be eligible for OFLA leave:

- You must have worked for the Company for at least one-hundred and eighty (180)* calendar days immediately preceding the date your requested leave begins;
- You must have worked an average of at least twenty-five (25) hours per week for the Company over the preceding one-hundred and eighty (180) days* (unless the leave is to care for a newborn child or newly placed adoptive or foster child; or unless the leave is a form of Oregon Military Family Leave); and
- The Company must have employed at least twenty-five (25) employees in Oregon during each working day of at least twenty (20) workweeks during the current or preceding year.
- If leave is taken during a public health emergency, employees may become eligible for OFLA after thirty (30) days of employment (rather than one-hundred and eighty (180)). All other eligibility requirements apply.

Conditions Triggering Leave

OFLA leave may be taken for the following reasons:

- Birth of a child, or to care for a newly-born child (up to 12 weeks);
- Placement of a child with the employee for adoption or foster care (up to two (2) additional weeks);
- To care for your child (employee's spouse, child, parent, grandchild, grandparent, same-sex domestic partner, parent in-law, or child or parent of same-sex domestic partner) due to a health condition which requires home care (up to 12 weeks);
- Because of the employee's serious health condition that makes the employee unable to perform the employee's job (up to 12 weeks);
- To care for your child requiring care for a non-serious health condition (up to 12 weeks);
- To care for your child due to the closure of the child's school or care provider as a result of a public health emergency (up to twelve (12) weeks);
- Bereavement leave to attend the funeral (or alternative) of a family member, make arrangements necessitated by the death of a family member, or grieve the death of a family member (up to 2 weeks per family member for a maximum total of four (4) weeks withing any one-year period);
- For an illness, injury or condition related to the employee's pregnancy or childbirth that makes the employee unable to perform the employee's job (an additional twelve weeks);
- For any reason when a spouse who is a member of the Armed Forces of the United States, the National Guard or the military reserve forces of the United States is notified of an

impending call or order to active duty, or actually deployed (up to 14 days per deployment; see Oregon Military Family Leave for more details).

Definition of Family Member

For purposes of OFLA leave, a family member is defined as:

- The spouse or domestic partner of the employee
- A child of the employee or the child's spouse or domestic partner
- A parent of the employee or the parent's spouse or domestic partner
- A sibling or stepsibling of an employee or the sibling or stepsibling's spouse or domestic partner
- A grandparent of an employee or the grandparent's spouse or domestic partner
- A grandchild of the employee or the grandchild's spouse or domestic partner
- Any individual related by blood or affinity whose close association with a covered individual is the equivalent of a family relationship.

Duration of Leave

Eligible employees may generally take up to twelve (12) workweeks of unpaid, job-protected leave under the OFLA during a twelve (12) month period, measured forward from the Sunday immediately preceding the date on which OFLA leave begins. Under OFLA, female employees may be entitled to an additional twelve (12) weeks for an injury or condition related to pregnancy or childbirth.

You may take OFLA leave intermittently, which means taking leave in blocks of time or by reducing your normal weekly or daily work schedule, when medically necessary for your own or immediate family member's serious health condition. Intermittent leave is not permitted for birth of a child, to care for a newborn child, or for placement of a child for adoption or foster care. Employees who require intermittent leave or reduced-schedule leave must try to schedule their leave so that it will not disrupt the Company's operations. OFLA leave for the birth or placement of a child for adoption or foster care must be concluded within twelve (12) months of the birth or placement of the child.

In the event that spouses working for the Company wish to take family leave concurrently, certain rules apply that may limit your ability to do so. OFLA does not require employers to allow spouses to take leave concurrently *unless* you have received prior approval from the **Human Resources Department**. Certain other restrictions may apply if you and your spouse need to take concurrent leave due to a pregnancy or childbirth-related injury or condition or both employees are taking bereavement leave. If you find yourself in this situation, please contact the **Human Resources Department** to determine which leave applies and how and when it can be taken.

Use of Accrued Paid Leave

Depending on the purpose of your leave request, you may choose (or the Company may require you) to use accrued PSL, if available, concurrently with some or all of the OFLA leave. Employees

who are absent due to an on-the-job serious health condition may also be eligible for workers' compensation benefits.

Maintenance of Health Benefits

If you and/or your family participate in our group health plan, the Company will maintain coverage under the plan during your OFLA leave on the same terms as if you had continued to work. If applicable, you must make arrangements to pay your share of health plan premiums while on leave. In some instances, the Company may recover premiums it paid to maintain health coverage or other benefits for an employee and the employee's family.

Job Restoration

Upon returning from OFLA leave, you will normally be restored to your original job or to an equivalent job with equivalent pay, benefits, and other employment terms and conditions.

Effective January 1, 2022, OFLA eligible employees who are separated from employment but are re-hired within 180 days of separation will retain eligibility for their remaining leave under OFLA.

Notice and Medical Certification

When seeking either OFLA leave, you must provide the following:

- Thirty (30) days' advance *written* notice of the need to take OFLA leave, if the need is foreseeable, or notice as soon as practicable in the case of unforeseeable. If the need for leave is not foreseeable, this information must be provided as soon as is practicable and in compliance with the Company's normal call-in procedures, absent unusual circumstances. Prior notice is not required for disabilities related to pregnancy or childbirth related injury or condition;
- Medical certification supporting the need for leave taken to care for your child suffering a health condition which requires home care is such leave was taken on more than three (3) separate days within a single twelve (12) month period. Such certification must be returned before your leave begins, or if not possible, within 15 days of the Company's request to provide the certification. If you fail to do so, you may be subject to discipline, up to and including termination, and we may deny the continuation of leave under OFLA, in which case your leave of absence may be considered unauthorized. Second medical opinions will not be required in this instance;
- Verification for leave taken to care for your child due to the closure of the child's school or care provider as a result of a public health emergency. This request may include: the name of the child requiring home care; the name of the school or child care provider that is subject to closure; a statement from the employee that no other family member is willing and able to care for the child; and a statement that special circumstances exist that require home care, if the child is older than 14 years of age;

- Periodic reports during the leave as deemed appropriate by the Company regarding your status and intent to return to work; and
- Medical certification of fitness for duty before returning to work, if the leave was due to an employee's illness, injury, or condition related to pregnancy or childbirth.

Failure to Return after OFLA Leave

If an employee fails to return to work as scheduled after taking OFLA leave or if an employee's leave exceeds the twelve (12) week OFLA entitlement, such employee may be subject to termination of employment.

Military Related Leave

The OFLA works in conjunction with the FMLA and provides eligible employees the opportunity to take unpaid job-protected leave in connection with certain service-related medical and non-medical needs of family members. As described in the Company's Employee Handbook, there are two forms of such leave under the FMLA: (1) Military Caregiver Leave; and (2) Qualifying Exigency Leave. Under the OFLA, there is a third form of such leave, the Oregon Military Family Leave, which is described below. For information on how these leave of absence policies work, please contact the **Human Resources Department**.

Oregon Military Family Leave

Available only under OFLA, Oregon Military Family Leave is designed to allow eligible employees to take up to fourteen (14) days of leave when a spouse is called to active duty or deployed during a period of military conflict. The employee's spouse must be: (1) a member of the Armed Forces of the United States, the National Guard or the military reserve forces of the United States; and (2) have been notified of an impending call or order to active duty, or actually deployed. If an employee works at least twenty (20) hours or more per week, he/she may take up to fourteen (14) days of unpaid leave per deployment to be used after the military spouse has been notified of a call or order to active duty or while the military spouse is on leave from the deployment.

Employees desiring to take this leave must provide the Company with notice of their intent to do so within five (5) business days of receiving official notice of an impending call or order to active duty or of a leave from deployment.

Any leave taken under this policy will count against an employee's annual allotment of OFLA leave. Like all other forms of OFLA leave, an employee may substitute or be required to substitute any accrued paid leave and will be restored to their prior position upon return from leave. Oregon Military Family Leave will be governed by, and handled in accordance with, OFLA and applicable regulations, and nothing within this policy should be construed to be inconsistent with those regulations.

Limited Nature of This Policy

This policy should not be construed to confer any express or implied contractual relationship or rights to any employee not expressly provided for by FMLA or OFLA. The Company reserves the right to modify this or any other policy as necessary, in its sole discretion to the extent permitted by law.

Paid Family and Medical Leave Insurance

Paid Family Medical Leave (also known as Paid Leave Oregon or “PLO”) is a statewide insurance program available to eligible Oregon employees that provides paid time off to give or receive care for Qualifying Events as defined by the PLO law. The program is funded by premiums paid by employees and employers, generally those with 25 or more employees. It is administered by the Oregon Employment Department (OED). Employers collect the premiums and send them to the OED. The OED will begin collecting premiums on January 1, 2023. Employees are eligible to begin applying for benefits on September 3, 2023.

Eligibility

To qualify, employees need to:

1. Work in Oregon,
2. Have earned \$1000 in wages in either the year benefits are requested, or the year prior,
3. Have contributed to PLO in either the year benefits are requested, or the year prior, and
4. Have experienced a Qualifying Event

Qualifying Events

If you qualify, this program will allow you to take up to 12 weeks of paid leave, as needed, for Qualifying Events. Qualifying Events fall into three categories: Family, Medical, and Safe Leave. A non-exhaustive list of Qualifying Events is below.

Family Leave includes:

- The birth of a child
- Bonding with a child either:
 - In the first year after birth
 - Through adoption
 - When they are placed in your home through foster care
- To care for a family member with a serious illness or injury
- To effectuate the legal process for placement of a foster or adopted child [effective 01/01/2025]

Medical Leave includes:

- To care for yourself when you have a serious illness or injury.

Safe Leave includes:

- To take time off for survivors of sexual assault, domestic violence, harassment, bias crimes, or stalking. You may also qualify for safe leave if your child, under the age

of 18, or over the age of 18 with physical or mental disabilities rendering them dependent, experiences sexual assault, domestic violence, harassment, bias, or stalking.

If you are pregnant, have given birth, or experience health issues or limitations related to pregnancy, childbirth, or a related medical condition you may be eligible to take an additional two weeks of leave, for a total of 14 weeks.

Serious Health Condition

“Serious health condition” has a unique meaning under the law. It means an illness, injury, impairment, or physical or mental condition that involves:

- *Inpatient care* – an overnight stay in a hospital, hospice, or residential medical facility, including any period of incapacity or subsequent treatment received in connection with such inpatient care. “Incapacity” means the inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment or recovery;
- *Absence Plus Treatment* – a period of incapacity of more than three consecutive calendar days (including any subsequent treatment period of incapacity relating to the same condition), that also involves:
 - Treatment two or more times by a health care provider, by a nurse or physician’s assistant under the direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under orders of, or on referral by, a health care provider; or
 - Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider.
- *Pregnancy* – any period of incapacity or disability (OFLA) due to pregnancy, or for prenatal care; or
- *Chronic Conditions Requiring Treatment* – a chronic condition which:
 - Requires periodic visits for treatment by a health care provider, or by a nurse or physician’s assistant under direct supervision of a health care provider;
 - Continues over an extended period of time (including recurring episodes of a single underlying condition); and
 - May cause episodic rather than a continued period of incapacity (e.g., asthma, diabetes, epilepsy, etc.)
- *Permanent Long-Term Conditions Requiring Supervision* – a period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing

supervision of, but need not be receiving active treatment by, a health care provider. Examples include Alzheimer's, a severe stroke, or terminal stages of diseases.

- *Multiple Treatments (Non-Chronic Conditions)* – any period of absence to receive multiple treatments (including any period of recovery) by a health care provider or by a provider of health care services under orders of, or on referral by a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), kidney disease (dialysis).

Under these provisions, “treatment” includes examinations to determine if a serious health condition exists and evaluations of the condition. “Treatment” does not include routine physical examinations, eye examinations, or dental examinations.

A “regimen of continuing treatment” includes, for example, a course of prescription medication (e.g., an antibiotic) or therapy requiring special equipment to resolve or alleviate the health condition. A “regimen of continuing treatment” does not include the taking of over-the-counter medications such as aspirin, antihistamines, or salves; or bed rest, drinking fluids, exercise, and other similar activities that can be initiated without a visit to a health care provider.

Benefits

While on PLO, you are entitled to wage replacement. That means you will receive all, or a portion of, your average weekly pay from the OED. The benefit is calculated as follows:

If your average weekly wage is equal to or less than 65% of the statewide average weekly wage as calculated by the OED. To learn more or to acquire an estimate of your weekly benefits, visit: <https://paidleave.oregon.gov/employees/benefits-calculator.html>

Supplemental Leave

If your use of PLO runs concurrently with OFLA leave, you may use the Company's PTO alongside PLO to replace your wages up to 100% of your average weekly wage. If more than one type of paid leave is available to you, the Company may choose which type of paid leave must be used first. Please contact **the Human Resources Department** for additional information.

Ineligibility

PLO may not be used concurrently with workers' compensation time less benefits or unemployment benefits.

Increment of Use

PLO may be taken consecutively, or nonconsecutively. PLO must be taken in increments of either one workday, or one work week. The OED may prorate your benefit amount accordingly if

PLO is taken in increments of one workday.

Job Protection

Upon return from PLO, you will be restored to the same position you held prior to your leave. If the position no longer exists, you will be restored to any available equivalent position with equivalent employment benefits, pay and other terms and conditions of employment. [If the position no longer exists, the Company may, at its discretion based on business necessity, restore you to a different position with similar job duties and with the same employment benefits and pay.] While on PLO, you are entitled to the same healthcare and other benefits you would be entitled to had you not taken leave.

Requesting PLO

The OED determines your eligibility and qualification for this leave. To apply for benefits, you will submit an application to the OED. However, you should give as much notice to Human Resources as possible.

If your need for leave is *foreseeable*, you must provide the company with written notice at least thirty (30) days before your first day of leave. Examples of foreseeable reasons include the birth of a child, placement of a child, or planned medical treatment. If the need for leave is *unforeseeable*, you must provide the company with oral notice within 24 hours of commencement of leave, and written notice within 3 days of commencement of leave. Employees should contact Human Resources to request PLO.

Failure to provide adequate notice may result in the OED reducing your benefit amount.

No Discrimination or Retaliation

We do not discriminate or retaliate against employees who take or request PLO.

Pennsylvania Policies

Policy Against Unlawful Harassment, Discrimination, and Retaliation

The city of Philadelphia also strictly prohibits all forms of unlawful harassment, which includes harassment based on gender identity.

The Company provides reasonable and necessary unpaid leave to Employees who are subpoenaed to attend, participate in, or prepare for court proceedings in accordance with applicable law. Employees who receive a subpoena or summons to appear in court should notify the **Human Resources Department** immediately so that the Company may plan the Employee's department's work with as little disruption as possible.

In addition, the Company provides necessary unpaid leave to Employees who are victims of a crime to attend, participate in, or prepare for court proceedings in accordance with applicable law. Again, Employees requesting leave under this policy should notify the **Human Resources Department** immediately so that the Company may plan the Employee's department's work with as little disruption as possible.

Employees must attempt to contact the **Human Resources Department**, or otherwise notify the Company that they have been dispatched to an emergency.

When Employees return from leave under this policy they are required to provide the **Human Resources Department** with a statement from the chief or CEO of the volunteer fire company, ambulance service or rescue squad or its affiliated organization confirming that the Employee responded to a call, including the time when the Employee was dispatched.

Military Leave

In addition to the military leave rights set forth in the Handbook, Pennsylvania Employees who serve in the military are entitled to the protections of the Pennsylvania Military Leave of Absence Act (the Pennsylvania Act). Whenever any Employee, in time of war or armed conflict,

or emergency proclaimed by the Governor or by the President of the United States, enlists or is drafted into the active military service of the United States, the Employee will be granted a military leave of absence. So long as a Employee is on military leave of absence, the Employee will not be removed from employment and the Employee's duties are to be performed either by other Employees or by a temporary substitute.

While a Employee who is a member of the Pennsylvania National Guard is called to active service, the Company will continue health insurance and other benefits for at least thirty (30) days at no cost to the Employee. After thirty (30) days, Employees can continue coverage, at their own expense, at the Company's rate. The Company will not remove Employees from their jobs while on military leave. Military leave expires ninety (90) days after Employees leave military service. The Company will re-employ all Employees following military leave provided the Employees notify the employer of their intent to return within ninety (90) days of leaving military service.

All Employees returning to the Company following military leave will be re-employed in the same job or to a position of similar seniority, status, and pay. Employees who are members of retirement systems at the time of entering military leave can continue to make payments to the system or can discontinue payments. Employees that want to continue to pay into the system must notify the **Human Resources Department** in writing within sixty (60) days of the beginning of the military leave.

This policy, and the military leave policy set forth in the Handbook, are intended to grant military leave in accordance with the requirements of applicable state and federal laws in effect at the time a leave is granted. No greater or lesser leave benefits will be granted than those set forth in these laws. In all cases, Employees will be eligible for the most generous benefits available under applicable law except that state law will not apply where it is invalid due to federal benefit law preemption.

For information on this leave of absence policy, please contact the **Human Resources Department**.

State Emergency Leave

If you are unable to report to work due to road closures in the county in which you reside, and the road closures are due to a state of emergency declared by the Governor of the Commonwealth of Pennsylvania, your inability to report to work will not be treated as PTO or sick leave. Leave under this policy is unpaid. Please report to your supervisor the day after any absence to confirm that this policy applies to that absence.

Alcohol and Drug Policy

In addition to the provisions of the Alcohol and Drug Policy in the Handbook, please note that although the state has legalized the use of cannabis and THC-containing products for medical

purposes, the Company does not permit the use of cannabis and THC-containing products in the workplace. Use of cannabis and THC-containing products on Company property or while engaged in work-related activities outside Company Property is strictly prohibited and may result in disciplinary action, up to and including immediate termination.

A donation of bone marrow is considered a donation of tissue.

Employees not eligible for FMLA leave may be eligible to take up to five (5) days of unpaid leave to donate bone marrow or an organ for human transplant. While this leave is unpaid, the Company permits Employees to use any accrued, unused PTO/Vacation during their absence.

Employees who wish to request time off under this policy should contact **Human Resources**.

Personnel Records

Upon appropriate written request, Employees or their designated representative, with authorization signed by the Employee, may review the Employee's personnel file. A Employee and/or designated representative is limited to one review per calendar year. Records may be inspected at reasonable times during regular business hours in the office where the records are kept. A Employee, or designated representative, can take notes regarding the personnel records but cannot remove any part of the files from the Company's premises. They may, however, place a statement in the file if there is an error.

It can occur during travel, at events sponsored by the Company, or via phone, email, text, or social media. Such behavior can also occur outside of scheduled work time. Employees who engage in conduct prohibited by our policies outside of the workplace or outside of work hours will be subject to corrective action.

No Retaliation

As discussed in the main handbook, we are committed to prohibiting retaliation against those who themselves or whose family members report, oppose, or participate in an investigation of alleged unlawful harassment, discrimination, or other wrongdoing in the workplace. What You Should Do If You Feel You Have Experienced or Witnessed Harassment, Discrimination, or Retaliation

An employee who has been the victim of harassment does not need to confront the harasser in order for a complaint, investigation, and corrective action to take place. Any employee who believes they have witnessed or experienced prohibited harassment may, if they choose to and can do so safely, inform the harassing person that such conduct is unwelcome and offensive and must stop. Regardless, employees who believe they have witnessed or experienced prohibited harassment should immediately report the incident so the Company can investigate. Meal and Rest Breaks

Meal Breaks

The Company will provide non-exempt employees with a thirty (30) minute duty-free meal period, which should begin between the second and fifth hour of work. Employees who are scheduled to work three or more hours beyond their normal work day will be provided an additional thirty (30) minute, duty-free meal period.

Employees are completely relieved of their job responsibilities during their meal periods and therefore this time is unpaid. Employees must clock in and out for their meal periods, or record the beginning and ending time of the meal period on their timesheet every day. Employees may be required to confirm that they have taken all of their daily meal periods during the relevant pay period.

Employees are not allowed to take their meal periods late or to waive, or skip, their meal periods without confirming in writing that they are voluntarily asking to do so.

Rest Breaks

The Company provides non-exempt employees with a ten (10) minute paid rest period for every four (4) hours worked. Rest breaks should be taken as near to the middle of the four-hour work period as possible, and no later than the end of the third hour worked. No non-exempt employee may work longer than three (3) hours without a break.

Employees are expected to schedule their rest periods at their own discretion under these guidelines unless instructed otherwise by a supervisor. Employees may elect to take several “mini” breaks in each four hours of working time, so long as those mini breaks total ten minutes.

Rest periods are counted as hours worked, and thus, employees are not required to record their rest periods on their timesheets or timecards. **Rest periods may not be waived.** They also may not be used to arrive late, shorten your workday, lengthen a meal period, or be accumulated for any other purpose. Employees may be required to confirm that they have taken all of their rest periods during the relevant pay period.

Lactation Accommodation

The Company will provide a reasonable amount of break time for you to express breast milk for your child. We will also make a reasonable effort to provide you with the use of a room or other location in close proximity to your work area, for you to express milk in private.

Your break time should, if possible, be taken concurrently with meal and/or rest periods already provided. Such breaks are unpaid. Non-exempt employees should clock out for additional lactation breaks that do not run concurrently with normally scheduled meal and/or rest periods.

The Company additionally will provide you with a room or place, other than a restroom, to express breast milk in private. Contact the Human Resources with any questions.

Paid Sick and Safe Leave

Eligibility

This policy applies to any Employees who are ineligible for the Company's PTO as detailed in the Employee Handbook. To the extent there is any conflict between this policy and the Company's PTO policy, the Company will provide the greater of the two benefits.

All non-exempt Washington employees ineligible for the Company's PTO are eligible to accrue and use Paid Sick Leave ("PSL") under this policy as required by Washington's Paid Sick Leave law, Chapter 49.46 RCW and Tacoma's Paid Sick Leave Law, TMC 18.10 Employees who are classified as exempt bona fide executive, administrative, professional, or outside salespersons are not eligible for PSL under this policy.

For purposes of this Policy, a benefit year is defined as a calendar year.

Accrual Amount

All eligible employees will accrue PSL at a rate of one (1) hour for every forty (40) hours worked. PSL does not accrue for hours not worked, such as periods of approved leave or vacation.

Tracking Available Time

Employees will be notified at least monthly, either via each paycheck or by other means, of their amount of PSL accrued since the last notification, PSL reductions since the last notification, and any unused PSL available for use.

Waiting Period for Use

Employees may begin using available PSL on the 90th calendar day of their employment.

Carryover

Employees may carry over up to 40 hours of any available, unused PSL hours to the following benefit year. All other unused hours are forfeited.

Reasons for Use

Employees can use PSL for the following reasons:

- To care for their own or a covered family members' mental or physical illness, injury, or health condition, including diagnosis and preventive medical care.
- When the employee's place of business has been closed by order of a public official for any health-related reason.

- For the reasons set forth herein in the Domestic Violence Leave policy.

PSL may not be used for personal days or vacation.

For purposes of this Policy, "*family member*" includes the employee's child, grandchild, spouse, registered domestic partner, sibling, grandparent, parent, stepparent, parent-in-law, and also includes any individual who regularly resides in the employee's home or where the relationship creates an expectation that the employee care for the person, and that individual depends on the employee for care [effective 01/01/2025]. as these terms are defined in Washington's Paid Sick Leave Law, RCW 49.46.210. "Child" means a biological, adopted, or foster child, stepchild, a child's spouse [effective 01/01/.2025], or a child to whom the employee stands in loco parentis, is a legal guardian, or is a de facto parent, regardless of age or dependency status.

How to Request PSL

If your need for PSL is *foreseeable*, you must submit a written request at least ten (10) days in advance of using the PSL, or as early as possible. Employees should provide the written request to his or her direct supervisor or to the **Human Resources Department**. When possible, the request should include the expected duration of the absence. When the use of PSL is foreseeable, the employee must make a reasonable effort to schedule the use of PSL in a manner that does not unduly disrupt the company's operations.

If your need for PSL is *unforeseeable* (e.g., emergency illness), you must notify your manager or the **Human Resources Department** as soon as you know you will be absent, pursuant to the Attendance and Punctuality Policy. Absent emergency or other exigent circumstances

employees are required to call in before their regularly scheduled starting time. If you are unable to provide notice personally, notice may be provided by your spokesperson (e.g., spouse, domestic partner, adult family member, or other responsible party).

For PSL use related to domestic violence, sexual assault, or stalking, employees must provide oral or written notice to a direct supervisor or to the **Human Resources Department** no later than the end of the first day of use of this leave.

Documentation

Employees who are absent for more than three consecutively scheduled workdays will be required to provide reasonable documentation to verify the need for PSL. This may include documentation signed by the appropriate health care provider indicating that the PSL was necessary or, in the case of time off for reasons related to domestic violence, sexual assault, or stalking that affects the employee or the employee's covered family or household member, a police report, a court order, documentation that the employee or the employee's family or household member is experiencing domestic violence, sexual assault, or stalking, or an employee's written statement. However, to protect employee (and family member) privacy, employees generally do not need not disclose the underlying reason for a medical or dental appointment, any specific diagnosis related to a medical condition, or details regarding domestic violence, sexual assault, or stalking.

If providing the verification for the need for PSL would result in an unreasonable burden or expense, please contact the **Human Resources Department**.

PSL Rate of Pay

An employee's PSL pay is calculated at the employee's normal hourly compensation. Please consult the **Human Resources Department** for detailed information on how the rate of your PSL pay is calculated and the amount you are entitled to receive.

Concurrent Leave

Some circumstances that allow an employee to use PSL also may qualify for leave under applicable federal, state, or other local laws (e.g., Washington's domestic violence leave law, leave taken due to an employee's disability, or pregnancy disability leave). All applicable leaves will run concurrently to the fullest extent permitted by law. Please refer to the Company's other leave policies for more information.

PSL Upon Re-Hire

If an employee separates from the Company and is rehired within twelve months, the Company will notify the employee of their previously accrued, unused PSL that will be reinstated and available for use upon rehire. If an employee separates from the Company and is rehired more than twelve months later, then previously accrued unused PSL is not reinstated, and the employee is treated as a new hire under this policy.

No Cash-Out of PSL

Unused PSL has no monetary value. It is not cashed out at any time during employment or upon separation of employment. Employees who are terminated, resign, retire, or are otherwise separated from employment will not receive any pay-out for any unused PSL.

No Retaliation/Discrimination

We strictly prohibit any retaliation for an employee's lawful use of PSL, and we will not take any adverse action against an employee because the employee has exercised their rights provided under Washington's Paid Sick Leave Law. However, employees who misuse or abuse this policy, e.g., misrepresent the reason for use of PSL or use PSL hours for vacation, may be disciplined. Please immediately report any concerns to your manager or the **Human Resources Department**.

documentation to support an employee's request for leave under this policy, however, such request will not include information that might compromise the employee's safety or the safety of their family members. The company will also provide reasonable safety accommodations to employees who are victims of domestic violence, sexual assault, or stalking.

This leave is generally unpaid, unless the employee elects to use accrued PSL or other available paid time off benefits. **Employees may also elect to use any available paid vacation benefits.** Leave under this policy may run concurrently with the federal Family and Medical Leave Act and/or any other applicable leave as permitted under federal, state, or local law.

Family Care Act

It provides paid time off to give or receive care for Qualifying Events defined by the PFML law. The program is funded by premiums paid by employees and employers, generally those with over 50 Washington-based employees. It is administered by the Employment Security Department (ESD). Employers collect the premiums and send them to ESD.

No Discrimination or Retaliation. We do not discriminate or retaliate against employees who take or request PFML. If you have questions, please ask the **Human Resources Department** or visit paidleave.wa.gov.

During this leave, the employee may choose to use any accrued PSL or PTO to cover some or all of the absence. Otherwise, the leave will be unpaid unless PFML or other benefits apply. Group health and other benefits will be handled in the same manner as for any other similar pregnancy or non-pregnancy related absence.

Leave under this policy will run concurrently with any other leave rights as allowed by law.

Pregnancy Accommodations

The Company provides reasonable accommodations to employees for health conditions related to pregnancy, childbirth, or physical recovery from childbirth. Personnel Files

Upon request, an employee may review the information in the employee's personnel file. The Company will make the personnel file available within a reasonable period of time after the request is made. Employees may place a statement in their personnel file if they disagree with a document contained in the file. Personnel files do not include information relating to criminal investigations or records compiled in preparation for impending litigation that would not be available to another party.

Alcohol and Drug Policy

In addition to the provisions of the Alcohol and Drug Policy in the Company's Employee Handbook, please note that although the state has legalized the use of cannabis, the Company does not permit the use of cannabis or cannabis containing products in the workplace. Employees are also prohibited from being under the influence of alcohol or cannabis products while at work. Use of cannabis or products containing psychoactive cannabis (THC) on Company property or while engaged in work-related activities is strictly prohibited and may result in discipline, up to and including immediate discharge. Off-duty alcohol and cannabis use, while generally not prohibited by this policy, must not interfere with your ability to perform the essential functions of your job.

Personal Vehicle Rights

Washington employees may also possess any of their own personal property within the employee's privately-owned vehicle, unless the possession of such property is otherwise prohibited by law. Washington law also regulates employer searches of employee-owned personal vehicles located on the Company's parking lots or garages or located on access roads to those parking lots or garages. No employees or prospective employees are required to waive these rights as a condition of employment, and any language in the main handbook purporting to create such waiver on behalf of a Washington employee is invalid.

The Company may nonetheless find it necessary to search, or allow others to search, such privately-owned vehicles from time to time. Specifically, Washington employees' privately-owned vehicles are subject to search when:

- The vehicle is owned or leased by the employer;

- There is a lawful search by a law enforcement officer;
- The Company requires or authorizes the employee to use the personal vehicle for work-related activities and the Company needs to inspect the vehicle to ensure it is suited to conduct the work-related activities;
- Reasonably necessary to prevent an immediate threat to human health, life, or safety;
- The employee consents to a search by the Company or its agent based on probable cause that the employee unlawfully possesses:
 - The Company's property; or
 - A controlled substance in violation of both federal law and the Company's written policies;
- Subject to security inspections of vehicles on state and federal military installations and facilities;
- Vehicles are located on the premises of a state correctional institution; or
- Subject to search under state or federal law in specific employer areas.

For searches by the Company based on the employee's consent, the employee may choose to have a witness present for the search.

The Company will not take or threaten to take any adverse action against Employees who exercise their vehicle rights under this chapter. If you would like to report any violations of this policy, please reach out to the [NAME or TITLE] immediately.

Exempt employees may be provided time off with pay for any of the above-described leaves when necessary to comply with state and federal wage and hour laws.
